

There he is, relaxing on the bench at Soothern Town's park.

Rammy sighs, the fox's hands behind his head, gazing at the sunny sky with a smile. Sweats drip down his cheeks, the birds chirping.

Slurp!

Some pedestrians pass by: Either eyeing the fox with admiration or looking away blushing. Rammy doesn't care, continuing viewing the sky while waving his legs back and forth. "What a beautiful day we're having, huh Noah?"

SLURPS! SCHLOPS!

Noah's balls deep into sucking the Zoroark's cock, moaning loudly. The Braixen fondles his orbs, sweats dripping on his hands with ease. Rammy groans: The two wearing nothing but black stockings on their arms and legs.

"Mm, ah: Too busy focusing on my dick, I see." Rammy penetrates the fennec's wet, soaking folds: Twirling his fingers around the slick walls. "Can't blame you."

Noah mewls, his eyes closing in pure bliss, his face nudging and smacking the throbbing knot. Eventually, he pulls away and pants, saliva trailing from his tongue to the Zoroark's tip. "A-Ah..."

Rammy snorts. "Slow down, hun."

Noah whines. "M-My apologies. I..." The fennec can't help but to kiss the tip, grinding his chest against it. "I can't get enough of your dick, Rammy. It's so fucking good!"

One woman gasps at the two, walking away immediately while covering her crotch. The Zoroark smirks. "Once again: Can't blame you." He eyes his throbbing wood, licking his lips. "Man, I'm considering sucking on this fat cock right now, honestly." His dick emanates an intoxicating and musky aroma, having a strong yet enticing smell to it.

Noah blushes, poking his fingers together. "Um, you can do that while I eat you out."

"Huh." Rammy pats the Braixen's head, purring. "This is why you're amazing: Coming up with brilliant ideas like that."

Noah purrs back. "I-I do as I pleased, knowing my prostitution days."

Rammy then spreads his legs out, exposing his puffy hole while licking the tip of his wood. Noah gets on his knees, sniffing the inviting fox hole before licking. The two moan, Noah swirling his tongue around before kissing and licking the hole, fingering his pussy. The Zoroark slips his cock inside of his mouth, giving himself a blowjob while thrusting, curling his toes.

“Mmmf!”

Noah tongue fucks the fox, swirling around the soft and warm anus. He jabs his folds, juices spilling out.

“Mmmf.”

The Braixen pulls back momentarily. “Gosh, your ass tastes great...” He keeps kissing the hole, groping the side of Rammy’s asscheeks. Rammy moans, pressing his hips forward in glee, his back against the bench’s edge. Noah wiggles his behind, his tail wagging.

Rammy’s cock twitches, his climax nearing. He eyes some randos walking by, one of them lifting their thumbs. He waves, giggling. *What nice and lovely people we have today, mmm.*

The Zoroark thrusts a couple of times before dumping loads upon loads of seeds, gulping them down while mewling. He pulls back, his cum guzzling all over himself and Noah’s head like a water fountain.

“Aaah, fuck~!”

Noah takes the dick inside of his mouth, drinking as much of the batters as possible. Rammy purrs, petting the fox’s head. “You *really* know how to get my rocks off by being more turned-on than me.”

The fennec blushes intensely, eyeing the fox up. He then pulls away: Saliva trailing, Rammy’s sweet seeds dripping. He jumps on top of the fox, pinning him.

“OH!” Rammy yaps, his face growing red, a smile spreading across.

“*Need.*” Is all Noah says before bringing the fox into a deep, heated kiss: His pussy nudging his rod, grinding. The Braixen then slams onto Rammy’s cock, moaning loudly as his pussy grips around it. Noah pinches Rammy’s nip, the Zoroark growling in delight.

“Mmf!” Rammy pulls from the kiss, panting. “You’re *really* needy right now!” The Zoroark strokes the Braixen’s head, his tongue hanging loose. “Fuck, you know me so well, hun! God, yes!”

“Aaaaah!” Noah keeps slamming and riding: The Zoroark’s knot smooching his entry, the Braixen’s feet gripping his balls. Noah gazes at his stomach, bulging over and over. *Shit, I can see the bulge! S-So huge and, mmm, good!*

Watchers behind Noah start wooing, some of them jerking each other off or downright making out. Noah looks: A Lopunny kissing a human, a bear screwing a platypus’ ass—and so much *more.*

He gasps. "O-Oh gosh. It looks like we've caused a scene at this park." Noah's ass gets groped. "Eek!"

"No—" Rammy smirks at Noah, his eyes glinting. "**Kidding!**"

Noah's face grows red, his lips quivering. *Oh god: I've really turned him on now!*

Rammy thrusts rapidly, his balls slapping the Braixen's ass and ramming his feet nonstop. "Grr, damn you feel great." He growls, the Braixen mewling.

Noah clenches Rammy's shoulders, his tongue hanging loose. "A-Aaah!"

Rammy's cock twitches. "Oh god, I'm close!" He thrusts a couple more times with his extraneous roughness until his knot slips through, dumping massive seeds throughout Noah.

The two moan, their feminine voices echoing throughout the park. Rammy keeps thrusting, the watchers pumping their fists in the air. Many cum spill out of the pussy as the knot slips in and out: Coating the Braixen's ass, showering the bench.

