"Are you sure this is what you want?" Questioned Kyle as he, Austin, and Xeila followed Jean quickly to the train.

"Yup, it's only fair." Responded Jean with a simplifying tone.

"And Austin and Xeila are coming along because?"

"Because if I'm going to do this I'm going to go big or go home. Why are you complaining, you're the one that got peed on, remember?"

Kyle remembered, alright. As the four boarded the train for the Red Light District Kyle thought back on it: Jean had been careful about having sex that time, and was immediately against taking anything in her tailhole, Kyle guessed she thought if she kept her rump clear nothing would tickle that nerve and she could fuck on a full bladder. The poor ott was wrong, and moments after he shot shot his load deep in her pussy cowboy style he heard an "I'm so sorry" from Jean, followed by warmness streaming all over his lap and the bed.

"Hey, this is our stop." Reminded Jean to the three, breaking the spell and bringing Kyle back to reality.

The four walked to the park. Kyle and Xeila brought them to that hidden little spot in the nameless park where they could be alone. Jean dropped her bag and started undressing. "Fair is fair and you were naked. Why don't you all strip off?" Was her reasoning, so soon they had a naked folfess, a naked jackal, and two naked otters.

Jean knelt on the ground and spread her pussy lips open. "Aim here."

There was a silence as the others got into position, followed by a few sighs of relief and exhales of breath as a splattering noise filled the air. Kyle, Xeila, and Austin unloaded their full bladders on Jean, who was glad their piss hid the fact that she was dripping pussy juices from being so turned on. Kyle was empty first, followed by Austin, and finally Xeila. The folfess couldn't hide how much peeing on Jean turned him on, so as soon as Jean said "So warm..." Shi asked if she wanted to be warmer.

Then, it turned into a race. Kyle, Xeila, and Austin stood over Jean, still aiming their cocks at her spread pussy lips, but this time they had a different goal in mind, covering her pussy in their cum. Jean and Kyle knew from experience that Xeila was a tank when it came to cum production, and waited with bated breath. Xeila was first to finish, and shi was almost pissing cum on Jean's pussy.

Austin dropped his jaw and uttered a "God Damn..." before the scene caused him to lose his own smaller, but still pretty big load. Then, it was just Kyle. When seconds turned to minutes, Xeila and Austin decided to help out the poor boyott. Xeila took the otter's cock in her paw and jerked him as Austin knelt behind his boyfriend and rimmed

his sensitive tailhole. It wasn't much longer before he shot a load rivaling Xeila's onto his sister's pussy. After he was done the girlcott massaged their loads into her folds and started masturbating.

The other three just enjoyed the show until Jean squirted some girlcum into the puddle of urine and spoo at her feet. Walking to her bag she pulled out a towel and dried off.

"Is that my towel?" Asked Kyle in a forlorn tone.

"It's her's now." Snickered Xeila, the folfess drinking in the scene.

Kyle sighed and Austin hugged his boyfriend. "We'll get you a new towel on the way home, my poor otter. I love that you include me in these little adventures of yours." Cooed the jackal.

"Maybe you'll be next, mutt." Grinned Xeila.

With the amount of blushing Austin did, it seems like it's right up his alley.
