

The Stuffening

As the contestants are released from their containers, they are greeted by multiple shelters filled with various goodies... like food.

Mildred, Foxy, Fay all hightailed it instead of grabbing anything.

Zorori and **Bernard** carry as much supplies as their hands, pockets, and bellies could hold.

Wanda, after a hefty binge, stepped on a scale. She was already 300 lb... no wait... 315 lbs heavier.

Colleen collected a load of chocolate because they don't plan on starving.

Kamui grabbed a Gust Bellows.

*Doggo threw a terrifying amount of bloat darts at **Nightwind**, causing him to suddenly bloat to a large size.*

Wile E Coyote grabbed a large keg of wine.

*Komamura tricked **Elasta Vixen** into grabbing a P-Balloon.*

*Wilde tripped **Gregg** onto an active water pump and he started to inflate into a giant water balloon.*

Roxy grabbed a Fattener's Ray Gun.

Haida started eating everything they could, becoming immobile in the process.

Tailbain used a forklift to carry the now obese **Trinitystrike** out of the center.

Holdem grabbed some enchanted measuring tape.

Tofia grabbed a wet rag on a stick.

Tigerwolf collected a load of chocolate because they don't plan on starving.

Saberwolf grabbed some enchanted measuring tape.

Legosi grabbed a copy of the book "Body Inflation and Weight Gain for Dummies".

Wolf grabbed a large keg of wine.

Delphox grabbed an oversized straw.

Lucario, Renamon, Karnage, Whitney, and Shinden barricaded themselves in one of the shelters until the chaos was over.

Funtime Foxy can't resist the divine aroma and starts digging in.

Mangle grabbed a Massnum.

Classified grabbed some enchanted measuring tape.

Lolbit tripped Carmalita onto an active water pump and she started to inflate into a giant water balloon.

Bergamo grabbed what looked like a balloon, but it was secretly containing a large cache of food.

Lyconroc grabbed a copy of "The Cure for Berryism."

Loona grabbed a Massnum.

Behemoth ate a cursed pie and transformed into a fatter version of himself.

Zoroark grabbed a book about Lipomancy.

Welfin tripped Wolfrun onto an active air pump and he started to inflate into a giant balloon.

Juno grabbed a Plumpetgun.

Fox broke a pot of Full Incense, becoming very big and bloated.

Robot001 was forced into a water pump by Krystal and was inflated into a big water balloon.

Isabella grabbed as much food as their pockets, hands, and mouth could hold.

DAY 1:

Roxy found some spare clothing. A bit stretched out though.

Lolbit received a message from a contributor asking for an RP. She promptly threw it away.

Krystal popped a P-Balloon and started to float away.

Zorori, **Saberwolf**, and **Holdem** fended off a giant slime.

Isabella tried proving their strength via lifting a large object, but their determination caused her to suddenly inflate like a balloon.

Delphox subdued **Shinden** via sitting on him.

Doggo tries to inflate **Foxy**, but he gets away.

Mangle stepped on a scale. It broke immediately.

Tofia stalks **Funtime Foxy**.

Mildred got much heavier after drinking some pure lard out of a tube.

Karnage drank an entire pond and shot it at Behemoth's mouth, effectively giving his overwhelming size.

Classified discovers a river.

Bergamo stepped on a trap set up by Welfin. Panicked, he grabbed Colleen and used her as a now bloating shield.

Whitney tried inflating a big balloon for **Tailbain**. It unfortunately popped.

Lyconroc drank from a waterfall. They came out bloated.

Lucario got a large bloat after eating a bunch of cabbages. They're no longer over-encumbered.

Legosi yeeted 2 blimp grenades, inflating Trinitystrike, Komamura, Fay, and Kamui.

Loona received a message from a contributor saying "EAT A STICK OF BUTTER".

Wolf is in denial about their size.

Renamon tried inflating a big balloon for **Tigerwolf**. It unfortunately popped.

Juno measured **Bernard's** waistline. The tape was too small.

Zoroark found **Wile E Coyote** being fattened up by **Wanda**. He helped **Wile E Coyote** escape.

Wilde got a large bloat after eating a bunch of cabbages. They're no longer over-encumbered.

