

DASFIREEBONY'S WRITTING COMMISSIONS

So, I'm in need of money for material and I'm feeling daring enough as to take one more of my skills to another level, so I've decided to open writting commissions. I'll be opening 5 slots for now.

I'm fine with either clean, adult or plain NSFW ones.

For any of these, I'll ask for character refs or descriptions, and context.

By commissioning me an adult or NSFW story, you agree that you're 18 years old, and I won't be responsible for any incidence or trouble that you may have from lying about your age!

In general, about NSFW, I'm most skilled with:

- TF (species)
- Hypno / Mind control
- Tentacles
- Vanilla
- Demon related

I won't write anything related to:

- Pedophilia / "Young age" / DDLG
- Diapers
- Scat / Watersports

I'll also won't write rape if there's no justification in the plot for it.

There are some topics which I'm not skilled writing, since I don't use to read stories related to them, but I could try and do my best, which are:

- Vore
- Inflation
- BDSM
- Feet
- TF (TG)
- Gore (pleasure included or not)

Feel free to ask me about any other topic/fetish that doesn't appear here.

Prizes:

Each 100 words are \$2.

500 words would be \$10.

700 words would be \$14.

1,000 words would be \$20.

2,000 words would be \$40.

5,000 words would be \$100.

7,000 words would be \$120).

Max. I will do it's 10,000 words (\$160).

You can see an example of my way of writing in this personal project I did in 2018:

You can either DM me for the details, or you can also contact me in any other website that I'm in (check my bio to see where you can find me).
