

Somewhere, in the middle of the night, lies a lonesome Zorua: Dawning a white t-shirt and blue shorts while walking along the sidewalk. The city is dark, the streetlights being its only source of sight. Rammy rubs his arms, shivering.

"Heh, quite chilly tonight, it seems." He sighs, his tone light and feminine. "Knew I should've brought my jacket."

Turning a corner, the fox's shorts rumble. He looks down, taking out his phone before answering. "Hello?" The person on the other end chatters, the Zorua nodding. "Yep, Mike: I'm almost there to the building now." The person screams at the phone, the fox bringing his head back. "Whoa whoa, relax there. I did say I'm almost there."

Rammy walks past a few buildings until he reaches a corner: Entering inside of the alley. Traversing through the plain walls of graffiti, the fox stumbles upon a tall yellow house: Etching with symbols of various electric rodent tails, not a single window at sight. His head tilts.

(Huh. Strange building.)

A buzz is heard from the phone. Rammy nods. "Yep, I'm here." He adjusts his black bag, walking close to the building. He suddenly stops when the door bursts open, a human rushing himself out. He sweats, his light skin and bald head shuddering.

"AH!" The man bumps into the fox, both yapping. "Oof!"

Rammy lifts his brow. "Hey, what gives?"

The human groans. "I'm just going to assume that you're Rammy since you're the only person outside of this godforsaken place."

"Uh, yeah I suppose." The fox lays his hand on his hip. "So what next, Mike?"

The man simply points at the entrance. "Satisfy those demons, NOW!" He looks behind him: Spotting various red eyes glaring from the darkness, toothy grins ensuing. The man whimpers as Rammy quirks his brow. "Those woman...I-I can't take it. I can't take their thirst: Their unquenchable *lust* anymore!"

Mike lays a hand on Rammy's shoulder. "You Sex Helpers are supposed to satisfy anyone who has a massive urge for sex, right? Well this is your task now."

The Zorua flicks his ears. "Why not help me out since you're a Sex Helper, too?"

Mike simply laughs, shaking his head. "Oh Rammy, you silly fuck." The man takes the name tag off his shirt, throwing it into a nearby dumpster. "Because I **quit**. I'm never doing this job *ever* again, dude."

"Oh." Rammy takes one look at the entrance: The giggling menaces keeping their thirsty eyes on him.

Mike pats his back. "I'll arrange your funeral if you can't make it out alive. Otherwise, good luck." His hands in his pockets, squinting ahead. "**You're going to need it.**"

With that, the man leaves: Having Rammy by his lonesome gazing at the madhouse, sinister giggles emanating followed by a brief lightning. Rammy adjusts his collar, gazing with determination.

“Welp. Here goes nothing.”

He slowly makes his way to the house, entering inside. The front door slams behind him.

CLICK!

. . .

Darkness. Nothing but darkness looming around here.

Rammy travels through the corridors and halls, touching the wall to make sure he’s not bumping into anything sharp. He raises a hand near his maw.

“Hello?” he asks, his tail swishing. “Is, uh...anyone here?”

Giggles.

“Hmm?” He stops, bumping into some stairs ahead. Rammy eyes up, brief sparks lighting up on the top floor. A lone light displays on the walls, flickering briefly to provide guidance for the fox. (Oh! Finally, vision!) Nods. (At least I’ll know where I’m going now.)

The light shows off a few things on the wall: Crooked photos rowing from left to right, dusty and fading. Before the fox moves, another giggle spawns itself.

“Hmm?”

SMACKS!

Rammy gasps, his ass jiggling and wobbling. He turns around: Nothing is there.

“I...I wasn’t hallucinating, right?” he speaks aloud, blinking. “...Something definitely smacked me there.” More giggles spawn, some louder than the others. His ears flicker, the fox squinting. (It’s got to be one of those woman Mike’s talking about. Hmm...)

Without much more thoughts, he proceeds: His hand sliding along the stairs’ handle. He walks, looking around. Once he makes it up stairs, he turns to his side.

ZZRT!

Another spark flings out of the slightly opened room, a moan echoing from it. The Zorua’s head tilts, stroking his chin. “They must be inside there...” Moving forward, the fox hears giggles once more, being louder and closer to him.