Night 1:

Tigerwolf complimented **Holdem**'s size.

Juno got a face full of beef gas from a contribution. She flexed in pride with their newly obtained muscles.

Roxy tried to practice Lipomancy with **Renamon**. There was little success.

Karnage and **Funtime Foxy** called it a truce for the night as they proceeded to stuff themselves.

Zorori found a shelter, but the furniture is all broken.

Tailbain & Wanda snuck into **Lucario**'s shelter and ate his food. **Tailbain** escaped, but **Wanda** got stuck in the window.

Lolbit couldn't get enough jelly beans, until they got a big jelly belly that almost trapped her.

Wolf helps **Legosi** deflate.

Classified inflated and floated away, but it was thankfully just a dream.

Shinden sets up camp for the night.

Delphox consumes and/or steals **Welfin**'s supplies while he is asleep.

Lyconroc shoved the Gust Bellows into Tofia's snoring mouth. She woke up being inflated into a big ball.

Bernard tried to practice Lipomancy with **Zoroark**. There was little success.

Mildred has a nightmare about violently bursting.

Doggo uses **Saberwolf** 's large body as a bed.

Mangle and **Loona** tell stories about themselves to each other.

Wile E Coyote, **Wilde**, and **Whitney** relaxed their big, fat bodies in a nice, warm hot spring.

Foxy found a shelter, but then he got stuck in the doorway.

Bergamo ate a bunch of Anerx's Dietary Marshmallows, and got a big squishy belly from each one.

Day 2:

Foxy got a large bloat after eating a bunch of cabbages. They're no longer over-encumbered.

Wanda toys around with **Lyconroc** 's bloated body.

Renamon used various foods to recreate another contestant, only to then devour it.

Karnage fended off a giant slime, but ate most of it.

Mildred is in denial about their size.

Classified stuffed himself silly.

Wile E Coyote fended off a giant slime.

Wilde discovers an obese Charizard laying on a broken bed. It's surrounded by wrappings of various fatty foods.

Bernard dropped down onto **Bergamo**, smothering him.

Loona subdued **Welfin** via sitting on them. **Welfin** escaped via fattening himself.

Delphox diverts **Holdem**'s attention and runs away.

Wolf chases **Doggo**.

Lucario accidentally ate a blimp fruit and well blimped up.

Shinden attempted to camouflage himself in the bushes. He's trying his best okay.

Saberwolf enchanted themselves and gave Zoroark a great big hug, blimping him in the process.

Tailbain fishes.

Zorori is in denial about their size.

Tigerwolf picks flowers, but they were Alerga flowers and he nearly bloats into a blimp.

Legosi exercises his body via bloating themselves with water.

***Funtime Foxy** lobbed a blimp grenade, inflating **Whitney** and **Juno**.*

Lolbit & **Mangle** sat on a couch, only for it to break. Maybe stuffing themselves with 20 lbs of pizza was the cause.

Night 2:

Wile E Coyote and **Mangle** fended off a gigantic slime, but they ended up very fat at the end.

Karnage stays up all night engorging themselves.

Classified works off the pounds.

Bernard activated a blimp grenade, but **Holdem** discovered that it was a dud.

Tailbain tried to practice Lipomancy with **Roxy**. There was little success.

***Lolbit** tried desperately to get the slice of extra cheesy pizza they dropped, but her big, blubbery body made it impossible. At least **Mangle** took the hint.*

Renamon measured **Wanda's** waistline. The tape was way too small.

***Saberwolf** drank an entire pond, but **Doggo** mentioned that it was contact lard. He pats his now blubbery body.*

Wolf works off the pounds.

Delphox goes to sleep.

Loona found a strange glowing piece of goo. The goo launched itself into her mouth, making her very hungry.

Welfin thinks about winning.

Lyconroc played the drums on **Shinden's** belly.

Bergamo and **Zorori** had a "mini" eating contest. **Zorori** was clearly the winner.

Wilde works off the pounds.

Mildred fended off a giant slime, but ate most of it.

Tigerwolf fell asleep with a lard pump tube in their mouth. Thankfully, it was set to "relax".

