

Name: Krimson Rose.

Species: Slime (Humanoid).

Sexuality: Pansexual.

Preferred Role: Switch. (Top Leaning)

Age: 30.

Gender/Sex: Female.

Height: 5.9 ft. in.

Appearance: She has a slim body with a humanoid appearance, her skin being dark red along with her eyes and short hair. Her breasts are mainly medium size with an ounce of enlargement (think b or c cups). Because of her humanoid status, her feet is that of a human: Five toes and soles and all. She hardly wears any clothes in the house, but whenever she does, it's usually a white plain shirt with blue shorts.

Abilities: Due to her slime status, she's capable of shapeshifting into anything, even down to changing her sex/gender similar to Rammy's ability (she hardly shapeshifts though due to loving her appearance already). Unlike Rammy, she can change her cock and balls size if she were to become male or any of the other intersexes. Sizes can be small, medium, large, or even hyper. More unlike Rammy is that she's capable of turning her body parts into weapons as self-defense. Such as turning her hands into claws or chainsaws (her personal favorite). She can also liquefy her body, usually using this as means to travel faster or during sex (she enjoys doing this to Rammy as a way to cling onto him).

Likes: Exercising, videogames, chill people, playing on a piano, clinging onto Rammy during sex, sex, videogame music, people with slime kinks, humor of all kinds, pineapple, and herself.

Dislikes: Mind-control, mindbreak, rape, vore (has a strong distaste for it), cotton candy, manipulation, her friends and family being harmed in any way, forced to join a group (she's experienced this with a group of slimes tried to force her into joining their cause on eradicating humans, which she strongly wanted nothing to do with), unnecessary rudeness (harsh truths are fine), and discrimination of all kinds.

Personality: Krimson is a motherly, protective individual who has a fascination for people with slime kinks. She sees a lot of porn involving that kink and finds them intriguingly hot. She manages to get close and freaky with Rammy this way, especially after finding out he has a thing for someone being clingy. Krimson usually jogs around her neighborhood with no clothing, making her neighbors flushed at her appearance. She tries to wear a bit more clothing because of her getting in trouble by her parents for doing public nudity out of the blue. She enjoys playing videogames, exercising, and practicing her piano skills. While sex isn't necessarily something she does as a hobby, she doesn't mind participating in it when she gets the chance to, especially with Rammy. Her relationship with him is similar to that of a couple, but the two still sees each other as friends with benefits. Close friends with benefits, to be exact.

Background: She used to live with her parents at a populated place filled with her kind. In school, everyone used to call her "Red Red" due to her full name meaning such. She saw it as a goofy nickname of hers and rolled with it, forming some friends along the way. After graduating from high school at the age 18, she continued to live with her parents and took on full time jobs to help support them with the bills. After reaching the age 26, she gotten herself a laptop and chatted with Rammy and another close friend of his, Ixaka Asmodeus, on an online server. Once she turned 29, she decided to move out of her parents home to go live with the two after they collectively found a house to live in. Her parents supported her decision and hoped the two individuals are great influences to her.
