

Joseph dusts his hands, sighing. "Hope that makes your feet feel better," the dark brown man says, wearing blue clothing.

A muscular bull lifts his hooves out of the foot spa, water dripping down as he adjusts his jacket. He nods, setting some cash on the chair he was in. "Thanks for the massage, twink. Here's some tips while at it."

"Thank you!" (Although, you didn't have to keep calling me a twink!) Joseph picks up the foot spa and dumps the water at a nearby sink, the bovine leaving the salon building upon slipping his shoes on.

Joseph nods. (Just a few more hours left and then I'll be back home meditating!) The front door rings open, the man sighing. (I'll consider this job as repaying the manager for, uh, Rammy and I having a threesome with that Riolu chick here awhile ago...and making a mess.) His eyes squint. (How doesn't he end up working here, though?)

"Um, hello!"

Joseph shrugs. (Maybe that Zoroark found a way to hookup a deal with the manager.) Blushes. (Knowing him, I know *exactly* the kind of deal he did with her.)

"Excuse me, sir!"

"Hmm?" The man blinks, turning towards a cat humanoid beside him.

The woman lowers her ears, tugging her hoodie. "Isn't this the salon that allows foot massages?"

Joseph nods. "Yep!"

Taokaka sighs in relief. "Oh thank goodness. My feet is *killing* me after I've done a bunch of running and sparring with my friends!" She takes off her shoes, displaying her dark toes and sharp toenails.

Joseph widens his eyes at them. (HOLY SHIT!) The man blushes: The toeclaws captivating his raging rod in his shorts, to which he instantly hides. (I-I'm not crazy about feet, but...damn, those look really nice.)

Taokaka tilts her head. "Is something wrong?"

"Hmm?" Joseph shakes his head. "Ah, n-nothing ma'am!" He gestures to the chair with the spa machine. "Just relax over here and let me do all of the massaging."

The humanoid purrs, a toothy smile spreading. "Thank goodness!" She moseys over and sits, planting her feet inside of the spa water. Joseph rests on his knees, staring at the bubbles surrounding Taokaka's feet. His hands dip into the water, caressing the woman's feet.

Joseph sweats, the soft soles nudging his fingers. (Man, they feel so...*squishy* and *gentle*.)

Taokaka giggles. "Easy there, sir. Almost like you're trynna tickle me!"

"Hmm?" The man's hands grind on the feet, his head shaking. "A-Ah! My apologies. I just, uh—" he

keeps his gaze on the feet. "Uh..."

The dark skin humanoid blinks. "Uh...what?" She eyes down, recognizing what's going on. "Oh...OOOH! I see what's going on here."

The man flinches. "Wait, y-you do!?" The woman nods, Joseph blushing brightly. "O-Oh, um. Sorry, I didn't mean it like that. I mean like—"

Taokaka lifts her feet, water spilling like crazy as they get near Joseph's face. "There's probably some grimes you needed to remove closely, right?" Smiles. "Silly me."

Joseph nosebleeds at the sight of those plumpy, soft soles, the white toenails really hitting home at their captivation. (That's...not at all what I was thinking, but I'll use this as means to quickly change the topic.) "U-Um, yeah! Sure! I myself forgotten about this part of the foot massage!" He shakes his head, his hands by his hips. "Duh, me! Haha!"

"It happens to the best of us, believe me." Taokaka giggles, her biege sleeves covering her lips.

The human gently caresses the feet, his thumbs grinding on those soles. "R-Right..." His fingers nudge Taokaka's toes, gliding on the nails. Joseph drools a bit, his legs trembling with enticement. The dark skin man stares at the feline's feet, Taokaka moving her head side to side while humming, her eyes closed.

The man's bulge hammers his shorts, pleading to be free as he becomes captivated by the soles and toeclaws and just—*everything* else about the feet. His head tilts. (...Just one kiss on these soft things wouldn't hurt, right?) Blinks. (Yeah. Just one quick kiss and then continue on with the massage.)

Joseph then leans forward, kissing on the left foot while having the other grind on his face. Taokaka giggles. "H-Hey! Are trying to tickle me again, Mister?" She then eyes the human nuzzling between her feet, making out with them. Her face grows red, her paw close to her. "U-Um, sir?"

