

"Springville"

A well respected name of a casual village lying within Spring Woods, centering around the relaxation of a hot joyful spa. Many people go here after a hard day at work, some even deciding to partake in the gym owned by the mayor herself: Crafted with pride and dedication, thanks to her daughters.

Inside of the gym is a fairly open space, a few people either sparring with each other or using punching bags to practice. Some head down the hallway north of the gym, going in one of the six rooms provided for the visitors. Heading to the first room is a Zoroark and a Mienshao, the latter having a blue kimono robe while the former wears all red.

The dark fox opens the door, nudging his muscle shirt. "Thanks for willing to help me out, Mayor Sakiko," he says, the two entering inside a fairly empty room: Containing a few sofas on the right for them to sit.

Sakiko waves her hand, her arms beneath her huge breasts, her green crystal necklace sitting between them. She smiles. "It's no problem, Rammy. As mayor, it's my honorable duty to aid my fellow villagers." The stoat closes the door behind her. "And please dear, 'Saki' is good enough to call me." Her eyes closes, walking past the young man while her voluptuous asset wiggles despite the robe.

Rammy nods, a bulge forming within his shorts upon checking out the Mienshao's curves. "Duly noted."

Saki stops at the dual windows, taking a moment to gaze at the lush greens of her village, including the large spa building she owns. "So, Rammy..." Her hand rests on the window. "Do you know why Springville, the village of tranquility, have a training gym in the center?"

The Zoroark caresses his chin, staring down. "Hmm." Although, he's moreso specifically gazing at Saki's feet: The purple glistening, her three toeclaws relaxing with elegance. Regardless, the fox's bulge rages on at the sight. And yet, he's curious about Saki's question despite it.

"I have wonder about that, actually." His hands slips in his pockets. "Why would you need a gym if things were always peaceful here?"

The Mienshao gives Rammy a side eye. "It's because—" she turns around, kicking her leg up revealing her exposed pussy before stomping down: Her legs spread, her fists clenching. "I want to ensure the village's safety from any potential harm." Sakiko's fists glow bright red, her brows lower. "I believe my people deserve to learn self-defense, anticipate the unexpe—A-Ah...!"

Saki's lips squirm, blushing at the fox's obvious bulge. (Why is he hard?)

Rammy tilts his head, oblivious. "The unexpea-ah...???"

The weasel shakes her head, her focus coming back, her brows lowering. "No: I meant the **Unexpected!** As in, any sort of malevolent and evil stepping foot into the village."

"Ah, I see." A shadowy aura shrouds the Zoroark's hands, a smirk spreading his confident demeanor. "That's a pretty good reason to train your people."

"I concur." The mienshao clears her throat. "Excuse the mishap earlier. I was merely distracted." The tinted rose blush returns to her cheeks, looking away.

"It's fine, mayor. Brainfarts get the best of us, sometimes." Rammy makes a beeline towards the ermine.

"Haha, yes. Brainfarts, indeed..." (I-It looked pretty packed, too!) Sakiko dashes after.

Her fist collides with his claws: A barrage ensues, the two ducking and weaving. Saki huffs, glaring down at the fox's feet and sweeps.

"Whoa!" Rammy falls, staring at Saki's thick leg crashing down. He rolls over, a stomp smacking into the ground, borderline cracking the wooden floor. (Yeesh, that was close! And the way she stomps makes it seem like she's trying to kill me!)

Sweat drips down the curvy stoat's leg, lifting itself up as the Mienshao has her fists up and ready, her robe sliding slightly to reveal her pussy. Rammy blushes, a slight purr escaping him.

(Whew...What a sight.)

"Hmm?" The stoat tilts her head. "What are you doing still down?" She suddenly disappears. Rammy flinches, gazing up at the Mienshao twirling airborne. The fox jumps back, the stoat ramming her feet into the ground. "The enemy *will* have the upperhand if you kept dozing off like that."

Rammy claws the floor, halting himself. "Ah, my apologies."

"It's alright." Saki lifts her leg again, posing. "Just stay focused during our training." (He is definitely checking me out. What a perv...) Sweats drench her forehead, a faint blush appearing on her cheeks. (I'll give him what he wants after this training. It's what mayors do for their people, I suppose.)

The two goes at it: Rammy flinging multiple Dark Pulses, Saki jabbing each orbs with Drain Punch, Rammy ducking and leaping over Saki's jabs—sweats rising further in their furs, sliding down their slim, curvaceous bodies.

Eventually they stop near the sofas, panting heavily. Sakiko wipes her forehead, sighing.

"Phew. That's enough training for the day, Rammy."

The fox fans himself, tugging his shirt. "Haha, tell me about it."

Sakiko drops her kimono: Her breasts bouncing with its huge embrace, the pink areola being as 'in your face' as ever.

Rammy widens his eyes, lifting his brow. "Oh?"

Saki turns: Her round, voluptuous ass wobbling. She squints. "Don't act surprise, Rammy: You and I both know you were staring at me hard, yearning for satisfaction." She unravels her hand, pointing at the armchair nearby. "Come. Have a seat as I, the mayor of Springville, takes care of your needs."