He turns around: Nothing.

“...I know you guys are there.” He turns back to the door. “You don’t have to—” his blue eyes are met with a yellow rat’s seductive black ones, the pikachu biting her lower lip, wagging her tail. “Hide...”

Before Rammy can even say anything else, she yanks him into the bedroom: 12 more electric rodents following suit.

The door slams.

CLICK!

...

“Mmf. Ngh!”

Rammy is on the wide, kingsize bed being kissed and make-outed by a Pikachu with large tits and ass: The two wearing nothing along with the rest of the electric rodents. A Pichu grinds on his right arm while a Raichu does the same to his left, a Dedenne rubbing his back, massaging his shoulders. All three have big tits and asses much like their Pikachu companion as they pant on the Zorua, pussies oozing with juices.

On the same bed within this wide yellow room are: A Plusle, Minun, Pachirisu, Emolga, Togedamaru, Morpeko, Pawmi, Pawmo, and Pawmot—all having curvy appearances, with large tits and asses. The anthro-rodents giggle and moan, the Pawmi and Pawmo fingering their wet pussies while also groping their breasts.

The Pikachu swirls her tongue around the fox’s, rubbing and caressing his dick. The Pichu nibbles on his neck while the Raichu huffs, squinting.

“Don’t hog him now, Hannah,” she says in a soft yet low tone, being the first one to speak out of the horny pika-rodents.

The Morpeko squirms, her dark fur slowly overriding her brown one. “I agree! We all want him as much as you do, stingy slut!”

Hannah eyes the Raichu and then the Morpeko, snorting before pulling back from the kiss: Saliva trailing. “Relax, Ashley and Tammy: I’m just giving this stud a *very* nice introduction, that’s all~”

Rammy shudders, eyeing the many rodents surrounding him: All thirsting for this fox’s big canine cock. “M-Mm.” He caresses the Pichu’s head. “And what an introduction that was. With the house being all dark and old, you’d gotten me thinking I’ve stumbled into a slaughterhouse by accident.” Gulping, he gazes off to the side. “Haha...”

The slim white squirrel giggles behind her hand. “Oh don’t be silly: This ain’t the slaughterhouse. Far from it,” the pachirisu says, wagging her large tail. “We jus’ wanted the house to be dark for playful suspens’~”

The zorua blinks. “Oh. I see, then.”

The pachirisu grins deviously. "We ar' the *sexhouse*, however. And our thirst for some nice juicy dicks will take a *long* while to settl'."

Rammy blinks once more. "**Oh.**"

GRIPS!

Rammy yaps, eyeing Hannah as her hand strokes the fox's dick firmly. "You're a Sex Helper, correct?" She looks down, licking her lips at the throbbing, pulsating shaft. "Hope you're ready to satisfy all 12 of us at once, mmm." Her tail wags. "Oho, just LOOKING at it is making me act up. Hggn~"

The Zorua smirks. "How about giving it a ride instead of just staring?"

Hannah smirks back, gripping Rammy's head. "I like you already." She presses on him, her pussy nudging and grinding along his shaft.

Rammy grunts, his hands resting on Hannah's ass. "Glad to hear that. Thanks."

The Dedenne's tits nudge his back, the rodent panting and moaning softly. Rammy eyes around: The Minun and Plusle looking at him while grinding their tits against each other, their tongues pressing on one another. Beside them is Tammy biting her lower lip, her eyes fading between black and red, her furs going from brown to black to brown again. A Togedamaru and Emolga let their tongues hang loose, tails wagging with anticipation. The Pawmi evolution line do the same thing, with Pawmo using her other hand to grip Pawmot's ass. The Pawmot gasps, blushing down at the light orange marmot.

Rammy snorts. "So like—" he looks at Hannah. "How do we do this since...there's a lot of you." He scratches his cheek. "Wanting all of me."

Hannah tilts her head, succumbing to thoughts. "Hmmm..." Her fingers snap. "I know: We'll go by order, and I'll be the one to decide." Her hand to her lips, her eyes closing. "Since I'm the leader of the Pikasluts~"

"You *just* now named us that," the Pawmo states, smirking.

