

Not an honest sport

- Let the girls, I know that you can run faster!

Coach Jones was pleased with almost all of today, she is ready to start marathon semester.

- So a girl in the shower worked well today. Katie - the coach stopped one of the girls - have to talk.

- Yes Miss Jones.

- Kathy, my tongue turns only one sentence: What the hell? Tomorrow the race, and you taschishsya as lame turtle.

- But ...

- You show the worst results, my mom is running faster than you. Katie, can you do other sports?

- No Miss Jones - Katie fell in tears - I can not, I promised my brother that I would win the race.

- Yes, I remember the poor guy Steve.

Two years ago, marathon, Steve Smith runs in the first place, but the drunk driver drove into the road and hit a marathon Steve having him bound to a wheelchair. Most survived by his younger sister, Katie, she promised him that one day will win this marathon and bring him gold.

- Please, coach I'm ready to do anything for the sake of his brother.

- Steve was my best runner, okay, I'll help you. Follow me.

Coach led her into his office.

- Here, - the coach took the envelope from the table - go to this address and pass them the envelope a guy named Tom. He will help you win.

- Thank you Miss ...

- Not at all, and call me Sally.

Katie came to the address that was printed on the envelope, not beating around the large building, she found the only input, the store "Useless trinkets." Going into it, her nose hit the sharp smell of scented candles, from what little eyes watered. Going to the bar, she noticed around the old puppets, lava lamps, dusty carpets, and many other things that people normally throw in the trash. Going to the bar, she began to look for a call, but of glass beads, plastic beads, old and counterfeit notes, it was hard to see anything.

- Hello Baby - suddenly heard a voice behind Kathy, making her even a little jump.

- My God - in fear, she said - you scared me.

- I'm sorry baby.

The man looked like a hippie long hair, rainbow headband and T-shirt, ripped jeans and a persistent smell of grass.

- What brings you here?

- I am looking for a man named Tom.

- Rejoice, your search came to an end. Tom, that name belongs to me.

- Well, Sally Jones said to give you this. - Kathy handed an envelope.

Hippies carefully unpacked it and took out the already tattered sheet of paper.

- Another - Tom peered thoughtfully in Katy - so what you do?

- I need to win the marathon.

- Could not be easier.

Tom left the room, came back from it with a little bundle.

- Here, - he opened the package, there was a bottle of purple liquid - you should drink it before bedtime.

- This is doping? - Katie cringed.
- No child is broth rare flower, it helps to get things done.
- How much?
- If it is not for the sake of self-interest take a gift, but if you need it for profit, you will pay dearly for it.
- Thank you Tom.

Katie did as Tom said. Before going to bed, she pulled the cork stopper and a pleasant, tending to sleep fragrance escaped from the bottle. She drank a gulp everything after that her dizzy, and she fell on the bed. She dreamed that she was running with incredible speed, she runs to the gold medal, but the longer it runs, the more flies gold medal, she stumbles ... The sound of the alarm clock woke her. Katie woke up in a sweat, but she felt an incredible courage. She went into the shower, walking past the mirror she stopped:

- Wow, this is really me?

Cathy was surprisingly fit, she could not look enough at his new body: her legs were longer and stronger, appeared on his stomach six pack abs, and her skin had darkened to the five tones, thereby betraying nice tan, and her chest was two sizes larger, and Kathy was afraid that he could not find a bra, and her hair is longer and much more obedient than before.

- Well, Steve, now I just get you a medal.

With some difficulty, but Kathy was able to pick up some clothes, because she was twenty sentiments above, and your feet are two sizes larger. As always, she began the day with a run, but it did not get tired and run much faster than before. When she returned home, she found that it is not tired and not even sweating.

- Wow - she was met at the threshold of Steve - when you become an Amazon?
- On the morning. Steve, you now come for me to cheer?
- Of course, do not worry if you do not win, you still remain my favorite sister.
- I will bring you gold, I promise.

With that, Katie went to the stadium. "What if I go over to the stadium," she thought, avoiding the car. Sixteen minutes Kathy was already in the stadium, although the trip by car took more than an hour. Met her coach Jones.

- I see that you were Tom. - Jones looked around her.
- Yes, thank you Sally.
- You're welcome baby, how to feel the difference?
- Yeah.
- That's good, dress up, it's time to show everyone what you can do.

Katie went to the locker room, going to her locker, she chewed that its form will maul her, but when she opened it, she saw that all her clothes were changed, someone took it a little form with the number 013, and hung a new form number 001.

- This is a gift to you from me - Sally shouted across the locker room - I think you will be more comfortable in this form.

Katie wore a form, the form was ideal for the new figure Kathy.

