
The Showcase (Rapidash TF)

You're walking back home from work, when you happen across a flyer of a Pokémon showcase that's going on today.

Sounds pretty fun. And it's not that far from here. You decide to walk towards it.

As you step into the bustling Pokémon showcase, you almost can't believe your eyes.

The air is filled with the excited chatter of people and cries of various Pokémon.

The event is even bigger than you imagined.

Wandering through the place, you marvel at the various Pokémon.

There's seems to be two different sections to the showcase.

A performance section, where Pokémon are showcasing their talents.

You can see an elegant Gardevoir gracefully performing ballet,

an Alolan Ninetales tails flowing beautifully as it performs,

and a Hitmontop showcasing it's fighting techniques.

Then there's what you can only describe as the playful section.

Where attendee's, human and Pokémon alike are playing with the showcased Pokémon.

You can see a Squirtle playing with some children,

A group of mischievous Pikachu playing pranks,

and a large Arcanine wagging their tail as they're being petted.

It's in this section that you come across a small stable of sorts. A large sign with "The majestic Rapidash" on it.

Though you don't see any Rapidash. Noticing your confusion. The owner an old man approaches you.

"Ah I assume you're looking for my Rapidash. Their pretty shy. So their probably hiding in the stable again. Maybe you can help coax them out?"

He asks with a smile.

Eager to see how a Rapidash looks you agree and go follow him inside.

The inside of the stable is dimly lit and filled with various Pokémon related equipment.

Looking around you don't see a Rapidash anywhere.

While you're focused on finding the Rapidash the old man grabs a bridle from a nearby shelf and lunges at you.

Catching you off guard. "What!?" You cry out in surprise as he puts the bridle on you and fastens it before you can react.

A strange sensation courses through your body. Your face soon grows outwards into an equine muzzle.

Ears growing pointed and moving towards the top of your head. Eyes turning red in colour.

"W-what's happening to neigh!?" You exclaim as a beige horn grows out from your forehead and your hair turns into a long flaming mane.

"Why your turning into the main attraction. We can't start running the show without a Rapidash can't we?" The owner replies.

You watch in horror as your limbs elongate and become slender. Hands and feet turning into black hooves.

Cream coloured fur sprouts all over your body.

You stumble forwards onto all fours as your legs finish changing.

Your body grows bulkier, ripping out of your shirt.

The owner helps you out of the rest of your clothes.

Flames grow out from your back and the ends of your new legs.

Lastly a flaming tail grows out from your back.

Before you know it you've fully changed into a Rapidash.

"There's the beauty I've been waiting for! Now let's get you out and about." The owner says, taking your bridle and leading you outside.

You struggle for a while, rearing back and neighing loudly. Your mind is still in shock. Not believing what's happened.

Eventually the owner managed to lead you outside. And you see a crowd already formed. Wanting to meet this majestic Rapidash.

You don't like where this is going..

"Here they are! The majestic Rapidash! Who dares come forth and pet this majestic Pokémon!" The owner shouts.

A small girl raises her hand and yells out "Me me!"

"Alright come over here." The owner tells her.

The girl walks over and stops in front of you.

You don't want anything to do with this! You look around for a way to escape

But can you really manage to run away out in front of this crowd? You don't even know how to run in this form.

No matter your choice. You wonder what will become of you.
