

"Verdant, dodge and use Flower Trick! Carmine, counter the Lucario's Aura Sphere with Mystical Fire!"

The two Pokemon listen to their trainer's orders: The Meowscarada leaps from the Sawk's Brick Break, sliding across the ground while the Delphox twirls her stick to cast flames. The green masked cat snaps her fingers, a spotlight displaying onto herself. Sawk looks around in confusion before Verdant struts towards him, the blue humanoid eyeing her.

The spotlight now casts around the Sawk, a glowing green flower shooting down at him and explodes, the humanoid screaming. As this happens, the red mage fox shoots her flames towards the blue orb, the two moves colliding. The flames quickly overcome the sphere and hit the jackal, the Lucario screaming while being pushed back.

Verdant and Carmine's opponents slide across the grass, fainting next to their trainer.

The trainer sighs, adjusting his cowboy hat in the grassy field while the wind blows. "Dang nabbit. Just when I thought today would be my lucky day at beating ya, Azure," the man states.

Verdant and Carmine jump back to their trainer, the former doing backflips while the latter just floats back, both of their tits jiggling upon landing on the ground. The young man smirks, his hands inside of his pockets.

"You always say that, Chuck," Azure says, his long blue hair shifting to the side, parts of his bangs covering his blue eyes.

Chuck chuckles, taking his two ultra balls off his waist. "I sure do, huh?" He returns his Pokemon. "Wanna know why I keep sayin' it?"

The dark skin man tilts his head. "Why?"

The light skin man grips his belt, squinting. "Cuz I believe that someday, I'll beat my rival buddy I met at college. It's how we started our pokeman's journey, right?"

"Pokemon, you mean?"

"Ya heard what I said." The two trainers laugh, Azure's Pokemon companions smiling at them. Then Verdant and Carmine wrap around Azure's arms, pinning their breasts against him.

Chuck blinks at the two. "Say uh, is it me or is there somethin' different bout yer Meowscarada and Delphox?"

The two pokemon and their trainer eye the cowboy. "What do you mean? I don't see anything unusual about them." Azure blinks confusedly.

Chuck glances at the two Pokemon's chest, the black cape covering the tips of Verdant's tits while the orange fur covering Carmine's. The two creatures are unaware of being so close to their trainer as they stare at Chuck, tilting their heads. "Uhh..." Azure raises his brow. "You good?"

"..." Chuck shakes his head, snickering. "Ah it's nothing. Probably imagining things." He turns around, waving. "See ya at the next gym, bucko."

"Cya!" As Chuck leaves, Azure stands there with confusion on his mind. "That was a bizarre reaction from him, huh? Wonder what was that about."

"Del."

"Meow."

Carmine and Verdant shrug.

"Well anyways..." Azure looks at the sky, the sun descending itself. "Let's rest at the cabin. Thankfully it's in the forest near us so I don't have to call a Flying Taxi this time around. Those are starting to cost more, for some reason." He looks off to the side, caressing his chin. "Wonder if it has something to do with those Team...what's their name again?" He shrugs as he and his Pokemon turn towards the forest besides them, walking ahead. "I don't know nor care, to be honest."

...

Azure is in his bedroom, lying lazily in his blue shorts and muscle shirt while sleeping on his bed. The full moon shines through his windows, spotlighting the young man. Soon, pink magical auras cast around the man's shorts, unbuttoning. Azure grunts and groans, his shorts slowly slipping off.

The man's large dick exposes itself, the shorts and undies floating midair. The man shivers, the cool air chilling his lower body. "Mm...didn't I have some...shorts on...?" he mumbles, eyes remaining closed. Eventually something soft and squishy smothers his cock, leading the trainer to yelp. "E-Eh!?"

He looks: Verdant making eye to eye contact with him, purring while nuzzling his dick. Carmine is also there hidden in the shadows, walking forward revealing herself as she tosses the shorts aside, groping her breast. Azure moans from the dick rubbing, blushing deeply.

