

A Generous Host

By: IndigoRho

Liam let out a satisfying sigh as he leaned back into the couch. The hefty red panda's bulging gut wobbled atop his lap, the frantic pleas and curses within heavily muffled by his thick layers of pudge. A pair of eager paws ran across his middle, rubbing every lump and kneading the flab, only stopping to occasionally embrace him in a firm hug. The paws belonged to Nommz, Liam's dragonmutt host who'd generously provided him with a trio of delicious friends for dinner. He could still remember the looks of confusion on their faces when Nommz had pushed them into his arms. His hunger had been so great he'd swallowed two of them simultaneously, his swelling gut pinning the other to the ground as Nommz watched in delight. Though his belly was full, Liam hadn't wanted to waste his host's gift, greedily sucking the third meal down with his gluttonous cock.

"Urrrrrrrrp...you really do have great taste in friends," Liam said with a grin as Nommz continued to adore his gut. "Though the one I tucked in down below apparently wasn't too durable. Why don't you check in on him?"

Without a word Nommz redirected his attention from the red panda's belly to his swollen balls. A few teasing pokes confirmed that their previous occupant was now nothing more than a pool of cum. "You really work fast, don't you?"

"When I want to. Course, now I'm all pent up," Liam said, slyly.

"A good host doesn't let his guests' needs go unanswered!" Nommz answered, already massaging Liam's balls.

Without further prompting Nommz swiftly wiggled beneath Liam's squirming gut until he found his prize. He wrapped his paws around the bloated balls and his lips around Liam's cock, running his tongue across its length, moaning as the member swelled in his mouth. Liam dug his claws into the couch cushions and began panting as Nommz went to work. The panting increased as Nommz pleased Liam to a degree he'd never felt before, his dick quivering in anticipation. Nommz could feel his friends struggling in the heavy red panda gut above him, but rather than feel regret he only felt joy.

A quick flick of the tongue finally sent Liam over the edge, and the red panda's eyes went wide as he blew his massive load. Nommz's grip remained firm as a torrent of cum gushed down his throat, causing his small belly to swell. Amidst the geyser were the soaked clothes and phone of his betrayed friend. Nommz didn't give that much thought, though. Instead the ecstatic dragonmutt moaned as Liam's balls shrunk and his own middle grew, rapidly giving Nommz a bouncing pot belly. By the time he'd sucked Liam dry he was in a daze, cum dribbling from his mouth, feeling utterly stuffed. He mumbled happily and rested his head against Liam's still erect, swollen cock.

"Oh...oh damn that was good..." Liam mumbled. Despite everything Nommz had done, though, the red panda was still hungry.

The tip of Liam's cock slowly flared open, causing Nommz's face to slide in abruptly. The confused dragonmutt attempted to brace himself on the couch, but his cum-filled belly made him clumsy, and all he managed to do was slip further into the oppressively warm depths of Liam's member. A powerful suction pulled Nommz in past his shoulders, then his chest, his struggles failing to slow down his descent. Cum coated the dragonmutt's body as he was gradually gulped up by the hungry cock, as Nommz suddenly found himself swelling the same ballsack he'd been loving on only minutes before.

Liam moaned and chuckled as he watched Nommz's flailing tail vanish from view inch by inch, his balls once more expanding onto the carpet below as they were refilled. His earlier "meal" had practically been a twig, but the cum-filled dragonmutt made a much more satisfying and sensual bulge as he slipped down the shaft. At one point Liam nearly blew his load early, actually spitting Nommz up a bit, until he regained his composure and continued sucking up his former host. Eventually the dragonmutt was merely a well-hidden tail-tip peeking from Liam's cock, before a final slurp hid him

from the world completely.

Exhausted, Nommz could do little more than fidget and grumble as he lay in the bloated balls of his guest, still groaning from being so stuffed. There was a part of him that had known this outcome was likely, especially considering how ravenous Liam could be, but he also knew he'd take the risk all over again.

"I've just been a pig today, haven't I!" Liam laughed, shaking his belly and balls. Consuming four in one sitting wasn't exactly a new thing for the red panda, but definitely not the norm. "You did good Nommz, *real* good. So good, in fact, that I'm going to give you a rare opportunity to continue providing me with delicious food."

Liam's balls bounced in reply.

"Alright Nommz, it's simple. Just coax me into blowing another load and you're free to go," Liam said. "Just remember not to take *too* long, though, otherwise the only thing escaping my sac will be a purple pair of briefs in a puddle of cum!"

Almost right away Liam felt the movement within his balls intensify as Nommz accepted his quest. The red panda chuckled and yawned, a food coma finally settling in. As his eyes slowly closed he passed out wondering if the eager dragonmutt would actually succeed. Who knew how many tasty friends Nommz had left for him to meet...
