

The sun basked upon the beach filled with all sorts of Pokemon, ranging from various shapes and anatomies alike. Resting on his belly lied the Zoroark Rammy, lacking the blue orb tying his hair as he exposed his fatbuns for anyone to admire. He only wore a bikini underwear, resting beneath the umbrella shielding him from the raging sun. He sighed and smiled, nuzzling the beach towel while wearing shades.

"Whew, I love that gorgeous view I'm seeing right now~" a flirtatious male voice stated.

"Mhm, the hotel looks pretty great from here," Rammy responded, wiggling his wobbly booty.

"Oho, I'm not talking about the hotel, sweetheart."

"Hmm?" The fox took off his shades, turning around at a lone orange otter swaying his hips: The biped Floatzel eyeing the Zoroark with lustful intrigue.

"Hello there, you stud," the Floatzel replied. "Couldn't help but notice your...assets." Grinned. "Packin' a bunch of buns left and right in them, ain't ya?"

The fox can't help but to snort. "How flattering. I get those comments a lot here and there, but thanks for telling me, hun." He winked. "I'm thicc to the bone~"

The nude Floatzel cooed, turning around to showcase his bouncy booty, letting those folds clap one another. "That makes *two* of us, doll."

Rammy blushed, fully turning around while showing off his raging bulge. "Hot." Is all he simply said. He folded his legs. "What's your name, beautiful?"

The weasel snapped his fingers, smirking. "Jetfin. How about you?"

"Rammy." The fox gave the otter lustful gazes, smirking back. "Quite the horny way to introduce each other, eh?" He giggled behind his claw. "You took a risk hitting me up out of the blue, no lie."

Jetfin shrugged. "Perhaps it's difficult to *not* hit on someone who has the most ineffective bikini in the world, no?" He waved at himself. "Besides, this is a nude beach, after all. Hitting on strangers is pretty common here."

Rammy tapped on his orb. "Hah, fair point: I totally forgot about that fact." Purred. "Makes it real easy for us to mingle in a more...*sophisticated* manner, don't you think?"

"Oh believe me: I'm on the same page as you." Jetfin waltzed over to the fox, climbing on top of him before caressing his chest. Rammy eyed him up, smirking and purring.

"So what, we're gonna do this here?"

"Hmm...Perhaps." His lips were licked. "Well, I have something else in mind. But let's start with..." he trailed, gazing at the fox's round cake. "Eating each other out, hmm~?"

"Oh my. That's a rather kinky start, hehe." Rammy caressed the Floatzel's buns. "Sure. Eating another man out in public sounds fire to me."

"Aquatic, you mean?"

Rammy snorted. "I suppose."

Jetfin snickered along. "Not the best pun I could think of, but it'll do." He pressed Rammy on his back. "But enough chitchatting: Let's get to eating~" He did a little gesture, wanting Rammy to flip over. The fox smirked, wasting little time turning around to show off his huge booty. Jetfin tugged the bikini strings aside, leaning down and giving the fox a nice ol' rimming.

Rammy groaned, his face growing red with enthusiasm. "Ah yes...Just like that, beautiful."

The Floatzel slid his tongue around the fox's puffy hole, rubbing and fondling his behind. Jetfin wiggled his own voluptuous ass along the way, a few passerby blushing and gasping at the scenario. The weasel kissed all over Rammy's buns—practically making out with it.

"Mmf."

Jetfin cooed, slurping over the hole. Rammy shuddered, his dick erecting, oozing pre-seeds onto his towel.

"Ah. Mmm, fuck yes...~"

Jetfin swayed his fat booty once more, one of the folks there casting a boner at the sight. The Floatzel tapped Rammy's soft, big booty: His tail swishing, a purr escaping him. "Mmf."

"Oh goodness, mm." Rammy giggled, his cock twitching. "At this rate, I'm going to let loose, hun." And let loose he did: Rammy moaned in a feminine manner while sprouting loads of cum across the towel, seeds expanding themselves rapidly—coating even the sands!

"Aaah, fuck yes~!"

Jetfin giggled at the messy pool below the Zoroark, amazement sprinkling him. (Now that's a fine mess, alright!) The weasel pulled back, rubbing up the fox's ass before giving it a nice smack, causing him to moan again. "Didn't I mention that you have a mighty fine ass there~?"

The Zoroark groaned, his behind quaking. "I *think* you have, beautiful. And I'm well aware." Grinned. "Thanks once more~" The fox giggled, turning around and laying on his cum drenched towel, crossing his legs. "Isn't it your turn to have your ass eaten out?"

Jetfin grinned, wiggling his buns. "You're sure right, sweet cheeks." He climbed on top of Rammy, his snout close to the Zoroark's. He licked the fox's lips before turning around, ramming his fat cheeks onto his face. The duo moaned: Jetfin wobbling and wiggling his behind while Rammy nuzzled between them, groping Jetfin's ass.

The feminine fox then slid his tongue right into the weasel's hole, the Floatzel shivering—*moaning* with utmost delight! His walls clenched around the tongue, Jetfin biting his lower lip. "My my, that feels really great! Keep it up, doll~"

Rammy simply snickered, kissing and licking and overall drooling over the musky hole. A few more folks eyed the commotion, being turned on themselves. Jetfin then looked at the fox's big dick, gazing at his feet before an idea popped up. His tails swung before he used his feet on the fox's cock, gripping them with his pink pawpads.