- Thank you for all you have done for me - Cathy went to the coach and hugged her.
- Enough nurses dissolve, go and win this medal!

Cathy went to the start, the judge raised his gun, shot and Katie tore away, leaving competitors behind. Breaking the world record, Kathy Smith won. Going up on the podium, tears obscured her eyes, and when it flashed a gold medal around his neck, she could not contain the emotions.

- Good for Katie - Steve slapped her because of all the forces - I knew you could.
- I did it for you, - she said, putting a medal around his neck.

- Miss Smith, Miss Smith, - to Kathy ran a man in a suit and with papers - Miss Smith, I want to offer you to be the face of our company and offer contact at eight hundred thousand dollars.

- Of course, I agree.

- Oh, no, baby - the coach stopped her - unless Tom did not warn you?
- Warning, but I won the race for his brother.
- You can dearly pay for this baby.
- Hey Miss Jones - Steve okriknul coach - I think she's earned it, and do not interfere with her happiness.
- Yes, Miss Jones, I think I'll be able to pay off with Tom.
- How do you know baby. Good luck Katie.

Subsequent month Katie has become a celebrity, her face on the cover of every magazine and in every sport advertising. Katie is not does not deny, buying a new car, an apartment, she forgot about the sport, about his brother, and problems. Once woke up this morning, she normally went into the shower, but it was accompanied by a strange clatter. Katie stopped to listen, but all was quiet when the clatter went on to continue, she looked down and fell from the horror, her beautiful human feet turned to the big hoof. Up your legs grew light brown horse coat that reached to his knees already.

- W-what's wrong with me?! - She cried hysterically.

Find your phone, she called the trainer.

- Miss Jones, my legs turned to hoof that Tom gave me.
- Kathy, you are warned that if you use budish gift for personal gain, you pay dearly.
- But ... what about ...
- All right, so be it, I'll call Tom, and he's coming after you.

Kathy began to dress, torn jeans, she still managed to shove them hoof. Tom waited for an hour, she did not know what to do, she decided to have a snack. Opening the refrigerator, she was looking for something to eat, but there was one meat, from which it somehow sick. Drawing attention to the plants on the window, she eagerly pounced on them.

- God, I did not know what they're so tasty.

Katie suddenly felt in the lower abdomen misaligned. She lifted her shirt.

- Oh my God!

At the bottom of the abdomen formed two large nipple. Katie released a T-shirt, she felt that the area around the new nipple began to swell in her new breasts soon grew to a third the size. Her new breasts sticking out from under the shirt, pants and a little squeezed.

- What the ...

She felt the base of her spine increases began to pull his pants, unable to bear the pain, she pulled out her new pony tail out of it began to grow long, thick hair.

There was a knock at the door. Katie came over and carefully looked through the peephole, it was Tom. She did not hesitate to open the door, but he did not even bother to go.

- I warned you.

- Help, as it canceled?

- Nothing.

- No way! But Sally said that you will help me.

- Help, I'll take you to where you can spend the rest of his life.

Tom took her hand and led her up the stairs, looking around, that nobody noticed. Once outside, he put her in his van, and they hit the road.

- Where would you take me?

- In nature, in your new home.

Katie wanted to say something, but instead she gave whinny. Her nose started to expand, her lips became thicker and wider, her teeth became longer, her face began to stretch, turning

into a horse's muzzle. She started to touch a new face on it even human eyes, the tears began to roll.

- Do not cry baby, all the better.

Kathy Ridge began to change, she felt like there are new vertebrae, her stomach began to increase, the internal organs began to turn into a horse. She felt her pants began to explode, her ass began to grow and soon broke her pants completely, soon her feet completely turned into horses.

- Child of the slow down, we did not have time to get there.

In response, he heard a noise of distracting.

Nails by Kathy middle fingers turned black and became a large and middle fingers after getting thicker and longer, while others diminish and disappear altogether. A minute later it turned into a completely hands hooves, her arms were lengthened and became the same length as the legs. Her chest began to expand with each breath, her shirt began to tear, her neck began to grow along her spine began to grow a mane, ears and Kathy began to taper to climb on top of her latest skin overgrown with hair, and when her eyes were flat, it finally turned into a horse.

- Well here we are - Tom stopped the van and let Katie.

With unaccustomed Cathy was hard to keep the new weight and walk on four legs. Half an hour later she was running around the field. When she saw that Tom was about to leave, she ran to him.

- That's it - Tom stroked Katie's neck - now you have a new life begins, good luck.

With that, Tom closed the door and left. Katie Smith was wanted, but catfish Katie was happy with his new family, where she was still the fastest.
