

Alexis' Journal

Shit, how the fuck this happen?, i fucking love him

It all started at spring, a warm spring, i think more warm than usual, but, anyways, we started another year for the academic, and there was that motherfucker, with that arrogance [which, makes him sexy, by the way] on the field, he was an applicant, at first, Dr. Velliant was smashing him out with the Ancient Golem, but, Jaden has put a quite a naïve card, which has been defeated, of course, but, something i haven't expected from him that would be a trap [or something like that] and, somehow he knew how to use his own arrogance against Dr. Velliant. Wow, this boy has some guts, i like him, shame i've not the same guts to ask him for a date, until i crashed with him outside, wow, it was a hard hit

Jaden: Ow, i...i'm sorry, i wasn't paying attention, jajaja, oh, by the way, what's your name?

He ask that naturally?! Oh man, i don't think this even work

Alexis: Hehe, that's ok boy, my name is Alexis, i'm an Obelisk Blue, i saw you earlier at the field, a great luck you've got back there

Jaden: Hehe, yeah, i think so, well, i'm heading up to my dorms, see ya around!

Oh fuck, oh fuck, fuck, fuck, fuck, fuck, FUCK! He's a fucking hot, wet dream!, i mean, he has a nice skin [thank goodness i've crashed with him], i feel like my heart sped up so fucking quickly, i mean, everything's so natural for him, i wonder if...no, even on his previous life, he wouldn't be...OMG, wait, what's that feeling down there?

Wait...I'M WET, i wonder if anyone noticed it. I need to go to the bath to ask to the girls what's happening

At the bathroom, i discovered that it was a...feminine issue, if you know what i mean. I blushed as i never thought i could do. Right there it has to happen, it couldn't just wait?

The welcome ceremony has been the usual, i think. When we go to our dorms, i talked with Mindy and Jasmin about Jaden, without naming him, but, they told me that i could try to get close to "him" Yeah, because it's too easy to get close to a wet dream without being wet first.

I couldn't sleep, so i went to walk through the campus, guess what i found on the field? Yes, Jaden and Chazz almost ready to fight and show who's stronger, if the blues or the reds. I need it to stop it, because i've heard some steps, if the security guys find out, well, they could be expelled from the academy. I talked with Jaden once more this day, and, for my surprise, i didn't get wet again

Jaden: Amm, are you alright?

Alexis: Uh, yeah, i'm just with some...feminine issue

Thanks goodness i'm still having that

Jaden: Ok, i'll wait

We spend some years at the academy, studying, fighting...saving the world, y' know, normal stuff, and then it happen, like some kind of miracle, i stood on the entrance to the academy, to hours to our graduation, and here he comes, shining like a star, Jaden

Jaden: Hey! What's up?

Alexis: So, it's time, right?

Jaden: Yeah, i'm gonna miss the days we spend here, specially when i was close to you
Fuck, he touched my nerve, how can he make me blush like that...ah, right

Alexis: Y'know, i was thinking, what if later we have a duel?

What did i just say?

Jaden: Jajaja, i'm totally up to that, why don't we make it more interesting?

Alexis: Jajaja, what're you thinking, a strip duel?

Wait, wait, what did you say, Alexis, are you insane?! Wait, Jaden is blushing, i've never seen that way, ok Alexis, this is your chance!

Jaden:Um...

Say yes, boy!

Jaden:...Yeah, i'm quite surprised, but yeah, i'm up to!

That's the attitude boy!

Jaden:Ok, the loser has to take off a garment

Oh no, it's comming

Alexis: Ok, and then we start again...uh, Jaden, i need go to the bathroom

Jaden stays speechless with a poker face, like he doesn't understand what's going on,
Boy, so hard it's to understand that women have these days?

Jaden: Ok

Still not understanding what's going, fortunately, i just need to pee, but it's so
hot...so...unique, that body

Shit, how the fuck this happen?, i fucking love him, i mean, i...shit, i'm in love with
him...well, it couldn't be bad to lose against him, i mean, it's a challenge to see him quite
naked...i wonder how would be doing with him...

Ok, let's do it, i'm ready

[both starts with 4000 LP]

Jaden: Are you alright?

Alexis: Hehe, yeah, i'm just having some of that days, i'm fine

Jaden: Ok, let's game on!

Alexis: Ok, i'll start with something easy for you, red student, Cyber Star [atk 1200]

i'm still don't know how i've got the guts for challenging him to a strip duel

Jaden: Haha, i'll follow with a Elemental Hero Sparkman [atk 1600]; Attack!

Axelis: Oh no buddy, not this time, i'll receive the shot for her [2400 LP], and now, she'll shot on your LP!

