

Shi thrust again and again into hir best friend's clenching pussy, the moist flesh caressing the skunk's member, so thick and full. Sam had never felt this good since hir first experience at hir counselor's office. Sam opened up hir eyes to look down. To hir surprise the kangaroo shi had loved so much for so long from a distance was looking up at hir with the same longing Sam had always felt for her. Sam's mind flashed back to every moment Jess looked hir way by chance. Shi could remember how the only thing shi could do was look down and away in embarrassment. But now, shi could look down at this beautiful kangaroo as shi showed how deep hir love was by being as deep in her as shi could. Between the pants and moans, Jess reached up and touched the side of Sam's face. She looked so deeply in to the skunk's eyes, her lips whispering I love you. Sam stopped hir thrusting, bent down and kissed the lips shi always adored. Jess broke off the kiss. "Cum in me." She said.

"What?" Sam gasped.

"Cum in me, Sam. I love you so much, and I just want to feel as close to you as I can."

"B-b-b-but you could get pregnant." Sam said looking away, slowly pulling hir member out of the kangaroo's pussy.

"Sam....I'm a cheerleader. C'mon. I'm on the pill. Please I just want to feel you in me all of you!"

"I....I dunno, Jess."

"Sam.... Please."

The skunk paused a moment. Yes. This felt right for hir. Shi looked over at Jess lying on the bed. Shi leaned over and kissed her sliding hir throbbing cock back into her warmth. Slowly shi began thrusting into Jess harder and harder while Jess whispered into hir ears how much she loved Sam. How she wanted to feel Sam oozing inside her. Jess could feel Sam's impending orgasm and screamed "PLEASE CUM IN ME!" and with that Sam's damn burst, unleashing rope after rope of warm cum inside Jess. The kangaroo's pussy exploded with over flowing cum gushing out as Sam shoved hir member as far inside as shi could. Jess moaned as she could feel each wave of cum pulse into her. The long strands of warm seed filled her completely. "Yes, Sam! Keep cumming. Oh God! I love you so much!"

"I love you too..."
