

Sven and Jack

Irbisgreif

Let me tell you a ditty 'bout Sven,
He was out on the internet when
 A girl—with a sigh—
 Complained of a guy,
And then he chimed in, "But not ALL men!" 5

And lest you think that he's whack,
Let me tell you of his buddy Jack.
 It's not just for show,
 You'll be happy to know,
He has plenty of friends who are black! 10
