

Tea and Cocoa by ilbv & Sraiser

Sraiser: Is my human buddy ready for bedtime?

ilbv: y-yeah, could my big strong werewolf tale me there? I love you big guy.

Sraiser: Daaawr I love you to.... and I have been thinking lately it be great if we could spend a little more time together. Hehehe.. I mean... it's almost been a whole year

ilbv: A whole year of knowing each other?

Sraiser: Yeah! *wags *

ilbv: That is pretty special ^^

Sraiser: Yes! I'll have to have you fall asleep on my belly again in the woods.

ilbv: *giggles and nuzzles your fur* You just are such a sweetheart.

Sraiser: I'm looking forward to reconnecting with you in early December... we can revisit old rp places and Reminisce about those late night talks.

ilbv: x) and make new memories. I've never felt like I've lost connection with you though Sraiser, you mean a great deal to me; our lives keep us busy, that's all. I still feel as head over heels for you as I did when we met and you swooned me off my feet and onto your tummy.

Sraiser: Hehehe daaawr ♥ I'm still at work this week but I promise we will chat more when I am off next week and throughout December.

ilbv: Of course, it will be nice to rub you and get squished under you and be safely inside you <3

Sraiser: It's getting cold... need winter fat... you need a coat of fur.... win win

ilbv: <3 goodness yes *kisses your nose*

Sraiser: *licks your face* ^w^

ilbv: *hugs around your neck* What are you up to today?

Sraiser: *holds you to his chest with his big arms* Work! Getting paid the big bucks these days! : Buut... work is slow... dull... I finished almost everything.

ilbv: that's nice!! You can afford rent! and like groceries! *hugged against the buff genius space wolf*

Sraiser: Oh oh oh... I can always afford those things... not a paycheck kinda guy.... I'm great at budgeting.

ilbv: I really should learn.

Sraiser: I could probably show you a few tips.

ilbv: That would be really helpful.

Sraiser: ^w^

ilbv: *snuggle snuggle snuggle*

Sraiser: *wraps around you lovingly and possessively*

ilbv: you know I would do nearly anything for ya <3

Sraiser: Hoo... well I'll have to take you deep inside be one day as my precious treat... nom you up like you deserve ♥ Show you the affection I want to. ^/w/^

ilbv: *giggles and blushes* That sounds very lovely too.

Sraiser: I've always wanted to have you deep and as close as possible.... it's perfectly safe.

ilbv: *blushes* Being in your belly is dreams come true. Even being under your body though, like when you lay on top of me is magnificent.

Sraiser: *headbutt your chest*... cause I care for you

ilbv: *smiles shyly, looking down at your big abs pressing against me* w-well, maybe sometime for sure, I would love to be closer in affection with you, and it's something you want, and doing anything you want because it makes you happy and feel loved is reason enough. I adore making you pleased, especially if it's because of something I can do for you.

Sraiser: I want to show you what it's like to be held in that most intimate of ways

ilbv: it sounds very romantic ^^;

Sraiser: Incredibly.... ^//w//^

ilbv: This is why I love you so much, you just melt me <3

Sraiser: *holds you against me and rubs my cheeks on you to mark my scent all over you*

ilbv: Claimed in scent by an alpha species

Sraiser: *sets you in his lap and buttons his work vest over you as he gets back to work*

ilbv: *snuggles in securely while he goes about his work and I get to listen to all of his sounds*

Sraiser: *as he steadily drinks tea... the warm water slips down his throat... slipping under you, beneath his pelt in a gentle warm current... resting in his stomach... creating a warm environment of his vest... fur... and gurgling tea heat being shared with your body.*

ilbv: *blushes, cause hearing him swallow and gulp tea as it sloshes and gurgles in his belly is very sexy and I blush so much because oh man am I nuzzle-snuggled against a heck of a hunk wolf right now.*

Sraiser: *occasionally rubs his chest gently... finding you and giving you a good squeeze too.*

ilbv: I hope I'm not distracting you.

Sraiser: *grins down at you as you douse in his care* Not at all ♥

ilbv: *shivers under the gaze of your grin* Th-thats good <3

Sraiser: *gives you a little smooch* ^w^ comfy?

ilbv: *squeaks affections from Sraiser <3!* Yeah <3 very comfy with you *rubs the fur on your torso*

Sraiser: Mmmmm muuurrrwf ♥♥♥ *his tail wags behind his chair*

ilbv: Does that feel nice?

Sraiser: Yes, you feel nice... on or in me ♥

ilbv: *nuzzles your fur more* Thank you, I do my best for my space wolf.

Sraiser: *Takes a deep breath and watches you rise and fall with his chest... he licks his lips and nose having inhaled your scent*

ilbv: *stays snug against him under his work outfit*

Sraiser: ^^ * gives you a squeeze* You're safe with me buddy <3

ilbv: That's good, because in the outside world...I have no idea. It's all....grown up stuff to me.

Sraiser: You don't read the news much?

ilbv: Not as much as I'd like.