"Mmm, such a lovely time we're having, aren't we?" the weasel stated as Rammy mewled between his fat buns, huffing and whiffing in that sweaty booty—*embracing* the salty liquids the sun provided. Sweats oozed

over the Floatzel's feet, surfing along his pink pawpads. He grind up and down, wiggling his toes all over the shaft.

"Mmf~" Is all Rammy could reply, spewing pre-seeds over the weasel's feet. Jetfin leaked his pre-jizz too, landing them on the fox's belly. He snorted, scrunching his toes along the hefty Zoro's length. Rammy's tongue circulated the inner cavity, drooling and slurping—occasionally *kissing* the warm hole.

The Alpha Floatzel shivered, grinning. "My my, you are really good at this, darling!"

(The feeling's mutual, beautiful~) Rammy thought, his cock throbbing as the Floatzel's footjob sped up. Folks passed by them: Either watching with a blush or whistling in excitement.

Jetfin grinned, wobbling his fat cakes once more. "Heh, we've attracted a lotta audiences here, Rammy." The weasel then jerked himself off, his feet grinding along the shaft in ecstasies. Rammy's dick twitched, nearing its climax. Jetfin whistled. "Bout to release a good ass load, hun!"

(Same!)

The duo moaned: Ushering seeds upon seeds from their dicks, Rammy's cum landing all over Jetfin while Jetfin's cum shot across the sands. The weasel gazed, fixating on those batters spilling over his feet like a volcanic eruption. A simple smile painted him. "Mmm, well hot DAMN!" He sighed. "Still cumming a lot *even* after the first time, huh?" Laughing, he got off the fox: Saliva trailing from his hole to the Zoroark's maw.

Rammy simply grinned. "You god damn *right* my jizz would still release like a sprinkler, hehe."

"Mmm..." Jetfin licked his lips, captivated by the mess bestowing upon the duo. "Looks really delightful, too. A joy to witness~"

Rammy winked. "You're welcome~"

After a brief moment, the big weasel snapped his fingers. "You know what? I've thought of something wonderful."

"Hmm?"

He got close to Rammy's face. "Have any plans today?"

The fox crossed his legs. "I have my friend Noah's dance competition later on tonight. Why'd you ask?"

"That'll do." Jetfin clasped his hands. "I was wondering if you'd like to come over to a hotel I booked for my friends and I."

"Ooo? What a lovely proposal." Rammy smiled.

"Indeed! And it gets even *lovelier* from there!" A smirk spread across the weasel's face. "You see, I wanted my friends to loosen up after all the adventuring we'd done. I think they'll like ya." He patted Rammy's shoulder. "*Especiallly* Aurora."

Rammy quirked his brow. "And why's that~?"

Jetfin gave the fox bedroom eyes. "I suspect she wanted some mad, fat, juicy—*magnificent* dicks for a long ass time. Believe me, you'll be *perfect* for satisfying her wants there~"

Rammy perked up, purring. "My my...I'm *definitely* up for that invitation now." Giggled. "I always enjoy knowing others in this way."

Jetfin held his hand out. "Well what are we waiting for then? The hotel isn't far off, too. So let's skedaddle."

"Agreed."

After taking Jetfin's paw, Rammy followed the weasel towards the hotel ahead.

. . .

The sun beamed down at a fairly large place, pertaining many rented rooms from bottom to top. Climbing up the stairs was Rammy and Jetfin, both reaching the top floor walking to the next hotel room.

"Here we are," the Floatzel said, banging his paw on the door a couple times.

After a moment of silence, the door opened: Revealing a yellow jackal who only wore a mere black cloak. The Shiny Lucario eyed the two, eyes half closed.

"Hello." Was all he said.

Jetfin waved. "Heyo, Lex. I'm back from the beach."

"I can tell. Welcome back." The jackal then spotted the fox beside Jetfin, eyeing him up.

"Hey~" Rammy smiled, closing his eyes.

Lex quirked his brow. "Who's this Zoroark you're with?" He spotted the abs on Rammy's belly. (Seemed like one of those special kind of Zoroarks too, while at it. Anthros, as they're described?)

"Oh he's a lovely stranger I vibed with at the beach~" Jetfin answered.

Lex squinted. "Wow. I'm not surprised in the slightest."

"The name's Rammy Sonet, hun! I'm just your average guy living my life peacefully, ya know?"

"I...guess I do know?" Lex tilted his head.

The Alpha Floatzel leaned forward. "He's quite the friendly type, Lexy. Trust me, he's pretty vibin' much like I am."

Lex sweated. (Ah. Another Jetfin, basically. I think I know *exactly* where this will go...) "I see. How delightful." The Lucario inspected Rammy for a moment: The Zoroark moving in place a bit, eyeing around with a serene smile before gazing back at the Lucario. He sighed. "Alright, he can come inside."

"In more ways than one?" Rammy quipped, Jetfin laughing immediately afterwards.

“Rammy, dude! Let me know ahead of time when you joke like that again,” the Floatzel said, elbowing the fox.

Rammy winked and stuck his tongue out playfully as Lex groaned, shielding his face. (Yep. He’s definitely Jetfin 2.0.)

The jackal sighed once again, the three entering on inside of the hotel. Once the door closed, they got a good look at the room: Three sofas to the right while a small kitchen laid to the left, a table occupying the sofas with a small TV on it. There was even a door to the north that lead to the bedroom, the bathroom door being beside it.

Sitting on the sofas was a blue arctic fox and a yellow canid: Both were talking until the trio walked up to them. The duo eyed them, curiosity piquing.