Jaden:[2200 LP] Oh dam!

Axelis: Haha, now you're in troubles buddy, and now, i'm gonna fuse my Cyber Star with Blade Skater [atk 2100], now, i'll attack you with World Wave Rage!

Jaden: [1700 LP] Ok, i'm getting hot here

Fuck, i'm so horny for you

Jaden: I'm gonna activate the Field spell Fusion game!

Alexis: I still remember how bad Yugi kick your pride into your ass, jajajaja

Jaden: Jajaja, yeah, it was an epic duel, ok, now, i'm gonna use Elemental Hero Flame Wingman [atk 2100]

Alexis: Hmm, i think your tactic won't work, since both have the same attack level, genius!

Jaden: I don't think so, because i'm gonna use this spell Kushiro Spirit!

It doesn't worked

Alexis: Jaja, it didn't worked, and now, i have you where i want you stay, buddy, and now, i'm going to use my spell to fuse my Fusion weapon with Cyber Blader!

Ok, now i'll see your beautiful chest

Jaden:[200 LP]

He smiles, oh no, i'm on troubles

Jaden: I'll play Elemental Hero Clayman [atk 800] and now, i'm gonna activate Monster Re-born and return to me Elemental Hero Sparkman [atk 1600]

I don't understand this boy

Axelis: Hey genius, that ain't work, Cyber Blader has more attack points than Sparkman

Jaden: Yeah, i know that, but with Fusion Spell, i can do something! [atk 2600]

Baka, that won't work on me

Alexis: Still won't work, i'm still have more attack points than him

Jaden: Yeah, i know that, but, with Elemental Hero Thunder Giant i can destroy any card whose original attack point are less than him

Alexis:[0 LP]

i lost?

Jaden: Hehe, you lost, now, what you'll take off?

Looks like SOMEONE is enjoying this, better my shirt than my pants, i don't want he sees me wet

Jaden looks amazed about my tits

Jaden: That is...amazing, actually, are perfect, perfect size, perfect form, i wonder if they smell that good!

Yep, i was right, why he needed to say all that?, it makes me blush!

Alexis: Ok, now, another round?

Jaden: You bet!

[both gets 4000 LP]

Ok, now, what you'll play, buddy?

Both: Ok, Game On!

Jaden: I'll let you play first, since you've lost

Yeah, yeah, i'm going to erase that smile from you, let's see what he's wearing: a t-shirt, pants, underwear i guess, so, i've to win 2 of 3 matches to see him on his full glory, this gotta be fun

Alexis: Ok, i'm gonna start with Cyber tutu [atk 1000] and a card faced down

Jaden: Oh, i'm gonna enjoy seeing you naked, i'll play with Elemental Hero Burstinatrix [atk 1200], Jaja, take this!

Alexis: [2800 LP] Ouch, that really hurts! Ok boy, since you're asking that aloud, i'm gonna give you the pleasure, because that card faced down it's Electra 12, now, suffer! jajaja

Jaden: [3000 LP] What? Ok, i was playing but looks like you're begging me to win this round

Alexis: Oh no, wait buddy, i don't want end naked, i wanna see your body quite naked first! I'll play Doble Pass A, and now, you'll taste your own medicine

Wait, what just i said?

Jaden: [2000 LP] Ouch, the medicine taste quite bad, Alexis, but, i agree that will cure me...

Wait, he's smiling, you better get ready Alexis

Jaden:...Because i'm gonna kick your Cyber Tutu with Elemental Hero Sparkman

Alexis: [1600 LP] Ouch, but that's nothing compared with this: i'll bring Cyber Star and Blade Skater, fusioning them with Polimerization [atk 2400] to quit all your life points!

YES, that's the feeling!

Jaden: [0 LP] Oh, fuck this game!

Alexis: Jajaja, like that moment

Jaden: Ok, let's move on

He takes all his garment, unlike his undies, are...green, wow, i didn't expect, even...i don't know if it's for better or worse, why did he take off almost everything? could it be....nah, i think i'm overthinking

He laughs, he's a good loser, i think

Alexis: You wanna a hot cocoa?

Jaden: Jajaja, you sure know how to turn me on!

Oh my goodness, he's so natural, ok, just relax Alexis, everything's going to be alright

He's drinking his hot cocoa

Alexis: Why did you asked me to do a strip duel?

Jaden: Isn't obvious? I love you Alexis...

