

Our story begins outside a nice Italian restaurant. A small, no taller than five feet, pink bunny boy sat down at a two person table by himself. The bottom half of his face was covered in white fuzz save for one pink heart shaped mark on his right cheek. He sighed softly to himself as he looked around anxiously,

"If I had just come out to her I wouldn't be in this awkward situation" he thought to himself.

Nearly 15 minutes had passed after he had sat down when a waiter came to the table

"Can I get you anything sir?" the red fox queried.

Zach's blue eyes were lost in the handsome waiter's deep green eyes momentarily.

"Oh um, I'd like two salads please, one for me and one for my, um, date." He responded.

The waiter nodded politely before walking off with the order. As the waiter walked off Zach's date walked into his view. She was wearing the long red dress his mother had mentioned, and even he could recognize how beautiful she was. She was a bat who had to be at least two feet taller than he was, thick curvy hips, an hourglass frame, c-cup breasts, and long autumn colored hair that complimented her soft brown fur. She stood around for a moment looking around before spotting him and sauntering towards him.

"Zach?" she asked standing next to him.

"You found him! hehe" he replied with a nervous laugh.

He quickly got up and walked over to her chair and pulled it out for her.

"And you must be Rebecca. I have to say my mother's description doesn't do you justice."

"Well aren't you just the sweetest~." she said as she sat down.

He gently nudged her chair closer to the table and made his way back to his seat.

"I hope you don't mind I ordered each of us a salad while I was waiting." He said as he placed his napkin on his lap.

"That sounds perfect! Sorry I'm late traffic was awful. Though seeing your cute pink face has already made this night much better~"

His face was immediately blushing at the compliment, enough so to even show a bit through his fur. He tried to cover his face with the menu, even though she could clearly tell.

"Th-thank you." he stammered out as she giggled softly.

"she's so nice, I can't just ruin the night for her, I'll go through with the date and not follow up." he thought to himself

1 hour later

Zach stopped his car in front of Rebecca's house.

"Is this the place?" he asked.

"you nailed it!" she responded

Zach then turned off his car, got out, and opened the door for his date.

"Oooh~ such a gentleman" she said as she got out of the car and gave him a quick kiss on the cheek.

"Well it was a fun night, I hope to see you again some time." he said as he leaned in to give her a peck on the cheek.

"Does it have to end so soon? You could always come inside for a bit~" she whispered in his ear.

"th-thanks but um, I,uh, I have to go" he stammered out.

"awww why so nervous cutie~?" she said as she traced a finger over his cheek.

"I...I'm gay..." he responded in a defeated tone

she chuckled softly while gently grabbing his right wrist and moving his hand down to her crotch. His hand pressed up against something long, hard, and gently throbbing.

"did you think I didn't notice you checking out the hot waiter? Now are you sure you don't have some time to come inside~?" she said while still holding his hand against her clothed length.

"...m-maybe I could come inside for a little bit." he said as he followed her inside.

Before the door could even finish closing she had him pinned against the wall, her breasts smothering his face, and her thick length pressing against his stomach through their clothes.

"It was so hard not to ruin these panties when I saw that cute little face of yours~ I just knew I had to get you back here and pound that tight ass~" she said excitedly.

"Oooh~ I-I definitely wasn't expecting this!" he responded as his head fit right between her tits.

His own excitement was quickly building up as his member could be felt tensing up slightly and poking against her throbbing length. Before he even knew what happened Rebecca bent down and picked him up. He let out a small surprised gasp which caused her to chuckle once more and bring him close to her for a quick kiss on the cheek. She walked a bit further into her place before dropping him flat onto her couch. Before he could even react she climbed over him on the couch and lifted her dress off to reveal a pair of panties cradling her massive testicles, each as big as a baseball. Erupting from the top of the thin cloth was her massive cock, reaching from her crotch all the way to right below her breasts. His eyes were glued to the mouth-watering sight presented to him when suddenly she sat down. Her heavy clothed orbs now resting directly on his muzzle, a strong musk coming off them.

"Show me how much you love them~" she said as she pressed them against his face even tighter.

He didn't waste time responding before leaning into the orbs resting on his face, inhaling as strong as he can, flooding his nostrils with the intense aroma. After the first whiff he let out a pleasure filled moan that vibrated out beneath her heavy sac. Unable to resist he inhaled again, the intoxicating scent flooding his senses and sending waves of pleasure through his body causing him to moan once more. No longer able to hold back he opened his mouth slightly allowing his tongue to slip free before sliding lovingly over the bulging panties. Every lick getting more and more of the musky taste and making the panties more and more soaked. Her moans could be heard from above him as he continued licking over every inch when suddenly he felt a warm stickyness drip down onto his head. he leaned back slightly so that he could look up at Rebecca's face as he continued to assault her orbs with his greedy tongue.