“Oh? A new guest, I presume?” the Alolan Ninetales asked, scanning Rammy.

“Yeah, I don’t think I’ve seen him before,” the Jolteon followed.

Rammy waved. “Heyo, I’m Rammy Sonet. A pleasure meeting you two.”

“Greetings. Aurora’s my name, and beside me is Spira.”

Spira just gave a nonchalant wave as Lex sat beside her. “Hey.”

Rammy waved back. “So I take it that you guys aren’t particularly from around here?”

Aurora nodded. “Correct: We’re from another dimension, a realm different from your own.”

Rammy perked up. “Ooo, I see! What brings ya here then?”

Aurora waved her paw around. “We’re on a vacation, to put it simply. Rumors say that this realm makes for a lovely vacation spot.” She smiled. “So far, those rumors appeared to be true.”

Lex shrugged. “Yeah, I suppose.” Squinted. “I mean, Spira and I haven’t ran into any trouble yet so I assume the rumors are ‘correct’ here.”

Rammy lifted his thumb. “Oh believe me: New Earth is a pretty awesome and chill place to stay. For the most part, anyways.”

“Oho: I’ve met some really nice folks here who even guided me around the market one time.” Aurora giggled. “I recall Lex stressing out about it, too.”

Lex grumbled. “Rightfully so! This world is new to us: Who knows what those pale looking bipeds would’ve done to you if we didn’t find you?”

“‘Pale looking bipeds’? Humans, you mean?” Rammy corrected.

Lex blinked. “Oh? *THAT’S* what humans looked like?”

Rammy snickered. “Mhm. They’re sometimes not pale colored, though: Which makes them all the more unique, to me~”

Lex folded his arms. "I see."

Aurora stretched herself out. "Regardless, those humans were quite kind! Even helped me find you three afterwards, which I appreciate." Her tails swished. "The fact I'm left unharmed is the most important outcome."

Lex sighed, lowering his head. "I...guess that's fair, yeah."

Jetfin clasped his paws. "Alright: I'm not going to beat around the bush on this." He smacked Rammy's ass.

"Oh!" The Zoroark moaned, his booty quaking.

"This fine fox gave me a good time at the beach: Having a big ass and dick that'll loosen ya up."

Spira, Lex, and Aurora blushed at what they witnessed: The latter perking her head up with intrigue, her ears flickering. "Oho?"

"Ar...Are you saying that we should have sex with him?" Spira questioned, her brow raising as Lex looked away.

Jetfin snapped his fingers. "Precisely."

"We hardly know him. Why?"

"Why not?" Jetfin snorted. "I enjoyed pleasing him, and so did he. You gotta understand that if a stranger mingled with me in this way, then they're okay in my book~"

The Jolteon sighed, lowering her head while shaking. "Right. I've forgotten about that part of yourself."

"He's always so outgoing and horny, Spira. What did you expect?" Lex stated, shielding his face with his cloak—reddening further.

Aurora tilted her head, contemplating. "Hmm..." She gazed down. "Honestly, I've never had some fine sex in a very long time."

Rammy quirked his brow. "A 'very long time', you say?" His chin was caressed. "Mind elaborating, hun?"

Aurora smiled. "Oh darling, I'm well over 900 years old. I've lived through all sorts of events during my times alive."

"Oooh." Rammy smirked. "Looks like we got a smokin' hot GMILF right here."

The Alolan Ninetales gasped, her paw to her maw. "Oh dear: Really now?" The Zoroark nodded. "Well I be: Someone found interest in an ancient like myself, hmm?"

"You're still in your prime, beautiful." The fox crossed his arms, winking. "Can't you blame me~?"

"Oho!" Aurora giggled behind her paw. "Such bravery to say something so downright provocative, let alone to someone way older than you~" She crossed her paws. "...I suppose I'm up for the sex, then." She winked back. "You've convinced me."

Rammy purred. "Happy to hear~"

Aurora gazed at Spira and Lex. "Do you two want to partake in this as well?"

The Jolteon and Lucario shook their heads. "Nope, we'll pass," they both said while eyeing away: Lex's cock peaking out from his sheath a bit while Spira's pussy oozes pre-juices over the sofa. Aurora blinked before nodding.

"If you insist."

Rammy tugged his shirt. "So where should we fuck~?" he asked rather bluntly.

Jetfin took a brief look at Spira and Lex, smirking at the juices and peeping cock. He pointed at the couch. "Exactly right here~"

The duo gasped: Blushing deeply while Lex clenched his teeth. "No way!" he exclaimed.

"Th-That sounds like a *horrid* idea, Jet!"

The Floatzel waved his hand around. "Ah come oooooon, it'll be fine!" He eyed the duo up and down. "It'll be like we hardly exist as we do all sorts of *fuckery* here."

Lex squinted. "You'll be *loud*. I KNOW you will." Lex pointed at the bedroom door. "I still remember the time you've had sex with this Delphox woman awhile ago: I could hardly meditate because of it!"

"Did the woman have bangs? And a dick?" Rammy suddenly asked.

Lex flinched. "What? I—"

"Yep~" Jetfin answered, cutting Lex off.

Rammy gasped. "Ayy, you know Katherine, then." His hands rest on his hips, a snicker escaping. "That's awesome."

"Look!" Lex caught the duo's attention, huffing. "I just don't know if you doing it in the living room would be a great idea."