Sraiser: Hmmm but you are an adult too...

ilbv: Yeah, I may be an adult but I don't know how to do a lot of stuff.

Sraiser: I'll have to teach you these things! *points at his computer mouse* this is a maawse.... it's not very tasty.

ilbv: *thumps your pecs* I'm not stupid, I'm just...not smart.

Sraiser: *starts on another cup of tea... and watches you blush warmly each time he sends a warm gulp along your body... and down into his* I'm teasing. I think you are plenty smart! You know how to make good friends... and help people in tough times.

ilbv: *nuzzles your stomach as it splashes in more tea* Thanks, you are the genius though.

Sraiser: *holds you against him with a paw as he ruffles your hair* Some people never learn to make friends the way you and I do... I think that's more important sometimes. *With his other paw he lifts his

teacup to his maw and drains it in one massive gulp... his other paw pressing you against his warm tea filled slushy stomach*

ilbv: Well yes, your friends help shape who you are. Sometimes literally. *giggles and blushes, pressing and rubbing your strong sloshy stomach, listening to all of the tea bubbles and churning groans within your muscle and fur*

Sraiser: *the warm heat radiates through that muscly fur pelt and into you... he gently rubs your back with a heavy paw*

ilbv: I'd like to go grab some food.

Sraiser: *unbuttoned his vest* Hehe if I grab you I could say the same! *wags*

ilbv: *blushes and giggles* How true that is *looks up at you* is that what you are planning?

Sraiser: Oh nuuu.. *waits for you to climb back atop him* cozy time is good for today.

ilbv: *climbs back on you, resting against your chest and stomach with my back while my plate of reheated meat loaf, mashed potatoes with Gravy, and garlic broccoli rests in my hand* I quite agree, it would be interesting being submerged in warm tea. Plus, you need room for this. *hands you a second plate*

Sraiser: I'm sure it would be pleasant! *Takes the plate and begins snacking on it... his tail wagging lots as he licks up the food*

ilbv: We take care of each other pretty well it seems ^^

Sraiser: *smiles at you and wags as he finishes the plate... licking his lips with a final swallow*

ilbv: *watches your large tongue trace your jaws and your throat contract with the bellowing swallow* Gosh you make consuming food really attractive. *Finishes my own food and puts the plates on the side of your desk*

Sraiser: *picks up your plate and licks it clean too* mmmm.... now they are dishwasher ready! *relaxes in his chair with you pressed against his gurgling belly*

ilbv: Now this is way better than the comfort of my own bed, and that is saying something because I really love my bed.

Sraiser: *buttons his vest coat back over you and continues to sip tea while reclined* Thanks for the supper. *Gives your head a lick... his warm breath smelling of supper and blueberry tea*

ilbv: Thanks for keeping me close.

Sraiser: *nuzzles his cheeks against you once more and gives you a warm little lick* Anytime <3

ilbv: When does your shift end?

Sraiser: In about an hour.

ilbv: Nice, then perhaps we could play fight or something and then get in bed for the night.

Sraiser: That sounds lovely <3

ilbv: As lovely as you.

Sraiser: *takes both paws and squeezes you against his glorping belly*

ilbv: Murrerrr, gosh you are soooooo good at being predatorily affectionate without even being hungry.

Sraiser: That's why you know when I do take you into my body... it's not for sustenance or food (although that is a nice bonus) but because I really care for you... I want you that close... soul to soul... sharing a big wuff body. *smiles down at you and rubs your back*

ilbv: and your words...they are like gooey caramel, liquid chocolate, silky ice cream, velvety buttercream...my eyes are hearts right now, like that emoji.

Sraiser: *looks down at you tucked against his chest... and gives you a little nose boop smooch* <3

ilbv: *rubs my nose into his nose, its own little precious kind of affection*

Sraiser: ^w^ ♥

ilbv: I love you Sraiser <3

Sraiser: *holds you against his chest... his heart thumping against you happily... his tail gently swishing back and forth... a cute scene in the lonely late hours of the office *I love you too ilbv <3

ilbv: I gotta go help a friend paint a room, but leaving you is torture.

Sraiser: *puts his paw on your chest* I'll always be right here. Talk to you later buddy ♥

ilbv: Back ^^

Sraiser: Hey! How was painting?

ilbv: Pretty fun, but we actually didn't paint. We stained wood, painting will be another time.

Sraiser: *sniffs your clothes* I see that.

ilbv: Make it home from work okay?

Sraiser: Oh yes! A little icy... but my paws are pretty solid *he lies on his bed... sprawled out reading a Sraiser sized book*

ilbv: *leans in your doorframe* What are you reading? That seems to be a large book.

Sraiser: *flips the pages and looks up at you* It's a graphic novel called Fables... it's about fairy-tale people living in modern times.

ilbv: oh I think I've heard of it; enjoying it?

Mhm... I'm on the fifth collection of stories.

ilbv: Nice! Want me to make you a hot cocoa?

