by OD Tiger and ilbv

ODtiger: Hello ilbv

ilbv: oh wow, h-hi

ODtiger: Relax lil guy. How's it goin'?

ilbv: okay, uh, thank you for accepting me.

ODtiger: Don't worry about it heh

ilbv: how's it going...uh, well I just finished some drawing

ODtiger: Its goin good thanks lil guy. Anything I can help ya with?

ilbv: you want to help me?

ilbv: *looks up at you* I..don't know.

ODtiger: chuckles and settles back on the sofa

ilbv: can I..sit with you?

ODtiger: nods "Sure lil guy"

ODtiger: pats the remaining space on the sofa

ilbv: *blushing, climbs onto the couch, sitting beside the large tiger*

ilbv: you are a tiger right?

ODtiger: for the most part, yes

ODtiger: Kinda surprising to see a human around though

ilbv: heh...wh-why?

ODtiger: shrugs "I just rarely see any around"

ilbv: well I assume there is a reason for that...

ilbv: we humans aren't really part of the furry crowd

ODtiger: chuckles "All furries have some human in em lil guy"

ilbv: *gulp* oh..you are probably very right

ODtiger: laughs

ODtiger: Not like that ya silly

ODtiger: If we weren't part human, we'd all be feral right?

ilbv: I guess you are right

ODtiger: ruffles yer hair

ODtiger: Now then, I assume ya didn't add me to chat about furries lil human

ilbv: I added you to chat about anything. I wanted to know if we could get to know each other, become friends? *blush*

ODtiger: nods

ODtiger: Sounds good lil guy, I like makin new friends

ilbv: even if I'm a small human?

ODtiger: Just be careful, I do get a lil snacky sometimes though ;P Why would bein human stop me bein friends?

ilbv: I've had some people be like that, im just careful to ask now

ODtiger: Understandable. It's odd how some people don't mind a rainbow colored fox, but freak out over a human

ilbv: yeah, crazy

ilbv: *sits on the couch beside you*

ODtiger: so, anything I can help you with lil guy?

ODtiger: curls his tail lightly round ya

ilbv: *blushes a little* Wh-what do you want to do?

ilbv: I might...draw a little...

ODtiger: chuckles

ODtiger: I'm quite happy keeping ya comfy lil guy

ilbv: *leans on you*...if I'm allowed

ODtiger: nods

ODtiger: Where would ya be comfy lil guy?

ilbv: Anywhere really, you are soft <3 and really kind

ODtiger: smiles lifting ya up and resting you on his gut

ilbv: wow..you are really big

ODtiger: 12 ft tall lil guy

ilbv: *gulp*

ODtiger: all the better to lay on heh

ODtiger: mind me askin what yer gonna draw?

ilbv: I don't know yet

ilbv: d-do you have any ideas?

ODtiger: Well, I wouldn't want ya bein' biased, So I won't try influence ya lil guy

ODtiger: rubs over ya

ilbv: *shivers from the warm soft hand that covers half of me because of its size*

ilbv: but I want to hear your ideas

ODtiger: Why would ya want to hear from me? Ya just met me lil one

ilbv: because you fascinate me, and I just want to know what you like and stuff.

ODtiger: well, what would you like to know? Just ask me

ilbv: *cuddles into your chest* well...what's it like in UK?

ODtiger: Hmm, right now? Mostly too hot and humid heh

ilbv: Thats pretty much all over the world

ODtiger: chuckles

ilbv: your chuckle is deep *shivers* really cool

ODtiger: You really like big guys don't ya bud

ODtiger: licks your face and smiles

ilbv: *nods, blushing*

ODtiger: Well, what do you like best?

ilbv: I'm embarrassed to tell you, and I don't think I know you well enough yet

ODtiger: laughs loudly

ODtiger: I've heard it all lil guy. Just say it

ilbv: *raises shoulders a little* I like to...get eaten a lot. *blushes red*

ODtiger: Well, does it make a difference if I eat people a lot?

