

Tail of the Drunkbark Acorn Pt. 2

Ratatoskr's eyes blazed with hunger at Danzaburou's now obscured bulge. He had only seen it briefly before the tanuki cheekily hid the prize away from him. The smirk when Danza did so was all the evidence he needed to know that the tanuki did this whole thing on purpose.

Alas, the squirrel god couldn't care less. The way the tanuki's smooth tongue joked and quipped about his trickery truly was intoxicating...

"Heheh~ Ratatoskr-risu, are you getting drunk from the mere smell of my sake or is something peeking your interest?" Danza side-eyed and smirked at the Norse god, earning an annoyed blush out of him.

"Hmph. The sake obviously..." He turned away in slight defiance but couldn't stop his eyes from stealing another glance at tanuki's bulge.

Danzaburou wasn't surprised in the least. When any creature saw his real package they became enamored with it. If he had to equate it to anything, the sight had to be as intoxicating as his sake alone. "Heh~ If you say so. I'm almost done..."

The tanuki turned back to a bubbling pot and took a deep breath. The sweet smell of sake wafted through his nose. Realistically, he was only partly teasing the Norse god. His sake really was so potent that the weak-willed begin to feel drunk just from the smell alone. He pulled out a pair of chopsticks and began stirring one last time. He gave the pot another sniff before turning back to Ratatoskr. "Ahh~ Finished! Danzaburou's immaculate sake is ready to be tasted! All it's missing is one last thing..."

Ratatoskr acted confused. "That being?"

"Your nuts risu..."

The squirrel god badly covered his crotch. "Whoa! Nuh uh! Hands off my nuts Danza. You're gonna have to earn them."

Danza gave him a deadpanned look. "I mean your acorns..."

"Are you sure~?" He gave the tanuki a lewd smirk.

Danza could only blush in response. “B-Baka...”

Rat didn’t know what it meant but he did find it charming. He reached into his pack and pulled out a few acorns. “Here ya go Danza! Three nice... big... round nuts! All for you~...”

The tanuki shook his head and blushed harder. “Urusai...” He took the acorns and began dipping them into the alcohol. One by one, each of the acorns began glowing as the fluid mixed with the magic of Yggdrasil.

Both of the gods felt their noses burn and their mouths water from the enticing smell. Ratatoskr padded closer to the smell and took a deep breath.

“F-Fuck~ That’s potent...”

“Hehe~ I know... Want a taste?”

Rat gave him a seductive smirk. “I’ve eaten many nuts before. Maybe you should go first Danza.”

“What!? Danzaburou always makes the best sake and its tradition that someone else tastes it first! You go first Ratatoskr.”

The two gave each other defiant looks before bursting into laughter.

“Ehehehehe~! Amazing Ratatoskr! We really are kindred spirits!”

“Hahahaha~! I’ll say! How about we do a bit of both then?”

Danza raised an eyebrow. “Are you asking for us to share?”

The Norse god gave him a coy smile while blushing. “Maaaybe...”

Danza chuckled and pulled out one of the acorns. “Well~ So long as you’re not scared, I will be okay.”

Rat snatched acorn out of his hand. “I’m Ratatoskr! The relentless and fearless!”

“Heh. Let’s see if you’re true to your word “Messenger”~...”

“Hmph~ Let’s see if you’re as “Legendary” as you say~!”

Two smiled at each other before holding the acorn between them. They brought their mouths closer until each of them touched the acorn.

Immediately, Rat feverishly began lapping up the intoxicating taste. The magical fluid dribbled into his throat and slightly burned his nose at the potency. Danza couldn't stop his hands from trying to grip the nut. The taste of his own sake combined with the mysterious magic of the acorn excited him to the highest degree. His tail began wagging as he felt his focus shift.

In a mere few seconds, both of the gods would look dizzy and sluggish. The air felt hot and intoxicating. Ratatoskr would find his half-lidded eyes widen in shock as his lips would leave the acorn and find themselves in the mouth of the tanuki.

“MMmph~!”

Danzaburou was happy when the squirrel god reciprocated his lustful move, kissing the tanuki just as passionately as he did. The acorn would loosen from both of their grips as the two continued their make-out session.