The man keeps licking and kissing those soles, nudging the softness of them all. (It's like these feet were made from the deities themselves! Shit, did Tiras made this for me!?) His tongue laps around the feline's toes, grinding the toeclaws. (This is so—NGH! I can't even *think* right now!)

"Mmm, s-sir!"

Joseph blinks, eyeing up the humanoid. Bringing his tongue back, the man blushes deeply, looking away. "I, uh—" gulps. "Sorry. Y-You can keep your change, if you like. I-I didn't mean to—" Taokaka's feet rams into the man's lips. "Mmf!?"

"Shhh." Taokaka's toes wiggle on the man's tongue, the woman smirking while revealing her sharp teeth. "Relax relax, I'm—" purrs. "*Into* it~"

Joseph's face grows even more red, his tongue nudging along the feline's feet. (O-Oh.)

"Say, wasn't there a private room for employees and their customers to do all kinds of naughty things together?" Taokaka giggles, pulling her feet away.

Saliva trails as Joseph's tongue hangs for a moment, panting. "Mmm." Nods. "Yeah, there is. Over in the back through this hallway." He points to the side. "Just follow me, alright? I can have someone else take care of the massages here."

The woman's tail wags. "Sounds good to me!"

...

The private room opens: Two individuals kissing and pressing their tongues against each other, setting their belongings to the side. Taokaka shoves the human onto a nearby sofa, unzipping her hoodie to show off her c cups, lacking bras and all. Joseph blinks.

"You don't wear any bra?" He gazes at her exposed, wet pussy, his face flaring. "Nor panties, for that matter?"

The feline humanoid shrugs. "I thought the hoodie is good enough to cover me."

Joseph sweats. (But...but what if the wind—) he smiles. (Never mind.) "I see, then."

Taokaka hops directly on top of the human, grinding her cooch against his raging bulge, dousing it with her needy juices. Joseph groans and yelps. "Heeey, what are you doing still in your clothes?" The feline wiggles her soft toes against the man's sacks, snickering while poking his nose.

"Mmm, I'll get to it eventually. Give me a sec."

Taokaka sticks her tongue out, winking. "If you insist."

"Wait, why do I have to get naked when you're the one still wearing your hoodie?" Joseph gazes at the exposed tits and ladyhood. "Erm, *partially* anyways."

The feline caresses her arm. "I...would rather prefer to not reveal my true face to anyone. It's for private reasons."

"Oh. Erm..." Joseph scratches the back of his head. "Sorry for bringing it up."

"It's okay. You were curious, that's all." Taokaka smiles.

"I see." Joseph smiles back before nodding. "Besides, I'm sure that you look fine either way!" He gazes the lovely aesthetics of Taokaka, his dick rocking hard within his bulge, leading the feline to moan from its eager movement. "Real, *real* fine in fact..." (She may not have huge tits, but her feet and curviness definitely makes up for it. I can work with this.)

The humanoid purrs. "Thanks~!" She tugs on Joseph's shirt. "Now get naked for me, ya silly goose!"

"Haha, of course of course." Joseph wastes no time taking his shirt off before doing the same for his shorts and undies, throwing them to the side. His big cock pulsates in freedom before being slammed down by Taokaka: Her pussy drenching it, grinding it—*tugging* it, even!

"A-Ah!" The man moans, blushing.

Taokaka kisses the man deeply, her red eyes locking onto his purple ones. Her feet nudges and grinds his balls, her toes wiggling on the eager orbs. "M-Mmf!"

Joseph gropes her left tit, fondling while kissing back, Taokaka wrapping her arms around him. The feline lifts her behind, her pussy lips smooching the man's tip. His cock shivers, anticipating the potential fucking. The two pull away from the kiss, panting.

"You seemed real relaxed about all of this. Is this your first time having sex?" Joseph asks.

Taokaka giggles. "Nope! I've had my fair share of sexual fun with my friends, including the footplays~" She pokes the man's nose. "What about you?"