ODtiger: smiles

ilbv: I just...didn't want you to think that's the only reason why I added you...cause it's not

ODtiger: Relax, I figure it was part of it

ODtiger: licks ya

ilbv: I...I...

ilbv: no, I do really want to be your friend

ilbv: if...you want me to be

ODtiger: course I do

ODtiger: Eating people is an added bonus ;P

ilbv: heh heh *blush* g-g-lad you see it that way

ODtiger: nibbles on ya lightly

ilbv: *swallows nervously* D-do you have sharp t-t-te-teeth?

ODtiger: Only when I want them to be. I'm goo, so I can adjust my solidity

ilbv: r-r-ight. S-so what are they now?

ODtiger: Kind of like.... rubber

ODtiger: chuckles and licks over you, his belly growling under you

ilbv: *bites lip as tongue rolls over me* A-are you...

ODtiger: hungry? heh

ilbv: I..I..can try and cook you some dinner if you want...

ODtiger: Except, I can't digest food lil guy. Same as I won't digest a lil pal...;9

ilbv: oh...s-so you don't want food...you want...me

ODtiger: I kinda like havin a wriggling passenger heh

ilbv: *gulp*

ODtiger: Would ya like a ride?

ilbv: s-sure

ODtiger: licks your face and grins

ODtiger: Least yer gonna get some fun ideas from this heh

ilbv: *shivers* I..I'm ready

ODtiger: opens his maw over ya, letting you get used to the large warm cavern. He breathes over you

ilbv: *gulp* oh...wow...

ODtiger: chuckles

ODtiger: How's it look in there?

ilbv: r-r-really cool. It's dark and moist....and your tongue is almost hypnotizing me...

ilbv: and the entrance to your throat...my heart is pounding

ODtiger: slurps your front, swallowing the excess saliva as he lifts you up gently, his lips sealing around your waist, the tiger starting to suckle on the small human

ilbv: *feels my breath leave me as I'm sucked inside his large mouth. Being half his size, I fit inside quite comfortably and his tongue is tickling under my shirt as I'm held by his mighty lips in place. His teeth are swaying slightly, being rubbery and goo-like. In the back of his quavering mouth, i can see his throat, and it appears to be pulsing, waiting...for...dinner.*

ODtiger: grins, the tiger's tongue slipping under that shirt and coating you in tiger drool, the big guy purring as you slip in further, your hands brushing that waiting throat

ilbv: *I'm sliding across his tongue like butter in a hot pan, being slick and coated in warm loving goo makes it all the faster. His slurping and gulping are loud and his throat is practically reaching out to grab me, I shiver from fear and excitement. I'm thrilled on one side and scared on the other, but it is all okay, because he doesn't want to hurt me*

ODtiger: curls his tail round your ankles and swallows, your hands tugged downwards by those pulsing muscles, the tiger feeling you slipping into his throat

ilbv: Feels the furry tail close around what's left of my body on the outside of the tiger. I am tipping over his tongue and being gulped and grabbed by the throat as he is sending me into it, churning and slurping sounds are very loud and everything is gooey, squishy and warm. Everything is like a slick warm hug and I feel like it never wants to let me go

ODtiger: murr, feeling you slip inside, his tail stopping you sinking any further as you're massaged by his throat. He rumbles around you

ilbv: His rumbling purr is loud and amplified from being inside him, and hanging upside down in his ever pulsing and pulling throat, it ripples the muscles and makes everything vibrate and tingle. I wiggle and squirm and shiver from the feeling of ecstasy and fear I have. He is so incredible yet so intimidating and I'm really loving being his food choice. My depth of gratitude is so great; it makes me want to cry. I can feel his tail squeezing tight so as not to lose me to his body, which now seems to desperately crave me

ODtiger: smiles, his tongue curling around you as his tail lets go, his tongue drawing you in before his mouth closes around your feet, the tiger swallowing as you resume your decent towards that large gut

ilbv: I feel like a hotdog in a bun, wrapped with bacon. As im thrust inside deeper. The mouth closes behind me and it's like I'm sealed in. There is only one way to go, and I'm already heading down.

ODtiger: groans as he feels the human shaped bulge sink between his collarbone, the tiger purring as his belly greedily accepts you into its warm embrace

ilbv: *slips so fast down his throat that it is almost falling, I slosh into a warm sac that is his belly and make it expand and wobble as it accepts me greedily. It holds me tight and wants me, it massages me and gurgles around me, almost purring itself, to show its contentment. I can hear the Tiger's heartbeat and deep breathing, he must be really satisfied. I curl into a ball, and hug my knees. I feel small being inside this large preds belly, but that is the beauty of it.