"Ah..." Rammy gazes down at his bulge, chuckling while scratching the side of his snout. "Well you got me there." He walks over and sit in the chair, crossing his legs. "In all fairness: You weren't wearing *anything* underneath that kimono."

Saki gasps. "Why, it's how I always wear my clothes. Isn't it normal?"

"I mean, people usually wear panties and bras to cover those parts."

"Hmm..." Sakiko walks forward, caressing her chin. "That would explain why some of my people were...*enticed* to see me and my daughters. It's part of family's tradition to wear nothing behind our clothes." Reaching Rammy, she climbs on top of him, her hand resting on his shoulder. "I didn't think it'll lead to my people feeling riled and eager about seeing us."

Rammy snorts, staring down at the large breasts rubbing his chest. "That and you looking gorgeous in general." Blinks. "Wait, you have daughters?"

"Indeed: All three of them. All very lovely to be with, too." She grabs Rammy's hand, placing it on her left breast. "Now how about we get right to satisfying your needs, hmm?"

The Zoroark smirks. "Heh, sure thing." He squeezes and rubs the tit, Saki sighing softly. She shivers, caressing the fox's chest, tugging his shirt.

"M-Mm..."

Rammy cups the other tit, nudging his claw against the pink areola. He could've sworn these babies are about double Ds or E at best, his raging bulge rubbing on the Mienshao's cooch. Sakiko meeks, staring down at the bulge.

"A-Ah..."

The fox takes notice of this, purring and grinding his bulge against the folds: Saki *feeling* the wet, soaked precum kissing it. She bites her lower lip, Rammy lifting her large breasts up and down, fondling them around.

"N-Ngh...Ah..." Sakiko pants. "M-Mm." Her toes curl, her feet scrunches: The Mienshao gazes into the Zoroark's turquoises, wiggling on his lap. "Thank goodness my many experiences with my husband and sons has lead me to handle such eroticism."

"Oh?" He pauses, tilting his head. "You're a wife, too. And have sons?"

"Mhm, all three of my sons, in fact." She giggles behind her arm. "And worry not about our marriage: It's pretty open," Sakiko reassures, pressing herself against the fox. "My husband wouldn't mind this."

Rammy snickers, continuing the groping. "I see. That's good to know: I wouldn't wanna involve myself into some cheating shenanigans."

Sakiko crosses her fingers. "Our marriage is as simple as this: As long as we love each other till the ends

of time, we're fine with indulging on erotic behaviors with others~" She covers her lips.

"Ah. Sounds like the vow two of my closest friends have after they got married." Rammy lifts the tits, kissing the tips. "Always the best kind of vows, if you ask me~"

The stoat yaps at the kiss, her breasts churning and shivering. "Indeed." She tips her fingers across the Zoroark's shirt, her tail wagging, her toes wiggling. "I believe the foreplay has come to an end: Shall I aid you in taking your clothes off?"

Rammy smirks, lifting his hands up. "By all means, you beautiful mayor: Go ahead."

Sakiko giggles: Sliding the fox's shirt off and tossing it beside the kimono, getting off. She kneels, unbuttoning the shorts and gliding them down the zoroark's legs. The kitsune's big canine rod flops out in freedom: Throbbing, the knot pulsating against his sheath.

Saki gasps, her hand to her lips as Rammy's feet slips out of the shorts: Fully making the fox naked.

"O-Oh my...goodness gracious—" Saki strokes her pussy, rubbing the clit as some juices leaks out. (I-It's so big! Not as big as Hideaki's, but still really huge...) She continues to stare for what feels like hours: Panting and drooling. (I-I...Oh I'm at lost of words, right now.)

The Zoroark smiles. "Like what you see?"

"..." Saki lifts those milkers, plopping them between Rammy's rod. Her lips presses the tip, kissing and nibbling. "Mmf."

"Ah!" The kitsune shudders, grinning. "I'll take that as a yes, haha." His arms rest on the sofa's edge, Sakiko sliding his rod into her maw, bopping her head.

"Mmm, ooo!" Rammy groans, wiggling his large ass. "I see that, mmm, someone's real eager for this dick all of the sudden."

Saki doesn't respond: Just blowing and titjobbing away, swirling her tongue around as her boobs grinding. She slurps, moaning over the huge rod like a slut. Her eyes close, her pussy oozing out a few more juices on the floor.

Rammy snickers, mewling in joy as he leans back, eyeing the ceiling. His legs spread out, giving Sakiko more room.

(So good, so good, so good—SO. VERY. THICK!) Is all Sakiko can think, her tits spewing a bit of milk.

Rammy curls his toes, panting while shooting some precum onto the Mienshao's tongue. "Wow, this feels fucking fantastic~! Ah!" His feet soon rest on the weasel's buns, fondling and tapping before he starts thrusting.

Sakiko's eyes roll up, drooling over the shaft while she gets facefucked. (More. Oh goodness me, please do more! Ravage my mouth!) she pleads, trying to deepthroat the cock. "Mmmm!!!"

