

Idiotic Idolism

Zing always looked like a dork when he slept. The bigger kantonian rattata began every night sleeping all cuddled up to Kael but always ended up on his back, with his genitals splayed out unapologetically. He ended up taking up a lot of the nesting space and would also snore somewhat loudly too.

Thankfully, all of those factors was yet another thing Kael loved about his partner. Whenever the yellow rattata fell asleep like this, Kael would always take full advantage of the moment.

The smaller shiny alolan rattata softly pried himself from his mate's sleeping grip and began looming over him. His eyes lit up as he witnessed pure perfection.

Tonight was a particularly special night. Zing was snoring as usual but with a lovely surprise. His large cock peaked slightly out of his large sheath. His occasional twitch and slight frown told Kael all that he needed.

"Dawn~ My poor Z is having a hot dream~." The smaller rattata smiled as he kept whispering. *"Now's my chance to help him yet again..."*

He padded over to the front of his mate and pressed his muzzle against Zing's large orbs. Almost immediately, Kael's nose was flooded with the larger rodent's scent. *"Mmmh~ I'm always glad we save showers for the morning... Makes this even better..."*

He opened his mouth-watering maw and gave his mate's pinkish balls one big lick. The sweet taste made Kael's heart flutter in satisfaction as he began working on coating his mate's balls.

Slowly but surely, Zing's frowning face turned into a smile. His annoyed snoring quieted into cute sighs. Kael would stop once he saw that

and began smiling wider. *“Oh my precious Z~ Let me make your dreams even greater...”*

The smaller rattata would heave himself onto his sleeping mate's stomach. He positioned his already erect cock near a slightly open part of his mate's sheath. *“Mmmh~ I know you would never ask anyone else to scratch this itch you have Hun~... And certainly not when you're awake...”*

“Mmmph~ Fuuck~...” Kael badly muffled his moan as he prodded his tip against the sheath's entrance. He shivered as his cock slowly became engulfed in the warmth of Zing's sheath. Once he felt the sensations settle, he looked towards his mate again.

Zing was still fast asleep, as normal. However, something magical appeared on the larger rodent's face... a smile.

Kael smiled back at the face. *“Yeah~ Just as I thought. A big boy like you needs something like this...”* He raised his haunches before sliding in and out of the hole in a rhythm.

All throughout the cave the two shared, the serene quietness of the night was occasionally broken with lustful grunts of pleasure.

Kael buried himself in his sleeping mate's chest as more warmth pulsed through him. He breathed heavily as he felt Zing's sheath tighten from his thrusts.

*“***PLAP*** Huff~ F-Fuck~! ***PLAP* *PLAP*** I-I can feel you getting harder babe~... S-So hot~... ***PLAP* *PLAP* *PLAP***”*

The shiny rattata closed his eyes and let out a quiet moan as the warmth peaked for him. He clenched and shivered as he emptied his load into Zing's sheath. He humped again... And again... And again...

Each thrust pouring more of his load into his mate's sheath. His tongue lolled out of his mouth as he made sure his penis was as deep as he could get.

“Eeeh~... I forgot how cute you look when you got a hole to fuck Key...”

Kael’s eyes opened in fear as his face of pleasure turned to a shock frown. “Whu-... H-Huh!?”

The two rodent’s eyes would meet. Kael stared at his partner’s tired yet lustful smile with his shocked face.

“U-Uhm... G-Good evening Z~... Y-You’re up early... Hehe~...”
He blushed with a nervous smile.

Zing smiled a bit wider. “Yeah? Well~ I was busy having a pretty mediocre dream involving that one itchy spot I have...”

“Oh? That one?”

“Mmhmm~ That one... Thankfully when it began to feel super itchy, I felt something warm press against it...” Zing leaned closer to his mate and whispered “*Something warm and wet...*”

Kael’s face grew redder. “I-I I’m sorry Z! I-I was doing this w-without you knowing!” He looked down in shame as he began slowly sliding his member out of Zing. “I-I know you don’t bottom and you’re likely not into this... I-It won’t happen again Hun...”

Right as the tip of the shiny rattata’s penis began to slip from his mate’s glorious cum-filled sheath, he felt warm hands firmly grasp his hips. Kael looked up in slight surprise as his mate kept up his smile.

“That’s a lot of words I don’t remember saying Key~... You know I’m only good at simple sentences. Me doesn’t fully know what “kink” is. I just love you... And...”

The alolan rattata yelped and moaned. As he felt his still erect cock be shoved back into his love’s warmth. “Oooh~ Haahh~ Z-Z~...”

The kantonian rattata touched his muzzle to his mate. “I love making you enjoy our sex~...” He pushed back on the smaller rodent’s hips, letting him slide back for another thrust.

Kael wordlessly accepted, plunging his cock deep into his mate with a look of pure pleasure. “F-Fuuuck~...”

Zing smiled and shifted slightly, letting more of himself be available to Kael. “Ehehe~ Go on my Love~. Have your fun with my sheathe.”

Kael’s eyes lit up as he buried himself deep into the bigger rattata’s chest. He feverishly pumped his cock as deep as Zing’s sheath could give. His tongue lolled out of his mouth as the cum-filled sheath grew even warmer again.

Zing’s tongue lolled out of his mouth as he braced himself for his mate’s next orgasm. The itch in his sheath had long since stopped. It was instead replaced with pure bliss and pleasure. His boyfriend’s cum felt arousing and warm inside his skin. Constantly feeling the smaller rattata’s warm cock caress his own only made him hornier. He was trying his best, but his erection ached to breach his sheath. “Mmmh~ U-Uuuh... Key, things might get tight for you... M-My- ”

“T-THAT’S FINE!!!” Kael looked up at his mate with feral, lust-filled eyes. A smile of pure pleasure filled his face as he felt Zing’s sheath become the tightest hole it could ever be. His breeding instincts kicked in... “Hnnn~! FFFfuuuCKK~!!!” He closed his eyes and hilted himself one final time. He bucked as hard as he could, moaning as his cock pulsed the remaining spurts of cum into the bigger rodent’s sheath.

Zing smiled as he witnessed his mate flop onto his chest. “Hehe~... Enjoyed yourself Key?”

“Haah~ Hah~ I-I. T-That... Ohmyfukingarceuslhnngh~... mmmph... Ziiinnng...” The alolan rattata’s eyes slowly began to close as his empty mind hummed him to sleep.

Zing chuckled as he began hearing his mate snore loudly. Kael always did look like an idiot when he slept. An idiot whom the bigger rattata idolized and loved so much. “Ehehe~... When you wake up in the morning Key, I would love to scratch your own itch...”
