

Desired Tales #16

Courtney attends a party with her husband, Bobby. She looks around the party and notices that she's the only woman there. Courtney sighs, "Why am I the only girl here? Were no other women invited?" Bobby responds, "Maybe they're just going to show up fashionably late." Courtney notices, "All the guys here have mustaches. Maybe I should have brought a stick-on mustache." Bobby laughs, "You don't need to wear a fake mustache." Courtney smirks, "Easy for you to say. You're not the one standing out." Bobby looks around while saying, "You don't stick out. Hey, there's one guy without a mustache over there!" Courtney pouts, "One guy at a party filled with dozens of people. Do you expect me to clap?" Bobby suggests, "Go talk with him or other people. I need to socialize with some of my friends. This is a party after all that I was invited to." Courtney rolls her eyes, "Maybe you shouldn't have brought me here with you. Fine, go talk to your friends. I'm not trying to start a fight over something stupid."

Courtney and Bobby go their separate ways at the party. Courtney walks towards Javier, the only man at the party without a mustache. Courtney introduces herself, "Hi, I'm Courtney." Javier responds, "Hey Courtney. I'm Javier. Nice to meet you."

Courtney asks, "How does it feel being the only guy without a mustache here?" Javier mutters, "Huh? I didn't notice." Javier's eyes wander and look around the room. Javier says, "This isn't some type of Stepford Wives shit, is it?" Courtney replies, "How can it be when I'm the only woman here?" Javier shrugs, "I don't know. A gay version of it?" Courtney laughs, "I came here with my husband and he's definitely not gay." Javier smirks, "I came here with my husband and he is one hundred percent gay." Courtney wonders, "Are most people here gay?" Javier shrugs, "I wouldn't know. I came here as the plus one for my husband. I haven't spoken with most of the other people." Courtney nods, "Same. You know what? Next time we should come here wearing fake mustaches! We'll blend in that way. We should exchange numbers! Give me your phone!" Javier mentions, "You sound really passionate about this." Courtney laughs, "It's just for fun. Nothing serious. I didn't come here to mope around and have a bad time. Nobody is approaching either of us. It's like we're losers here. I think we're sticking out. Anyway, I'll get us some mustaches next time... That is, if there is a next time. Who knows if we'll be invited back." Javier brings up, "My husband is friends with the host." Courtney giggles, "Mine too! We have so much in common!"

The rest of the party is uneventful for Courtney. She buys fake mustaches online once she hears from Bobby about the next party. The package arrives a week before the party, giving Courtney enough time to meet up with Javier and give him a fake mustache. Javier utters, "It's white! Why did you get white?" Courtney responds, "The other colors were sold out." Javier sighs, "I guess it's better than nothing. Steve is probably going to call me 'Papa' when he sees me wearing this. I hope he doesn't call me 'Grandpa' or something worse. I'll try to make the best of it. I always wondered what it would be like to kiss him while having a mustache." Courtney asks, "You're going to kiss him at the party?" Javier accuses, "What? You have a problem with two gay men kissing each other in public?" Courtney reacts, "No! Of course not! I just didn't know if you were going to wear it before the party. I don't know how long the adhesive is going to last. The package is in a foreign language and my translator app wasn't working properly. None of the sentences on the packaging made sense." Javier suggests, "We should probably test it out and

wear it before leaving for the party. If it looks too stupid, then we can take it off before the party.” Courtney agrees, “Sounds like a plan.”

It's the day of the next party. Courtney opens up the fake mustache package while she's in the bathroom. She looks at herself in the mirror while sticking the mustache above her upper lip. The white mustache is long and curls. It's so long and curly that the ends of the mustache are below her chin. Courtney mutters to herself, “I don't know if I can pull off this look.” Large strands of white hair grow under her chins. She's too busy looking at the mustache to notice it. Courtney walks out of the bathroom while shouting, “Bobby, honey, come here! I've got a surprise for you. Tell me how I look!” Bobby shouts back, “You already know what I'm going to say!”

Bobby walks to Courtney and suddenly gasps when he sees her! Courtney's face no longer looks human! It is now completely covered in emperor tamarin fur! Dark fur covers in face except for her white mustache and white chin hairs. Her monkey nose and skin around her mouth is now pink. Courtney giggles, unaware of the transformation, “You like? Are you jealous? Do I look like royalty?” Bobby reacts, “Take that mask off!” Courtney responds, “You're no fun. It's only a mustache. Don't you want a kiss?”

Courtney moves closer to Bobby and kisses his lips. Bobby laughs, “That tickles! Now take that thing off.” Courtney giggles, “I'll take something else off.” Courtney does a striptease in front of Bobby. She slowly takes off her clothes, one article of clothing at a time. Bobby mentions, “We're going to be late.” Courtney responds, “Screw the party. I'm in the mood for something else. Be a man! I want to fuck!”

Courtney grabs Bobby's hands and brings him closer to a bed. She pushes him on top of the bed and starts pulling off his clothes! Bobby mentions, “This is going to be weird.” Courtney smirks, “I think you're afraid you're going to like it.” Courtney kisses Bobby's lips. Bobby's hands squeeze Courtney's breasts. Bobby's penis is visibly hard. Seconds later, Courtney is riding Bobby's dick! Emperor tamarin fur spreads down Courtney's body while she's on top of her husband. Bobby's fingers stroke Courtney's fur. Bobby is confused but too aroused to tell Courtney to stop. Bobby's mustache suddenly becomes white and longer, mimicking Courtney's mustache. Bobby's chest develops white and dark emperor tamarin fur! Bobby and Courtney both grow a monkey tail at the same time! Their tails touch while they fully become anthropomorphic emperor tamarins.

Courtney notices a clock and mentions, “We're late!” Bobby smirks, “We're not going to the party tonight! We're staying here!” Courtney laughs, “I thought you wanted to go there?” Bobby shakes his head, “Not now! They're men! They would want to have sex with you if they see you like this!” Courtney states, “That didn't stop you from making me go the last time.” Bobby responds, “That was different! Nobody can say no to a lady with a mustache!” Courtney replies, “Do you really think I'd flirt with your friends?” Bobby grins, “Why did you think I set you up to talk to Steve's husband? I knew he was gay.” Courtney and Bobby would spend the next several minutes arguing while still having sex.

Meanwhile, Javier and Steve arrive at the party. Javier did not put the mustache on before coming to the party. He waited until he was standing at the front door. Javier finally puts the

mustache on in front of Steve. Javier kisses Steve's lips while wearing the mustache. Javier confesses, "I've been thinking about doing that for a long time." Steve blushes, "I love you." The two hold hands while entering the party. By the end of the night, the party will be filled with anthropomorphic emperor tamarins.