"*Hush*, Amy." Hannah clears her throat as Amy snorts. "Anyways: I'll go first. And then Ashley's second, Tiffany's third, Vanessa's fourth, then Michelle, Nancy, Sarah, Rose, Janet, Tammy, Cheryl, Amy, and Heather." Her pussy slides and rubs along the hard shaft, oozing it with juices. "Mmm, any questions?"

"WHY AM I SOOOOOO DAMN FAR FROM MY TURN!?" Tammy exclaims, her fur turning completely black, her eyes going red.

Hannah gives her a smug look, winking. "Because I said so. My rules in our Pikasluts squad~"

"Grr: Fuck off! I'll ride his dick right now!" Just as Tammy's about to push Hannah off, Janet the Togedamaru and Sarah the Emolga holds her back. "H-Hey!" The two kiss her neck and rub her pussy, the Morpeko mewling. Her fur reverts back to the split dark and brown look as she relaxes, the two rodents cupping her tits in unison.

Hannah giggles. "Thanks, you two." She caresses Rammy's cheeks, gazing into him. "Don't mind her: She really craves for sex. Moreso than all of us combined."

"Oh my." Rammy purrs. "Wouldn't surprise me if she was the one who smacked my ass earlier."

"I-I did, mmm~" Tammy answers, Janet leaning down to give her tits a lick.

"See? My point's proven *further* about her~" Hannah grins down, her pussy pleading for that rod. "Anyone else has a question before we start?"

Ashley sighs, folding her arms. "None here."

Tiffany the Pichu shakes her head. "None on my end!" she says in a cheerful manner.

Vanessa the Plusle and Michelle the Minun lift their thumbs, too busy making out.

Nancy the Pachirisu waves her hand, her arm resting on her tits. "I'm a-okay with waitin', hun."

Janet and Sarah give their thumbs-up, licking and sucking on Tammy's tits as the Morpeko mewls further. Tammy is a moaning mess, curling her toes. "F-Fine, I can wait! J-Just don't take, mmm, too fucking long, ladies!" Tammy utters before moaning further.

Cheryl the Pawmi, Amy, and Heather the Pawmot simply nod. "We're cool with waiting, Hannah bunch~!" Amy states, now groping the pawmi and pawmot's ass, the two gasping.

"U-Um." Rose the Dedenne pauses a bit, lifting a finger. "Can I at least stay behind him while you do that?" She pokes her fingers together. "I...w-would love to foreshadow him, honestly." She giggles shyly, wrapping her arms around the fox.

"Hmm..." Hannah winks. "That's fine by me, Rose dear."

The Dedenne gasps, smiling. "Yaaay!"

Hannah pauses the grinding, her pussy aiming at the fox's tip. "Now with that out of the way..." Hannah slams herself down onto the fox's dick, gasping at the length circulating throughout her wet walls. "OH FUCK!"

Tammy yaps. "N-Ngh!?" She glances at her: The yellow rodent biting her lower lip, oozing juices like crazy over the shaft.

"H-Holy gracious, I—" her eyes roll, wagging her tail. "L-Ladies!"

Rammy raises his brow, smirking. "Hmm~?"

Hannah gazes back at him: Her stomach bulging from just the length itself entering her, the knot hasn't even invade her yet, she noticed. "I've taken some mighty, mmm, cocks in the past: This one is on a *whole* other level."

“Oooooo?” All of the electric rodents exclaim, curiosity sparking. Hannah lifts herself before ramming down, her hands clenching the fox’s shoulders. She mewls, riding at a gradual pace.

“Ah! Goodness, this feels amazing!” The Pikachu’s ass wobbles and shakes each time she slams at the fox’s base, her feet clenching the bedsheets in eagerness. Rammy groans, caressing the rodent’s behind, giving it gentle gropes. Hannah huffs, her tits bouncing. “Don’t be soft on me, dear: Slap them like it’s an alarm~!”

“Heh, if you say so.” Rammy gripes those buns before smacking them, Hannah moaning loudly. Her juices spill over the cock at an excessive rate, the rat gnashing her teeth.

