

Michel, was watching the telly when an old show from his childhood began playing. When he, saw Babs Bunny come he was thinking to himself how silly it was have a crush on a cartoon bunny. But, he just got up, shut the telly off, grabbed his black leather jacket, and headed for the park. He began, thinking to himself that if he were Babs Bunny girls would think he would be so cute, but he laughed and said, "Yeah, I totally wish I was Babs Bunny."

Michel, really should learn to be careful about the things he says a strange lady came out to grant Michel's wish, "Now, you'll learn that you shouldn't always be joking around."

Slowly, Michel's stomach began growling at him, saying it was time for some lunch. The only, thing on his mind to eat were carrots. Strange, headaches began occurring as his hair slowly began falling off. Michel, began feeling kinda strange so instead of getting something to eat he rushed back home to see if that lady had done anything to him. His ears, slowly began growing longer and more pointy like a rabbit's.

Quickly, he rushed to his bathroom to see what was happening to his body. On his, way he could feel little white fluffy tail pushing its way threw. "What the hell? This thing can't be real."

He yanked, on it, but stopped as he found out it was real. Falling, to the ground and taking good look at his right as it was slowly getting covered with pink fur. Slowly, getting back up and making it to his bathroom taking a good look in his mirror a muzzle of a rabbit began pushing and his nose turned into a pink little nose like a rabbit's. Michel, took a look at his new tail and said, "What in the world is going on here?" quickly he covered his mouth as he sounded like Babs Bunny.

His two front teeth began to ache as they became bucked. His feet began throbbing as the began growing bigger and ripped threw his shoes and socks. When he looked down, he had big pink feet with white on his toes and the bottom of his feet. Not, wanting to believe that he was turning into Babs Bunny, but it was true soon he fell to the floor as burning sensation could be felt around his manhood. Slowly, his manhood began to suck back into him leaving with nothing, but pussy.

A sharp, pain as his entire anatomy began to turn into that of a girl. Michel, slowly got back up, but she noticed that she was having a hard time seeing herself in the mirror. Quickly, she looked around for something to stand on, but Michael was soon starting to forgot that she was ever human at one point. She found, a nice stool to stand on and when stood on it a perfect reflection of Babs Bunny showed up in the mirror. Her heart, quickly began pounding as she was trying to fight the fact she was now Babs Bunny.

Slowly, she began growing more attracted to men. It was, useless to fight the ergs to find a cute looking guy. Finally, she forgot that she was ever a human male named Michael, but now a rabbit named Babs Bunny. Now, she tried to figure out why she was in somebody's

home and quickly ran out from the house to find Buster. Babs yelled out, "Buster, where are you hiding at?"
