

Green Lesbian Renamons Gone Wild

It was a dark and rainy weekend night at Miss Hockwater's university for girls, which is found in the city of Connervil, within the state of Suratchi, the east side of Green Nation. At the time, in one of the dorm building, a young, sexy renamon was in her dorm reading a Vixen magazine. Her name was Yumu Takinoma (20), and she was supposed to be studying tonight. But alas, she got bored in the middle of her studies, and decided to take a study break looking at lesbian porn. At the time, she wore nothing but a small white sweat shirt as she lay there on her belly on her bed, reading her magazine and slowly becoming wet from reading it. After a while, she couldn't hold back any longer, and reached down to touch her wet snatch, letting out a soft coo as she felt her moist pussy lips and clitoris. It felt so good to have her fingers tease her wet sex, running her index along the lips of her cunt. She soon let out a pleased moan as she began to jill off, sliding her tender fingers into her cunny and gently pumping into herself, her vaginal walls tightening around her finger as she fingered herself. Soon, simply fingering her pussy just wasn't enough, and thus she decided to reach for her eight inch vibrating dildo that she had close by at the time, and began to lick the head of it as she continued to please herself, getting it nice and wet before reaching back and shoving that big thing into her buttole (surprisingly without feeling much pain at all), sliding it in smoothly as far as it could go, and turning it on to maximise her pleasure. With a vibrating toy cock up her ass and her fingers working her vagina, she was in heaven.

Then, her roommate Reba Hochinmoni (20) came into the room.

"Yumu?" she asked, she herself only wearing a small nightie, "Are you having another study break without me?"

Yumu giggled at her question, and pulled her fingers out of her pussy to lick them. "Well, I didn't know you were coming back to our dorm so soon. Where have you been? You have been gone for a while."

"Oh, Well, I WAS just going to go pick up some new clothes at the mall this afternoon, but then I bumped into some old friends, and we started talking, and then we went to grab a bite to eat at the pizza place down town, then we went to see that new movie that turned out to be total crap, and after all that, I came home with no new clothes at all, and found you in bed masturbating. I must say, it was quite a day today."

"It sure sounds like it. Say, I was wondering," asked Yumu as she sat up on the bed, dildo still up her ass, "are you too tired to have a nice study break fuck?"

"Are you kidding? When was I ever tired for a good fuck before study?" replied Reba, sitting on the bed and giving her lesbian lover a kiss on the neck.

"Goodie! I was hoping you'd say that, because I am SO in the mood tonight." Yumu said with glee, kissing her lover back upon her soft lips and embracing her, her dildo still working her buttole at the time. Slowly, Yumu laid her lover onto her back, and got on top of her, beginning to kiss her neck in an erotic way.

“Ohhh, Yumu... Yes... Right there..” moaned Reba as Yumu did her thing, making the both of them hot and horny for each other. After having Yumu tenderly kiss her and make her hot and ready, Reba carefully rolled Yumu to the side and slipped off her nightie, revealing her nude form to her sweetie. “Ah yeah.. I feel so wet right now... I want you so bad, baby..” Reba said, as she deeply kissed Yumu before crawling on all fours to the middle of the bed, shortly bending over and spreading her ass for her lesbian lover. “Come on and lick my hole, Yumu. Lick me out good.”

“Tee-hee! With pleasure.” Yumu giggled, and gladly leaned in, grasping her partner’s buttcheeks nice and tight, and then stuck her slender tongue down her girlfriend’s butthole, fucking her passionately with her tongue. Reba moaned in delight as her lover tongued her ass, sending waves of naughty pleasure throughout her slutty body. She couldn’t help but finger her tight cunt while Yumu ate her out. Yumu herself enjoyed her babe’s ass, fingering herself as well while tongue fucking Reba, while the dildo in her ass added even more pleasure to herself. After a while, though, Yumu stopped, pulling out and taking a breath.

“W-why did you stop, Yumu?” asked Reba, a little confused. Of course, after glancing over her shoulder, she found out what Yumu was up to. She was reaching under the bed at the time, trying to find something. Once Yumu felt what she was looking for, Reba saw her take a large box from under the bed and opened it, taking out an orange, twelve inch double ended dildo from the box.

“You ready for some real, REAL fun, Reba?” Yumu asked as she pulled the vibrating dildo in her butt out, and tossed it aside while licking at the head of her double dildo. Reba nodded in agreement, and spread her butt a bit wider for her half of the toy. Yumu was more than eager to gently shove the entire half of that big toy dick into her partner’s butt, causing Reba to groan from feeling such a huge wang up her ass. It hurt at first, but soon the pain faded, and was replaced with a feeling of naughtiness. After it was put into place, Yumu got on all fours herself, turned around, and backed up slowly, reaching back and holding her half of the dildo still so she could slide it into her rump easily. After carefully sliding her half up her ass and letting out a soft moan of bliss, the two finally began to bump butts, thrusting their halves of their dildo in and out of their tailholes in sync, bringing them wonderful anal pleasure.

“Oh, Ancients... Oh Ancients, YES!” groaned Reba during their sexual anal activity, rubbing her pussy with a free paw as she continued to fuck her butt with her half of the dildo. Yumu began to do the same to herself as well, adding to her pleasure and making things messier by fingering her snatch, her pussy dribbling her juices on the bed’s clean blanket and soon making a small puddle. Their bodies soon began to feel hotter, the pleasure getting stronger. Their fur soon became coated in a small layer of sweat from their “work out”, and their panting became a little heavier. Suddenly, Yumu orgasmed, and her cunt began to squirt out her girlcum, some of it hitting her partner’s cunny, which caused her to gasp in surprise. Yet, one small orgasm wasn’t enough for Yumu, of course, and she kept on fingering herself and thrusting that toy up her ass harder and faster. Thanks to Yumu, Reba became ever more aroused, and sped up the pace to match that of her sex partner, working herself up for a nice, large orgasm. Harder and faster Reba pumped, matching her fingering to the pace of their butt banging. Moans and groans of ecstasy and bliss filled the air. And then, after all their sweaty work, they experienced together at the same time the most WONDERFUL, DELIGHTFUL, and BIGGEST orgasm they both had all week. It

was big, and really messy, both their pussies squirting their juices at each other's pussies and soaking the bed sheet they were on. After their great orgasm, they both plopped over to the side, tired and dirty. After Reba regained her breath, she pulled out and sat up on the bed, shortly helping Yumu out by pulling out her half of the dildo and setting it aside. Then, she lovingly leaned in and gave Yumu a big hug, kissing her on the cheek. "Oh Yumu... I love you so much."

"And... And I love you, Reba..." Yumu replied with a tired yawn, almost falling asleep right there. The two then began to cuddle the rest of the night away, blowing off their studies for now. It's not like it was due tomorrow, so no biggie.