The Zoroark giggles and mewls, his big balls nudging against the huge tits over and over. "Fuck! Oh fuck, yes!" He speeds up, Sakiko opening one eye in response. His cock trembles and rumbles, his moans and groans persisting.

Sakiko moans along: Being just as loud as his'. (O-Oh sweet goodness, I never thought I could encounter a dick as good as my Hideaki's!) she thinks, drenching the cock in hungry, *thirsty* saliva.

"Ah! Oh god, I'm about to—" Before Rammy can even finish his sentence, he slams forward, his knot shoving all the way into Sakiko's mouth.

"MMMF?!" Saki's eyes widen, her maw bulging.

Rammy unloads a huge proportion of cum: Feminine moans ushering out of him in pure bliss. "AAAH~!"

The ermine doing her best to keep the seeds in, but it's to no avail: Rows upon rows of them spilling out of her maw. They splash onto her tits, onto her face, and even onto the armchair's sides like a sprinkler. She squints, tears welling up.

(So...sweet. This cum...a-addictive.)

Rammy's tongue hangs loose, the fox keeping the cock within Saki's maw for what felt like hours. Eventually, he wiggles: Tugging on his dick out fully, splashing a few more jizz over her face.

Sakiko pants and moans: Tongue hanging, cum dripping—she lets the hung rod nudge her face, basking in it like a heated slut on an average Tuesday. Sweats slide down the fox's forehead, keeping his gaze at the ceiling.

"Phew..." He smiles. "Sex will never get old to me~"

"A...Ah...?" Sakiko wipes the seeds off her face, licking some. "A sex veteran, I see. That explains why you're so, mmm, casual about this."

"You know it." The fox winks. "Also save some for little ol' me, too. I love the taste of my own cum, mm."

Sakiko blushes deeply. "O-Oh my...I-if you insist." She hops on top of Rammy's lap again, her pussy smooching against his cum covered dick. They moan, Saki's breasts nudging the fox's chest once more.

Rammy examines Saki: Cum plastering over her tits, some even dripping from her maw. "Hmm..."

"Are you going to have a taste or—"

Rammy strokes her cheek. "This will do~"

"Eh!?"

The kitsune pulls the weasel into a deep, passionate kiss: His tongue grinding hers', lapping whatever seeds she forgot to swallow left. Saki's face flushes more than before, the ermine embraces the kiss while leaning forward, lifting her ass up.

"Mmf," the duo say, moaning and mewling. Rammy's tip presses against the pussy folds, inching its way in.

(N-Need.) Sakiko wastes no time sliding the shaft into her pussy, the big dick swirling throughout. Her eyes widen. "M-MMM!" Her stomach bulges, the tip nudging in such an obvious manner. (Oh goodness, oh gosh, oh my absolute wor—) Her feet slides beneath the fox's orbs: Gripping and fondling them, wiggling her behind while exuding moans beyond belief.

Rammy smirks: The two drooling during the kiss as Saki lifts herself, slamming right back down. Her ass quakes, those buns clapping against one another as she rides and rides, eyes rolling up.

(Looks like I found myself another cock hungry slut.) Rammy thinks, mewling as his dick nudges and grinds along the wet walls. He shudders, clenching his toes. (My favorite~)

The ermine rides and bounces on the fox's shaft: Her folds slapping the knot, pleading—*begging* to infiltrate her domain. She sprays juices over the shaft, pressing her melons against the kitsune's chest.

"Mmf. Mmm!" Rammy moans along with her: Both exuding feminine enthusiasm, plunging into the depths of temptation.

"A-Ah!" Sakiko shouts between kisses, panting heavily.

Rammy oozes his precum into her, groping her ass and thrusting with her rides, keeping up with the rhythm. (I swear the horny types knows how to rile me up so fucking much, ah!)

The two's tongues rattle against each other: Wrestling, tugging—downright *twirling* like a rollercoaster. Eventually the fox's knot slips right in, Sakiko's eyes widening before she screams.

"MMMMMMFF!!!"

The mienshao's face reddens, melting herself into immense sophistication. The two speed up: Sakiko's breasts bouncing, Rammy's balls shuddering—the armchair is even *rumbling* at the intense joyride.

"Mmmm!" (Fuck, at this rate, I'm going to—)

Rammy mewls, unloading another set of huge cum into her: The Mienshao fully pulling away from the kiss, groping the Zoroark's chest while screaming.

"AAAH! G-GOODNESS GRACIOUS, YES!"

She keeps hopping: Many seeds spilling out of her pussy, spraying all over the floor and even coating her asscheeks along with her feet. Rammy's balls gets painted in their rainfall, too: The fox wiggling his toes and mewling, closing his eyes. Sakiko drools, feeling the knot plopping in and out of her, filling her womb up spectacularly.

"S-So much...so many of them." Saki whines, her belly expanding. "I-I expected this much from my husband's huge dick: Not someone who has a smaller one th-than his'!"

“Any penis can bring so much surprises, hun~”

“I see! Such an amazing surprise, AH!”