ODtiger: purrs, rubbing over the barely discernible bulge in his belly

ODtiger: Mmm, comfy my lil friend?

ilbv: *I squirm and wriggle inside your belly* yeah...it's really warm and cozy in here

ODtiger: presses over ya playfully

ilbv: D-did I satisfy you?

ODtiger: pokes at ya

ODtiger: Yer kinda filling lil guy

ODtiger: How ya feelin in my big belly?

ilbv: Really wonderful *blushes* I'm really honored that you wanted me inside you

ilbv: H-how can I ever thank you?

ODtiger: well.... I'm sure I can think of a few ideas heh

ODtiger: rubs idly over ya

ilbv: okay :)

ODtiger: well, what's yer favorite type of vore lil one?

ilbv: Oral...

ilbv: that's the only kind I do

ODtiger: nods

ODtiger: So, how would ya feel about givin that big gut a rub?

ilbv: S-sure *blush*

ilbv: *rubs along the belly walls, rippling and smooth surfaces under my fingers.* They are really slimy and soft

ODtiger: purrs and rubs lightly back at ya

ilbv: Your large hand has so much strength in it I can feel the weight of it placed on me from inside you

ODtiger: chuckles and lays back, getting comfortable as ya slip around a bit

ilbv: *wobbling your large belly, I roll around inside you, completely at your mercy and helpless to do anything but sit tight. I snuggle inside your gut, cuddling close to your belly walls, making it wobble and gurgle more but hoping that it makes you smile and purr.

ODtiger: hugs at ya through his gut, slipping his shirt on as he heads out the house. No one even pays any attention, not noticing the small human in my belly

ilbv: W-where are we going?

ODtiger: I have work to go to. You can stay put fer today

ODtiger: pats at ya and chuckles

ilbv: O-okay, no one will notice?

ODtiger: Why would they?

ilbv: I..I don't know Where do you work?

ODtiger: Customer services heh

ODtiger: I'm one of the reasons people don't want to go there XD

ilbv: *giggles* but you are so nice and kind *snuggles deep into your gut*

ODtiger: But I look intimidating

ODtiger: plays with his navel and prods ya

ilbv: yeah..you do. A-are you? I m-mean It seemed like you were when you grabbed onto me *blush*

ODtiger: I am a bit heh

ODtiger: belches loudly

ilbv: *the belch quavers the inside of your belly, sloshing me around*

ODtiger: smiles, patting his gut

ilbv: What do you do at Customer Service?

ODtiger: usually? Tell people off for not having receipts

ilbv: *gulp*

ilbv: that's a little intimidating for sure

ilbv: w-will you need a lunch break?

ODtiger: what are you worried about? You got eaten already

ilbv: I know, but if you don't need a lunch break, could you at least send me down something to eat?

ODtiger: That sounds fair

ilbv: Do you work the night shift?

ODtiger: sometimes

ilbv: like tonight?

ODtiger: nope. I was just messin with ya XP

ilbv: oh...you got me

ODtiger: in my belly, yeah

ilbv: *shivers* yes, yes you do <3

ODtiger: squeezes his stomach over ya

ilbv: *is squished warm and tightly inside you* y-y-ikes, careful, you might crush me

ODtiger: I'm careful

ilbv: I trust you *curls up into a small ball*

ilbv: Is it a busy night up there?

ODtiger: Kinda, dealing with a sore neck

ilbv: oh sorry

ilbv: I hope it gets better

ODtiger: Its ok bud, I'll be fine

ODtiger: strokes at you

ilbv: Are you going to keep me in here?

ODtiger: For a few hours, yes

ODtiger: You're mine for now

ilbv: *playfully pushes at your belly wall*

ODtiger: XD

ilbv: *blushes deep*

ODtiger: rumbles

ilbv: *bites lip* I r-really like how you claim me

ODtiger: Well, you do belong to a pred as soon as you slip down their throat.

The End
