

Desired Tales #14

Darrell, Jimmy, Ryusuke, and Vivian are now inside an abandoned candy factory. It was Darrell's idea. Although he's muscular and goes to the gym almost every day, he has a sweet tooth and doesn't deny his cravings. He knew he could grab more candy if he had help and he didn't want to look selfish, so he convinced his friends that the candy inside would make a great birthday present for Jimmy. Jimmy loves candy as much as Darrell, although Jimmy doesn't like going to the gym and is the fat friend in the group. Darrell specifically chose to invite Ryusuke and Vivian because those two are skinny and he figured they wouldn't want as much candy. Besides, if the group had to sneak into a thin slim spot, one of those two could slide in instead of Darrell or Jimmy who both could get stuck.

Vivian asks while looking around inside the dark abandoned candy factory, "Are you sure this is safe?" Darrell answers, "Of course. There's no guards." Vivian asks another question, "But wouldn't the candy have expired?" Jimmy shakes his head, "Don't be ridiculous. This place only shut down a month ago. The candy wouldn't have that fast of an expiration date. I've seen the expiration dates on their packages." Vivian responds, "Wouldn't they have transferred the remaining candy to another factory or store before shutting down?" Darrell sighs, "You're overthinking it. It was a corporate merger. They don't care about that stuff. They're do whatever costs the least amount of money, which would be just shutting this factory down and not paying people to move all this crap and food. You can still see all this equipment not touched!" Vivian suggests, "Let's not waste time arguing. I don't want to be here all night."

Suddenly, the group hears floor tiles creaking in another room. Vivian shudders, "I hope they're not rats in here." Darrell says, "Relax. Maybe they forgot to turn an equipment off." Ryusuke mocks, "Just turn on the lights and see if the electricity is still running." Vivian asks, "You want us to feel around the walls until we see a switch?" Jimmy responds, "I thought we were using our phones as flashlights?"

Vivian finds a light switch and turns it on. Lightbulbs flicker above them. Jimmy smirks, "Now my phone won't die." Darrell states, "Nothing to worry about. Whatever is in the other room is probably just equipment. Maybe we'll get fresh candy!"

Darrell, Jimmy, Ryusuke, and Vivian walk into the room where the sound is coming from. They see a colorful larger-than-life gummy worm. The humans look tiny in comparison. Jimmy gasps, "How are we going to take that home out of here?" Vivian mentions, "It's touching the floor. I don't think that would be healthy to eat." Jimmy rejects that sentiment, "It's fine. If the bottom is gross, then I'll just eat the top and middle of it that isn't touching the floor. Darrell, you can pick this up right?" Darrell smirks, "I can try, but it's definitely larger than me. Maybe one of us should get something to cut it up into pieces."

Vivian shrieks, "Did that worm just move!" Jimmy shrugs, "That's ridiculous. You just don't want to get your hands dirty and help out. Darrell, come on and help me lift that gummy worm out of here."

Jimmy and Darrell walk closer to the gigantic gummy worm while Vivian and Ryusuke stay close to the door. Jimmy comments, "Weird, there is only one spot on the worm that has any sour powder on it." Jimmy gets closer to the sour part of the worm. The worm begins to move! The worm's top-half is now standing in the air while its bottom-half coils around Jimmy's thick legs and Darrell's muscular legs. Jimmy laughs, "It's tickling me!" Vivian shouts, "Run!"

Vivian and Ryusuke turn around and run out of the room, only to hit two enormous gummy legs that knock Vivian and Ryusuke out! The door closes behind them after Vivian and Ryusuke blackout.

Jimmy exclaims, "There are two big sour gummy worm pieces stuck to this! Awesome!" Jimmy's hand reaches out and grabs one side of the gummy worm's sticky hemipenes that has sour powder on it! Jimmy opens his mouth and starts to suck the gummy worm-shaped rod! Darrell tries to mention, "Jimmy, I don't think that's safe to eat." Jimmy continues sucking the worm while producing a loud moaning sound. Darrell can't block out the sounds Jimmy is making. A part of Darrell wants to look away but he doesn't. Darrell stares at Jimmy while Jimmy eagerly suck. Darrell can see sour powder leaking from Jimmy's lips. Darrell's hands grab the gummy worm's coiled length. Darrell starts to pull himself up with his strong arms. The gummy worm squeezes Darrell's butt and Darrell can feel his crotch being rubbed! Darrell utters, "Why does this feel so good?" Darrell stops trying to lift himself up. Darrell finally grabs the gummy worm dick in front of him. He feels the sour powder on his hand. Darrell opens his mouth wide and starts to suck the tasty worm! Darrell's eyes dilate while he experiences a sugar rush! He regrets wasting so much time. He could have been sucking this delicious treat all along!