Some cum lands onto the duo’s face, the Mienshao gasping while the Zoroark snickering. Saki’s ride comes to a close, the weasel slamming herself down as Rammy’s torrent of jizz slows: The two panting and moaning, Saki’s face leaning close to Rammy’s.

“...” The weasel licks the cum off his lips, the fox giggling. “So sweet...Such sweetness coming from your meat.” She gazes into his eyes. “Got anymore energy in you?”

The Zoroark perks up, a grin enlightening. “Oh honey: I *reek* of it. I’m so very far from feeling tired~”

Saki backs away: Her hand to her maw, face reddening beyond belief. “O-Oh dear.” She giggles behind her arm. “Well by all means: *Show* this mother a further good time~”

Rammy giggles as well and flips around: Pinning Sakiko against the sofa while being on top of her. The Mienshao gasps, moaning from the dick rattling within.

“Oh!”

Rammy moves back, his dick caressing her walls.

“Oh god!”

Once his knot plops out, the fox slams it *right* back in, previous seeds splashing out.

“OH GOD!”

Rammy repeats: Hammering the Mienshao like no tomorrow, groping her right tit while moaning.

“Mmm~” His feet clings to the sofa, the seat rumbling from his menacing penetration.

“A-Ah~!” Sakiko mewls and whines, her left tit bouncing while her right one endures the squeezefest. Her stomach bulges, the stoat leaving her tongue hanging. “Ah! OH!”

“Damn you feel great even after I came in ya~” The zoroark snickers, staring at the tits leaking milk.

“Ooo?”

“D-Drink them.” She wraps her legs around Rammy, pulling him close. “Please.”

The Zoroark purrs. “You don’t have to tell me twice.” He grabs the left tit and sucks it, swirling his tongue around the nip. “Mmf.” (Her milk tastes as sweet as my cum. Lovely~) he thinks, speeding up while his knot keeps plopping in and out, the mienshao moaning loudly.

“AAAAH! YES! PLEASE DON’T EVER STOP!”

Precum spews all throughout her as he keeps going: His asscheeks rumbling and quaking—*clapping*, even. Sakiko keeps moaning like a horny mess, stroking the back of Rammy’s fluffy head, curling her toes.

Sweats drip down the two: Sliding across the fox's big booty while also jetting off Saki's feet and legs, some even going across her forehead.

Rammy bops up and down, fondling the her other tit while ravaging her insides. His dick twitches, his climax approaching. He can feel it, his tip smacking Saki's womb endlessly.

"Ah! AH!" Sakiko screams, squirting pussy juice all over Rammy's dick. "AAAAAAH~!!!"

"MMMM!" Rammy drools over the tit before unloading a huge amount of cum into the Mienshao, keeping his eager thrusts going.

Saki feels like she's having hearts for eyes: The seeds circulating throughout her, spilling out and coating her pussy and Rammy's lower body—a waterfall of them *further* pouring over the sofa.

(S-So much! H-He keeps going despite cumming so much! O-Oh!)

Rammy then pauses.

(Oh?)

The fox growls happily: Groping Saki's wet, sticky behind before lifting her up.

(OH!)

(Now she REALLY gotten me wildin'~)

Rammy simply giggles through her breast before slamming her down on his dick, cum splashing onto the armchair.

"EEK!"

The fox casually sucks on Sakiko's tit, the other bouncing wildly due to his forceful lifts. The ermine curls her toes, becoming a drooling mess over the raunchy sex.

"Yes! YES! OH GOD, GOODNESS OF THIS VILLAGE: BLOOM THE HELL OUT OF ME~!" Sakiko yells, smiling while her eyes roll up in bliss.

"Mmf~" Rammy kneels by this point, the zoroark hammering and ramming into the mienshao's filled cooch. His hands grips her buns, fondling them while keeping his pace rocking.

Sakiko blushes brightly, gazing down at the kitsune slamming into her over and over. She clings to him, wrapping her arms around him while screaming in joy.

"YES! YES! MORE LIKE THAT, HUN!"

Both of their asscheeks rumble, Sakiko shivering in delight.

"Oh my goodness: Hideaki would *love* you in bed!"

Rammy simply chuckles at the comment, several pres jolting throughout Saki's insides.

The mienshao pats him. "Such a, mmm, natural at this!"

The zoroark soon pulls back from her tit, launching towards the other to suck as saliva trails. Sakiko yaps.

"AH!"

("Ah" indeed! Oh fuck, I'm feeling myself nearing, mmm~!)

Rammy keeps at it: Knot slipping in and out, his big balls plapping the woman's plump cheeks—*enthusiasm* spreading.

"A-Ah. I-I'm going to cum again dear, AAAH!!!" Sakiko's face melts in satisfactory, spraying her juices over the dick at the same time as Rammy comes into her. The fox groans, his eyes rolling up in bliss: His seeds splashing out of the pulverized hole, further coating the ass, balls, and singular sofa with its mess.

Sakiko is nothing but a moaning slut at this point: Trembling in sophistication, drooling in satisfaction.

