

Along Dreaming flowing through the stairs

It was a typical day for Angellothefox.
It was kind of nice no Crystal fire trying to
capture him.
For a change
non evil things.

Angellothefox did a Microwavable burgure and
Angellothefox's mum came in to tax it at the right
time.

Susan put the TV on and Angello watched as 2
uninteresting adds came on one about err. Store
stuff and the other about.
Some useless BMW at is not that fast and very
noisy.

The third Advert was the most intresting to
Angello for some unknown reason whith two dogs in
lap cotes.

"Hello are you wanting to fall asleep and feel like
never waking up and we do not mean dying like some

furs think.

So we are waiting for furs to try out our free DreamSweet.

What we can not use that name because of nintendo.

Our Total recall. What!?

We can not use that as well!

Dream Emulater WHAT SOME FURS IN JAPAN HAVE A GAME OF THAT!

What ever dude I am do with this!"

"But...But ""Sigh"" Well come on down and we will be happy to hook you up to one of these machine and do not worry if your the type at takes a long time to get to sleep our machine will take care of your restlessness and you will be in bliss.

It is in Millennium Squire in the middle of BaaBar and the pub next to it."

Angellothefox was so exited he turn around to his Mummy. "Can I go mummy please!"
She say "Eh!"

So Angellothefox got his money and set out and got

his bus pass.

It was in his wallet.

He got off and walked to Millennium Squire.

It was next to I think it was a Weather Spoons and BaaBars Pub which we know is a defenent.

He asked one of the staff at the opisite side of the pub.

"Excuse me, hi I am Angellothefox I am here for the Dream boxes"

The White furred waitress cat looked at him then said.

"Oh your here for the dream machines Right this was follow me sir"

She lead him to a door unlocked it and opened it and walked off.

The door Opened and Angellothefox was Greated by 2 dogs. "Oh wait!"

Said one

"Your that fox at we helped that dragon urrm... Crystal Fire Catch at the Asylum in the USA."

Said the other.

"Look we are sorry for strait jacketing you and also yeah sorry it was all that crazy dragons Idea but

never the less. You do not have to worry now we are out of that Asylum and it has been replaced with furs at do not take money to give other furs what they want.

Said the other.

"So Get your self in the machine do not worry it is also self cleaning"

Said another

(They think I am going to Hmh I am a big fox)

Thought Angello

"Can I take Mr Foxy in with me?"

He asked

"Well I do not know due to complications-"

"Sure you can. If the little fox wants a plushie the little fox gets the plushie OK!"

So they opened up the lid and helped Angello inside before closing it!

MEANWHILE

"I hope you like it because it is all you are getting!"

"Er Dad we are having Breakfast curial at Dinner?"

"The stupid Special school never taught me how to cook using the cooker all right it is there FALT!

Then the Advert came on TV telling Crystal Fire about The dream machines!

"THAT'S IT"

"Evil plan time Dad"

"You bet ya son if I can not rule the real world I will rule the dream world"

"It is debatable weather this is the real world Dad"
Said Judas.

"Thanks Now turn it off"

"What do you mean dad the TV is off."

They stared as eerie alien music played for less than 10 seconds in the background.

[illegible]

With that Crystal Fire went off to Millennium Squire

He got his wallet his bus pass his money.
He disliked going on the 72 a bit. Because
sometimes they can be right awkward little things!

Crystal Fire arrived and asked where is the blue
fox to the waitress.

The white fur cat waitress looked confused.
"Er sir we have a dream machine if you want to
dream about a blue fox?"

"Of cause that is where the little sneak is hiding
take me there!" Demanded Crystal Fire

The waitress put her hands on her hips and said.
"What is the magic word"

Crystal Fire looked angry.
"Come on"

"Please" Said Crystal Fire.

"See manners make a man. Come this way"
She said while whispering under her breath
(duffess).

She unlocked the door and Out comes the two dogs.

"Oh"

Said one

"Let's leave the past behind us he is after all a tester"

Said another

[illegible]

The two shielded themselves with there arms!

"I want to thank you. Admitally you did betray me and put a strait jacket on me but I had the best few days ever and it is all thanks to you!"

Said Crystal Fire.

"And you can have another day like that right in your dreams. Let us just open the door."

Said one

"I can get in myself I am not a baby dragon!"

Snapped Crystal Fire.

