

"Phew." The blue jackal drops down a ton of hay, his accent thick and light. "That's the last of em'." The Riolu basks at the sunset in front of his lonesome cabin: Wearing blue overalls with black suspenders keeping it in place.

Haven's hands rest by his hips, closing his eyes before sniffing the calm greens. The wind blows against the grassy field ahead, a tree shielding the jackal beside him.

"Now to wait for the Hay Collectors to get them. They said they shou' be here pertty soon." Haven eyes the watch on his right, his tongue sticking out playfully. "Hmm...I guess they're getting a bit late."

"HUFF!"

The Riolu's ears twitch, looking behind him at the barnhouse beside his home. A sneaky grin plasters across him. "I see someone wants to be reliev'd badly." He tugs his suspenders, strutting towards the entrance as his tail wags.

"HMPH!"

The jackal giggles. "I'm on ma way, Hugo! Calm yerself!" He eventually reaches the double doors, lifting the plank locking it before opening.

...

The door closes: Containing a decent amount of hays, gates sitting on the left and right side. Haven stares ahead at the hungry zebra huffing and puffing his nostril, standing up with his big, girthy horsecock hardening.

Hugo grins, dripping precum onto the hays, his tail wagging.

"Eager fella, aren't ya?" Haven says, giggling. He strips his clothes off. "Bet them othe' zebstrikas ril' you up, huh?" His overalls slip off along with his underwear: The riolu being naked as his big dick throbs, swaying his hips. "I'm here now, Hugo." He caresses the zebra's cheek, their snouts rubbing each other. "I'll tak' care of yer friend down there~"

They kiss: Tails wagging, Hugo huffing while Haven moaning. Haven's tongue swirls around Hugo's, the jackal caresses his companion's neck with enticement. Soon the kiss breaks, Haven backing away before the zebra nudges him, smirking.

"Hehe—WHOA!" Haven gets topple over, the zebra lying on top. His large girth of a dick nudges the other as he huffs. "Hey now, buddy. Don' forget that yer ass is the one bein' fucked first before ya put that thang in me, hehe~"

The zebstrika grumbles and smirks, slapping his cock against the riolu's face. Haven groans, the zebra's puffy donut grinding and nudging his big humanoid dick, those fat buns sandwiching it. The jackal closes an eye, nuzzling the rod.

"Smartas'."

Hugo licks his lips, sliding the riolu's cock right into him. He huffs as his master moans, the latter spreading his legs out to give the former more room. Hugo reaches the base, lifting himself right up before slamming down. His walls warm the shaft up, tugging and squeezing.

"Mmm, fuck yea'. Just like dat there," Haven says, licking and kissing Hugo's dick. His hands lay behind him, the jackal closing his eyes. "Didn' think you'd get better at bottomin', too. Did my friend's male horses tidied up yer ass or somethin'?" He and Hugo chuckle, the zebra's ass rippling.

Hugo's anus tugs the wood, his butt hitting the jackal's balls, spewing precum. He huffs, his nostrils exuding steam.

"Ah fuck, yer ass is heavenly, Hugo~" Haven shoots his pre into him, his dick twitching, his climax nearing. "Them males sure did a good job stretchin' ya, mm!"

Hugo simply smirks, speeding up the rides. Haven grabs the zebra's forelegs, his tongue hanging as he moans: Sweats dripping off down his balls along with sliding across his companion's booty. Haven pants, gazing at the big shaft twitching and edging. He smirks.

"That's right, handsom': Let it loose, cum dat thang as I cum in ya~!"

The Zebstrika yelps and nays, unloading a ton of seeds across Haven's face, some even landing on the hays themselves. The riolu moans, pumping out his hefty dosage of cum: Filling the insides and splashing the outsides. Hugo's ass is caked in Haven's jizz as a couple more spills over the riolu's balls, painting the hays further.

The zebra huffs, his rides persisting.

"Aaah, fuck yeah!" Haven's feet scrunches, the riolu sipping some of the zebstrika's gallon loader. He shudders. "God, that felt reall' nice!"

Hugo slows down, gazing up. He drools, sighing softly. The zebra then gasps to the blue jackal smacking his voluptuous behind, puffing.

"Man I swear ya equine's asses ar' a whol' oth'r level of greatness, heh." He squeezes them buns, lapping them salty seeds. "You don't mind if I—" Smacks. "Give them cheeks some more fuckin'?"