Joseph blushes. "Not my first time. Far, *far* from it, in fact." He caresses his nose, looking off.

"Oooooo, a real veteran in the life of sex, I see~!"

The man grins. "Yep."

The feline grins back before fading, Joseph blinking with perplexion. "Uh. Where did you—" his face gets pinned down by Taokaka's whole body, her pussy nudging his lips. "AH!"

"Let's do a small warm-up first, if you don't mind." Taokaka purrs, sitting on the man's face while rubbing her feet against his cheeks.

"Mmf, not at all." Joseph sighs in relief, licking and kissing the feline's cooch. Taokaka mewls, fondling her tits while gripping and rubbing the man's face.

"Mm, oh that's the lovely spot." She presses down a bit. "Dig that tongue a bit deeper now, goofball."

The human nods, pressing his tongue forward and swirling throughout the inside of Taokaka's pussy. He moans, sucking on the folds in satisfaction. "Mmf." Closing his eyes, Joseph strokes the kaka's feet, fondling and nudging.

Taokaka snorts, covering her lips while riding on the man's tongue. "You're such a cutie, sir. If only Felicia and Makoto were here: They would've had an absolute *blast* with your thing for feet~"

(You don't say...) "Mmf~!" Joseph bops his head on the kaka's pussy, sliding his tongue around the wet walls.

Taokaka wiggles her toes, tapping the man's face repeatedly, her tail wagging with glee. "Aaah, glad I made a good decision to come here!" She soon stops and turns around.

Joseph blinks. (What is she doiNNNNNG!!!!) He's cut off by the feline's feet stroking his dick, her toeclaw twirling around the tip.

Her paw presses her mouth, gasping. "My my, I didn't realize how big this fella is until I've gotten a good

look at it." Taokaka shuffles around, moving her normal-sized behind on the man's face.

(You...You were on my cock not too long ago. How didn't you know?) Taokaka strokes the tip, oozing some precum from the man onto her toes. Joseph shivers. (Fuuuuck, regardless of the slowness: She's so hot and sweet!) The feline jerks him off as the man mewls throughout her pussy, her toes sliding along the length. (G-Gosh, she even knows how to do footjobs, too! Heh, she ain't lying about this not being her first time—Wait, does that mean I'm not the only one that find her feet attractive?)

The man blushes deeply as Taokaka works up her feet: Her red eyes beaming at the sight of that huge, delicious shaft, her feet grinding on it in pure eagerness. More precums leak out of the man's dick as the woman's juices spill all over his tongue, Joseph moaning happily. Taokaka's toothy grin grows, speeding her legs up.

"Come ooooooon!" Taokaka pleads. "Release those white things already, will ya?"

(Oh please tell me you know what jizz are, especially after you've experienced sex befo—) one last stroke and grind causes the man to cum all over Taokaka's feet, moaning in pure relief. "M-Mmmf~!"

Taokaka sticks her tongue out playfully, her feet still jerking the ejaculating dick off as she cums herself, spraying her pussy juices all over the man. "Nyah...That's so good, Mister~!"

Joseph rolls his eyes up, stroking the cushion. (Mad agreed.)

Taokaka stops and gets off, laying down on her back by the sofa's edge and spreading her legs. Joseph gazes up at the ceiling, feeling as though he's having hearts for eyes.

"Hey Mister Foot Massager Guy!"

Joseph blinks and looks at Taokaka. "M-Mmm? Also just c-call me Joseph."

"Hehe, Joseph then—" Taokaka beckons the man with her paw, wiggling her cum dripping feet. "Choose any spots you like. Doesn't matter, to me~"

"..." The man wastes zero time to hop on top of Taokaka and rams his big, hardened wood into her wet castle. The kaka meows from the insertion, curling her toes while rolling her eyes up.

"Ooooooh goodness! It's as huge as I thought it would be inside of me!" Taokaka's pussy grips around the shaft, her womb shuddering from Joseph's tip smooching it.

"If, mm, only it can cum like a gallon, too," Joseph mentions, snickering before thrusting inside of Taokaka, his balls ramming her over and over.