"Well not a baby dragon these machines have a self cleaning inside them so if you do so happen to be a baby dragon the machine will clean it's self!"

Said Another slamming the door hard down tight shut.

"Who dose that dragon think he is?!"

"I do not know but we only had 2 volunteers to try out our invention and they are the 2 we know. Of course we just bought the thing throught the councell It did cost £100,000 but we squeezed a couple of £10,000,000 of off them."

Said another.

"It just goes to show you if you take our favourite shops from the corn exchange we will charge you more!"

Dream 1

Crystal Fire opened his eyes to find him self in some sort of pub it was a small pub brightly light and in the background he could here it will be lonely this Christmas by Elvis Presley or Mud???

<https://www.youtube.com/watch?v=NJ6kJ7GWtv0>

Out comes a Judas at appeared from thin air in a flash.

"Hello Crystal Fire I am a automated dream guide a machines computer here to help you. I have picked a form at you are fimillior with and I know everything you know as I scanned you brain a thousand times with blue ray."

Said the dream guide at has took the form of Judas.

"Oh great I have a Dream guide telling me what I can and can not do where are we anyway?"

"You are in the heart of Angellothefox's Dream Crystal Fire. Or would you prefer Dad?"
Said Judas.

"I do not know it is all too weird for me? Wait you said we was in Angellothefox's dream right"

"right"

"Then let's just keep going though his dreams them
"

"Wow your serious there is always DreamMerge but I do not think you are ready for that."

"What are we waiting for let's find Angello in this Mud pub"

Crystal Fire seached and could not find Angellothefox

"OK How do I get out now"

"Well" Said Judas "To go to the next dream you say next think next focuse all your thought on next"

"Right Next!"

Dream 2

Crystal Fire found himself in the top room of a house like a attic bedroom part with stars and he could here a cubs music box playing in the background.

<https://www.youtube.com/watch?v=ZqMN0g5gi2I>

There was alpherblox on the floor Judas was there

the lights suddenly went out and the room illuminated with stars. There was even a toy warm on the floor. The mobile kept going around although there was no batteries powering it.

There was a small cote at was a bluish purple at had glow in the dark stars sawn on it.

Both Crystal Fire and Judas was noisy and wanted to see what this little scallywag of a cub was.

Well it was no more then Angellothefox in cub form.

He had Mr Foxy and was sucking on his little tiny tail.

"Aww that is so cute" Said Judas

"What do you mean cute I wanted to capture Angello and now I can't" Said Crystal Fire

"It never stopped you before!" Said Judas

"Why can't you just lay back and watch the innocence of a small young cub."

"But he will not put up a fight and I am not changing him"

"Shhhhhhhhhhhh you will wake up lil Angellothefox cub poor little thing is tucked out."

Said Judas and rightfully so he was drulling hugging Mr Foxy.

"(next)" Wispered Crystal Fire quietly

Dream 3

(In memory of Terry Pratchett)

Crystal Fire found himself flying while Judas was holding onto his tail for dear life.

"Where is That Fox"
Demanded Crystal Fire

They was in the Worm burg a place where dragons big once live.

"You are in the Worm burg and whatever you do not stop flying!"
Panic Judas.

"It is a little hard to get lift when someone is pulling down on my tail."

"There is a lot of dragon here"
Admitted Crystal Fire

"Hold on here comes Angello"
Said Judas
"He is flying this way"

"Wait Flying"

Then Angello at was a black dragon a big one flew past saying "wooo-whooooooooo"

Accompanied by this track

<https://www.youtube.com/watch?v=9E3SG0wr5vA>

"YEAH BABY"

"WHOOOOOOOOOOOOOOOOO A-YAAAAAAR!"

"Who is that?" Questioned Crystal Fire

"That is Angello" He answered

"WHAT"

"YAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHR!"

"oo"

Shouted AngellotheDRAGON!

"You see Angellothefox has always admired dragons and has always wanted to be one. He chats to Mr Potato head and he says you just have to believe and he ran off the cliff and sprouted wings and you know the rest! HE IS A DRAGON!"

Then Angellothefox flew past them with a epic wing flap and Crystal Fires wings could not take it

he fell down.

"ANGELLO YOU DAFT DRAGON SAVE US!"

