Kyle relaxed on his bed, leaning against his wall. The otter held his cock in his paw and slowly jerked himself off. Thinking of Austin and Jean, the ottboy felt himself getting close when the door at the top of the stairs opened. Acting quickly Kyle covered up and hid the porn on his laptop. Thankfully it was only Jean, so the otter resumed masturbating.

Not speaking, Jean sat down next to her brother and joined him against the wall. Sliding off her skirt and panties, the girlott started fingering herself at the same speed as her brother's strokes. Jean leaned on Kyle's shoulder and breathed in his musk, which drove her towards her goal.

Kyle wrapped his free paw around his sister and stroked his cock a bit faster, his sister's scent helping him along the way. The boyott went to his laptop and brought up the comic that he was fapping to, a nice comic about a few deer brothers who were close like he and Jean were. However, as soon as Jean saw it she started crying.

Kyle stopped jerking off and looked at his sister. Unsure what to do, the otter pulled his sister close, but couldn't help notice she hadn't stopped fingering herself. Jean tried her best, but resigned herself to not having an orgasm and hit her fist against Kyle's sheets.

"Did something happen with you and Ken?" Asked Kyle eventually.

"He broke up with me while we were still in school last semester." Sobbed Jean.

"I don't get it, things seemed so perfect with you two."

"Yeah, well, he wanted us to be exclusive. I could give up any guy, but I couldn't give up you. He couldn't handle that so he ended things."

"Oh." Said Kyle guiltily. He knew what he and Jean were doing showed their closeness, but would he have done the same for her?

"Sorry, I didn't mean to ruin your jerk off session, I just haven't been able to cum aside from my heat since he ended things. It's getting frustrating." Replied Jean, closing her eyes.

Kyle thought for a moment then grabbed his phone, the otter sent a text to Austin, asking if he was at Kaya and Fawks' place. He returned to holding his sister closely, now ignoring her bare pussy, but hoping he could help her out. They sat in silence for a few minutes, then the ottboy's phone buzzed. Kyle checked it and smiled.

"Well, I've figured out a way I might be able to help. Go get dressed, Fawks is going to be by to pick us up in his car in twenty minutes." Said Kyle to Jean.

Jean didn't ask the plan, just got dressed and went upstairs to get her purse. In twenty

minutes a car honked outside and the other siblings got into the back of Fawks' car. Kyle leaned over the seats to give Austin, who was in the passenger seat, a kiss. Eventually, Jean had to ask what was happening.

"So, why are we going to your place, Fawks?" Asked Jean.

"Well, your brother said you've been having trouble cumming lately. He figured we've got four cocks between all of us, so that's at least four attempts at getting you off. The last knotted cock to go can even knot you. Austin still has that plug you let him, so Kaya is disinfecting it for use on you as we speak." Explained Fawks.

Jean looked at her brother and gave him a kiss on the cheek. A little crude for mending a broken heart, but she wasn't going to complain. While Fawks parked the car Austin led the others upstairs. Kaya greeted them in a lace bra and panties. The others undressed down to their undies and followed Kaya into her room. The others crawled into the bed and started kissing. Austin gently guided Jean's hips up and pulled down her panties. Lubing up the plug, he slid it into the ottergirl's rump. Jean moaned into the kiss. Soon Fawks entered the room and got naked.

Breaking the kiss, Kyle stood up and the rest took off their undies. The four stood in a line facing Jean, their cocks erect. Jean understood she was to choose. Looking at the four, Jean selected Fawks, then laid back on the bed. The fennec crawled into bed and in one motion shoved his cock into the ottergirl up to his knot. The other three crawled on the bed and jerked their cocks, watching Fawks fuck Jean. Unfortunately, Jean wasn't able to cum and soon Fawks emptied his balls into the ottergirl. Fawks rolled off the bed and Austin slid in next.

Austin was grateful for Fawks' lead when he pushed his cock into Jean. The male jackal fought against knotting Jean, wanting nothing more than to have some time to cuddle while stuck in her. Jean felt the plug push into her with each of Austin's thrusts and felt an orgasm building, but the jackal couldn't hold on and filled Jean's pussy with a load of canine spoo. He rolled off and cum started to leak from Jean's slit. Next up was Kaya.

Jean rolled over and got on her paws and knees, lifting her tail. Kaya slid her cock into the otter and started thrusting quickly, hoping to continue any progress that Austin had made. Squelching noises filled the room as cum leaked out of Jean's pussy. Semen dripped on the bed every time Kaya pulled her cock out of Jean, then squelched as she slammed back in. Austin watched his sister fuck the otter and his cock hardened again, he almost came a second time when Kaya moaned and shot her load.

Austin went 4th, leaving Kyle going last. Jean rolled on her back, leaking more cum until she was laying in a puddle of canine semen. Matching previous behavior, Jean wrapped her legs around Austin soon after he penetrated her and rolled so she was mounting him cowboy style. The ottergirl carefully pulled out the buttplug and motioned towards Kyle, lifting her tail for her brother. The otter lubed up his cock and slowly pressed it into his sister.

Jean leaked cum all over Austin and Kyle fucked her tailhole. Austin lasted longer on his second attempt and Kyle felt himself getting close. But soon that didn't matter. Jean clenched her pussy around Austin's cock and her tailhole around Kyle's, her pussy sprayed girlcum all over Austin. Kyle let out a loud "ott" and erupted into his sister. Austin took his opportunity and gave one last forceful thrust into the otter's cumming pussy, popping his knot into her before giving her another load.

Kyle held his cock in Jean's rump long after he finished shooting his cum into her. The three rolled onto the side and cuddled Jean between the males. Fawks and Kaya went to the kitchen to make coffee. Forty minutes later the three emerged, a cum stained mess, with a trail of multiple mammal's semen following behind them. Fawks was glad that they missed their carpets as they walked. The five sat in satisfied silence and drank their coffee. Then Austin, Kyle, and Jean look advantage of Fawks and Kaya's extra large shower.

"We were thinking, why don't you join us? Instead of just be a couple we can be a threesome." Said Austin after Jean rinsed herself off for awhile.

"Yeah, we already go great together. Why not make it official?" Asked Kyle, smiling at his sister.

Jean looked at the pair, not being able to help think Kyle planned it like this. She laughed before nodding. "Yeah, we go well together. I think we should do it."

The three exited the shower in a contented silence. They sat on the couch cuddling while Kaya and Fawks took their turn. When the couple returned they found the trio fast asleep, leaning on each other. Deciding not to wake them, they changed their sheets and shut off the lights. Leaving them in bliss.
