Did you have a good night?

Cedric Crimson:
No, i had the same dream again

Cedrics Foster Mum and Dad look at eachother in worry and then finish up what they are eating.

Foster Dad:

Cedrics Foster Dad slams his hands down on the table and stands up.

Foster Dad:

FADE OUT

INT. SCHOOL - AFTERNOON

Biology Teacher:
And if you turn to page 24 of your textbooks you will find a brief explanation of Darwin's observations about evolution

Cedric looks outside and watches the people playing outside, the teacher carries on with the lesson unaware Cedric isn't paying attention.

Cedric notices a bush shaking from a distance as a small rabbit hops out, he licks his lips and is hungry from the sight of it.

Biology Teacher:
Cedric could you read the paragraph in the book that explains the formula?

Cedric Crimson:
errrrr... sure (quickly flicks to page 24) 1. All organisms over-preduce, but populations remain fairly constant, so some offspring must die.

Biology Teacher:
Yes and so... (Points to another class member)

The other class member stands up and is about to continue speaking

Cedric Crimson:
But Darwin was wrong, he never a species being as advanced as the humans, we overpopulate but we are not dying out and just keep expanding.

Biology Teacher:
Sit down Cedric.

The teacher giving him a stern look and gestures for the other class member to continue

Cedric Crimson:
Yes but Darwins theory is about when a species is hunted by another and 1 and so numbers stay even, but the human race isn't being hunted or starving out and our numbers are staying constant.

Biology Teacher:
Cedric, report to the headmistresses office now. You have held up the lesson and you will be given a Saturday detention... Now continue.

The Biology Teacher gestures again to let the class continue reading as Cedric sulks his way out the classroom.

DOOR SHUTS - WIPE TRANSITION

EXT. ROAD, WAY HOME - EVENING

Cedric has bags of shopping in his hands as he walks home he thinks to himself about what had happened this morning, his Foster Dad was acting out of character.

*Foster Dad:

Cedric turns into his house driveway, the door is torn down and scratched like his was ripped open

Cedric Crimson
Oh no...

Cedric quickly kicks down the half destroyed door and runs into the house, his Foster Dad is being held around the waist and a huge Sergal is holding onto him, the room is partially on fire and the floor is scorched with a satanic symbol.

Sergal Striker:
Deshshshshsh, So you're here... I've wanted to meet you for a while now... Cedric.

The Sergal licks his lips and throws Cedrics Foster Dad across the room then walks up close to Cedric which makes him fall over.

Sergal Striker:
You don't look so special Deshshshshsh

Foster Dad:
Cedric get away form here!

The Sergal Striker turns and faces Cedrics Foster Dad, he puts his 2 huge claws on his head and squeezes just enough so that blood drips from his temples.

Sergal Striker:
I would watch what you say if you value your life.

Cedric holds his head in fear and begins to sob to himself

Cedric Crimson:
No, not again... NO!

The Sergal turns around to Cedric and smirks.

Foster Dad (V.O):
No, he can't unleash his powers, not yet

Cedrics Foster Dad pulls a small Capsule Grenade from out of his pocket and presses the button on top which makes it glow red.

Foster Dad:
HEY! Sergal!

The Sergal turns back to Cedrics Foster Dad still smirking

Foster Dad:
Open Wide, you son of a Bitch...

Cedrics Foster Dad jumps out of the Sergals claws and sticks the Grenade in its gaping mouth, Cedric watches and his rage starts to fade.

A searing blast comes out the Sergals mouth scorching Cedrics Foster Dad who falls to the floor, the Sergal burns from inside and crashes into the wall smashing straight through.

Cedric runs up to his Foster Dad and holds him

Foster Dad:
C-Cedr-ric, don't... let your power consume you... You have to live...

Cedrics Foster Dad turns into ash and floats away through the hole made in the wall. The Sergal starts to get up again, it is angry and lets out a howl

Sergal Striker:
(Panting) YOU FOOL! you thought you could beat a Sergal!
RAWR!!!

The Ceiling above them begins to crack and then, Haru jumps down and stomps on the Sergals head, cracking its skull. The Sergal is pulled back through the portal it made to get there

Haru Fujimoto:
Come with me, Cedric... They will be back

Haru holds out his hand as Cedric kneels, Cedric is sobbing to himself

Cedric Crimson:
I don't want to be caught up in this... I JUST WATCHED MY FAMILY DIE AGAIN! NEVER AGAIN WILL I LET ANYBODY DIE!

Cedric grabs onto Harus hand and gets up, Haru smiles at Cedrics response.

Haru Fujimoto (V.O):
This feeling, if felt it before... but where...

More Sergals appear behind Haru with the same Satanic Symbol underneath them.

Cedric Crimson:
LOOK OUT!

a Claw slashes at Haru's head, moments before it makes contact with Haru he grabs it with his hand and stops it dead...

Haru Fujimoto:
If you join our group we will make you strong enough to fulfill your wishes.

a flame runs down Haru's arm and explodes on contact with the Sergal torching them both, both Sergals drop to the floor and are pulled back through their portals.

Sergal Royal Knight 1:

Sergal King:

Sergal Advisor:
Sire, it is most unwise to just let this be, the boy must be killed...

The King walks up to the Advisor and with a slash of his claws slits his throat.

Sergal King:
Do not forget who your king is Peasant! we will get him, when the time is right we will feast on his bones...

The Group of Sergals roar and cheer the king, The king walks out onto the balcony of the Kingdom.

Sergal King:

Our time is at hand! do not forget we have the power to
