

Rammy relaxes on his bed, sleeping. Soon something clashes against his window, the fox looking to his side. A puffy blue anus from a Glaceon's fat cheeks is nudging the glass, followed by a moan coming from him, his sweaty balls sliding up and down. The Zoroark licks his lips.

"My my, someone's real eager to see me," he says, a bulge forming beneath his cover. He takes his cover off, revealing his underwear with a large rod springing. He gets up, walking towards the window and opening it.

"Fucking finally." The Glaceon turns around and jumps onto the Zoroark, the two immediately making out with each other as the fox strokes the blue canine's sweaty asscheeks.

"Mmf," they say, Rammy fondling the Glaceon's asscheeks while moving back. The Glaceon presses his tongue against the Zoroark's, his ass grinding on the large bulge.

The cold wind blows through the opened window as an Espeon and Umbreon poke their head from behind the wall, staring at the two horndogs. The two giggle, entering inside while the Umbreon close the window with his tail.

"There. Nice and warm~" he states, shaking his large behind.

Rammy pulls away from the sloppy kiss, saliva trailing between him and the Glaceon as the latter grinds further, panting. Rammy purrs, sitting on his bed. "That's, mmm, *one* way to say hi to me in the middle of the night."

The Umbreon smirks. "You know how eager Agnes gets for your dick. The slut couldn't stop kissing my smelly dick and balls while I was asleep." He giggles, bumping his ass against the Espeon's, who blushes afterwards. "He was moaning Rammy's name too, right Gavin?"

Gavin snickers. "You bet, Givan."

Rammy purrs. "Not the first time I got someone wanting my co—MM!"

Agnes' lips presses his', the two kissing each other again as Rammy strokes the back of Agnes' head, sitting on the bed. The Glaceon wags his tail, mewling.

Gavin and Givan walk close to them, the Espeon licking Givan's lips. "Should I?"

"Of course, hun." The quadrupeds pull each other into a kiss, the two moaning in delight as the Espeon uses Psychic to remove Rammy's underwear, Rammy laying down on his back to make it possible. His big cock and fat balls hang out in glee, the fox grinding his shaft between the Glaceon's asscheeks.

Once Gavin drops the underwear, he and Givan press their face against Rammy's balls, whiffing in that musky, sweatiness from how long the fox went to sleep. Agnes wastes no time slipping the fox's rod inside of him, moaning loudly while pulling away from the kiss.

"Mmm, fuck you feel so nice and cold as always, hun~" Rammy says.

Agnes lifts up before slamming down, his paws pinning against the fox's chest. The glaceon's cheeks kept ramming on the knot, his tongue hanging loose.

"God I can never get enough of your juicy dick!" is all he can say, his puffy hole wrapping around the length and warming it up.

Rammy curls his toes while spreading his legs out, Gavin and Givan nuzzling against his orbs and giving them some passionate licks and kisses, the two's cock throbbing with excitement.

"Mm, I can tell. You're apparently downbad for me, even when you're with your friends, ah!"

Gavin sucks on Rammy's right nut while Givan purrs. "Indeed. Even my super duper large sized cock and balls isn't enough to please this blue boy. You got a fan, Rammy~"

"I get that a lot, especially horny ones." Rammy purrs, Agnes slowing himself.

The Glaceon licks Rammy's lips. "I'm happy to be a fan of yours'. Never had a single wild Pokemon hit me up as hard in sex as you do." The mammal strokes the fox's chest fur. "Speaking of: Fuck me hard, please. Take full control. Destroy my hole."

"If you insist." This is when Rammy strokes the glaceon's asscheeks and moves his hips back and forth aggressively, kissing the canine and moaning along with him. "Mmmf~!"

Givan snickers before kissing Rammy's puffy hole, thriving off from the fox's balls slapping him everytime this happens. Rammy shoots his pre inside of the glaceon, swirling his tongue around his' and smacking his big booty.

(Aaaaaah yes, YES!) the glaceon thinks, his stomach bulging from the large cock, his hole pleading for the knot to penetrate him.

"Mmm, ah." Rammy pants in between kisses. "God, I'm going to cum, Agnes."