"Lexy, boy." Jetfin laid a paw on Lex's shoulder, smiling. "I promise that it'll be alright. We won't even come near you and Spira." He pointed towards the corner of the sofa. "We'll just sit over there, fucking *far* from you two~"

"Hmm..."

Lex and Spira shivered briefly, a sigh ushering out of them. They both nodded. "Alright, fine."

The Shiny Lucario huffed, looking out the window. "Just...stick to your words about not getting near us, alright?" He grumbled, folding his arms.

Jetfin snapped his fingers, smirking once more. "That ain't a problem, hun."

The snowtales tugged on Rammy's shorts, her teeth clenching it. Rammy snickered at the display. "Well well,

someone's eager for this to start."

Aurora stopped. "Somewhat: Just curious about what a confident stud like you could do."

"Valid." Without wasting further time, Rammy stripped himself down: Tossing his shirt and shorts to the side, his big canine shaft flopping about in freedom. It throbbed, pulsating in anticipation. Aurora gazed at the sight, slightly drooling.

Jetfin purred. "Lovely looking dick, ain't it?"

Aurora blushed. "Holy Arceus, it's..." She blinked, shaking her head. "HUGE!"

Spira and Lex took a small glance at the fox's dick: Blushing intensified—looking away immediately. Jetfin spotted the stares in time, grinning before snickering.

"Seems like we're not the only ones entertained by the sight, hmm~"

(Shut the hell up, Jetfin,) Lex thought, his cock poking out of his sheath a bit more.

Jetfin nudged his dick between Rammy's asscheeks, those buns wiggling and wobbling. The fox purred, rubbing back.

"Wanna suck him off as I fuck him, Aurora hun?"

The Alolan Ninetales gazed at the shaft. "Hah. I haven't done a blowjob in a long time: I'll give it a shot." She leaned close.

"Mmm, do the best you can, beautiful~"

Aurora laid her paws on Rammy's legs. "Oh no worries: I *will*."

Without a second thought, she slid Rammy's cock into her maw while Jetfin slammed his dick into him: Moans flourishing out of him. "Ah fuck yes!" Rammy shouted, his hole tightening around the Floatzel's shaft. Aurora lapped her tongue around the fox's dick, feeling his hand caressing her head as she bopped.

"Mmf." Is all she said, borderline kissing the Zoroark's crotch each time. All while his booty jiggled and clapped from Jetfin's raging thrusts, the fox purring each time.

"My my, isn't your ass just *lovely*, Rammy!" the Alpha Floatzel stated, caressing Rammy's side.

"Glad to hear, hehe," the fox responded.

"It's like I'm infiltrating heaven itself: Embracing the greatness throughout my veins, hehe."

(Meanwhile I'm embracing them through my maw, mm!) Aurora thought, sucking further.

Spira side-eyed the group, grumbling. (Should've done this anywhere but here, humph...) Sighing, she turned her gaze towards the Shiny Lucario, tilting her head. (Hmm?)

Lex panted, his dick hardening while he stared off, blushing. (Ngh...)

The sex continued: Rammy and Jetfin giggling, the Zoroark's balls slapping against Aurora's chin many times. The icetales shivered, mewling. (Nggh, his cock...I've never had my face be pulverized this hard before!)

Jetfin and Rammy oozed their pre-cum, Aurora gulping down Rammy's without a thought. Many more thrusts and pounds commenced, Jetfin speeding up.

"Nggh, ah!" Jetfin smacked Rammy's ass many times, the Zoroark growling in glee. "Hot damn, I'm about to cum!"

"Likewise, beautiful!"

And thus, the duo exploded their seeds: Jetfin stroking Rammy's chest as he filled his ass to the brim, Rammy dumping his loads like no tomorrow. Aurora's eyes widened, feeling the insane amount of cum barging into her domain.

"Mmmf!?" She tried swallowing it all as her cheeks bloated, but a few of them spilled out. She pulled back, lots more of those batters spraying over her face at a staggering amount. "Oh my goodness!"

Rammy stroked the back of Jetfin's head, sighing in glee. "Fuuuck, that was great~"

Jetfin nuzzled the Zoroark, his tails swishing. "Heck yeah it was, hun."

Lex and Spira gazed at the mess by this point: The seeds sliding off Aurora's face, the pool forming below the three—even a few were oozing out of Rammy's ass. They were borderline drooling at the sight, shivering.

Rammy took notice of this and smiled. "You two could still join, ya know."

"N-No!" both of the Pokémon stated, looking away with excessive pre-seeds and juices.

The Zoroark blinked briefly, shrugging. "If you insist, heh."

Aurora rubbed the Zoroark's dick, her forepaws grinding along it. She licked her lips, lapping up some of the seeds spilling off from her. "I'm looking *forward* to giving this bad boy a joyride, dear."

Jetfin shivered. "And I insist on pounding this fella's ass some more: It's really addictive, heh."

Rammy smirked. "I bet so." The Zoroark tilted his head, rubbing his chin before snapping his fingers. "I know what we can do~"

...

"Oh! Ah! Oh my goodness, ngh!"

Aurora was bouncing on the Zoroark's cock while he rode on Jetfin's, the fox shivering at his cock being clenched by the ice kitsune's pussy. Previous seeds jet out of his ass, splashing a bit over the sofa as the Floatzel put his paws behind his head, moaning.

Jetfin arched his head. "Hell yeah, this is lovely~"

"You can say that again, beautiful!" Rammy snickered, slamming his big ass down each time.