"A-Ah..." Is all she can utter as Rammy slows his thrusts, lifting her up once more before slamming her down, seeds spreading everywhere.

The zoroark pulls from her tit: Milk dripping, panting heavily as a lovely smile creeps up. "Impressed?"

"...Need. M-More." Her hands grips the fox's face. "**Now.**"

"I'll take that as a ye—Mmf!"

Sakiko kisses Rammy deeply, her eyes closing as their tongues tangos: Moaning like a heated slut. She tugs him forward, the force being so strong that it causes the sofa to crash, a few seeds spilling over as a result. She doesn't care: Casually using her flexible legs to pin her sweaty, cum drenched feet against Rammy's face.

The kitsune wastes little time to mating press the ermine: Lifting his hips up before slamming down, cum stringing along the way. His eyes half close as he moans along with her, the weasel's breasts nudging his chest. He hammers her, pulverizing her womb each and every time.

Sakiko moans sound more feral and eager, gripping her feet onto the fox's face before tapping with her toes: Sucking on Rammy's tongue. "**MMMM!!!**"

(Good to know I'm not the only one really riled up now~)

Rammy picks up the pace: Balls smacking, his behind clapping—he's holding absolutely *nothing* back in this breedfest. His cock twitches, dumping precum after precum. Sakiko's walls drench it with pre-juices left and right, growls uttering.

"**Mmmf, more! Oh fuck me harder, god dammit!**" Sakiko exclaims between kisses, gripping the sofa.

A harder thrust the fox provides, menacingly ramming into her. The two exchange moans and groans and even pleasurable *roars*: Drools seeping each other's maws, jittering.

"Oh I'm going to cum already~!" Rammy whines.

"THEN. DO IT."

"Ah!" His speed is almost turbo by this point: Sweating like crazy while he jackhammers the hell out of Sakiko's pussy.

A knock is heard at the training room's door, but the two barely hear it. "Hello? Mother, are you alright in there?" the feminine voice asks, its knocks persisting. "Alright, I'm coming in!"

The door bursts open, another busty Mienshao stepping inside *only* to see her mother being creampie'd by a stranger right before her eyes. "H-Huh!?"

The kitsune slams deeply and passionately into Sakiko, many jizz ushering out of the poor knot's defense, splashing all over the two. They pull from the kiss, releasing a loud, cathartic moan: Tongues hanging, eyes littering with hearts.

"Ooooooooooh fuck **yes!**" the two shout, euphoric grins ensuing.

"M-Mother!?"

Sakiko notices the other Mienshao from the corner of her eye: Her face growing red.

"K-Kamiko!?" She then gazes back at Rammy, then at Kamiko before shielding her face. "W-Well this is a bit embarrassing. Was I...*that* loud?"

Kamiko strokes her black t-shirt, her blue training shorts revealing a brief wet spot as she bites her lower lip. "Mmm...yep. I was, uh—" she scratches her head. "Checking up on you to see if you're doing alright." She snorts. "Seems like you're okay though."

"Right, um." Saki looks off. "Can you please close the door hun so that no one else sees?"

Kamiko nods and shuts the door as the fox is about to pull out until—

"No." Sakiko quickly wraps her legs around the kitsune, clinging him forward. "*Stay* inside of me."

Rammy's face flushes, a grin spreading. "I really have wild you up over my sweet dick, huh~?"

"You indeed have." She simply kisses the fox, giggling. Saki's ears then flickers to clothes dropping on the ground, looking. "Hmm?"

Kami slips her t-shirt off, her big breasts jiggling and fumbling afterwards. "Who says I'll sit by and watch, Mother?" Kami winks, Rammy eyeing the woman's physique in intrigue.

"My oh my. Looks like I won't be out of 'training' anytime soon~"

Saki caresses his cheek. "Correct: But not *here*." She turns his head towards her.

"Oh?" Rammy tilts his head.

"This...*joyride* you've given me. It isn't like anything I've ever experienced from others, my husband and sons included." Her snout nudges Rammy's. "Their sexual experiences are wonderful, but yours'...is *brehtaking*."

Rammy smiles. "Glad to hear, beautiful."

Kamiko gasps. "'Breathtaking', you say?" She eagerly presses the fox's head between her breasts, Rammy purring. "Now I REALLY wanna have a go at his cock next, Mother~"

"And thus why I have a *special* place to show those who managed to impress me."

Rammy casually toys with Kamiko tits as the mienshao moans, smiling down at him. "Mmm, I think I know what you're talking about." She lifts a finger. "Problem though: Yuriko and Masuyo are currently using our private sex spot at the moment. Not sure if it'll be enough for the five of us."

"I'm sure that it will," Rammy states, wiggling his behind. "They wouldn't mind three more peeps joining in on their fun, right?"

Sakiko giggles behind her arm. "'The more the merrier', as a part of our erotic tradition."

Kamiko giggles along. "Fair enough."

The fox's claws nudge Kami's tips, pleasing the tits further. "So what is this lovely spot?"

Sakiko gazes into his turquoise with lust, smirking. "A spa that's connected to a secret path from my dojo room. Convenient, I know." She winks.