"Oh I'm sure you'll release fine. Besides, you release those white, mm, things all over my, mmmmmMM, feet real messily!" Taokaka giggles, using her flexible legs to pin her feet against Joseph's face, seeds covering him quickly.

Joseph blushes. "H-Hey! Why you, mmm, did that?"

Taokaka gasps. "Whoops! Sorry Foot Massager Gu—I-I mean, Joseph! I thought you'd, nyah, enjoy having feet on your face while you, ngh, pound me!" Mewls. "The white things are a bonus too, I think!"

"W-Well—" Joseph grunts. "Y-Yeah, I do like it actually. Just, mmm, didn't expect it, that's all!" Fondling Taokaka's breasts, the human quirks his brow. "Also, why you keep calling them 'white things'? They're cums, or semens rather, mmm."

"Ngh, huh?" Taokaka wiggles her toes, grinding the man's face while meowing. "Wow, I never knew they were called that!"

(I—Bruh.) Joseph blinks for a moment before he sighs. "Well: Now you know."

"Hehe." Taokaka pants, her tongue hanging loose as Joseph's dick slips in and out of her, stroking the cushion. "Oh goodness, your big guy feels so darn great! I can feel it hitting something inside of me." She smiles. "I don't know what it is, mmm, but it feels great when it hits it, though!"

"Your womb? Mmm." Joseph nuzzles the feline's feet, precum shooting into her.

"Uh, yeah! Something like that, I think!"

The human speeds up, his thumbs rubbing the tip of Taokaka's breasts, his toes curling in pure delight. "Fuck, I feel like I'm going to cum at any moment." And that much he's right as his cock twitches, the man's tongue hanging loose. Soon he slams passionately inside of Taokaka's pussy, releasing his normal amount of cum while he and the kaka moan happily, the latter purring like crazy.

"Thaaaat's the spot, dear!"

"Aaah...Good kitty~" The man then feels the woman's feet enters inside of his mouth, sucking on those toes while swirling his tongue around, moaning. "Mmm."

Some seeds drip out of Taokaka's pussy, sliding on the sofa. "That was really fun, Mister Joseph!" She pulls her feet back, tapping his nose with her big toe.

The man blushes before chuckling. "Likewise, uh...um—" he blinks. "Actually, I don't think I ever gotten your name yet."

"Hmm?" Taokaka tilts her head before gasping. "Oh dear! You're right! Hah, silly me. We're over here having sex with each other, and I never once thought of telling you my name." She smushes the man's face gently with her feet. "Taokaka's my name. A very, very nice pleasure meeting you!"

Joseph chuckles. "Same here."

"So...Wanna have another go?" Taokaka asks, sticking her tongue out playfully.

"Um, sure thing!"

And without a second thought, Taokaka pushes Joseph back, being on top of him. The man leans against

the sofa's edge, the feline adjusting herself while his dick still remains inside of her, moans exchanging between them. The humanoid then strokes Joseph's balls with her feet, holding his shoulders while lifting herself.

"Mmm—" Taokaka slams down, the man's tip hitting her womb. "Reeeow!"

"A-Ah!" Joseph's hands rest on Taokaka's asscheeks, the feline repeating her lifts, each ones more rough than the last. "Mmm, god your pussy feels great even after I came in it." The man massages the woman's behind, wiggling his toes in satisfaction.

"Mm, I can say the same for your big fella in me, too~!" Taokaka purrs, her tits bouncing from each joyrides she gives. Her toes fondle those orbs: Wiggling, trembling—*shaking*, even. The man can feel the toeclaws nudging them a little, shivering.

(Man, am I happy for the manager to allow sex with clients here. Not to mention how, ngh, lucky I got at scoring Taokaka despite our...interaction earlier. Speaking of...) "Mmm, hey Taokaka."

"Mmm, yeah?" She slams, her juices spraying while the two moan.

"Ngh, I wanted to, mmm, say: Sorry for being weird about your feet earlier. That was, mmm, very risky of me to do, even if this salon allows sex."

"D'aww." Taokaka pats the man on the head. "It's alright. I, mm, get why you did that. But do agree that was very risky for you to do."

"Hahaha, y-yeah..." (I expected Alcyone or Carrie to make risky moves like that, not me!)