Ok, my heart will stop quite soon

Jaden:...since our first crash, and i think you feel the same way, Alexis, since you're blushing too much, even when you tried to hide it, you're a beautiful woman, we've been through so many things, i wanna love you forever and ever, Alexis

Ok, my heart has stopped when he said that i'm a beautiful woman

Alexis: I...

watch out your words lady, this could be our night!

Alexis:...i do, Jaden, yeah, i try to hide it, because, i mean, look at yourself, you're a dreamed boy, a rebel, a wet dream, how am i supposed to get close to you? Yeah, now you're too close to me, and i could burn you with the cocoa, but, i don't want to burn that amazing skin of yours, i'm just...nervous...i don't know how this night will end, with you with a cold, or....

C'mon, try not cry, i hide my face with my hands but Jaden gets really close to me, with that amazing fingers, he take my head, and he makes me see his smiling face

Jaden: Hey, we don't need to do it if you don't want it, i can wait

My world shines so hard that i'll be blind from so much light

I kiss him, OMG, my first kiss!

Alexis: But i don't see the reason to wait, i mean, you're almost naked

Jaden: Do you really want to do it?

How many fucking times i need to tell you for you realize, eh!?

Alexis:C'mon, it that why you've asked this, right?

Jaden: Jajaja, yeah, but i wasn't quite sure from what were your real feelings

Oh goodness, he can take away my heart and my blood if he want them, please, he's a gentleman

Alexis: Ok, let's go to the bedroom

I'm seated on the left side of the bed. It's quite big for one person [me], Jaden it's seated on the right side of the bed, but both we can't see each other

Jaden: Are you nervous?

Alexis: Yeah, quite, it's your first time?

Wow, i didn't expect to ask that

Jaden: Yeah, and i think yours too

How...?

Alexis: So...

Jaden: But there's something i don't understand: women bleed the first time, but they bleed all the time, so...you're always having a first time?

Oh, boys...I laugh

Alexis: Oh boy, you gotta to be kidding, i'll tell the short version, yeah, women bleed the first time because the hymen breaks out, and that happens once you had your first penetration, but, we bleed once a month because our period, even if we haven't sex, unless we're pregnant, that's the only moment our period doesn't show up

Typical

Both: So...

Alexis:Ok, i'll take the lead, looks like you're quite confused here, sit here
i show him a chair, Jaden IS confused, he doesn't know he'll get the greatest night on his life

Jaden:Okay...

He sits, and i see that he doesn't have a bulge, let's see Alexis how you can fix it
I still have my jeans, but he admires my tits, ok, let's start with that. I take off my bra and i grab his hands and i make him go through my chest, slowly, both start to breathe heavily, i put his hands on my tits, i make him close his eyes for letting he knows how they are, her soft texture, her form, he tries to go up, but i don't let him go upper, no, no boy, you've to start from the beginning. He make pressure and tries to feel how far they can go, i make a loud moan, i grab again his hands to go a bit lower, just below my boobs, oh yeah, just there Jaden, it feels so good, again, i grab his hands and i notice he's blushing. I get close to him, and his hands go behind me. He start to massage me on my back, going upside, right close to my neck, oh, Jaden, you're a quick learner, perhaps i should give you a gift, but no right now. He start to kiss bellow my tits, going a little down, oh, i try to not to moan, but it's useless. I see something: At last!

So, i sit up on him, i still have my jeans, and i start to rub his penis with his own green briefs and my own (wet) blue jeans. Oh, i can feel his member growing bellow me, what a pleasure be the woman whose are going to take away his virginity. Oh, that reminds me to put a song. I stopped rubbing his dick, and i take off my jeans, and i let him see that i've a (completely wet) pink panties. I know that he'll soon have a nose bleed, so i blind his eyes with a blindfold that i use to travel and sleep. I put play to "Blumenkranz" and the remix with a repetition turned on and volume to 20%

He's blinded, helpless and to my totally mercy. And his penis knows that he likes that. I heard that men are very visual creatures, let's see how far we can go without see me.

I grab a wet rag, and i start to clean his hands, i notice he's having a soft moaning, he's enjoying this, i keep cleaning his arms, and i touch the shoulder blade, then all the back, and finally his (glorious) chest. Now the boy is completely wet, and i start rubbing his dick over his underwear and below my panties again. He moan a bit louder but i kiss him. He is squirming with pleasure, and i start to notice something strange down there
Alexis: (whispering) No, my little boy, not now

I stop to rub his member, but that doesn't stops me touching his chest, his pecs, wow, i'm seated what i've considered a wet dream, an illusion, some kind of mirage, but this time, unlike the mirages, this is real. I get up, i put behind him, not letting touching his dreamed body. I start to kiss him on the neck, the music still there, but i don't mind. Then i start to go down, firstly the shoulder, his biceps, his forearms, his softly hands, then a shake from Jaden, wow, a sensitive point. I grab his green briefs and i start to take it off, slowly, his firm member is showing himself. Wow, they were right: be careful what you ask, it could make it reality.