"CRYSTAL FIRE IT WILL NEVER WORK TO DO SUCH A THING YOU WOULD HAVE TO DREAMMEARG AND YOUR NOT CAPABLE OF DOING SUCH A THING! IT IS LIKE YOUR A GHOST TO ANGELLO HE CAN NOT HEAR OR SEE YOU HE DOSE NOT EVEN KNOW YOUR THERE! Shouted Judas as they plummeted to there deaths

"NEXT!" Panicked Crystal Fire

Meanwhile back in the real world.

"Oh Angello I came as soon as I heared" Said Kitty62

"Er you do realise at he will not be able to here you in the machine right."

....

"Shout up"

She hugged the Machine "If only there was some way of knowing you was aright"

Dream 4

Crystal Fire opened his eyes to find he was in a market with loads of shops he walked by and looked in a few.

He thought it was funny how he only had £5 on him. But all well.

He walked along with Judas until
Bang boom kaboom kabobby kumbarrrrarly explod.
He heard explosions going off. He went to see what it was and there was Angellothefox in dark trousers and a dark t shirt with a cool white design on the top.

Angellothefox was crying and on the floor was his compac Laptop all in smithereens.

"Why Why did my laptop have to do this why"

*Sob sob sob

"Why did the Dinomo have to go off like that"

"Dinomo!?"

"Big metal creates almost like denominate but even bigger."

"I can not be doing with this next!"

Dream 5

it was dark and it looked like Crystal Fire was at

the house from dream 2.

He was in the same house but things was different. He walked down stairs and everytime he did you could here one tun getting played he went down the steps quite quickly and the tune went up and down. One he was down He thought there is no Angellothefox so he might as well get out of this crazy place.

He ran up stear as the tune was replace with a enging noise raving and raving. He ran to the door and shoot it.

Surprisingly Judas was there.

There was also a baby or kid dragon smaller then crystal fire and Judas and more colourful.

"Judas there you are and who is this?"

He said looking down at a dragon

"He is a little dragon"

Said Judas.

"Yes I know that"

Said Crystal Fire

Angellothefox came rushing in slammed the door.

The little dragon interacted with the blue fox

THEN!

The whole background got destroyed and behind it was a big Tracker bigger than Angello and Crystal Fire put together!

"It is coming Run!"

Shouted Angello the fox

Crystal Fire could see the Fear in his eyes!

Angello the fox got a head start in running!

Crystal Fire and Judas Ran from the Dangerous looking Tractor with big mowing spike blades going around and around and around and around and around!

"That does it Dreamer!"

Shouted Crystal Fire

"But you do not know what it does!"

"I said NOW!"

He shouted and demanded to get a way from that Killer tractor that was behind them!

MEANWHILE

It was now evening and Juils or Susan Angello's Mum came to find him but found Kitty62 instead.

"This was not your idea was it?" She questioned

"No He did this by his own accord oh I wonder if

we could get him out" Said Kitty62

One of the dogs interrupted.

"Because the machine is in it's Primary state it would be unwise for you to tamper with it."

Another dog said

"Wait until they die... In there sleep or at least until they wake up.

Mummy and Kitty 62 looked at the dream machine as they had there paws or hands on it.

Dream 6

Crystal Fire opened his eyes to find himself in a quirky little town.

It had a slope going down and houses he went into this little house ish bar thing?

And he met Judas.

"You could have been seriously wacked up with your dreams or worse feel a little bit of electrical stinging pain"

Said Judas the Dream guide shocked!

"Yeah thank anyway who's dream are we in anyway?" Asked Crystal Fire

"Who do you think. It is you, you big dummy!"
Said Judas.

"Oh yes and one more thing with dreammearg on Angellothefox can see you and you can see Angellothefox you can interact with him to your hearts content." Explained Judas

"Excellent anyway next."
Judas rolled his eyes and said "I though you would never ask" Sarcastically!

Dream 7

Crystal Fire saw a Ghostly figure of a little girl rolling around in radiation.
Judas was with Crystal Fire
"next"

Dream 8

Crystal Fire was in a house but not the house from dreams 2 and 5 it was a different house. It had quite a large living room. Gat was hanging out on the Sofa. From Saints Row 2.

Angellothefox was sitting on the floor listening.

"Er who's dream is this?"

Asked Crystal Fire.

"Your dream"

responded Judas.

"OK" He says he walks upto Gat and says

"Yo Gat my man I want to Join the Saints." Said Crystal Fire.