"aaah~ don't stop cutie~" She said while slowly stroking her length and staring at him as he works.

He took the hint and reached up to the rim of her nice silk panties and slowly pulled them down until her delicious furred orbs were freed. Once free they plopped right back onto his snout and immediately an even stronger scent of the musk flooded his mind.

"so heavenly~" he said almost hypnotized.

He got back to work, not wanting to disappoint his gracious host. He began suckling on the left ball, giving it loving kisses and sucking tightly against it. He repeatedly licked every inch of the exposed orbs taking breaks occasionally only to breathe in the lovely musky scent when she stopped him.

“Ah...ah... y-you’re real good at that~ but I don’t want to waste this on your face~” she cooed as she slowly got off him, panting all the while.

She then sat down next to him on the couch, her cock rock hard and almost leaking pre-cum like a fountain as she idly stroked it.

“come take a seat cutie~” she said while eyeing the soaking wet bulge in his pants.

He immediately hopped off the couch and disrobed. His bare form standing before her, the white fur from his face continued down his belly down to his cute little testes. His cock was average sized and rock hard, leaking a few drips of pre-cum himself. He carefully got onto the couch and sat down on her lap, his cock pressed up against her’s. She slowly reached forward and gripped both their lengths with one hand and began stroking them gently, the copious amounts of pre leaking from both of them making it very slick.

“aaah~ f-fuuuck” Zach suddenly cried out as his body tensed up against hers.

His cock throbbed heavily before spraying his cum over the underside of her massive cock.

“ooh~ so soon?” she said as she continued to idly stroke them both.

“s-sorry it’s been a while.” he said embarrassed though still gasping at each stroke.

“mmh don’t apologize, make up for it~” she said as she stopped stroking them.

He slowly got off her and kneeled down in between her legs. He then leaned in and began gently licking up all the cum he sprayed onto her cock. His tongue gently sliding across her throbbing length, making sure to pick up every last drop of his mess. When he had felt he finally had gotten every drop he gave the delicious cock one last loving lick from base to the tip where he flicked his tongue across the slit, sending shivers down Rebecca’s spine.

“Oooh~ I can’t take anymore I need that tight ass NOW!” she said in an over-excited tone.

He got back up revealing his still rock hard member as he climbed back up onto the couch and positioned himself over her. She placed her hands on his ample thighs and slowly guided him down so that her thick tip was pressed right against his entrance. He could feel her throbbing excitedly as she was leaking possibly more pre than ever, easily lubing him up. He let out a long moan of pain that quickly subsided to pleasure as her massive cockhead forced its way inside of him, spreading him further than he’s ever been spread before. She let him rest for a moment before coaxing him further down, the more her cock entered him the louder she moaned in bliss, his tight hole squeezing around her so tight she could barely move at first. After a few moment his balls rested firmly on her stomach, a slight bulge could be seen through the fur on his stomach from the massive cock buried in him.

“ff-fuuck you’re so big, oh my goooood, I-I might cum again without even moving.” he could barely say between gasps and moans

“Ha... ha.. well we’re not done yet~” she moaned out.

She then tightened her grip on his thighs and helped him slowly lift himself up. Every inch sliding out of him eliciting pleasure filled moans till finally he was back at the tip. Suddenly Rebecca gripped him tightly and pulled him down tightly as she thrust upwards, ramming her monster of a cock deep inside him and causing him to scream out in pure bliss as his orgasm hit him once more. His body tensed up around the shaft inside of him as he sprayed his seed onto her tits.

“fuck I’m close~!” she shouted as she suddenly stood up holding him around her waist with a combination of her hands and cock.

She then slammed him down onto the couch on his back, her cock buried deep in his ass as they were now face to face. She leaned in and bit his neck sensually as she started to pound away at his ass harder and harder. Neither could speak as they were lost to their instincts, Zach lying there gasping and moaning as Rebecca ravaged his ass. After a few powerful thrusts Rebecca slowed down for a moment before giving one more powerful thrust strong enough to even push Zach down the couch a bit as she was buried as deep as she could be in him when her orgasm finally hit her. Her body tensed up over him and locked him down in place as he could feel her hot cum flooding his insides. He moved a hand over his stomach as he could feel the almost endless amount of sperm spraying into his insides to the point where he could feel his stomach starting to expand slightly. Her cock kept cumming and his stomach kept swelling until the bulge was visibly noticeable when her orgasm finally started to slow down. She slumped down on top of him, the both of them panting and gasping for breath, both of them spent, some cum leaking out from Zach.

“th-that was amazing~ maybe you should stay here tonight~” Rebecca said as she slowly nodded off to sleep.

“maybe I should” Zach said as he dozed off.
