

Patches vs lucky Disney

You know patches from pound puppies and you know lucky from 101 Dalmatians series Day ago

Patches in the park bury his bone and he found a portal leave two different dimensions and he went to 101 Dalmatians series world he look around and looking and he was in the dearly farm and and he found another Dalmatian.it was cadpig he found.He ask her what area he in.She said who are you patches replied dog a different dimension And cadpig scream and ran get lucky. well patches is not welcome at the dearly farm and here comes trouble.lucky finally arrived look at patch lucky as what dog dimension have dog pound tag on his neck he said I'm a pound puppy and lucky said you are not welcome at the dearly and spot said yeah.patches said oh OK let me leave your dimension. Lucky challenge him dogfight patches accept his challenge and they fought and they fought who did win dogfight patches. lucky is sore loser. He did lost the fight. Patches has won dogfight.patches was injury in the conflict and he found the portal.he went back his home dimensions. cupcake and rebound pepper looking for patches and they found him beat up. They asked him what happened he said he got a fight with another puppy and they got niblet take him to the veterinarian to intend his wounds and the portal disappeared and never seen again.

The end