Rammy gropes Kami's tits upon hearing that, the daughter stoat moaning softly. "I see. Well then—"

The fox winks back.

"Lead the way~"

...

The three tread through a pathway: Many trees shrouding over them, shielding from the beaming sun. The further they go, the more they begin to hear voices: Moans echoing towards them.

Rammy smirks, his hands behind his head. "We're getting close, aren't we?"

Kamiko sways her hips, bumping against Rammy's. "Yep~" Giggles. "Judging by the moans, it sounds like my sisters are indulging each other."

"Lovely to hear."

The three soon reaches a lone building, pertaining nothing but a single door. Saki walks up, gripping the handle before opening it. Inside contains a decent sized spa, with a pool being in the middle while there's benches on each sides. In the pool are two Mienshaos: Both grinding their tits against each other while kissing, their eyes closing.

Sakiko purrs. "Sharing quite the deep bond there, you two?"

"Ah?" the Mienshaos say, pulling away. Saliva trail, a faint blush painting the stoats' face.

The first Mienshao folds her arms, leaning against the edge. "Should've knocked first before heading inside. Hmph."

Kamiko snorts behind her hand. "Don't be silly: We all know that it's just us, mother, our brothers and father that knows about our secret spa."

The second Mienshao sister points at the Zoroark. "And him too, apparently," she states in a calm manner.

Rammy waves. "Hello~"

The sisters check the fox out: His big, juicy canine shaft throbbing with delight, previous seeds oozing down from the times he's fucked their mother. And speaking of which, they notice the cum dripping appearance on her curvaceous-bod, a few sliding off her tits. The sisters can't help but to widen their eyes with intrigue, borderline panting at the sight.

They blush. (Oh dear~)

Sakiko leans beside the fox's arm, her tits grinding on it. "Masuyo, Yuriko: This is Rammy." She gestures to the siblings. "Rammy, these are Masuyo and Yuriko: My beloved daughters."

Masuyo is the first to jump out of the pool: Water sliding off her huge tits as they jiggle momentarily, the ermine's tail wagging. "Hello! A pleasure meeting you, handsome~"

Yuriko follows suit. "Same here—WHOOPS!" her head accidentally hit Masu's breasts, being between it. The two blink for a moment before giggling. "My apologies, Sis."

"It's no biggie, hehe."

Rammy gazes at them, his cock pulsating. "Huff~" The kitsune purrs. "Your daughters sure have your genes alright, Mayor." Snickers.

"My husband says the same thing. Pretty ironic considering how succulent he and our sons looks~" Sakiko giggles, her big ass nudging up on Rammy's.

"Sounds like I have to meet your husband and sons someday. Hideaki, wasn't it?"

Sakiko nods. "Correct."

Kamiko lifts a finger. "Perhaps after our fun with you, you can give them a visit."

Rammy eyes Kami, nodding. "Sounds good, yeah."

Steam circulates throughout the secluded spa as Saki nuzzles the fox. "Now now, instead of continuously talking with one another: How about we...proceed with our business, hmm~?"

Rammy purrs. "Sure thing." He gropes Sakiko's ass, causing her to moan. She and Kamiko does the same to his own voluptuous booty, the fox purring in delight. Everyone then gets into the pool.

...

Tits and Mienshaos: That's what Rammy is being surrounded by.

Masuyo presses her breasts onto the fox's chest, caressing his fur while Kamiko and Yuriko grind on his arms, their tits nudging along. And to top things off, Sakiko's boobs rub his back, the woman massaging his shoulders while giving him brief pecks. Rammy sighs happily, his dick throbbing against Masu's soaken pussy.

"Mmm..." The fox moans, kissing Masuyo gently on the lips. Masu purrs, her eyes closing slightly. Rammy then pulls back to do the same for Yuriko, caressing her and Kamiko's ass. "Mmf." Once he's done with her, he gives Kamiko a lovely smooch, the weasel moaning a bit loudly. She rubs Rammy's cheek while Yuriko licks his neck, giving it soft kisses.

Sakiko giggles at the display. "I see that you girls really want a piece of him."

Rammy pulls from the kiss, saliva trailing between him and Kami before smirking. "And I still want a piece of you, too~"

Before Sakiko can respond back, she is kissed by the fox, feeling his tongue invading her maw. "Mmmf~!" She mewls, her tongue swirling and wrestling along with his'. The siblings continue their seductive rubbing and teasing, Masuyo even pinch the fox's nips beneath his chest fur. The Zoroark yaps, squirming in gratitude.

(I'm in heaven, it seems,) he thinks, giving Kami and Yuri's ass soft gropes. He soon pulls back from the kiss, his snout nuzzling Saki's.

"Alright so..." Rammy licks his lips. "Who wants to go first~?"

...

Masuyo moans, stroking the fox's shoulders as she bounces on his shaft, his knot smooching her pussy lips. Rammy is sitting on the pool's edge with Sakiko, relaxing between her tits as she smiles, purring. The anthro's ass jiggles and quakes, Masu shuddering at the huge dick swirling throughout her pussy, hitting her womb many times. Kamiko and Yuriko watch on: Fingers rubbing along their cooches, juices leaking over them, panting heavily.