"Well that is supper we have one raidio station left for you to work at this fox here is running the other one."

Angello smiles and waves.

"I will start by getting rid of this fox Gat!"

Said Crystal Fire trying to remove Angellothefox from the sean then Gat get's his guns out and says.

"Hay that is our radio DJ if you have a problem with him your going to have a problem with me!"

As the guns clicked Crystal Fire panicking said "next Next NEXT!"

"How do you do tha-"

Said Angello been cut off by the transportation of another dream.

Dream 9

Crystal Fire Opened his eyes to see Judas was there. They was in some sort of a desertdy place with red or orange rock.

"Well we do not seem to be in any danger here Judas?"

They walked around slowly admiring the nice atmosphere at was nice and peace full.

"It is quirt a little too quirt..."

Oh ho!

This dream there is going to be kids at are out to get you!"

Said Judas

Then Angellothefox came running and following him was a bunch of human kids with bicycles. One of them had a bicycle at looked like a bike verry thick wheels made out of black plastic.

Hard black plastic.

He gets out a knife and walks to Crystal Fire.

"Ooh may I try this please"
Said Angellothefox
"Next" Said Angello

Dream 10

Crystal Fire Opened his eyes to see he was at a furmeet and some furs he reconized.

He turns around to Judas and asks

"Has this been all my dreams?"

Judas the computer and dream guide answers.

"Yes but only dreams 6 - 10 the rest have been Angello's dreams.

Angellothefox was laughing and having a great time
Only it wasn't Angello.

He was wearing his fursuit but he was still Angello.
Just without a movable mouth or a slit mouth like
he has know.

Angellothefox walks to Crystal fire and says

"What"

"Oh this dreams have been a total utter disaster"

Then a noise started and Crystal Fire and Angello
got sucked into a blue ish purple moonstone couler
portal.

MEANWHILE

It was midnight and Sapphire Crystal Fires mum just entered the room along with Judas the real Judas.

"I do not think we ever met before I am Sapphire Crystals Fires mum and this is Crystal Fires adopted son." Said Sapphire.

"I didn't know Crystal Fire had a adopted son?"
Said Kitty62

"Now you know not that I care about it ether way."
Judas looked at the machine with his hand on it.

"Is my Dad going to be OK?"
Asked Judas to the dogs.

"I am sure" Said one

"He's Al right" Said another.

Dream 11

"Where are we?"

Asked Crystal Fire too Judas.

"This is what happens when you dreamnearg you get some pretty messed up stuff!"

<https://www.youtube.com/watch?v=4Diu2N8TGKA>

And Crystal Fire whispered in Angellothefox's ear
"Er that once my dream."

Angellothefox
turned around

"There is no need to be ashamed of liking human women as the old furry adults and staff keep telling me. If we was all the same life would be a very boring place."

With a flash they was onto the other dream.

Dream 12

They was at a hotel room and they was on the ceiling.

And then suddenly the whole hotel room colapsed in

slow motion.

Then Christal Fire and Angello both woke up to hear this eerie music

<https://www.youtube.com/watch?v=q1WGhYQBJVI>

Angellothefox and Crystal Fire both got up to see statues of them selfs.

One was blue and shiny Angello's

The other was bronze and sparkly Crystal Fire's

Dream 13

"This is the 13 dream isn't it"

Said Angellothefox

"I-I think you are right."

Admitted Crystal Fire.

The room with the statueres seemed to have slants everywhere.

The room was very uneven. It would sometimes go from red to blue in a split second just like that! But it was only a flash and did not happen often.

There was troffies at said Depression, Guilt, Anger, Sadness, Loneliness.

That was the biggest Trophy and it was covered in

gold.

Then everything went black and the music stopped.

MEANWHILE

The two dogs was standing behind another machine but this one told them information.

A big yellow light comes on.

"Ah We have some good news see that yellow light above the machine it means your Friends have Woken up!"

The two dogs each go to the separate Dream machine and open it up.

Angello Angello's mummy and Kitty62 went home cheerfully

Crystal Fire was sat up in the dream Machine.
"When I go to bed I am going to shout at you Judas"

"How can you shout at me when your already in bed?" Said Judas

"Have you finished conquering the world yet?"
Said Crystal Fire.

"Yes in my dreams" Said Crystal Fire.

THE END