Legosi is worried about their groaning, creaking belly.

Foxy shuts down for the night.

Funtime Foxy climbs a tree to rest, it swiftly snaps.

Day 3:

Renamon enchanted herself and poked **Classified**'s belly, inflating it. **Classified** asked for more.

***Wanda** swelled into a big blueberry after eating some berries.*

Mangle worries about their body having a limit.

Shinden found some suspicious looking berries. He was going to warn *Wanda*... but...

Zorori searches for a water source that doesn't come out of a hose.

Holdem tired inflating a big balloon. It unfortunately popped.

***Mildred** sprayed gallons of water into **Loona**'s mouth until her belly button popped out the size of her head.*

Tailbain and **Legosi** argue over who's bigger.

Roxy resists the urge to fill herself to the size of the arena.

Karnage saw how much fatter **Funtime Foxy** was. Now that he's feeling better about himself, he let their true gut bulge out.

Doggo scares **Tigerwolf** off.

Bergamo tried out their bike pump on themselves. He considers it weak.

Wilde tried inflating a big balloon for **Lyconroc**. It unfortunately popped.

Wolf received a message from a contributor asking for an RP. he promptly threw it away.

***Bernard** found **Welfin** slightly inflated in an inflation trap. He tried to help him out, but only inflated him more.*

Foxy and **Delphox** relaxed their big, fat bodies in a nice, warm hot spring.

Wile E Coyote put on a Santa outfit they found. He immediately took it off when they started to gain weight.

NIGHT 3:

Wile E Coyote fended off a giant slime, but ate most of it.

***Lyconroc** found **Wolf** being fattened up by **Doggo**. He inflated **Doggo**, but then proceeded to stuff **Wolf**.*

Zorori 's thicc, sloshing body ruined his sneak attack on **Wilde** .

Legosi tried out some different clothing. Most of them didn't fit.

Mangle and **Classified** called it a truce for the night as they proceeded to stuff themselves.

Bergamo found a shelter, but the furniture is all broken.

Tailbain tailors their clothing.

***Mildred** shot the "Rain Drop" at a tired **Shinden**'s head. The water forced itself into his mouth, bloating them like a water balloon.*

Tigerwolf voluntarily fattens himself up so **Bernard** and **Foxy** could have a cozier bed.

Holdem cooks his food before putting his fire out.

Karnage, **Roxy**, **Renamon**, and **Delphox** fended off an army of slimes.

Funtime Foxy is worried about their groaning, creaking belly.

Day 4:

Bernard relaxed his big, fat body in a nice, warm hot spring.

Mildred helps **Renamon** tailor her clothing.

Bergamo played a beautiful song on a suspicious piano. They went back to normal as a reward.

Delphox fought with **Legosi**, it looked like a sumo battle.

Wile E Coyote received a message from a contributor asking for an RP. he promptly threw it away.

Zorori received a message from a contributor asking for an RP. he promptly threw it away.

Classified and **Karnage** argue over who's bigger.

***Roxy** gave **Holdem** a lei, but a puff of unknown gas caused him to inflate rapidly.*

***Lyconroc** stepped on a trap set up by **Wilde**. Panicked, he grabbed **Mangle** and used her as a now bloating shield.*

Funtime Foxy and **Tailbain** smothered **Tigerwolf** via ramming their bums together.

Foxy got stuck on a narrow tree path. The trees snapped in his struggle.

Night 4:

Lyconroc toyed with his moobs before going to sleep.

Bergamo helps **Classified** deflate.

***Wilde** drank an entire pond and waddled to **Mildred's** sleeping body, dispensing the water into her mouth.*

Bernard slept in a bed of flowers.

Delphox consumes and/or steals **Renamon's** supplies while she is asleep.

Zorori fended off a giant slime, but ate most of it.

Roxy and **Foxy** had a "mini" eating contest. **Foxy** was clearly the winner.

Wile E Coyote found a shelter, it's brimming with useful supplies, and food.

Karnage and **Legosi** fended off a gigantic slime, but they ended up very fat at the end.

Tailbain played the drums on **Funtime Foxy's** belly.

Tigerwolf tried out some different clothing. Most of them didn't fit.