Jimmy's skin begins to glow as he swallows the sour powder tasting cum in his mouth. Darrell's skin glows a different color. The sour powder works as a growth serum and make the two men swell larger. Their clothes rip as they get bigger! They don't stop sucking the gummy worm's cocks! Jimmy's feet merge with Darrell's feet. Their bodies reshape into one humongous sour gummy worm! Their brains still retain intelligence and allow Jimmy and Darrell to communicate with each other. They quickly learn how to communicate with the other gummy worm. The sour gummy worm can now hear the original gummy worm's voice. The original gummy worm's bottom-half stops coiling around the combined Jimmy and Darrell sour gummy worm. The sour gummy worm stands up with only the bottom-half touching the floor. The sour gummy worm presses his new hemipenes against the original gummy worm. Sour powder cum squirts from the sour gummy worm all over the original gummy worm.

Vivian suddenly wakes up. She speaks, "Where am I?" A gigantic gummy bear has his back on the floor. He's more than tripled the size of a human! The gummy bear responds, "You're finally awake." Vivian gasps, "You can talk? This must be a dream." Vivian's eyes look over and sees the gummy bear's huge erect penis! It's larger than her legs! Vivian exclaims, "This can't be real!" The gummy bear smirks, "Have I caught your attention? You can try it out." The gummy bear's paw strokes his massive dick. Vivian mentions, "That would be impossible. Even if I wanted it, there is no way that thing could fit!" The gummy bear laughs, "You're underestimating me. I can make it fit!" Vivian wonders, "Really?" The gummy bear grins.

The gummy bear's back stays on the floor while his huge paw reaches over to Vivian. She is lifted up and brought above the gummy bear's head! The gummy bear's other paw strips the clothing off Vivian's body! Vivian doesn't resist. The gummy bear lowers Vivian to the gummy bear's face. He slides his tongue into Vivian's vulva! Vivian experiences multiple orgasms while the gummy bear's tongue tastes her pussy! Her lower body begins to change to a gummy bear color and becomes see-through! Her vulva grows larger as well as her hips and legs! Her feet become gummy bear paws!

The gummy bear lifts Vivian off from the gummy bear's head once her lower body has become big enough for his liking. Vivian hovers over the gummy bear's massive penis while she's held in his paws. The gummy bear lowers Vivian. Her pussy takes in the gummy bear cock! Her stomach instantly grows larger and becomes a gummy see-through color while she takes in the penis! Vivian moans loudly as her upper body transforms into a massive gummy bear body! Her once thin stomach is now a gummy bear belly! It doesn't take long for her to become completely transformed!

Vivian's moans wake up Ryusuke. Ryusuke looks over and sees the gummy bear's massive schlong inside Vivian's gummy bear stomach. Ryusuke blurts out loud, "I wish I had a dick that big!" The male gummy bear laughs heartily, "I feel like a genie today."

The male gummy bear picks Ryusuke up with one paw. His other paw quickly pulls and rips off Ryusuke's clothing. The bear lowers Ryusuke to the bear's mouth. His tongue licks Ryusuke's penis and testicles! Ryusuke moans, "Am I having a wet dream?" The gummy bear closes his mouth around Ryusuke's dick and balls! Ryusuke continues to moan while he gets sucked. He looks up and sees the female gummy bear smiling at him while she still rides the huge gummy bear cock.

Vivian moans get louder as the gummy bear's tongue rubs Vivian's penis and testicles. Unbeknownst to Vivian, the tongue pushes them into Vivian's body! Vivian's penis becomes a gummy clitoris while his testicles reshape into a gummy vulva! Vivian gasps erotically while the tongue enters his vulva! Vivian's hips get wider and the skin color changes to a see-through gummy color! Vivian develops huge gummy bear hips, massive gummy bear legs, and gummy bear foot paws!

Ryusuke's paws reaches over and squeeze Ryusuke's nipples. She pulls on the nipples, and suddenly, Ryusuke's slender chest gains big gummy-bear-colored female breasts! The see-through gummy bear color spreads all across Ryusuke's skin. Vivian kisses Ryusuke's face. Ryusuke's head shapeshifts into a gummy bear muzzle. Vivian gets off the male gummy bear's cock. She hugs Ryusuke and causes Ryusuke to fall to the floor! Vivian stays on top of Ryusuke! Vivian grinds her pussy on top of Ryusuke's vulva! They both moan together as their female gummy parts touch. Ryusuke expects a new big penis from Ryusuke's body to enter Vivian's body, but Ryusuke is shocked to see Ryusuke has a pussy! This doesn't stop Ryusuke from having fun. Ryusuke's arms hold on to Vivian's back as they grind together.

Finally Ryusuke asks out loud, "Where is the big dick?" The male gummy bear taps Vivian's back. Vivian moves out of the way. The male gummy bear answers, "Here it is!" The male

gummy bear thrusts his cock into Ryusuke's pussy! Ryusuke gasps! Ryusuke takes in the massive length! Ryusuke's arms hold on tight to the male gummy bear's back while Ryusuke gets fucked! Ryusuke moans, "I never had sex this great before! I don't want to wake up from this dream!" The male bear whispers into Ryusuke's ear, "Princess, this isn't a dream. You'll be staying here with me forever."