"Wh-What are you two doing?" All the meowscarada can do is give his dick a fat, thirsty lick: Her trainer groaning and moaning from it. Carmine moves close to him, pressing his head between her breasts. The man blushes further, both of his companions murring.

The blue hair trainer has a proper look at his Pokemon's breasts: Both large, both plump, and both are doubling the Ds. He gulps, Verdant grinning upon noticing what her trainer is eyeing at. She promptly strokes his dick with her tits.

"A-Aah..." This is when Carmine lifts her trainer and slides underneath, resting his head between her tits while patting him, twirling her red toeclaw around the man's tip. Azure gasps, his face becoming redder and redder.

"G-Guys..." Verdant waves her legs up and down, Carmine fully grinding her feet against the man's cock. Verdant kisses the cock's tip and Carmine's paws occasionally, purring.

(Wh-Why are these two acting this way? I...) Azure moans more, spewing pre onto the fox's paws. The man then remembers what Chuck said earlier, panting. (Come to mention it, I don't, mmm, remember Verdant and Carmine having tits at all. Wait...does it have to do with the, ngh, Bonding Tree the three of us rested by awhile back? Those two were, ah, in their middle stages as well.)

Carmine purrs, caressing the man's dick eagerly. Verdant grins, kissing and licking the man's tip in satisfaction. Azure curls his toes, biting his lower lip. "A-Ah, you two..." He whines, his cock twitching. Suddenly, he yelps from the feline slipping her finger inside of his ass, fondling his balls with the other paw. "EEK!"

Azure moans loudly, cumming all over the meowscarada's face along with the delphox's feet. Carmine and Verdant giggle, the latter nuzzling against her trainer's dick.

"..." The man blushes, feeling borderline speechless by what's happening. "H-Hey you two, I don't know if—" Verdant hops on top of the man, her lips pressing his'. "MMF!?"

Verdant caresses the man's face, gazing into his eyes with her lustful pink ones. She strokes his balls with her feet, her pink pawpads nudging them as Carmine spreads her legs out, nuzzling her trainer. Verdant grinds against the man's shaft, Azure feeling some of his seeds hitting him from the meowscarada's face.

(So...eager. Was the rumor true about the Bonding Tree after all? Where an erotic event will happen between the Pokemon and its trainer? Is...) Azure groans, half closing his eyes. (That's what's happening to me and my pokemon right now?)

Azure tenses up a bit at the feline's breasts grinding him, putting his hands on her shoulders and pushing her back gently. "I..." The man shakes his head. "I don't know if I should do this with you two. I mean, I love you two, but I'm..." He gazes down at Verdant's breasts, the feline tilting her head in perplexion. "...I'm not sure if it should be in this way."

The man shrugs. "I have no clue what that Bonding Tree did to us, but it has—" Pausing, the man feels a sudden...heat inside of him? "...Certainly make us feel..." Pants. "Real...close to each other." His hands slide down Verdant's breasts, who meows. (Why...am I feeling so riled up?) He leans close to her. (I feel so *intimate* all of the sudden. And just...not minding it at all.)

Azure kisses the Meowscarada, the feline embracing it as she purrs, the man fondling and groping her breasts in eagerness. Carmine keeps nuzzling her beloved trainer as Verdant soon slips the man's dick inside of her pussy, meowing in delight. "Mmm." Azure closes his eyes, the meowscarada bouncing on his cock over and over, her asscheeks jiggling from each slam.

"Mmf. Easy there, girl," Azure says in between kisses, pressing his tongue against hers'. Carmine wiggles in place, snickering at the two's attentive needs. Verdant slows down a bit, wrapping her arms around the man. The feline leaks her juices all over the man's dick, mewling happily while slapping his balls with her feet.

Azure groans, pulling away from the kiss before sucking on one of Verdant's tits. (This...feels so great.)

Both the man and the cat moan, Azure drooling all over the feline's boob. (Never thought I could enjoy something like this with my pokemon before!) Verdant wags her tail, her tongue hanging loose in pure bliss. The feline sprays more pussy juices, the man moaning.