The sofa quaked and shook, wobbling enough to catch the other two's attention further. They eyed the sex-crazed train: Rammy clenching Aurora's behind while she yip-yapped a lot, twirling his ass on the Alpha Floatzel's dick. The icetales howled in pleasure, her canine pussy gripping the illusion fox's dick with enthusiasm. Needless to say, the Jolteon and Lucario were biting their lower lip—being more and more turned on at the sight.

"Ngh! So big!" Aurora huffed. "So huge!" Her paws clutched Rammy's shoulders. "Excuse the, mm, following language here: So. Fucking. **IMMACULATE!**" She squirted, her pre-juices lubing up the zorodick. "This is so joyous! Definitely what I, mmm, needed the most!"

Rammy purred. "Happy I could please a hot elder such as yourself~"

Aurora growled in delight, staring into Rammy's eyes with lust. "Oh you dashing young man: *Kiss me.*"

The Zoroark grinned, licking at the icetales' maw before kissing her: The two moaning happily. The raunchfest continued: Rammy's balls somehow slapping against Jetfin's, the Floatzel purring in excitement. The roughness, the enthusiasm, the pure *indulgent*—It was all intriguing Spira and Lex more and more, a simple shudder uttering from them.

Rammy's knot pleaded to infiltrate Aurora's pussy, plapping and smacking it. Jetfin curled his toes, his tongue hanging loose. "Oh hunns, I'm feeling myself nearing~"

Rammy paused the kiss momentarily, his breath pressing against Aurora. "Fucking *same!*" He sped up the rides: Bouncing vigorously while sliding his tongue into the Alolan Ninetales' maw, both mewling. Their tongues rattled, the fox slamming and ramming and pulverizing this elder!

"A-Ah!" Jetfin pumped loads of cum throughout Rammy, filling the fox as a couple of them spill over his asscheeks. Spira panted, oozing juices over the sofa. Lex gazed at the Jolteon's climax, gasping before blushing deeply.

(J-Jeez, Spira!) he thought, shuddering.

"Mmmf~" Rammy's belly expanded a bit. (Gotta love the bi-sandwich, baby!) He then looked at the two watchers, smirking. (And they, mm, seemed to be enjoying the sight, too. Hehe.) Eventually Rammy's knot finally slid inside of Aurora's pussy, many batters spraying throughout it as the fox groaned. "Mmm!!!"

"MMF!" Aurora yelped, mewling as her stomach bulges with so many fox seeds, her tails wrapping around him.

Lex and Spira gazed at the cumming mess: Shivering, drools bypassing their lips with eagerness.

"Ngh..." The Jolteon lowered her ears, huffing.

"A-Ah..." The Lucario wagged his tail slightly, panting.

Jetfin smirked, his tails swishing. "I see you two like what you're witnessing, hmm." He licked his lips, purring.

Rammy pulled back from the passionate kiss, shuddering. "Mm, really now? I wonder what gave it away~" The icetales nibbled on his neck, the fox sighing in relief. "Mmf, gonna ask again," he purred. "Do you two want to

join us or nah? Giving me mixed signals here, heh.”

As the Alolan Ninetales licked on the Zoroark’s neck, Lex and Spira looked at each other: Pre-juices and seeds oozing out of the two, pants exchanging like crazy. They were about to open their maws, but paused momentarily, biting their lower lips.

“We—” Spira gave Lex one last look: Spotting the reassurance from the jackal at long last. She nodded. “We’ll give it a shot.”

“Y-Yeah.” Lex nudged his snout, eyeing off.

Rammy purred, rubbing his behind all over Jetfin’s dick. “Ah sweet! Glad to hear~”

“Wait.” Aurora pressed her snout against Rammy’s, a sophisticated grin plastering her. “I’m going to need...a little *more* of your time to myself, if you don’t mind~”

The Zoroark blinked, a slight blush painting him as he quirked his brow. “Oh?” He smiled. “I see that someone *really* wants me.”

The icetales growled softly, caressing Rammy’s cheek. “**Absolutely**, darling.”

“Hot~”

She stroked his head. “Now how about you treat this woman further already~?” She tugged, causing the two to slide off from the Alpha Floatzel. A ‘plop’ was heard when Jetfin’s dick escaped from Rammy’s ass, the weasel groaning, cum stringing.

“Oh dear!” both Jetfin and Rammy said, the latter having gotten on the ground with Aurora by now. He wasted little time thrusting the Ninetales away, moans ensuing from them both.

“Ah! YES!” Aurora shouted, spreading her legs out. “Treat this lady up with your seeds, big stud!”

“Mmm, fuck yes!” Rammy exclaimed, he and Aurora kissing each other passionately, their tongues twirling and nudging.

Jetfin crossed his legs, admiring the fuckfest Rammy and Aurora were committing. The other two gazed as well, Spira caressing her own pussy while Lex slowly rubbed his dick. The Jolteon shivered, taking her attention to the weasel. “They’ll be at this for a while, huh?” she asked within the duo’s constant moans.

“Knowing Aurora: Yep~” Jetfin bluntly answered, giggling.

. . .

Once minutes of poundings had passed, Rammy rest beside Jetfin on the sofa: Aurora lying on his lap licking and kissing his cum guzzling dick, her two holes pouring down waterfalls of semen. Her tails swished, moans ensuing. Panting, she looked up the dick with lust and fascination, shivering.

“Hggh, ngh.” She composed herself a little, nuzzling Rammy’s shaft. “This is perhaps the best cock I’ve ever had in a long time.”

Jetfin glanced at Aurora, waving his feet around. "That's what spending years of having little sex does to someone, huh?"

