

To my friend Lilliy

Roses are red
Violets are blue
Your eyelashes are long,
your boobs are huge
your hair is long
Your teeth are white
your boobs are huge
your necklace is pretty
your boobs are huge
I like the way you laugh,
and your boobs are huge.
You have a big heart,
and big boobs.
Your boobs are huge
Your boobs are huge
Your boobs are huge.
Your laugh is contagious
and your boobs are huge.