(God, I'm about to—) Azure unloads his seeds inside of the Meowscarada, moaning happily as some of his cum spill out of the pussy, dripping onto the cat's feet, the man's balls, and the bedsheets beneath the three.

Azure then pulls back, panting while eyeing Verdant. "Mm...Want more, Verdant?" The masquerade feline nods eagerly, the man snickering. "Thought so."

Azure picks the meowscarada up, making out with her while pounding her, the two moaning happily. Carmine licks her lips, eyeing the man's asscheeks. Previous seeds drip onto the fox as the man thrusts inside of the cat: Lifting her up and down passionately, stroking her asscheeks with aggression. Verdant wraps her legs around Azure, embracing the full throttle penetration while mewling, groping the back of his head.

This is where Carmine gets behind the man, spreading his asscheeks before giving his anus a good fat lick. Azure moans.

(Yes...) The Delphox eats him out, swirling her tongue around his insides as Azure already pre-ejaculates inside of the Meowscarada. (Oh god, this is so good...) Azure speeds up the pacing, his balls clapping against the feline's ass over and over. He soon pulls away from the kiss, saliva trailing as he pins Verdant's breast against his lips, sucking on it while the other bounces like crazy.

Verdant screams, spraying her juices all over the man's cock once again. Azure moans, his dick twitching, his climax nearing. Carmine rams her tongue against his g-spot, the man widening his eyes before unloading another decent amount of seeds inside of Verdant's pussy, the feline meowing in pure bliss. Seeds splash across the bedsheets, Carmine simply pulling away from the man as she grins, her own pussy wetting up the bed with juices.

"Mmf!" Azure pulls away from the breast, panting. Just as he's about to say something, a tap on the leg gets his attention, the man turning his head: Carmine is on her back, spreading her legs, fingering her soaking pussy, all while eyeing him with the bedroom looks.

"Hehe, right." Azure gently sets Verdant down, kissing her while caressing her breasts. The feline purrs from this before the man withdraws, Azure instantly hopping on top of Carmine.

The two make out, Azure ramming his cum covered cock inside of her pussy as he fondles her breasts, the two exchanging moans and groans. Verdant puts her hands behind her head, admiring her trainer mating pressing her friend as seeds ooze out of her pussy. Carmine pulls away from the kiss, her finger grinding Azure's lips. The man blinks. "What?" He soon feels something striking his ass, yelping. "OH!"

The delphox's stick penetrates him, surrounded in pink auras as it moves back and forth, Carmine grinning deviously. Azure moans, fondling the delphox's breasts. "O-Oh you sneaky—Ah!" The fox

presses her feet against the man's face, wiggling her toes while caressing him. "O-Oh Carmine..." Azure speeds up the pacing, his tip hammering the delphox's womb while he sucks on Carmine's tits.

Carmine keeps her smug grin up, penetrating the man further with her stick. Azure mewls, shooting several pres inside of her as his balls slap against her ass over and over. Verdant snickers, intrigued by what the delphox is doing to her trainer. Azure then pulls away from the breast, licking and kissing Carmine's maw, nuzzling between her feet while he moans loudly.

"Mmf, I'm going to—" he strokes the back of Carmine's head, slamming deeply inside of her while unloading another massive amounts of seeds.

Carmine and Azure both moan, the former spraying her juices all over his dick, the seeds and juices spilling everywhere on the sheets. The Delphox growls happily, pushing Azure down onto his back. The man yelps, feeling his legs being grabbed by the fox. Carmine pants, simply ramming herself down onto his cock, officially putting the two in an amazon position.

Azure squeaks and mewls, some of the seeds landing onto his face due to the menacing rides. "S-So eager!" Is all he can muster, letting his tongue hang loose. Carmine snickers, her feet stroking the bedsheets as she keeps hammering and slamming onto her master's dick, caressing his feet. She eyes Verdant, beckoning her with her head.