Hugo stares down and huffs, a bit impatient to not have his turn yet. Haven giggles.

"Don't worry, don't worry: You'll hav' yer time to hammer ma ass up. *Trust* me." The riolu winks. "Just right now, I've been in a more for horse ass lately~" He eyes the zebra up. "Since we're already in position, I might as well do this."

Haven grips Hugo's ass and lifts, carrying the equine. Hugo's eyes widen in surprise, his forelegs slouching over his owner's shoulders, his dick nudging the canine's face. Haven sighs in relief, standing in place.

"Surprised by yer master's strength?" The jackal smirks. "I may look weak, but ma family's fighting gene

gav' me strength. I can carry somethin' as heavy as a lovely equine~"

Hugo simply snorts, rubbing over the riolu's shaft with his ass. Haven groans, bits of previous seeds leak out the hole. "Aight, time to continu' on with our business."

Haven moves his hips back before shoving, pounding the zebra passionately. Hugo wags his tail, admittedly adoring his master's dick hammering him, even if he wanted to fuck his master so badly.

"Mmm. Ah~" Cum strings from the equine's ass to the canine's hips, Haven deepening his lustful thrusts. His eyes close, his decently-sized ass wobbling, his tail wagging with excitement. Previous seeds spill onto the ground, his companion pre-seeds landing on him.

Haven giggles. "Ah, ya slut. Couldn' get enou' of yer master's hard dick, huh?"

Hugo rolls his eyes up, slamming back on the riolu's shaft, his hole gripping it. Sweats slide down his buns, musk emanating the cocks along with Haven's balls and Hugo's ass: Intoxicating aroma radiates.

"Gonna take that as a yes." He pulls back and pauses for a moment, wiggling in place. "Get ready cuz I'mma go all out from here~"

Hugo tilts his head before his eyes jolt open, yapping at Haven slamming into him quickly, the jackal's balls slapping his asscheeks nonstop. Haven moans in a feminine manner, kissing and licking the zebra's shaft to further the pleasure.

"Ah! Oh yes!" Haven yells, his balls smacking and clapping the zebra's bouncy booty. He groans, his cock twitching at its inevitable climax. "Ah shit! Oh fuck me, I'm bout to cum again!" And cum he does, mewling in pure bliss while keep thrusting: Many seeds spilling across the hays due to the continual thrusts, some even landing on the wall ahead. "AAAAH!!!"

Hugo leaves his tongue hanging, climaxing over his master yet again, some even landing onto him this time around. Haven pounds him a few more times before slamming, creaming further. He licks the salty horse seeds, panting.

"Holy FUCK, you hav' such an addictin' and fine ass. I sure do need that, mm mm!" Haven purrs, pulling his dick out: Many seeds escape the hole like a river, a puddle casting below. The riolu gazes. "One more go before you pulverize me?" A cheeky smile spreads. "I promise you can go to town on ma ass all ya want afterwards~"

Hugo thinks: Head tilting, hooves nudging his chin. Eventually the zebra nods, providing Haven with longing eyes.

"Ah shucks: I knew I could count on ya." Haven sets him down, twirling his paw. "Turn aroun' so that I can see yer fat ass~" he says, his cock being hard as a rock.

Hugo does exactly that: Revealing his cum fountain of a puffy donut, his ass caking in seeds. Hugo wiggles his booty, awaiting his owner's need to pound his booty. Haven smirks.

“Perfect.”

His dick slaps between the zebra’s asscheeks, hotdogging the voluptuous fella. Hugo huffs, smiling with pride. Haven wastes zero time sliding his shaft into him, moaning.

Hugo slams against the shaft, his filled walls gripping it, the riolu’s balls smacking his own churning one. The anthro pounds into his feral friend, thrusting with all of his might, previous jizz oozing out. His tail wags, the Riolu licking his lips while staring down at the delicious hole.

“God damn, I forgot how good yer ass is. I’ve filled it like twice now and it still feels like heaven, mm!” Haven spews several pres into Hugo, the zebstrika following suit while huffing. “Fuckin’ love ya, you stallion slut~!”

Hugo puffs, steam of erotica airing out of his nostrils, smirking. He nays, letting that be his way of saying: ‘I love you, too!’