"Oh, mmm, gosh yes! Knot me up while at it! Make me feel pregnant with your cum!" The two moan and moan before the zoroark slams Agnes down, the anthro dumping loads upon loads of cum inside, even knotting the glaceon up. Agnes screams in joy, curling his toes in delight as he tries his best to hold in the seeds, but not even he nor the knot can keep them shut.

Givan sees the many cum leaking out of the penetrated hole, smirking. "Here it comes, Gavin." He opens his mouth while Gavin pulls away from the balls, many seeds paint all over the two's faces and splashing onto the bed's surface along with the ground like a tsunami. This leads the creatures to shoot their own seeds against the bed and ground, a bigger load from Givan while he moans, licking some of the seeds off from his face.

"So sweet~"

"I know, right?" Gavin giggles.

As this happens, Agnes starts cumming all over himself and Rammy: Everyone making a huge mess already. "Mmf." The Glaceon places a paw by the side of the zoroark's face, kissing him nonstop. "Oooh I want more. Please."

"Mmm." Rammy pulls his cock out, slapping it against the two eeveelution's faces as plenty of seeds drip out of Agnes' ass. "Sure thing." He flips himself around, pinning Agnes on his back before grinning down at him.

He rams his cock inside of the slutty glaceon, curling his toes. "God, this ass feels great!" The fox then feels a fat cock being between his voluptuous' asscheeks, looking behind him at the Umbreon clinging his hips. "Oh?"

"I have an insanely huge dick, honey. I might as well use it in action, hehe." Givan licks his lips, looking down. "Unless you're feeling all tops today."

"Hmm...Eh screw it, go ham on my ass."

Givan grins. "With pleasure~" He moves his hips back before shoving his giant dick inside of the zoroark's ass, his huge balls slapping against the fox's. Rammy moans, his asscheeks quaking from the insertion as he pounds the glaceon into oblivion, the fuck train commencing.

"Oooh such a tight, tight hole. Even for my abnormally large dick! How!?"

Rammy grins as Agnes keeps moaning and moaning, the zoroark fondling the glaceon's backpaws.

"Consider it a gift to me for having so, so many experiences in sex with others. Friends, acquaintances—you *name* them all." The fox giggles, caressing the umbreon's balls with his feet. He's then met with Gavin's anus pressing his face, mewling.

"In the meantime, you can rim me up while you play with my buddies, handsome~" the espeon says, floating in the air via telekinesis. He spreads his legs out while Rammy licks and kisses his hole without question, the feline sighing in relief. "You're such a hunk, Rammy. To the point of even letting us stop by randomly and fuck you~"

Rammy pulls away momentarily. "You're welcome, love. Anyone can, mmm, receive my love in sex. Hehe~"

The four continues their intercourses: Agnes' mewling and shouting like crazy from the dick sliding in and out of him *especially* with the knot, Givan drooling in delight from the tight hole he's penetrating, Gavin sticking his tongue out in pure bliss at the rimming, and then there's Rammy, who is experiencing threeway pleasures of goodness.

The fox shoots many precums inside of the glaceon: Slamming back and forth, kissing and slopping all over Gavin's ass—even *penetrating* it with his tongue. He speeds up the thrusts, gripping onto Agnes' paws.

Agnes lets his tongue hang out in pure joy, drooling all over himself. "AAAAAH!" He can't hold in

anymore as he shoots another load of cum all over himself, some even landing on the Espeon's tail, causing him to shake.

"Oh!" Gavin says, giggling.

"Oh I can't keep it in much longer, too!" Givan slams his cock waaay inside of the fox, dumping his massive loads of seeds while moaning loudly. Rammy comes at the same time as him, closing his eyes in pleasure as the bedsheets become more of a mess along with the floor.

Rammy's belly expands a bit along with Agnes', the Glaceon displaying the look of unbelievable enjoyment.

"The warmth of those batters filling my insides, the messiness of their nature when landing onto me, and the sheer passion behind those thrusts!" Agnes whines. "I want more. Please give me *MOOORE*."

"Hey now, Givan nor I didn't get our turns."

"Yeah!"

Agnes lowers his ears. "But his dick is so juicy. So *magnificent*."

Gavin presses his ass further against Rammy's face, the zoroark purring. "We know: We've experienced it before. It's great."

"Mmf~" Rammy taps on Gavin's asscheeks, wanting some room to talk.