The icetales cupped Rammy's balls, fondling. "Hey now: Other aspects of our lives kept getting in the way, so I hardly had anytime to focus on sex until now."

The weasel shrugged, smirking. "Fair enough."

"In all sincerity," Aurora licked the tip of Rammy's dick, a single groan ushering out of the twink. "Thank you for inviting this *stud* over. Truly it was so *magnificent* to spend this amazing time with him~"

Jetfin winked, snapping his fingers. "No problem, hun. The fella caught my eye with his skimpy outfit: We truly knew how to mingle since that interaction."

Aurora purred, her paws resting on Rammy's dick. "Oh I believe it: Rammy's practically a natural here!"

The Zoroark waved his hand around. "I've had sex for years now, and each time has always been a great one."

Spira and Lex's eyes widened. (He fucked for years!?) the duo thought, blushing ensued.

Jetfin snickered. "Well this further explained the naturalness." He climbed his fingers up on Rammy's arm, smiling. "And each time you fuck, they're always a good one, huh? Must have really love sex, don't you?"

Rammy stuck his tongue out playfully. "You don't know the *half* of it." Giggled. "I have my three closest friends to thank for that. They've always been a joy to hang and fuck with, even during my bad days."

"D'aww, that's sweet to hear!"

"Thanks~" The Zoroark turned his attention towards the yellow jackal and canine, beckoning. "I'm ready whenever you two are~"

The Jolteon blinked, tilting her head. "You've just fucked Aurora multiple times, and *still* have energy left?"

"Of course!" Rammy waved his hand around, his shaft throbbing at Aurora's licks. "Why wouldn't I~?"

"...Astounding." The yellow canine blushed, her small tail wagging.

The Zoroark giggled. "Thank you~" He then flinched, the Shiny Lucario's cock suddenly grinding against his face. "Mm." The Jolteon got close to his dick, gazing at the juicy cum-dripping rod that the elderly icetales kept lapping up. Rammy purred at the display. "Mmm~"

Jetfin turned to the side, staring at the sight in satisfaction. "I'll sit by and watch for now," he said, caressing his dick while resting on his elbow.

Lex murmured, shaking as the fox smirked at him. The Lucario rubbed Rammy's head, his tail slowly wagging. The Zoroark purred, licking his lips. "Wanna stick that thing in me now or continue this teasefest~?"

"O-Oh! E-Erm...Yeah. Sure." Lex huffed, sliding his cock right into Rammy's maw. The Zoroark moaned, bopping his head on the meat immediately. The icetales kept kissing his dick: Her paws fondling his knot, her chill breaths clinging to the warm shaft.

Spira stared at the icetales' action, gulping in shyness before gently nuzzling against the cock. She sighed. (I can't believe I'm actually doing this...) Her juices oozed. (A bit embarrassing b-but...) "M-Mm..."

Lex groaned, staring down the Zoroark. "G-Go easy on me...Please." Sighing softly, he shuddered each time Rammy's face hit his knot, the fox sucking him off gradually. "M-Mm..."

Once Aurora caressed Rammy's balls again, she licked her tongue up to his tip, smooching. "Mmf, oh goodness yes~" The Ninetales simply stated, kissing the tip a bunch. As Rammy's cock wiggled, Spira pressed her tongue against his knot, licking all over it. Her and Aurora moaned while Rammy mewled, happily blowing off Lex.

Jetfin's tails wagged, the Floatzel grinning. "Well I be damned: This is pretty smokin' to watch, hehe~"

"Mmhmf!" Rammy agreed, his eyes rolling up in bliss.

Jetfin looked at Lex. "How's the blowjob, bud~?"

Lex gnashed his teeth, shivering. "Amazing." He simply stated, blushing. "C-Can't believe I have to admit that, but it...mmm, it feels so great."

"Mmm, now you know why I mingled with him~"

Lex blushed. "Oh I'm well AWARE, ngh."

Aurora kept rubbing Rammy's sacs, giving them occasional gropes while Spira shivered: Heat taking over the two ladies, squirting over the couch. The icetales grinned, displaying her toothy expression. "Goodness me, would I give a chance to ride his *penis* once more."

Jetfin laughed. "Someone's feeling really down bad for the Ramster, huh?" Aurora purred, too busy indulging herself with the zorodick. The Floatzel shrugged, smirking. "Gonna take that as a yes then."

Rammy giggled, eyeing Lex lustfully while drooling and slurping over his shaft, moaning. Once he and Lex finally leaks their pre-seeds, Spira bit down her lower lip, shuddering.

"Ngh..." Her face grew more red, many more juices oozing from her. "A-Ah..." Suddenly, she pushed Aurora to the side: The Ninetales gasping while away from Rammy's dick.

"Oh?" Aurora gazed at the Jolteon, blinking. "My my, where did this neediness come from?" She giggled.

"Mmm!" Spira leaped on top of Rammy, grinding against his dick. "I *need* him."

Lex panted heavily, his eyes gazing up at the ceiling. "Same here. Mm, fuck!"

Without further ado, the two slammed: Lex pounding away at the fox's maw while Spira rode him, her tailhole squeezing around the shaft. She groped his chest fur, mewling and moaning in enthusiasm. Lex groped the fox's head, growling in lustful embrace. Rammy smiled, moaning softly as his knot hit Spira's assbuns many times.

Aurora and Jetfin snickered, astounded by the horny display ahead of them. "Hah: I've never taken you to be the needy type, Spira!"