Verdant purrs, crawling towards the two. She gets above Azure, a mixture of seeds and juices drips all over his face as he moans. "E-Eh!?" Verdant slams her pussy onto his face, shaking her large behind before bringing Carmine into one sloppy kiss, the three equally mewling in joy.

(Man, I feel like I'm in heaven.) Azure yelps from Verdant's feet stroking his face while Carmine's stick drills his behind, curling his toes in delight. (AAAAH, I REALLY AM!)

Carmine and Verdant's tongues swirl around each other, both of their eyes half-closed as they shoot their juices out like crazy, Azure's face painting in them. Carmine speeds up the riding, cum stringing from the man's lower body to the fox's ass. Azure's cock twitches, his dick slapping Carmine's womb in pure ecstasy. The man then cums inside of the fox, Carmine rolling her eyes up in bliss as her womb gets filled to the brim, seeds shooting out of the hole and landing onto the bedsheets.

The two Pokemon pull away from the kiss and get off their trainer, Azure panting in satisfaction. Carmine also pulls her stick out of the man's ass, Azure shivering with delight. The two Pokemon hop off from the bed as Azure sighs.

"That was really good, you—" he turns towards his Pokemon companions equipping their strap-ons, canine dildos being attached to them. Azure blushes. "H-How did you find my dildo collection!?" Carmine and Verdant simply grin at their trainer, their eyes glimmering within the darkness. The man gulps. "Oh dear."

The two proceed to pound their trainer from there: Azure sucking on Carmine's dildo while Verdant pounds him from behind, the man's dick flailing back and forth. He strokes the bedsheet, all of them

moaning from the immense joy they're experiencing. Verdant rams inside of the trainer's ass, his asscheeks bouncing each time. Carmine fondles her breasts, curling her toes while smirking down at Azure.

"Mmmf!" Is all Azure can say, swirling his tongue around the pink dildo. (I-I did not expect these two to just top me in this way! Okay, I was *KIND OF* expecting it from Carmine considering her pushiness, but still.) His cock spews pre beneath him, the young man blushing deeply. (Not that I mind at all~!)

"Del~" Carmine strokes the human's head.

"Meow~" Verdant strokes the human's ass.

"M-Mm?" Azure yelps. The Delphox and Meowscarada shove their toy forward, the knots infiltrating the man's mouth and asscheeks. Azure mewls, releasing a truckload of seeds all over the sheets.

Afterwards, the two Pokemon pull their dildos out before Carmine pushes Azure on his back, spreading his legs out. "Yes..." Azure says, letting the two boss him around in this manner. "Top your trainer like crazy, you two...~" Verdant purrs, her toy nudging Azure's lips before slowly slipping it inside of his mouth, Azure moaning happily. Carmine rams her dildo inside of the man, stroking his legs.

The two Pokemon wag their tails in pure bliss, hammering their retrospective holes while growling. Carmine grins, using her telekinesis to jerk her trainer's cock off. Azure blushes, pink auras casting around his dick and balls. (If I had a tail right now, I'd be wagging too! Mmm~!) Azure thinks, his stomach bulging from the large dildo's tip. Carmine's breasts jiggle from each thrusts, closing her eyes with enthusiasm. Verdant's tits quake from her thrusts as well, the feline giggling.

Azure curls his toes, shooting his precum all over himself as his climax is nearing already. (Carmine, if you can read my mind right now, just know that I—) "MMM!" Azure releases a huge loads of seeds on himself, Carmine, and Verdant's back. (I love you two so much.) Carmine and Verdant mewl, knotting the man's holes as soon as they've been coated in his seeds.

...

The three are resting soundly on their backs, Carmine and Verdant nuzzling against Azure in sweet tenderness, the dildos still attached to them. Azure sighs in relief, kissing the two on the head. "Say, how about we have some more fun like this once we've got our final gym badge, hmm?" the man says. His two Pokemon simply licks his cheeks, Azure blushing from it. "I'll take that as a yes, hehe."