Haven pauses, climbing onto the equine. Hugo quirks his brow before feeling something clinging his dick: His owner’s feet. Haven goes to town on his ass: Both gnashing their teeth, the former drooling while the latter moaning.

PLAP! SLOSH!

Sounds usher from the penetration: All of those previous seeds sliding and surfing within the zebstrika, some sliding out of the hole and coating across his ballsack. Haven’s tongue hangs, panting and mewling, his cock twitching.

“Ah shit! Ah fuck!”

Haven thrusts, thrusts, thrusts and then—

“AH!”

Giant loads of cum come filling the zebra up, Haven moaning loudly as Hugo huffs. The riolu’s feet rubs the zebstrika’s cock, his thrusts persisting: Numerous jizz escape, covering the already messy ass-buns, balls, and the hays below in a waterfall manner.

Hugo swears that he feels his stomach bloating from his master’s seeds, something he never thought could be achieved from non-quads. And of course, he too is shooting cum all over the walls and hays ahead, staining the place.

Haven slows his thrusts until the country femboy slams one good time, cum splattering across his hips along with the hays further.

“Mmmmmmmmmmm~!”

Haven leans down, nuzzling the zebstrika’s back while purring. “Fuck me front and back, that was great! Gosh jolly, I reall’ needed that release, I tell ya partna.” He snorts, leaning back before falling off.

PLOP!

He lands on his back upon his dick being withdrawn, embracing the messy seeds painting his fur. Hugo shudders, cum drizzling down his ass like a water fountain. Haven watches the mess he made, admiring the wonderful creampie. His legs cross, whistling.

“Lookin’ mighty fine there, bud.” His hands rest behind his head, sighing. “Let me know when you’re ready fuck me.” His legs spread. “Cuz I am~”

Haven then yelps: The zebra’s cock slapping his own within seconds, noticing his companion’s shadow hovering him. He blushes, staring at the equine’s thirsty looks. “My my...thought you’d take a mini-break or somethin’ after all of that. But I guess not, haha.”

Hugo grins, wiggling. Haven grips his butt, awaiting the zebra’s worst. “Regardless: I’m all yours’.”

The zebstrika moves his hips back, his dick aiming towards the riolu’s hole before ramming forward. Haven gasps, yapping as his stomach bulges to the whole shaft, down to even the base itself.

“A-AH!” Haven strokes the hairs, curling his feet as his hole tightens around the horsecock. “G-God DAMN! I forgot that you, mmm, equines are *massive*!”

Hugo simply smiles down, moving his hips back before thrusting forward, pulverizing his master.

“M-Mmm! That’s it! Oh fuck yeah, keep jacking up yer master, ya stud!”

The horsedick tucks his ass from hell to back, his stomach bulging each time. The jackal mewls, his dick flailing, his tongue hanging—pure bliss *intensifies* his quench for more fucks given~

“Harder, Hugo! Fuck this ass like you tryna breed one of them zebstrika ladies, ah!” Haven demands, shooting precum onto himself.

Hugo huffs and pauses, steam ushering his nostrils before he lifts his hips back. The zebra slams and slams, speeding up. Haven’s dick flops about while spewing many pre-seeds, causing the riolu to become a moaning mess. Sweats drip down his pink pawpads, his toes shivering.

“Ah! Fuck!” He can feel it: Himself inching to cum. “That’s it! Keep fuckin’ ma ass up! Make a mess out of it like I did to you! Get yer sweet payback, gah nyaaah!!!”

And thus, the Riolu shoots his jizz all over himself and the zebra, mewling in pure joy. Hugo follows suit, slamming deeply into the riolu, pumping him full of horse batters. While it takes Haven three thrusts to make Hugo’s belly bloat: It only takes Hugo *one* thrust to do the same to him.

“A-AH SHIT!”

Seeds coat the jackal’s ass as he’s being filled, crafting a pool due to many seeds spilling out. Hugo lifts his hips before slamming once more, cum splattering across the hairs further.

“OH!”

Haven examines his belly: Round and plump, containing nothing but his lovely companion’s seeds. He caresses it, purring. “Mmm...” He eyes up his partner. “Feelin’ better now? Or...do you want to fuck me two more times~?” Haven snickers. “It’s only fair for the latter, personally. But that’s up to yo—AH!”