Danza would yelp in slight surprise as Rat came back with his own surprise. The tanuki felt unable to hold his own weight. A crash could be heard in the distance as the squirrel god climbed on top of him.

“Ehehe~ Eager risu?”

The squirrel's drunken eyes widened in a playful shock. “Eager? Nah~ I'm -hic- FAMISHED!”

The tanuki chuckled as he felt Ratatoskr fully disrobe him. “Hehehe~ -hic- Well, now you can see the **whole** thing...”

Rat's eyes lit up at the sight. The tanuki's glorious balls were now revealed in their full glory. “Mmmh~ big nuts...”

Danza moaned as he felt the squirrel god's smooth tongue slide over his orbs. A warmth flooded through him, causing his cock to peak from its sheath.

Rat would catch the peeking rod out of the corner of his eye and bring his hand to it. He began smiling as the mere touch of the tanuki's rod produced a wail of moans behind him.

“Argh~ Heh. Playing a bit -hic- dirty Rat? Well, Danzaburou can -hic- do the same!”

Rat's licking and kissing had to be briefly stopped by feeling something wet and warm coat his tailhole. He couldn't stop a moan from escaping his own mouth. He would hear a laugh from behind him as he badly tried to stifle the rest of it.

“Bahaha~! Danzaburou has found his partner’s weakness eh!? You weren’t kidding when you said to try your ass! This even -hic- rivals Sansaburo!”

The squirrel god looked back with a drunk blush. “Heh~ Obviously! Didn’t I tell ya!? My ass is the best -hic- ass in the world!”

Danza smiled and chuckled at the sight. “Ehehe~ Well, if you don’t -hic- mind, I would like to give you a godly service.”

“Oh~? Gonna worship me Danza?”

“Ehehe~ Only if you worship this tanuki as well.”

Rat smiled. “Looks like someone’s -hic- doubting my abilities.”

Danza rivaled him with a smirk. “Wanna make a bet?”

There was a slight pause before both of them went to work pleasing each other. Ratatoskr went back to feverishly licking and kissing the tanuki’s balls and stroking his cock. Danzaburou would continue lick and prod at the squirrel’s ass and balls. The two would continue until pre leaked from both of their cocks.

A moan would escape Rat as he felt his own pre be lapped up.

“Heh, what’s the matter Rat~? Never had someone -hic- give your cock love too?”

Rat gave him a flimsy annoyed face. “I-I have! It’s just... Not something everyone pays attention too -hic-...”

Danza would begin to sit up and grab the squirrel’s haunches.

“H-Hey!”

“Eheh~ Do you trust me risu?”

The squirrel god gave him a skeptical look but didn’t fight the tanuki turning him around to face him. Almost immediately, the two’s alcoholic breath would fill the air even more.

“Is it hot in here or is that just me?”

Rat breathed in deeply, bathing himself in the intoxicating heat. “I think it may have something to do -hic- with your nuts.”

“What!? Danzaburou’s nuts are -hic- nice and big and warm. They can’t possibly -hic- be too hot...”

The squirrel gave him a smirk. “Hmm... I guess I’ll need to be the -hic- judge of that~...”

Ratatoskr hungrily looked behind him at his prize before turning back to the tanuki. A wide smile filled both of their faces as he positioned his tailhole above the rod. He let out one more deep breath before lowering himself onto the cock.

Both of the gods let out a loud moan as Danza’s cock spread open Rat’s tight ass. The sheer size caused the squirrel to gasp as he took the tanuki to his hilt. “Hnngh~ T-That’s bigger than I was expecting...”

Danza gave him a wry smile. “And you’re tighter t-than I was expecting... You up to the challenge?”

Rat narrowed his eyes. “What m-makes you -hic- think I wasn’t?”

The squirrel god didn’t give Danza time to respond. He instead focused on getting the tanuki’s rod deeper into him. Another pleasurable thrust took him down to the hilt again, causing them both to moan loudly again.

The warm feeling around Danza’s cock enticed him to grab the squirrel’s hips. He felt Rat’s hips tense then relax. He gave the squirrel another wry smile before beginning to thrust into him rhythmically.

Rat couldn’t stop his tongue from lolling at the feeling of the tanuki hitting his pleasure spot. “Mmmh~ Hel yeah...”

