

# Caught in Bowser's Castle

The fox snuck through the King Koopa's castle. They came there seeking one thing and one thing only, the golden mushroom they'd heard Bowser had obtained recently. It was a highly sought after item, and Jamie knew that they would make a killing if they got their paws on one of those!

They silently moved through the halls, careful not to alert any of Bowser's guards to their presence. They hid behind statues and moved along the rafters, keeping to the darkness and out of sight.

Soon they reached the door to the treasure room. Jamie took a deep breath, looked around to make sure no one was watching and began picking the lock to it.

"Hmm, okay almost got it." Jamie whispered to themselves, moving the lockpick around as he heard a few clicks from the tumbler. "Yes! I'm in."

Jamie rooted around the different treasures in the treasure room, searching for the one thing they were looking for.

"Crap, crap, mega crap." They z said, sifting around the different treasures. "Where the hell is the—" They cut themselves off when they saw it sitting there, practically glowing in the little light that was in the room. "The Golden Mushroom..." Jamie whispered reaching out and grabbing it. "Now I'm outta here!" He said sneaking back out the door without first checking to see if anyone was outside.

"Hey! What do you think you're doing?" A Goomba shouted, noticing Jamie coming out of the room.

"Shit!" Jamie cursed, quickly running down the hall, knowing their cover was now blown.

"Intruder! Intruder!" The Goomba shouted, chasing the fox down the hall on his little legs.

Soon more guards started to join him as Jamie kept up the pace, dodging other guards that jumped in front of them. Shy Guys, Goombas, Dry Bones, they all came at Jamie, trying to keep him from getting away.

Jamie made it outside and just needed to make it through the gate and they'd be home free. But the guards were closing in. Jamie needed to hurry, before the gates closed. They sped

up and rushed towards the gate, keeping the mushroom under their arm. But Jamie's eyes widened as the gate closed.

"No!" They yelled. Wondering what they should do as the guards closed in, Jamie tossed the golden mushroom to the ground and attempted to climb the gate. But the guards got to close and pulled Jamie down by their tail, not letting them get very far.

"No! Let me go!" Jamie struggled against all the guards.

"Let's take them to the dungeon. Bowser will deal with him later. One of you grab the mushroom."

Jamie lowered their head in defeat as they were dragged to a cell in the dungeon.

Jamie sulked in their cell, waiting to find out what would happen to them. They were so close to making off with the golden mushroom, but they just had to get careless and fuck it up at the last minute.

Suddenly Jamie felt the ground shake slightly, as if something large was making its way to the cell. The footsteps got closer and closer until they stopped right outside the door.

"No... It can't be..." Jamie said, before the door burst open to reveal none other than King Bowser himself.

Jamie shook a little as Bowser walked into their cell and closed the door behind him and walked up to Jamie.

"So, you're the intruder that tried to steal from me?" The King said angrily.

"Y-Yes... I am."

"Obviously, you're going to have to be punished for entering my home without permission and trying to take what's mine."

"W-What are you going to do to me?" Jamie asked.

"Lucky for you, I'm feeling a little generous tonight. I'm not going to kill you..."

"Thank you sir—"

"But, I do expect something from you." A devious grin spread across Bowser's face.

"Wha-What's that?"

Then Jamie glanced down and realized exactly what Bowser was planning, as he was sporting a very sizable erection. Jamie started to back away from the King, even though he

knew it would be pointless, they had no where to go in the cell. Bowser stepped forward and quickly grabbed Jamie by their arm, lifting them up off the ground.

Jamie grunted and struggled in Bowser's grasp, but the Koopa King just laughed and started to tear Jamie's clothes off.

"Go ahead and struggle fox!" Bowser chuckled as he tossed Jamie's shirt aside. "It's only going to make me have more fun with you.

Bowser peeled Jamie's pants away, exposing their naked form, their cock growing erect from excitement and fear.