Noah clings to him, his feet being a mess, rubbing his balls like no tomorrow. "A-Aaah, you horny hunk!" he states, his tail wagging like crazy. Rammy pounds with oblivion, growling. Noah leans forward to kiss and lick Rammy's nip, pinching the other. The Zoroark grits his teeth, smacking the Braixen's behind. Noah yaps. "OH!"

Rammy curls his toes, uttering loud moans. "So. Damn. Needy! AAAH!"

"NYAH!"

Noah tugs Rammy's balls, shuddering. The Zoroark's balls shiver, the fox patting the Braixen's head while closing his eyes in pure bliss, saliva trailing around his nip. He shoots precum inside of him, his knot ramming inside of Noah before plopping back out.

"Oh dear." "God, that's so hot." "**WOOO!!! YOU GO, SLUTS!**"

The crowd is wild: Many foxes, humans, and various species fingering themselves, jerking off to their heart's content! Rammy opens his eyes, snorting at the lively display.

"That's a lot of beautiful people watching us fuck our brains out, mmm." Rammy grins.

"A-Ah!" Noah blushes, burying his face into Rammy's chest. "R-Reminds me of my, ahh, prostitution days! But never with, mm, this many crowds watching us!"

"Mmf, I see." Rammy's cock twitches, ramming and slamming inside of Noah, previous seeds spilling out.

Noah gasps, his womb being hammered by Rammy's tip, mewling. "O-Oh god! You feel so fucking great, Rammy!" He spews his pussy juices all over the fox's dick, his tongue hanging loose in pure bliss.

"Oh my goodness, same here Noah!" The Zoroark unleashes another load inside of Noah upon the knot entry, doing a poor job at keeping them in, coating the benches and the two quickly. Rammy moans, gripping Noah's ass while arching his back. "Fuck yes, mmmm!!!"

"EEK!" Noah strokes Rammy's shoulders, the crowd behind him going wild and rooting the two sluts on. His tail wags, his feet wiggling beneath the cum rains. Rammy caresses Noah's asscheeks, his eyes rolling up, his tongue drooling.

"A-Aah..." The Zoroark eyes the Braixen, grinning. "Want your ass filled next?"

"No." Noah tugs Rammy's chest, gazing into his turquoise eyes. "I want you to keep fucking my pussy. *Please*." He pulls the fox forward: His back on the bench, having Rammy on top of him. "I want you to fuck the shit out of me, Rammy."

Rammy purrs, his cock wiggling inside of the fennec. "With pleasure." Clinging on the bench's edge, the fox lifts his hips and slams, thrusting menacingly. The two exchange moans, the fox's large ass quaking and shaking. The crowd roars, some waving their shirts around in enthusiasm.

Rammy sighs, his tip keeps hammering the already filled womb. "Sex makes me feel very alive. I love it!"

Noah giggles, his flexible legs pinning his feet against the Zoroark's face. "I couldn't agree more, Rammy." Mewling, the Braixen strokes the bench. "You've gotten me so, mmm, addicted to this thanks to our first time fucking." He moans loudly, his stomach bulging over and over. "Even Billy feels the same way, aah!!!"

"Mm." Rammy rams and slams, several precums spewing throughout Noah as his asscheeks clap. "Oh I'm aware: He can't last a day without having to shove my head between his moobs. Ngnn..."

"Hehe." Noah's feet grope Rammy's face, the Zoroark nuzzling and licking them. The Braixen gasps, mewling and shuffling. "I love you, Rammy!"

The Zoroark growls, his ass quaking. "I love you too, Noah." The fox snickers, shoving his cock deeply inside of the fennec. He unleashes many seeds throughout his pussy again, further coating the bench in their messes. "God, that release always feels goooooood!"

Noah moans loudly, squirting his juices all over the needy rod. "A-Agreed, ah!" He bites his lower lip, squirming. The crowd woos as Rammy's seeds now litter the grass in front of the bench, mixing with Noah's juices.

"Man, we've put on such a lovely show for the horndogs, huh?" Rammy says. He then gasps: A blue fox smooching his puffy anus, rimming between his fat cheeks. The Zoroark eyes them, the individual jerking themselves off while they eat him out. "Oh my."

A large shadow hovers over Rammy and Noah, the two eyeing a red fox lady: Muscular, hardly wearing any clothes as her big canine shaft nudges Rammy's face. The tall, busty woman grins, the Zoroark grinning back. He wiggles his ass. "Oh my dearie: We really have a show going on here." Rammy licks his lips. "They might as well join the fun, hmm?"

Noah blushes immensely, nodding. "Y-Yep!" The Braixen nearly drools at the massive shaft. "I-I've been through gangbangs many times in the past. This isn't new to me."

"Good," the fox lady says in a deep, masculine tone—one usually associated with a man. "Because I don't intend on going soft after seeing that arousing show you pulled off."

"Mmf!" the blue fox simply states, too busy kissing and licking Rammy's ass.

Rammy murs. "Good to know, mmm."

And with that, the four proceed the sexual advances as the crowd roots on: The blue fox making out with Rammy's ass, Rammy slurping over the red fox's cock, and all while Noah gets his pussy further hammered. Everyone moans, the Braixen curling his toes while letting his tongue hang loose, previous seeds spewing out of him.

"A-Aah!" The Braixen mewls, orgasmic expressions spreading. "I'll *a/ways* love my sex life as long as I'm with you, Rammy!" he shouts, his pussy clenching around the cum-coated dick. So. *Damn. Heavenly.*