The tanuki smiled at his partner’s enjoyment before letting out another moan and speeding up his thrusts. “Gah~ I-I’m close~...”

“F-FUCK! Finish in me big boy~! Empty those nuts!”

Danza wordlessly obeyed letting out a slight growl as his load spilled into the squirrel. “Grrr~ -hic- Hah!”

Rat felt his eyes roll to the back of his head in his euphoria. Feeling of the tanuki’s vicious cum flowing into him brought him close to his own orgasm. “Ooh~ Mmmph~ -hic- Haahh...”

Danza panted hard, breathing in the intoxicating fumes. He twitched one last time as he emptied his load into the squirrel god. He gave Rat another smirk before pulling him into a kiss.

“Mmmph~”, Rat moaned through the kiss and flicked his tail happiness. He would quietly yelp in surprise as he felt a hand worm itself around his own cock.

Danza couldn't help but chuckle internally as Rat's eyes slowly opened in surprise. The tanuki stopped the make out session to explain. "Hehe~ I know you haven't -hic- orgasmed risu~..."

Rat blushed heavily before sluggishly sticking his nose up. "Hmph~! I don't need to! -hic- The Mighty Ratatoskr cums when he pleases!"

The squirrel god's façade quickly faded into whimpers and moans as Danza kept pumping his rod.

"Hnngh~ F-Fuck..." He flexed and shivered even more.

"What's wrong Rat? First time?" Danza's smile kept growing wider as he sped up his strokes.

"N-No... I-It's just-", Ratatoskr didn't get to finish his excuse before his body gave out on him. The tanuki's soft, warm paws sent him over the edge. He thrust deep into Danza's paw as his cum splattered all over the tanuki's chest and face.

Danza merely chuckled at the sight. If the squirrel god hadn't tried to refute him, he would have thought this was Rat's first orgasm. "Omoshiroi~..."

Rat's orgasm would be shorter than Danza's but still produced more cum than what the tanuki was used to. Rat felt a tad regretful at the mess he made on his partner. "Hahh~ S-Sorry Danza... Like I said, it's -hic- been a while since I let anyone do that to me..."

The tanuki's smile remained. "Daijoubu~ Danzaburou is always happy to clean up his partner's mess." He looked at his cum covered hand before licking it. "Mmmh~ Sake and cum. No better combination~..."

Rat blushed hard. "Does my cum really taste that good?"

Danza only smirked before pulling the squirrel god into another kiss. Once again, the taste of sake flooded their senses. The only difference was the glorious taste of Rat's cum swapping from one mouth to the other.

The two blushed and moaned as they kept up their passionate kissing until the alcohol put them to sleep...

An hour later...

Sansaburo crept into his lord's shrine. He heard a loud crash coming from his lord's brewery and wanted to make sure his precious leader was okay... Yeah right... That was hardly the reason.

The tanuki shook his head and blushed. "Gods damnit Sansaburo... Why must you lust over Danzaburou-sama so much!?" It didn't help that the legendary tanuki allowed him to feed his fantasies with him. So many times where he got to feel the glorious Danzaburou-sama's cock inside of him and worship those amazing balls every tanuki wished they had...

His stupor caused him to stumble over a stray rock, one he promptly kicked away. As he approached his lord's bedroom, he began to hear the sound of his lord snoring loudly. However, this wasn't coming from the bedroom...

Sansaburo perked up his ears and padded quickly to Danzaburou-sama's brewery. He gasped at the sight he saw.

Lying on the floor was his precious Danzaburou-sama along with another animal who radiated the energy of a god. "R-Ratatoskr..."

The mere sound of the name stirred the squirrel god, but he still seemed to remain asleep.

"R-Ratatoskr-sama is sleeping with D-Danzaburou-sama..." Sansaburo's face turned from shocked to warmth. "Hehe~ Danzaburou-sama finally listened to his mujina..."

Sansaburo beefed himself with his magic and carried the couple back to Danzaburou-sama's bedroom before cleaning up the mess in the brewery.

He didn't get to be the bottom for The Legendary Tanuki tonight, but it still brought him solace that the tanuki god finally found a partner...