"Mm, rarely so!" Spira huffed, slamming over and over. "Don't take this the wrong way now, nggh!"

Rammy's dick twitched, his climax nearing. "Mmmf!"

Lex shuddered, mewling. "Oh god, I think I'm gonna—" he shoved his entire knot into Rammy's maw, unleashing his seeds throughout. "AAAH!"

"MMMMF~!" Rammy moaned, pumping out loads of seeds throughout Spira's ass. The Jolteon moaned loudly, stopping her rides while curling her toes.

"A-Ah! Oh shit!" She stared behind her: The zoro-cum guzzling out of her ass like a river, sliding off the sofa and landing on the ground. She blushed deeply. "My goodness, this man cums a LOT."

"That's what I was thinking earlier after meeting him!" Jetfin commented, laughing as he jerked off quickly.

The Zoroark snickered, gulping down Lex's batters. Lex shivered, mewling more. "So...damn great. All of this, I mean. Ngh."

"Mm, fuck yeah!" Jetfin shot his seeds onto himself and a bit on the sofa, moaning. "Man that was such a hot display, you three~"

"Sh-Shush." Lex looked away, sighing softly. Eventually, he and Spira pulled out: Lex dousing Rammy's face in his jizz as Spira quivered at the cock plopping out, many cum spilling out of her hole. Rammy purred, letting his tongue hang out like the slut he is~

"Nyaah," the Zoroark said, lapping up some of the cum off his face.

Spira gazed at the seeds spilling out of her: Caressing her chin. "Hmm..."

Jetfin perked up. "Whatcha thinking there, Spira?"

The Jolteon glanced for a moment, succumbing to thoughts. "... " Nodded. "So Rammy's ass looks nice, right?"

"*Absolutely,*" both Jetfin and Rammy said, snorting afterwards.

"I see." A grin formed across her. "Be riiiiight back." She hopped off and rushed to a dresser beside the TV, the four gazing with intrigue. She opened it, digging through momentarily. Upon pulling out a canine dildo with a strap-on, she ran back to the others, dropping the toy on the sofa. "Lex: Put this around me, will you?"

The Shiny Lucario yipped. "G-Guh!?"

Rammy blinked several times, grinning. "Oooo, I like where this is going~"

Spira snorted behind her paw. "Figures."

. . .

Rammy was on all fours: Spira being on top of him, constantly grinding her dildo between his fat cheeks while Lex sat below him, spreading his legs out. They were still on the couch as Lex gulped, smiling shyly.

"Y-You can, uh...fuck me after you'd given me that lovely blowjob." He blushed, laughing softly.

"D'aww, thanks for this opportunity~" Rammy purred, rubbing his snout against Lex's, causing the Lucario to blush further.

"H-Hey, it's not...often that I let others top me." Lex sighed, panting. "I just think it's moreso fair in this case because...r-reasons."

"I see~" Rammy smirked.

Lex looked off. "Just stick it in already, mm."

The Zoroark slid his dick into Lex at the same time as Spira's dildo rammed into him: Both thrusting at once. Aurora was eating Jetfin's ass out while the Alpha Floatzel watched the lovely scenario, moaning softly. He lifted his legs up and down, licking his lips.

"Damn, that looks really hot~" he commented, purring.

"I believe it, mm," Rammy agreed, mewling while his hole clenched around Spira's dildo. He rammed into Lex's ass many times, the Shiny Lucario grunting and gritting his teeth.

"Nggh, ah!" Lex gazed down, his dick flailing back and forth against his belly. "This cock feels really great, mmm!" He stroked the sofa, shivering.

"I bet his dick taste great, too." Jetfin purred.

Aurora pulled back from his ass. "I can confirm this: It *does*!" Cooed. "It was quite sweet and addictive, something I haven't tasted from any other cocks, mm!" She plopped back down, licking and eating Jetfin's ass again.

Meanwhile Spira was humping the fox like crazy, borderline not in sync with his thrusts. She nuzzled his fluffy hair, snickering. "Loving how well you're taking the thrusts here~" she said, the Zoroark's ass bouncing each time.

"What can I say? I'm *built* for this sort of stuff."

Soon Rammy picked up the pacing: Curling his toes while obliterating Lex's hole, the Lucario grunting and groaning. Lex huffed. "Ngh, damn he knows how to fuck, ah!" He wrapped his arms around the fox, growling with delight while also curling his toes. "Aaaah!!!"

While Lex remained as a moaning mess, Jetfin casually stared at the Zoroark. "Wanna fuck me next~?" he asked.

Rammy stared back, smirking. "Sure—" he slammed. "Thing, AAAH!!" His eyes rolled up: Releasing loads of cum throughout Lex's ass, filling him to the brim. Lex's belly expanded a bit, the Lucario mewling.

"Ah, shit! Mmmf!" He shivered, biting his lower lip.

Spira slammed into the fox as well, oozing her juices all over her dildo while mewling. "Oh this is a new kind of pleasure I never thought I'd experience, aah~"

Following along the climaxfest, Jetfin came beneath himself, moaning happily. Aurora backed away, saliva trailing from her tongue to Jetfin's ass while she stared at the group's mess. "My my...oh I love this view *a lot!*"

Rammy giggled, winking at the Alolan Ninetales. "You're certainly welcome~"

...

"Nggh! Fuck yes, harder Ramster~!" Jetfin exclaimed.