I start to go even further: i start to touch his legs, when i arrive to the feets, i clean them with the wet rag, and then, i start sliding them on my face; yeah, feel my face from your own feets, Jaden.

I return to the middle, at his right hand, and i start to lick, finger by finger, he's moaning, every time more loud, i start to lick two finger at once, then three. I see his pre cum on his member: Oh Jaden, you're barely hanging on, and we haven't even started with the main part.

I'm so horny, so fucking lost, that tomorrow could end the world and i wouldn't even care

I return to the lower part, and i smell Jaden's dick; there's said that, if a woman smell the dick from his lover, she'll be horny and she only will find that smell...God, what a pleasure is this one, smells like a dream, he still releasing the pre cum inside him: it's already salty. I start to lick it, like an ice cream, slowly, i lick all the head, going deeper, and deeper, he hadn't used his hands, he's only grabbing himself to the chair

I decide that he's ready for the main event. I grab his (sensitized) hand

Alexis: Ok, get up, i'll guide you to the bed

He blushes, and moan so low that i barely can hear him. He doesn't have any idea where's the stuff

When both are on the bed, i'm laid off down him, he's waiting to know what to do, he still blinded.

I grab gently his head, and i get close to my neck

Alexis:Y' know what to do, like i've teached you

And nicely, he starts to lick it, kiss it, OH ladies, the pleasure there's quite...i'm fucking high from lust, my hands barely can move; he starts to go, slowly, down, first my tits,

slowing checking them out, then below my boobs, then my stomach, the right leg, the left one, and finally the glory zone: my superior lips from my vagina

My eyes has seen far beyond the universe, i've seen the complete rainbow: i arch myself on response from that (hidden) treasure. I grab his head, i get close to him and i kiss him, firstly on the neck, then on his chimp, and then, on the lips. i take off his blindfold

Alexis: It's time, my dear

Jaden:...

He barely can articulate a word: he's more high than me

I lay myself

Alexis: It'll hurt, so don't worry honey

Jaden:O...ok

His hard member can barely hang on, so he's putting close his penis to my vagina, firstly, the member is right upside me, just to see and glorify the size of his cock just ready for our first time, then he pull off, and go straight to the secret (and protected) zone: my hymen and my hole.

Both, at the age of twenty-years-old, we have lost our virginity

That zone start to bleed (logical reaction), and i start to cry, not from the incredible pain that generates a broken muscle, if not from the pleasure that generates, but, Jaden hasn't a good rhythm, so i grab his buttocks and his body slows down, and i give him the tempo that should be having

Alexis: Oh...yeah Jaden, just like that

My body it's full from pleasure, i open my arms widely, yeah, i want the universe inside me, without notice, Jaden grabs my arms and start to speed up, Oh no, the pleasure it's becoming even greater. He even start to kiss me, i'm high as fuck, oh no, it's coming that, here it comes, my first orgasm!

Alexis: AH!

I scream, louder as i can, the feeling it's...intoxicating. Jaden hasn't cum yet

With a great difficulty, while he's making the love, i try to recover me, i hug him: Now he's riding me

Alexis:Ok my boy, it's time to end

And his body, very obedient to my voice, reaches to the climax, i can feel his muscles stretching and getting ready for that

Jaden: I'm coming, i can't hang on more!...AH!

He's seen the universe, the time and the space, all together

I've seen the universe, the time and the space, all together

I feel a warm feeling on my inside: He's cumming all his seed

Both we laid on the bed, tired from what could be, our first time together, and finally we fell asleep

I wake up, music still sounding: i barely can take the remote control and stop it
I barely have strength to get up from the bed, i walk a few steps to the bathroom, i
watch myself to the mirror: My hair it's a mess, but i feel my body different, well, yeah,
IT'S different.

I prepare the bath to clean myself: the blood still there, on my body, on his body and on
the bed: well, my hair it's a mess, what is not a mess here?

Jaden has woke up

I get inside the tub

Jaden:Hey, how are you?

I look with a sarcasm face, seriously, are you asking THAT, knowing what WE have
done?

Jaden: Am, i'll guess you're okay but, with a lot of pain...

Good, that's how i feel right now

Jaden:...Amm, can i take a bath with you? I mean, after what we've been through, you
know...

He doesn't wait an answer, he gets inside the tub, and both, happily, hug each other

We'll later clean the mess

End