“Oh **fuck**, you are so good at thiiiiiiiiiiiis!!!” Hannah speeds up, juices spilling over the side of the sheets from each knot smacks. The knot hits her folds, pleading to infiltrate her.

The Zorua wags his tail, giggling and moaning along the way. Janet and Sarah pulls from Tammy’s tits, saliva trailing, eyes gazing at the Pikachu buckwildin’ on the Zorua. The ladies laugh, fondling Tammy’s asscheeks to keep her at bay.

Tiffany and Ashley eye each other for a moment, blinking. “Oh.” They both simply state. (We might be in for a reaaaaaaaaaaaal treat!)

Hannah strokes the back of Rammy’s head, the knot inching close to infiltrate her. “Oh fuck! Oh goodness, aaah!!!” She wiggles around before slamming nonstop, her tongue hanging loose. Rammy eyes her tits, taking his opportunity to suck on them. Hannah gasps, patting his head. “YES! SUCK ON THOSE MILKERS, DEAR!” The Pikachu can’t help but to cum all over the dick: Juices spraying, milks lactating, and moans roaring. She closes her eyes, her bounces persisting.

Eventually, the knot slips right into her, the fox dumping his seeds throughout her, filling her womb to the brim.

“Mmmf!!!” The Zorua groans, drinking down the milk as his seeds spill out of the pikachu, splashing over the sheets. Some even coat the rat’s asscheeks, landing besides the plus and minus rodents. Vanessa and Michelle gaze at the seeds, the sluts gasping.

“Holy crap,” the duo states, taking their attention to the fox. Rose blushes deeply, gazing at the mess.

(O-Oh my gosh...) Pants. (So much...) She gazes at Hannah’s belly: Slowly bloating itself from those batters. Rose bites her lower lip. (So very much...H-How enticing.) Rose shields her face, her tits continuing its nudges.

Hannah sighs heavily, caressing the zorua’s head. “I’d, mmm, ride you so much more right now. But...” She wiggles, plopping the dick out of her cooch as mountains of seeds spill out. She moans, belly deflating as she rubs it. “My horny friends need their turn, good sir.” Winks.

Rammy leans back, his tongue dripping off milk. He winks back. “Understandable, hun~”

Once Hannah rests beside him, Ashley takes over: Turning around to grind her big ass against the fox's dick. The Raichu smirks. "Finally: It's my turn."

"HEY! THAT SHOULD BE *MY* LINE SINCE I GOTTA WAIT ON NOT ONLY YOU BUT ALSO **EIGHT MORE OTHERS!!!**" Tammy yells, her furs wrestling each other again. Janet and Sarah immediately sucks on her tits, calming the horndog rodent. "M-Mm."

Ashley snickers. "Skill issue." She then lifts her ass up, her pussy oozing juices over the shaft. "Ready when you are, handsome."

Rammy waves his hand around. "Oh I'm *always* ready, beautiful."

"Heh. Giving me a good first impression already." The Raichu wastes little time slamming her pussy down, feeling the large rod circulating around her pussy walls—even the knot slides *easily* into her! "A-Ah!" She moans, wiggling her behind before bouncing away.

PLAPS! PLOPS!

The Zorua's knot hammers the Raichu's insides, curling his toes. Ashley pants, her tail wagging, her tongue hanging. She drools, her booty bouncing. Her teeth gnashes, sparks forming briefly from her cheek pouch.

"Hggn, Hannah wasn't lying!" She pants, Ashley purring happily. "Man, you feel reaaaalll big, hun~"

Rammy grunts, stroking the bedsheets before winking at the mouse. "You're welcome, hehe."

The others watch eagerly, Hannah lying on her side while smirking, fingering her cum-filled pussy. "Regretting it now, Ashley?" she teases.

The tan mouse snarls at her. "Shut up! I'm taking it just fine, aaah~!" Her stomach bulges, the electric rodent gazing down. "Oh god!"

Hannah snickers. "Your loud moans say otherwise, hoho~"

"Humph!"

Rammy raises his hands up. "Hey now, she's doing her best here, mmm." He sighs softly, his head resting between Rose's tits. The Dedenne blushes deeply as Rammy continues, "Besides, she feels really great. Mmm."