Sraiser: Oh yes please! *his tail wags*

ilbv: *makes him a large Sraiser sized hot cocoa and brings it to him, having to carry the mug handle with both hands*

Sraiser: *chuckles deeply and grabs the cup with his paws* Heheh thanks little guy! <3

ilbv: No problem. *sits down on his foot stool while he sips and reads*

Sraiser: *moves you to his lap... he's so big and fuzzy!*

ilbv: *smiles and nuzzles in* Want to keep me close do you?

Sraiser: Mhm! *his big paws hold your chest... his orange paw-pads warm and soft.*

ilbv: *Now listens to you guzzle hot cocoa and rumble at having me in your possession again*

Sraiser: *presses you against him.... making sure to keep you warm.*

ilbv: *Feels your claws slightly press out from your paws because of the pressure in which you are keeping me snug against you, they graze my shirt a little, gently reminding me that you are a superior being, with very powerful weapons, meant to keep me safe from danger. They were there to protect me, all of you was there to protect me, and love me.*

Sraiser: *sips that lovely hot cocoa.... enjoying the Sraiser sized cup and swallowing his drink with loud gulps*

ilbv: *feels your belly begin to get warmer against my back as it sloshes and churns*

Sraiser: *his tail wags as he licks out the cup.... getting every last drop* <3

ilbv: A good book, a good drink, and great company. ^^

Sraiser: *flicks his tail into his lap so you can use it as a fluffy heated blanket.... although it moves...*

ilbv: Just being here is enough to keep this wolf happy.

Sraiser: I loves company *looks down at you and wags*

ilbv: *I look up at him and gaze into his eyes.*

Sraiser: *he blinks contently and hugs you tight against him.*

ilbv: *slides my arms around him too, as much as I can reach.*

Sraiser: *he leans into your little hug.... to him it feels like the whole world* <3

ilbv: I feel like the whole world to you?

Sraiser: Oh I was being flowery.... your hugs mean a lot <3

ilbv: *nuzzles your chest* It's still very sweet.

Sraiser: Heheheh you're very sweet *licks your cheek* just like a candy.

ilbv: *rubs your nose* That's one reason I get suckled on a lot inside a predator's jaws before they swallow me.

Sraiser: Hehehh such a nice taste! <3

ilbv: But you just want to snuggle me tonight right?

Sraiser: For tonight yes <3 *clenches his paws against you*

ilbv: I'm good with that.

Sraiser: I'm all affectioned out today, so cozy time seems nice... I'll eat you up all proper when I feel that you'd hit the spot just right... *his stomach grumbles behind you, churning the liquids and dinner within*

ilbv: *blushes, because it is still flattering and intimidating to think about being eaten* Guess I better watch out for breakfast time.

Sraiser: *nuzzles close to your neck...* Each and every part of you... I want you so close... to hold you like no one has before. *His tail brushes against you as he holds you all to himself... against his chest and belly in his lap... he smiles at you sweetly.. his tail swishing back and forth under your shirt a little... tickling you.*

ilbv: *squirms from the cuteness of it* Heh I feel like you're going to surround me in your body and fluff when you take me to bed.

Sraiser: Yes of course! *Wags faster and tries to stop but whenever he isn't focusing, it starts to wriggle under your shirt again* O... heheh I guess it likes you. *clutches you close*

ilbv: I find that tails and stomachs tend to have their own personalities.

Sraiser: Heheheh sometimes.... might just be the person trying to tell you something ^w^

ilbv: *rolls over in your arms and nuzzles against you.*Are you trying to tell me something big wolf?

Sraiser: Heheheh I love you buddy! <3 So does my tail and stomach.

ilbv: I love you too Sraiser <3 are you going to sleep?

Sraiser: Oh it's 1! Not for another hour.

ilbv: gotta finish reading that book :)

Sraiser: but if you want to sleep... I'll be your muscular... rumbling guardian of a bed.

ilbv: I'd really love that <3 I'm not going to sleep yet though ^^

Sraiser: Oh ok! *looks down around you and watches TV on his phone.*

ilbv: *closes my eyes and rests on you*

Sraiser: *rumbles possessively with an affectionate growl*

ilbv: *gently rubs your chest fur*

Sraiser: Mmmmmmaaa ❤️

ilbv: You are just loving this <3

Sraiser: *wags as he holds you close* it's been so long <3 ^w^

ilbv: Dawww, yeah it has, and I hope we will be able to be close again more often.

Sraiser: Me too ❤️🐾

ilbv: There is no one like you <3

Sraiser: Daaawwr *blushes and wags* you either buddy ❤️❤️

ilbv: *kisses nose* Goodnight my Sraiser.

Sraiser: *cuddles into bed with you... wrapping his paws around you and holding you close to his muscle fluff* Bedtime for me too. *holds you close* nini ilbv ❤️ *shoves his face against you... almost knocking you over* raaaaawrrf.

ilbv: *laughs and hugs his snout, nuzzling that big nose*

Sraiser: I need sleep now though. *flops on your bed on top of me and hugs you close* Goodnight ilbv
^w^

ilbv: Love you too Sraiser, you are everything.