Hugo’s cock gets pulled out, many jizz guzzling out of Haven’s ass. His belly deflates to normal as he groans, giggling. “Could’ve given me a warnin’ first, mmm.”

SMACK!

The zebra’s cock slaps the canine’s face, allowing Haven to whiff that smelly, erotic dick that has fucked him not too long ago. The Riolu is having hearts for eyes, panting on the elongated shaft, his tongue nudging.

“A-Ah...~” He’s at loss for words, nuzzling the shaft. “Mmm...”

Hugo grins, nudging and grinding his girthy horsedick on his face. Eventually, Haven brings his head back, turning around. “I did say to fuck me front and back earlier.”

He smacks his behind. “Here’s the back~”

The Zebstrika huffs, jamming his shaft right into the jackal. Haven yelps, moaning loudly. He slams against the length, his stomach bulging yet again.

“Oh fuck yes! Hammer me up again, stud!”

And hammering up Hugo does: Roughening the jackal’s hole as he moves his hips back and forth, huffing. Haven lets his tongue hang loose, gripping the balls with his pink pawpads, his toes wiggling over those sweaty and musky orbs.

He grips the hays, biting his lower lip in pure bliss. “Ngh!”

Hugo jets out multiple precums, the canine’s anus getting tugged and pulled. The zebstrika drips sweats over his asscheeks, huffing while closing his eyes. Haven wags his tail, gnashing his teeth.

(Ngh! Damn, this fella is so big, I love it!)

Haven drools, shooting precum over the hays below. Sweats drench all over him, the riolu moaning louder and louder, squirming. “Aaah!”

Hugo hammers and rams into him, his cock twitching, his climax coming soon. His balls churn, aching to release those batters. Haven’s eyes roll up in bliss, the canine howling.

“Oh fuck, I’m gonna—” the jackal unloads a ton of seeds, being a nonstop moaning slut. “AAAH!!!”

Hugo speeds up the pace before slamming heavily, unleashing his roaring cum. The zebstrika nays, arching his head as he keeps the thrusts going: Many jizz oozing out of the pulverized hole in a messy

manner. Haven shudders, releasing Hugo's balls as this leads to his own being smacked.

"FUCK! THAT'S IT!" Haven wags his tail excitedly, his asscheeks coating in horse seeds. "Fuck me up real good, sugar!"

Hugo keeps pounding the riolu, proceeding into a third round. Haven's ass quakes, his ass groping around the shaft while being pulverized. His toes curls, biting his lower lip. His dick juts back and forth, the jackal moaning happily.

"Mmmfff!!!"

Hugo nays, abusing the poor canine's ass with his large dick, the zebra's tongue hanging. Previous seeds spew over the hays, the equine jetting his pre-cum into him. Haven shudders at the zebstrika's balls slapping his own, the fella shooting out several pre-seeds. Saliva lands onto the hays, the canine huffing.

"Mmm!" Is all he can ever utter, the riolu taking it like the slut he is.

Hugo rams him up good, steam escaping his nostrils once more. Haven's prostate is abused: Jamming and shoving against, the riolu trembling.

"Nghh!!!" (I'm gonna cum! Oh fuck yes, I'm gonna release so hard!)

And release he does: The canine further painting the hays with his seeds, sprinkling all over them while moaning. Hugo thrusts a couple more times before moving his hips back, slamming one last time. He ushers his hot steamy seeds, smirking with pride.

Haven lays there: His belly bloating, seeds spiraling out of him, coating his balls along with the equine's—a lovely mess casting below. Their tails wag, Haven and Hugo panting heavily.

"Good boy, Hugo," Haven says, resting his head on the hays. "Good boy...~"

The zebstrika wiggles before pulling out, a ton of seeds spewing from Haven's hole. The riolu moans, shivering in joy. Hugo lays beside Haven, giving him bedroom eyes while smirking. Haven looks back with a similar exchange, his hand resting on the equine's cheek.

"Ya think we should invite my pals and their stallions into anoth' fuckfest next time?" Haven asks. Hugo simply gives him a longing stare before licking his cheek, the riolu giggling. "Gonna take that as a yes then."

Haven then kisses Hugo, their tongues tangoing, their asses oozing cum over the hays in symmetry. Moans exchanging, eyes closing, and their tails wagging. Their horny embrace for one another never ceases~