"Hah!" Hannah lays a hand to her maw, a smug look painting her. "Perhaps not as great as my own pussy~"

"Grr." Ashley glares, her juices oozing over the shaft as she speeds up, slamming.

"And besides—" Hannah grins. "She's not as **rough** as I am." She simply laughs in a pompous manner, swirling her fingers around her pussy.

Ashley's face grows bright red, fury overcoming her. "OH YEAH!?"

She stops.

"Hmm?" Rammy is soon yanks from Rose's tits. "AH!"

The Dedenne yaps. "Oh?"

Tiffany blinks, scratching the back of her head. "Uh, Ashley?"

The Pikasluts look at the events unfolding: Ashley gripping Rammy's legs, facing him while she stands. The Zorua sweats, his dick remaining within her while under the amazon position. Ashley simply glares at Hannah, grinning.

"Watch. This."

Ashley slowly lifts up before slamming down, quaking her and Rammy's booty. Rammy yelps, his tip hitting the mouse's womb. Ashley screams, lust plastering across her.

"AH, FUCK YES!" She lifts and slams. Lifts and slams. Again and again~

Tammy drools at the sight, biting her lower lip as Janet and Sarah look in awe. "Holy crap," the trio says, moans and groans emanating from the twosome.

"Ekk! Eh!" Rammy pants, sprouting pre-seeds into the Raichu. "S-So eager, ah!"

Tiffany fingers her wet pussy, rubbing her left tit. "No kidding..."

"God, I love it!"

Rose covers her nose, blushing intensifies. (S-Same!)

"Heh!" Ashley giggles. "Glad that you do, handsome!" Ashley drools. "Now fucking *cum*, **dammit!**"

"Mm! Ngh!" The Zorua curls his toes, wagging his tail. "F-Fuck, I'm getting close~!"

Ashley's tits flails and bounces, sparks flying around her cheeks. The anthro giggles. "Yes. Release those babies into me~!" She speeds up, her feet stroking the bedsheets. "**Cum inside of my superior pussy!**"

"A-AAAH!" And cum he does: Filling the Raichu to the brim! Some of the seeds slide out of her pussy and land across the bedsheets, further messing it up.

"FUCK YEAH!" Her teeth clenches, her pussy shredding juices as it gets coated in zoru-seeds. She eyes Hannah, smirking. "FUCK YOU! I'M THE *BETTER* SLUT HERE!"

Hannah snaps her fingers. "Nuh uh!"

Ashley nods. "Yuh uh!"

“NO, I’M THE BETTER SLUT!” Tammy yells, her fur turning dark again. **“LET ME SHOW YOU BASIC BITCHES HOW IT’S DON—”** the morpeko whines, the togedamaru licks her pussy while the emolga licks her anus. “M-Mmm...” Her fur reverts to normal once more.

“Thanks, you two,” Hannah and Ashley state, laughing nervously.

Rammy eyes her: Gulping, his lips quivering. (She is going to destroy me during her turn, huh.) Grins. (Jackpot.)

Tiffany taps Ashley’s shoulders, the Pichu wagging her tail. “Alright. It’s my turn now!”

Ashley slightly glances before nodding. “Sure sure~” She gets off, dropping Rammy’s legs. Seeds pour down from her pussy like a waterfall, the Raichu rubbing her belly. “Phew...” She rests beside Hannah, her hands behind her head. “I needed that though, haha.”

Hannah turns to her, smirking. “I bet you did, sluttypants.”

Ashley glares. “You may be the leader, but we all know who’s the *real* superior Pikaslut here: Me.”

“Hah!” Hannah snorts behind her hand. “My specie name is *literally* within the group’s name.”

“So? Doesn’t mean shit when I’m the one giving our Helper a run for his money.” Ashely glances at Rammy. “Isn’t that right, Rammy?”

Rammy blinks, lifting up. “Well—”

“See? Told you so!” Ashley exclaims.

Hannah folds her arms, squinting. “You didn’t let him finish so that he can say *I’m* the better one~”

“Oh you egotistical—”

The two rodents devolve into a bickering match, Rammy scratching the side of his head. He chuckles. (I think they’re both pretty great sluts though...)