Taokaka leans close to the man, her face towards his'. "Just be more, mm, careful when doing something like that next time, alright?" She caresses his cheek.

Joseph spews precum inside of her as he blushes, nodding. "I-I will!"

Taokaka smiles before kissing the man, the two exchanging moans while she bounces on him vigorously, juices and previous seeds stringing along the shaft. Their eyes close, tongues wrestling and grinding along each other.

"Mmf. Nyah!"

"Mmf. Meyah~!"

Joseph's dick twitches once again, his climax nearing. The two continue for awhile until Joseph releases another load, the two moaning while Taokaka still rides on him, meowing like crazy. Some of the seeds leak out of her pussy, dripping onto her feet along with the man's balls.

(Soooo goooooood~!) the two think, rolling their eyes up in pure satisfaction.

Soon, Taokaka slows down, pulling away from the kiss as saliva trails along. She then relaxes on the man,

nuzzling him while purring. "You're really great, Mister Joseph. Mmm...~"

Joseph sighs in relief, nuzzling back. "Thanks...~"

...

Taokaka is by the salon's exit, handing Joseph some cash while her hoodie is all zipped up. Joseph is fully clothed himself too, taking the cash.

"Thank you for that lovely 'massage' there." Taokaka giggles.

"Hey: Anything to please our client, right?" Joseph snorts. "Oh and uh, wanna exchange numbers by the way in case you wanna, well, hang out sometimes? Could even be FWBs too, if you like."

The feline tilts her head. "FWBs?"

Joseph blinks. "...Friends With Benefits."

The humanoid gasps. "Ooooh! Yeah yeah, totally! I have quite a few of those myself. Whatever that truly means." Her eyes close while her toothy smile unveils, her tail wagging with glee.

The human sweats, taking out his phone. (Yeah, she ain't the sharpest tool in the shed, alright.) He smiles back as the feline takes out her device. (But hey, at least she's pretty nice and sweet, and I like to think that's all that matters at the end of the day.) Eyeing her figures again, he blushes while the two exchange phone numbers. (She's also a hottie with gorgeous looking feet, but that's more of a bonus honestly.)

Taokaka bows. "Alrighty then: Take care, Mister Joseph!"

Joseph nods. "Same to you too, Taokaka."

The feline winks before leaving, Joseph's hands resting on his hips.

"..." Claps. "Aight then: Time to get back to wor—"

DINGS!

Joseph's ears twitch to the front door being opened. "Right on time, too. Let's see who this next customer is—" his jaw drops at the sight of the very individual in front of him. "I, um, uh—"

A Zoroark casually waves at the human. "Hello, beautiful."

"RAMMY!?" Joseph shakes his head. "What are *you* doing here? I thought you were still doing your part of the 'deal' with the salon's manager."

"I am." The fox walks over to the chair. "It's just that she wanted me to go find her big dildo with a strap-on here. Which...I'm not sure why she even kept it here, but eh."

"O-Oh." (So I WAS right on his end of the deal being something sexual.) Joseph's face reddens.

Rammy caresses his chin. "Although, I could use some nice foot massage while I'm here. Actually—" the fox walks over to the human, his lips close to Joseph's. "I can have a quick 'private massage' from ya, if that's fine by you~"

Joseph's face reddens further. "D-Dude, I just got done doing that with someone else. Al-Also, aren't you in the middle of your fun with the manager!? Wouldn't want to keep her waiting, would ya?"

Rammy shrugs. "She knows the kind of person I am. She can wait, hehe." He waves his hand around. "Besides, I did say 'quick' so it wouldn't hurt to have some fun with my favorite—" the Zoroark caresses the man's face, his other hand stroking his behind. "*Sexy as fuck* human buddy, hmm~?"

"M-Mmf..." The man pants. "F-Fuck, you always have ways to just...get me riled up for you, dude. Fine, we can take care of our quick fucking—I mean, 'private massaging'."

"Yes. 'Private massaging'." Rammy snickers.

Joseph snorts along. "Oh hush, you horny, sexy Zoroark."

The two then kiss each other, moaning.
