“OUR CLOTHES and backpacks are safe under this tree, Nev. This part of the stream is secluded.” “Only men who have sex with men hike to this part of the stream, Jey?” “Heh-heh, yeah! Only men who have sex with men hike to this part of the stream. How did you realize that, bud?” “You undressed so casually when I did, Jey. Seems you have come here often.” “Rarely, to be honest. Got great memories from here, though.” “Your arm feels nice around my waist, Jey, by the way.” “That’s easy to tell by your erection! Your hand feels nice on my shoulder as well, Nev.” “I’m glad your body is enjoying mine, big daddy fox! Is it alright if fellow hikers share a kiss before swimming together, Jey?” “Of course, Nev.”
