Time wore on inside the double gloryhole cabin, Jean and Kyle took cock after cock in their cunts, both reaching their limit. Austin sat on the couch with Xeila, both enjoying the sounds of pleasure coming from the other side of the wall. After a particularly loud groan behind Jean the girlott shuddered and sprayed the wall with slick girlcum. After that last uncut cock no more lengths came through the hole. Jean stood up and stepped away from the gloryhole, thick spunk flowed out of her stretched pussy onto the floor. She stretched and awaited further orders. Xeila didn't say anything, shi just snapped hir fingers and pointed Austin over to Jean. The jackal knew what to do without a word being said.

Austin got up and sauntered over to Jean. Once he reached her Jean turned around and bent over, displaying her treasures to her boyfriend. Austin unzipped his pants and prepared to give Jean another cock for the night, but Xeila stopped him before he could pull out his length. Shi coughed loudly and Austin turned to look at his new mistress.

"With your mouth." Corrected Xeila.

Austin folded his ears, but obeyed. He zipped up his pants and knelt down in front of Jean, looking at her messy cunt. Austin leaned in and stuck his tongue out, hesitating. Jean saw her boyfriend's hesitation and leaned forward, resting her slit on Austin's tongue. Jean let out a moan as Austin cleaned her up, slurping cum from dozens of men out of her stretched hole. Jean clenched around Austin's muzzle as he finished up and sprayed his muzzle and chest with another load of girlcum before slumping to the floor, exhausted. Right as Austin was wiping his mouth Kyle moaned out loud and sprayed the wall with more girlcum. A loud moan emanated from behind the wall and Kyle got another load of cum. However, the otter was so exhausted that as soon as the cock was finished spurting he fell forward. They saw a rather large cut cock pull back through the hole.

Kyle laid on the floor and Austin heard Xeila snap hir fingers again, he looked to see hir pointing at Kyle. Austin crawled over to Kyle and lifted his rump easily. He put his muzzle to Kyle's dripping pussy and started licking. Kyle was so tired could only manage a few paltry moans before cumming around his boyfriend's tongue. Austin gulped down all the girlcum he could, swallowing load after load of jizz as well. After they were done Xeila got up and handed Austin hir pet's panties, and the jackal carefully pulled them back on his partners.

Austin picked up Jean and draped her over his back, she held against him, allowing for Austin to carry her without issue. Xeila did the same for Kyle, though the otter was so tired that he could only hold on. Once they exited the booth they found a crowd of men,

curious as to who had been taking all of their cum. When they saw the two tired otter girls they applauded. Xeila giggled and they all left the Sticky Pages Bookstore. The cool air outside was a welcome change to the overheated otters. As they walked towards the train Austin felt something wet on his back, and whatever it was was soaking him.

“Jean... are you peeing on me?” Gaspd Austin.

“I’m sorry... I couldn’t help it.” Blushed Jean.

Jean’s pussy sprayed against Austin’s back, the steady flow soaking his shirt, pants, and underwear. Jean sighed happily as her full bladder emptied, too tired to care what she was doing. Austin felt the warmth of his girlfriend’s urine on his back and felt his pants get tighter. Despite being inconvenient, Austin was still a sucker for watersports. Jean moaned dreamily, also getting turned on by pissing on Austin’s back.

“I gotta go too” Said Kyle in a muffled voice.

“If you pee on me you will be punished.” Replied Xeila, sternly.

With no other options, they turned into the nameless park and headed in. They quickly found a clearing and Kyle slipped off of Xeila’s back. He hurriedly walked over to a tree and squatted down, pulling his panties down to his knees. He shuddered as a stream of piss shot out of his pussy onto the tree. Kyle sighed happily as he felt his bladder empty.

Austin set Jean down and assessed the soaking of his clothes. The back of his shirt and pants were completely drenched as was his underwear. Austin stripped off his wet clothes and undies and hung them on a low branch to dry. Xeila and Jean sat down on the grass, relaxing. They heard a low moan from Kyle as he watered the tree, enjoying himself enough that he felt a bit aroused. When he finished up he pulled up his panties and went to sit down by Jean. It wasn’t long before they all noticed that Austin really had enjoyed Jean wetting him, as his nudity showed how turned on he was. Austin noticed them all looking at his throbbing canine cock and blushed.

“I can’t help it...” Shrugged Austin.

Austin sat down naked, waiting for his clothes to dry. Minutes passed and his erection still hadn’t gone down. Without a choice he started stroking his length. Tired as they were, the otter siblings and Xeila took in the show. After ten minutes of stroking himself Jean got up, As she walked over to Austin she stripped off her soaked panties and skirt and stood over the jackal. She kneeled down on her boyfriend and straddled his lap, letting his jackalhood rub against her slit. Xeila got up and hung Jean’s skirt and panties

on the same branch that Austin's clothes were on.

Austin gasped when he felt Jean's cunt against his length, and moaned out when she lowered herself on him, taking his entire cock in her pussy. She rested her legs on the grass so she could bounce on Austin's length. Having been so riled up from earlier, neither of them lasted very long before Austin gripped Jean as he filled her with slick jackal cum and Jean sprayed Austin's lap with girlcum. They panted as they came, and when they were drained Jean slipped off of Austin's lap, laying next to him on the grass as her slit dripped his cum onto the ground.

Xeila felt Kyle lean into hir, shi looked down at him and saw him fast asleep. Shi looked over at Jean and Austin, and saw the girlott had passed out too. Austin grinned at Xeila and they decided to let the otter siblings sleep. Once their clothes were dry Austin put on Jean's clothes and then dressed himself. They each picked up an otter and walked quietly out of the park. Xeila hailed a cab and they stowed the otters in the back seat with Austin while Xeila sat in front. Shi gave the cabbie hir address and they drove off. Kyle and Jean were in no state to go home on their own. Austin called the otter siblings' mom to tell her where her children were as they drove to Xeila's place. When they got there they tucked the otters into a bed and stuck Austin's clothes in a washer. Austin relaxed naked in bed and thought about how great a night they had had.