“Oh goodness!” Masuyo shouts, her feet clenching onto Rammy’s legs, her stomach bulging each time. “You weren’t lying, mother! His dick is, mm, big!”

“Of course I’d never lie, hun,” Saki states, giggling afterwards. She kisses the fox’s head gently. “Enjoying yourself down there, Rammy?”

Rammy’s eyes roll up in bliss, the fox lifting his claw to give a thumbs-up. “Absolutely. You, mmm, ladies are really lovely to hang with, you know?”

Kamiko purrs, her tail wagging. “D’aww, that’s very much appreciated~”

Masuyo grits her teeth, mewling. “Y-Yeah!” Her juices leak over the fox’s dick as she quickens, gripping and tightening around the length. “God damn, he feels so immaculate!”

“That’s what I thought~” Sakiko wiggles, her breasts shielding the fox’s head.

Rammy’s dick twitches, his climax nearing as he spews pre-cum into the Mienshao. The kitsune rubs the top of the mother Mienshao’s tits, his tongue hanging loose. (Yep, I’m definitely in paradise~)

Masu then suddenly kisses him, his eyes widening in brief shock. (Oooh!) As they embrace the kiss, Sakiko giggles at them, nuzzling the zoroark. Yuriko shudders: The two tongues grinding on another, drools dripping out occasionally, and to top it all off—a *climax* spark from them.

Rammy and Masuyo moan loudly: Juices spraying, cum spilling—an absolute horny *parade* of fluids paint their lower bodies.

(A-Ah! So much!) Masuyo mewls, trying to keep as much of Rammy’s jizz in as possible. Some of the seeds paint over the pool, circulating. Masu’s belly expands a bit, the ermine wincing in excitement.

Yuriko bites her lower lip, oozing pussy juices all over her fingers. (Holy crap! He truly does cum a lot!)

Rammy eyes Masu’s sibling: Smirking while continuing his kisses with her. Yuriko blushes deeply, smiling. “Ehehe...”

Once Rammy pulls back, he turns towards Yuri: Masuyo deciding to smother him with her tits. Yuriko pokes her fingers together, everyone staring at her now.

“...My turn~?”

The position switches: Rammy slides behind Yuriko and gropes her, his eyes shining as he rams his dick right into her pussy. The Mienshao yaps, squirming at her tits being squished.

“A-Aah!”

Rammy thrusts away as Masuyo kneels, eating out his fat behind out. Kamiko and Sakiko stand by watching the sex, fingering each other’s pussies. Moans emanate from them, the fox hammering into their other family member casually. Rammy fondles Yuriko’s tits, nibbling her neck.

“Mmm.” His puffy hole quivers at Masu’s licks and kisses, the Mienshao massaging his ass-buns.

“Mmf~” Masu moans, wiggling her toes in excitement.

“You, mm, gotta be so rough all the time~?” Yuriko asks, giggling.

“Heh. What can I say? Can’t resist, mm, having a lovely cake such as yourself,” Rammy answers, his knot sliding in and out to further the pleasure. Yuriko mewls, fondling the fox’s balls with her feet.

“Oh dear, ah!” Her juices spray over the dick briefly, her eyes rolling up.

The Zoroark deepens his thrust, rubbing the tip of Yuri’s tits. “Nyah~” Several pre-seeds spiral throughout the weasel, the kitsune speeding up. “God, you feel so great, mmm!”

“Eek!” Yuri’s ass jiggles, her toes wiggling the ballsacks before giving it brief squeezes. “A-Aah! Goodness gracious, you’re so, mmm, rough!”

“Want me to slow down, mm?” Rammy asks, plopping in and out.

Yuri shakes her head. “No! Keep going, please! Ah!”

“Alrighty then~” He closes his eyes: Ramming, slamming, and overall pulverizing the timid Mienshao. Yuriko squirms, her stomach bulging, her tongue drooling.

“AAAAAAH!!!”

She can’t help but to cum on the spot: Many juices spraying over the fox’s dick, his balls, and then the floor below. Masuyo smirks at this, stopping the massage and smacking the fox’s ass. Rammy yelps, slamming once more before dumping his loads of seeds throughout Yuriko.

“FUCK!” the zoroark shouts, arching his head back as Yuriko forms an ‘ahegao’ look. Many jizz spill over the floor below, some even splashing the mienshao’s ass, furthering the mess.

Sakiko eyes her third daughter, smacking her voluptuous behind. “Your turn, sport.” She giggles.

Kamiko moans, her booty quaking. “About darn time, hehe~”

Rammy takes one look at Kami: The Mienshao licking her lips, eyeing him seductively. She places two fingers against her lips, sliding a tongue between them before wiggling it. The Zoroark grins deviously.

Another position switch: Rammy carries Kamiko while pounding into her pussy nonstop, his knot slipping in and out with ease. His head bops on her tit, the Mienshao curling her toes in delight while stroking his head, moaning loudly.