"Oh!" Gavin floats back. "My apologies."

"Thanks. So what I was trying to say is: It's alright, you two. My cock rapidly produces an infinite amount of cum. And I'm really difficult to get tired during sex. So theoretically, I could bang him all day long."

Givan grins. "That explains you taking my dick like an absolute champ, haha!" The umbreon pulls his massive cock out, a large amount of seeds spill out of the fox as he mewls. Givan lays on his side, licking his lips. "Are you gonna pound him again, or will you give us some sugar, too?"

"Mmm..." Rammy picks Agnes up and kisses him gently, the glaceon giggles. "I'll fuck him one more time, and then you two will be next. Promise." He licks Agnes' lips. "This man has the kind of begs that just makes me crave for more, ya know?"

Agnes purrs. "Amazing to know that such a simple slut like me can please you so much, Master Rammy~"

Rammy quirks his brow. "Master?"

"He says that a lot whenever someone fucks him like crazy." Givan purrs.

"Ah, I see." Rammy then eyes the floating pink feline, an idea sparking in his head. "Say, Gavin: Wanna use your telekinesis to move Agnes up and down on my cock? I'll even do a hands free approach, hehe."

Agnes blushes madly with such an suggestion. "Oh my, that sounds so hot!"

"Hella," Gavin agrees. Rammy gets on his knees, his large wood still remaining inside of the glaceon as he eyes Gavin. "Ready when you are, Rammy."

Givan gets besides the fox, his face close to his'. "While that happens, I'll be kissing Mister Fox here."

"I ain't complaining. Go for it~" Rammy says to both Givan and Gavin, his eyes locking onto the Umbreon's.

Gavin grins deviously, surrounding Agnes in Psychic energy. The glaceon yelps.

"Alrighty, then. Time to take revenge for the amount of times you've cockblocked us today, you needy slut~"

Agnes shivers from those words, purring. "Oh please do! Punish me real good, Gavin!" And without a second thought, the Espeon lifts the Glaceon up and slams him down on the Zoroark's cock with pure roughness and aggression, Agnes rolling his eyes up in pure pleasure. "Aaaah~!"

As this happens, Rammy and Givan kiss each other, the fox placing his hands behind his head. The two presses their tongues towards one another, exchanging moans. Agnes mewls and squeals, his cum-leaking ass getting plowed and hammered over and over.

"Fuck fuck fuck, oh gosh I love this! Please don't stop!" Agnes pleads.

The espeon giggles, nodding. "Oh I don't intend to, dear~"

The glaceon curls his toes, Rammy's cock twitching inside of him, the knot plopping in and out nonstop. The canine then starts shooting his precum onto himself already, moans emanating from him, Rammy, and Givan.

"Oooh my gosh, so ruthless!"

Gavin grins deviously as Rammy and Givan continue their passionate kisses, purring. "Mmf~" The Zoroark giggles, lapping up against Givan's lips before tongue kissing him again. "Man, I'm feeling myself nearing to cum already, mmm."

Gavin nods. "Good. My telekinesis is doing its job, then~"

"F-Fuck yes, AAAAH!" Agnes shoots seeds all over himself and Rammy, his cock flailing up and down, his cum jizzing all over the room along with its ceiling.

"Mm, mmm!" Rammy strokes the back of Givan's head, unloading another messy loads of cum inside of Agnes, his seeds gushing out of the hole and coating his knees along with the bedsheets. The Zoroark pulls away from the kiss, grinning at Givan. "Your turn~"

Givan grins back.

...

Rammy hammers into Givan ass over and over, the umbreon groping the back of his head while curling his toes in delight. Gavin lets his tongue hang loose, rubbing Agnes' cock with his pink pawpads as he's getting his ass licked by the glaceon. He drools at the sight of the fox pounding the hyper cock umbreon roughly, waving his paw at him.

"Man I want that so much, Givan. No fair that he, mmm, chooses you first."

Givan chuckles, the bed trembling and rumbling during the menacing thrusts. "Oh relax, you're lucky enough to have your ass lured twice while I'm out here taking it dry. Mmm~!" He grins, his cock smacking against him and Rammy's face nonstop.

"Heh, true."

Rammy rams into the canine's hole happily, growling. "Feeling real nice inside there too, Givan~!"