"Yeah, judging from that nice wood you're sporting, I take it you can't wait to have me inside you. I guess it won't be much of a punishment for you after all." Bowser teased.

"No! Let go of me!"

Bowser ignored Jamie's cries of protest as he dragged him over to a spot on the wall with shackles and raised Jamie up, clamping one of the shackles on his arm, lifting him over to the other and doing the same, letting Jamie hang there, their front side resting against the wall, with their rear facing Bowser, who promptly let out a lustful growl as he gazed at the foxes ass.

Bowser reached out and gave Jamie's rump a squeeze, making the fox jump and struggle against the restraints. Bowser got even harder as he watched the fox squirm and struggle. He put his finger in his mouth and got it nice and wet.

"Don't worry though, fox." Bowser chuckled, bringing his finger out of his mouth, dripping with saliva. "I'm going to get you nice and lubed up, now lift that tail."

"N-No!" Jamie protested.

Bowser then grabbed Jamie's tail and pulled it up, making the fox yelp.

"I'm claiming that ass of yours whether you want me to or not," Bowser pressed his wet finger against Jamie's tailhole, "you just be glad that I'm feeling generous enough not to go in dry." He chuckled.

Bowser pushed his thick finger against Jamie's pucker, making them whine and squirm as the thick finger slowly penetrated them, their body tensing up and their eyes growing wide with shock. Bowser's finger was thick as all hell, Jamie couldn't imagine how they were going to be able to take Bowser's cock when he was done preparing them, but Jamie knew Bowser would stretch their tailhole whether they were ready or not.

"Mmmm, yeah this is going to be a tight one." Bowser laughed and ginned evilly.

Bowser moved his thick yellow finger in and out, wiggling it around inside Jamie and making the fox moan and squirm against the wall. Jamie's eyes teared up from the pain of being stretched and the humiliation of being prepared to be dominated by the massive king.

Bowser wiggled his finger around inside Jamie for a little longer, making sure he had nice and ample room to replace it with his cock, but also enjoying the sight of the thief struggling against his power. But soon Bowser pulled his finger out, making the fox gasp before he grabbed Jamie's hips and lined his massive cock up with their soon-to-be-abused hole.

"Hope you're ready to get wrecked you thieving fox, if not—"

Bowser gave a hard thrust, instantly penetrating the fox, making them let out a high-pitch shriek, echoing throughout the cell. Jamie shook with fear and pain at the sudden penetration, breathing hard, feeling Bowser run his claws gently down their chest.

"Hehe, I'm sorry, was that too fast?" Bowser growled, holding Jamie's body. "Don't worry. I'll go nice—" He slowly drew it back out. "And—" He shoved it back in. "Slow."

Bowser started to slowly hump Jamie, enjoying the tightness of the fox. He held Jamie's tail with one hand and caressing Jamie's chest with the other. Jamie's inner walls massaged Bowsers massive cock, making him moan with pleasure.

"Definitely not going to last long inside of you." Bowser growled in Jamie's ear. "Bet you won't last long either, you're loving that Koopa cock in you, aren't you?"

Jamie however was absolutely miserable. They felt tears streaming down their face as they felt the large form of Bowser thrust against them, forcing them against the wall each time, and making their arms strain against the chains. Jamie could also feel their cock twitch each time, moaning as that massive cock hit their prostate and bulged inside their belly.

Bowser bit down on Jamie's shoulder making Jamie cry out in pain, blood slowly trickling down their arm.

"Yeah! Take it bitch!" Bowser growled. "Might just have to keep you prisoner a little longer, you're the tightest thing I've ever slid myself into!"

"Please stop!" Jamie cried. "It hurts!"

Jamie looked down and saw their belly throb with Bowsers enormous member.

"You should have thought about pain before you tried to steal from me!" Bowser growled angrily, slamming himself harder into the fox. "You're mine now!"

Jamie sobbed more, letting their body go limp as they accepted their fate, letting Bowser have his way with them with little to no struggling. Jamie just sobbed quietly feeling nearly ready to cum but tried to resist it.