“Ah! Yes! Fuck me just like that, you stud~!” Kami states, feeling her asscheeks being clenched by the fox.

Meanwhile, Masuyo and Yuriko lap up Rammy’s feet: Their tongues grinding along those soles, tasting the water from them. Their pussies are also occupied by Sakiko’s fingers, the mother watching on. She

sizes him up: Basking at the fox's big assets clapping and quaking with each fucks he gives to her daughter.

She sighs. "I think inviting you here was the right call."

"You, nggh, think!?" Kamiko says, gnashing her teeth. "This isn't the right call, Mother: This is the *best* call!" She pants, squirting juices over the already messy dick. "Crap, it's like being fucked by one of my brothers again. Hgghnn, this is amazing!"

"Oh ho?" Sakiko giggles. "I'm pleased to hear we can all enjoy him together~"

Masuyo kisses the fox's red toeclaws. "No kidding!" She then licks those toeclaws, smooching the tips. "We *gotta* introduce him to dad and bros. They will *love* him!"

"I concur, mm," Yuriko states, massaging the feet.

"I—AH! Third what she said there!" Kamiko wraps her legs around the fox, drooling. "Fuuuuuuuuuuuck!!!"

Rammy spews several pres into Kamiko's pussy, speeding up. His cock twitches, his climax nearing. Kamiko whines, smirking down at the fox.

"God, yes! Keep going! Fuck my slutty insides up like my brothers did~!" Kami mewls, curling her toes.

(Now I *really* want to meet the rest of the family,) Rammy thinks, giggling on the Mienshao's tit. He pulverizes her wet pussy, groaning more and more. "Mmf. MMF!" Eventually, he releases his cum all throughout her, his thrust persisting. Kamiko whines, cumming along with him as her juices paint his dick, spilling all over the floor alongside the fox's jizz.

She shudders at those batters even covering her ass, lactating. "FUCK YES, AAAAH!!!"

Rammy drinks the breastmilk, purring. "Mmm."

The other sisters eye the two, groping each other's breasts eagerly. Once Rammy slows his thrusts, he pulls back from the tit: Milk trailing along the way. He eyes behind him, gazing at the horny gazes from Masuyo, Yuriko, and Sakiko. Kamiko lays her hands onto his cheeks, the fox sighing in relief.

"We're going to be here for awhile, aren't we?" he asks, his head turning to face Kamiko.

Kamiko looks him straight into the eyes and says, "**Yes.**" She shoves the fox onto his back, making out with him before slamming her pussy back onto his dick, riding away. The duo moans, the other three Mienshaos circling around them.

"Hey now! Don't hog the foxboy!" Masuyo yells, pouting while folding her arms playfully.

Sakiko snorts behind her hand. "I agree~"

From there, the five go through all sorts of sexual scenarios: Rammy mating pressing Sakiko while

sucking on her tits, Masuyo and Yuriko sucking on the fox's balls while Kamiko rides on him in reverse cowgirl, Sakiko rides on Rammy's dick while gripping his balls with her feet, Yuriko getting spooned by Rammy as Sakiko eats his ass out, Masuyo slamming on Rammy's cock in reverse amazon while Yuriko facesits on him, and many—*many* more sex to play around with.

Soon, the barrages of sex end off with the four Mienshaos giving the zoroark a collective footjob: Their soles rubbing along the cum-coated dick, Sakiko making sure to have her toeclaws twirl around the tip. The ladies are practically soaked in fox seeds, their pussies leaking them like a fountain. Pants and moans utter out of the weasels, the fox resting his head on the ground panting.

"I, mm, didn't know he's into feetplay," Yuriko says, wiggling her toes on the shaft.

"It was a bit of a gamble, admittedly. But, mm, I saw the way he's been—" Sakiko grips the tip teasingly, giggling. "Eyeing my feet when I was training him~"

"Haha..." Rammy lays his hands behind his head. "I really was being obvious about looking you up, huh?"

Saki smirks. "Indeed, you were." She winks. "Luckily, I do like me some horny citizens. It's what any good mayors would do, right?"

The Zoroark blinks for a moment, smiling. "Right indeed~" His dick twitches, his climax nearing. "Ngh...Getting close, ladies."

Masuyo speeds up, grinning. "Hop to it, then~!"

Kamiko moans. "I'm with her here! I want to see that dick sprinkle over my feet like a tsunami!"

Yuriko gasps, eyeing her horny sisters. "So...turned on. Oh my."

Sakiko giggles before Rammy cums all over the Mienshaos' feet, painting them in sweet batters. The fox moans, the weasels gazing at the cum shooter in awe. Afterwards, they lie beside him: Sakiko and Kamiko resting on top of him, Masu nudging Saki's back while Yuri does the same for Kami.

The Zoroark sighs softly, smiling. "Thanks for the invitation, everyone."

Sakiko kisses the fox's neck. "It's no problem, darling." Purrs. "No problem at all~"

The five remain in place: Gazing at one another in relaxation, lust painting across their faces.