"Mm, thanks doll." Givan purrs, shooting pre onto himself as he tightens around Rammy's length.

Rammy speeds up the pacing, his knot slipping in and out of the umbreon, the fox mewling in delight. "Yessss, this feels so good!" He keeps going and going, his cock twitching at its nearing climax.

Givan's cock twitches as well, his climax nearing. "Man I soooo get why that Glaceon slut loves to get fucked by you. God, you fuck good."

Gavin footrubs Agnes further, precums leaking onto his paws while Agnes mewls underneath. "I know, right? Please hurry up so that I can be next."

"Heh, all of you must be so eager for me, huh?" Rammy says, his feet clinging onto the bedsheets as he rams and slams inside of Givan over and over.

Givan's asscheeks quakes each time Rammy's hips hit against it, the umbreon letting his tongue hang loose. "Duh! Your dick is, just, on some other level, hehe~" He soon starts shooting a massive load of cum all over the bedsheets, himself and Rammy, moaning. "Fuuucking goooood shiiiiit, mmmmm!!!"

Rammy releases his seeds as well, keeping his thrusts going while his cum spill all over the bed and floor. Gavin snickers as Rammy and Givan groan in joy.

"Okay you two, it's *my* turn now," Gavin says before Agnes' seeds shoot onto his face, the feline purring and wagging his tail.

...

"Oh fuck, I love this!!! AAH!" Gavin shouts, his balls being slapped by Rammy's as the Zoroark pounds him from behind, his anus being tugged by the large rod.

"Same. God I can never get enough of this!" Rammy states, his feet being licked by Givan and Agnes

during the menacing thrusts.

The bed rumbles and quakes from the hard thrusts the fox gives the feline, Rammy drooling in pleasure. He gropes Gavin's tail, smacking his ass.

"NYAH!" The espeon caresses the fox's balls with his paws, his asscheeks jiggling from the menacing thrusts. Gavin shoots his pre onto the bedsheets, letting his tongue stick out.

Sweats drip down the zoroark's balls and the espeon's asscheeks, the fox arching his head back. "Man you three, mm, are so lovely to be with. I wouldn't mind doing this all day long, hun~"

"Please, mmm." Gavin moans loudly, the thrusts speeding up within him as he grits his teeth. (So. Fucking. Rough. Nyaa~) The espeon starts shooting a ton of cum underneath him already, mewling. "Dammit, I couldn't hold it in much longer!"

Agnes giggles. "At least I'm not alone on cumming so easily!" he states, licking the zoroark's soles further, kissing the red toeclaws.

"Oh fuck!" Rammy rams into the espeon multiple times before dumping loads upon loads of cum, seeds spilling out like crazy as he keeps going. "Aaah, I love you three sluts so much~!"

"We, aaaah, love you too!" Gavin mewls, slamming back on the fox's dick as they continue.

From there, the four continues their lovely funtime of sex: Rammy pounding Agnes while the glaceon gets face fucked by Gavin, Givan laying on his back while he and Rammy pounds Gavin's ass together, Rammy makes out with Gavin while pounding the espeon in a stand and carry position, and the fox does the same thing for Agnes and Givan as well. All of the many sex positions and intercourses the four do ends with one big *cum being everywhere* in the Zoroark's room, moans echoing throughout.

...

Rammy lays on his back as the three eeveelutions lick the fox's cum-messed chest, the fox purring in delight. Just as he is relaxing though, his ears flicker to his window being opened, the four looking towards it. A Sylveon is there with the similar thick booty, big cock and balls much like the other three, shivering from the cold wind. He enters.

"Oh...Jeez..." The Sylveon blushes, stepping on the seeds. "So this is where you sluts went: To *my* personal toy." Huffs. "Thought I've told you three he's off limits, hmm?"

The three eeveelutions whistle. "W-Well, ehehe, you see um..." Agnes blushes, eyeing away. "I-I couldn't help it. My heat took the best of me."

"And we decided to join in." Gavin nuzzles the Zoroark's chest.

Rammy's hands lay behind his head. "These three are tired, but I'm not. Wanna fuck, Lue?"

"..."

Annnnd from there, the Sylveon moans upon jumping on top of the Zoroark and riding his cock, wrapping his ribbons around the fox as the two kiss each other like no tomorrow.