“There we go, I’m almost ready to fill you.” Bowser said with a smirk.

He humped Jamie’s smaller body even faster, his massive yellow balls starting to recede as he prepared to cum. Jamie whimpered and let out pained moans as they felt the Koopa smash into them. Jamie could feel themselves nearly ready to cum, it was pointless to resist, it was going to happen. Jamie let out a cry of defeat, shooting a load all over the wall. Bowser laughed, smelling Jamie’s cum as it hit the wall.

“Told you, you were enjoying this. Now get ready for the best part!”

Bowser gave one more thrust, his balls giving Jamie’s one hard slap before Bowser came a massive load deep inside the fox with a powerful roar. Jamie gasped looking down and seeing their stomach swell with Bowser’s warm seed. Bowser held Jamie’s fluffy body close to his bigger one, running his claws through Jamie’s chest fur.

“That’s it, getting you nice and full.” Bowser chuckled. “You should feel honored, being fucked by Bowser himself. And you’d better get used to it, fox, I’ll definitely be keeping you for a little while for some more fun. Your ass is going to be very busy.”

“You bastard.” Jamie tearfully spat.

Bowser clamped his hand down on Jamie’s muzzle.

“Watch that mouth of yours! Slave!” He growled menacingly. “In fact...”

Bowser grinned and undid Jamie’s chains dragging them out of the cell and grabbing some wrist restraints on a nearby table, before heading back inside and binding Jamie’s paws behind their back.

“How about we put that mouth to better use?”

Bowser positioned Jamie on their knees and waved his cock in front of their face.

“Lick me clean bitch!” He ordered. “And I swear if you bite me...”

Jamie looked at the massive member in front of them and obeyed, wishing they’d kept their mouth shut earlier. Jamie began running their tongue all along the head of Bowser’s penis. Bowser growled with pleasure, enjoying the texture of the vulpine tongue against his sensitive organ. Jamie grimaced as they tasted their own ass on Bowser’s cock as well as his leftover cum. Jamie just closed their eyes and focused on licking his cock clean, but Bowser had other plans...

Bowser looked down at the helpless fox beneath him and placed his giant clawed hand against the back of it, pushing him forward and forcing the whole head of his cock into Jamie’s mouth.

“Come on, now! Don’t be shy.” He laughed.

Jamie let out a muffled moan as Bowser's cock forced their jaw open wider than they'd ever opened it. They teared up as they strained to take in all of it, not having much of a choice as Bowser started thrusting into their mouth, his cock pushing against the back of their throat, making them gag.

Bowser let out a series of deep moans, grabbing Jamie's ears with both hands and beginning to face fuck the poor fox.

"Yeah! Tight on both ends! This little fox fuck toy just keeps getting better and better!" Bowser roared already feeling himself getting closer to releasing again.

Jamie struggled to breathe each time Bowser pulled out, terrified they were going to choke on that massive tool. Bowser thrust deeper inside them, his cock sliding further down Jamie's throat.

"Yeah! Take it like a good bitch!"

Bowser squeezed Jamie's ears and thrust faster.

"Don't you pass out on me!"

He slapped their face.

"Just... a little... MORE!"

Bowser quickly pulled out and sprayed jets of white, hot cum all over the fox's face and body, coating them in his musky seed.

"Now your mine!" He growled, letting the fox fall sideways to the floor, completely exhausted.

Jamie couldn't even speak after being roughed up like that, they were completely out of breath and in utter disbelief of what had just happened.

"I have to say, you're a shitty thief, but a mighty fine fuck toy." Bowser chuckled deeply.

Bowser began walking out of the cell as his cock started to go flaccid.

"I know you're out of breath from such a great fuck like that, but don't worry, you'll get used to it. As I said, you're going to be here for a long time, and I can assure you..." A devious grin spread across his face. "The fun is just beginning."