Rammy was behind him, pounding his ass away while Lex did the same to him, the trio forming a fuck train. The two ladies watched the men fuck each other, Spira lying on top of Aurora as their pussies nudged against each other, purring and moaning ensued. Juices and a bit of Rammy's previous seeds sprayed along the way, further pleasing the scissoring.

"Huff." Aurora moaned. "Look at them go~"

Spira kept her gaze: Rammy's booty quaking, Jetfin's ass shaking—this train was rumbling overall. She blushed. "Damn, this feels kinda embarrassing at how turned-on I am right now."

Aurora waved her paw. "D'aww, it's alright! There's nothing to be ashamed about feeling this way."

Jetfin purred. "Agreed~" He snapped his fingers, pointing at Lex. "Look at Lexy, for instance." He gazed behind him: The Lucario hugging Rammy while plowing the fat booty Zoro like no tomorrow, both mewling in joy. "He's enjoying himself *quite* well here, hehe."

Rammy giggled. "I can attest to that, mmm." The Zoroark rubbed Lex's balls with his feet, smirking. "So damn eager, nyah~"

The Shiny Lucario gnashed his teeth, blushing. "A-Ah, I can't help it!" Huffed. "The previous cum Jetfin gave you *really* lubed this ass up into greatness." He slammed more and more, even managing to slip his knot in and out. "In other words: It feels AMAZING!"

"Oh I bet it does, hehe."

Aurora purred, moaning while her pussy smooching Spira's further. "We really needed this, indeed. Thanks once again, Jet." Her tongue hung, panting while drooling.

The weasel licked his lips, his tails wagging. "You're very much welcome, hun—OH!" His leg was suddenly lifted by Rammy, the Zoroark slamming and ramming into him like crazy. "Ah! Nyah! I can feel the knot driving in and out, too! Hell yeah, deepening that meat within me~"

"No need to tell me twice~" Rammy snickered, slamming more and more.

The trio spewed pre-seeds, the pace descending further into raunchville. Aurora howled, enjoying the show despite viewing it upside down. "Keep it up, you dashing men!"

Lex mewled, his tail wagging with excitement. "Ngh. AH!" He stroked Rammy's chest, his toes curling, his dick twitching. "Oh I can't hold it anymore, GRAAAH!!!" Lex came much earlier into Rammy, his thrusts persisting while he mewled. "AAAAH!!!"

Rammy yelped. “Nggh, guess I’m cumming second, ah!” And came he did: Shooting gallons of those batters throughout Jetfin’s ass. The tall weasel stroked the back of the fox’s head, his belly expanding a bit as he and Rammy mewled. The Floatzel stared down, marveling at the bloat.

“Man—” he purred. “What a wonderfully *immaculate* sight.” Without a second thought, he kissed Rammy: Finally cumming all over the sofa and himself, his tails wagging.

Spira shivered at the messy sight, biting her lower lip. “Holy crap, that is so...HOT!”

“*Enticingly* so,” Aurora agreed. The ladies then mewled as they came themselves: Spraying juices all over their cooches in satisfaction.

Lex slowed his thrusts, sighing and pulling his cock out. He rested on Rammy’s shoulder, panting. “Ngh...Ugh.” His face was red, his tongue lapping the shoulder. “Ngh.” As Rammy continued his kiss with Jetfin, Lex said, “I’m...” An eager smile cast across him. “...Up for more of this, haha...” He kissed the shoulder.

Spira grunted. “The feeling’s mutual, mmf.” The two rest beside Aurora, panting. All the while Rammy kept making out with Jetfin: The two rubbing and groping each other in horny embraces, tongues wrestling as drools leaking.

“Mmm~” the fox and weasel moaned, gazing into each other’s eyes with lust.

Eventually, Rammy pulled back. “Honestly, same: I’m up for continuing this, too~”

Jetfin caressed Rammy’s cheek, winking. “Oh I’m so *down* as well.” He pointed to the bedroom. “We should continue this in there, hun.”

“Sure~”

Aurora perked up, panting like an eager maniac readying to take over the world. “Let me join you all as well!” she yelled, her pussy dripping with seeds and juices. “Oh dear GOD, let me join you. I want *more* of this, mmf.”

The duo eyed her for a moment before snorting, Rammy caressing his chest. “Oh gorgeous: I’m bi as FUCK. Of course you can join.” Winked.

“I’m with him here~” Jetfin winked as well.

“Oooh thank goodness!” Aurora squealed with enthusiasm, her tails wagging.

Spira snickered behind her paw. “I’m bringing the dildo just in case.”

Aurora purred. “Splendid idea, darling!”

Once the Jolteon grabbed the dildo with her maw, everyone head towards the bedroom door. “You’re quite lively you know, Jetfin? You and your friend Rammy are,” she muffled.

The Floatzel snickered. “D’aww, thanks~” He laid his paw on the door-handle. “You know me: I always like to brighten the atmosphere for my friends. So I’m glad that you and Lex like our sex enough to continue it!”

"Certainly so..." Lex added on, nibbling on Rammy's ear, the fox giggling during so.

Soon the door instantly closed: Moans and bangs became apparent real quick, real fast.

"OH! JUST LIKE THAT, JET AND RAM! OH DEEPEN THESE HOLES MORE, AAAH~!" Aurora screamed.

"TAKE THIS DILDO LIKE A CHAMP, JET! AH~!" Spira followed.

"AHH, I CAN'T GET ENOUGH OF YOUR ASS, RAM! NGH!" Lex mewled.

The bedroom sex commenced: Everyone having a lovely messy time, indeed~