“So, um—” Tiffany pokes her fingers together, wiggling.

Rammy eyes her. “Hmm?”

“I...prefer if you take control when handling me.” She purrs. “Pretty please?”

“Oh.” The Zorua smiles. “I don’t mind, hun.”

“Really!?” The Pichu perks up, jumping with excitement, her tits jiggling. “Sweet! Then I have *just* the idea for you.”

“Hmm...I’m listening.” Rammy says, bringing Tiffany close to him before licking her lips. Tiffany gasps, giggling.

“Mmm...~”

...

“AH! OH! MMM!”

Tiffany moans: Being mating pressed by the Zorua, her feet curling, her tits jiggling. The Zorua’s ass quakes and rumbles, Rammy moaning along. The ladies watch: Their anticipation for their turn marching on. Tails wagging, tongues drooling—the line is *ready*.

“My goodness! I can feel it hitting my womb, aaah!” the Pichu exclaims, a bulge casting within her belly each and everytime. Rammy’s feet clenches the sheets, the fox huffing.

“Hehe, the usual comments I tend to receive~” Rammy grunts, his knot plunging in and out of the rodent’s wet pussy. Ashley and Hannah are groping each other’s asses in an angry, affectionate manner. They pout upon eyeing each other.

“Humph!” they both say, looking back at the sex.

Janet and Sarah fingers Tammy’s retrospective holes, the duo whistling. “My my, what an expert he is,” Janet states in a soft tone.

The emolga chuckles. “Well duh: He’s a Sex Helper, after all! They’re *supposed* to be good at this.”

“I mean, fair point, but...” The Pawmo lifts a finger. “The previous one was a coward when I wanted to ride him after he’d fucked Cheryl, hehe.”

“TRUE!” Sarah exclaims. “That Helper was just garbage in general. Dude couldn’t even handle Rose, and she’s the SHYEST one here.”

“I know, right!?” Janet snickers, the Togedamaru shaking her head afterwards.

Amy laughs along before moaning to Cheryl and Heather sucking on her tits, the Pawmo caressing their heads. “Don’t worry: We’ll get our chances to have some hot, saucy sex with that stud over there.” Her ears flicker to the Pichu screaming, grinning. “It’ll just take us *awhile* to get there. But will be soooo worth it, mm~”

The Pawmot withdraws, smirking as milk drips down her cheeks. “Absolutely.”

As Heather goes back to Amy’s tits, Rammy rams and slams into the Pichu, pre-seeds circulating throughout her. Tiffany shivers, rubbing the fox’s shoulders.

“Ah! Oh goodness, yes! More! Please keep giving me *more*!” She mewls, sparks flying around her cheeks yet again.

“You don’t have to tell me twice.” Rammy quickens: His tip slapping and smacking the rodent’s womb, the fox clenching the bedsheets while wagging his tail in glee. His dick twitches, his climax approaching.

“Nghh. Ah!”

“I’m going to cum, AAAH!!!” Tiffany screams, squirting her juices over the Zorua’s shaft.

“Same here, AH!” Rammy kisses Tiffany deeply, shoving his whole cock into her and unloading a massive amounts of cum. The electric rodent jitters, mewling with embrace.

“Mmmf!!!” Her eyes close, her belly inflating a bit. Some of the seeds spill out, further painting the bedsheets. (He. Is. AMAZING!)

Vanessa and Michelle eye each other: A thirsty grin spreading across their faces.

“This will be fun,” the plusle and minun state, their voices light and similar. The two then kiss each other briefly, tails wagging with anticipation.

Once Rammy pulls his cock out, he cums a bit more over the Pichu, groaning. “Whoops! Didn’t mean to do that, haha.”

Tiffany rubs his sweet seeds over herself, giggling. “It’s alright. I enjoy some cumbath here and there, after all~”

Hannah and Ashley frown. “Hey!” The two fold their arms. (Wish I had a cumbath during my turn,) they think.

The plus and minus rodents crawl up to the Zorua, already wrapping him in their embrace. Rammy eyes them: Vanessa’s tits rubbing his arm while Michelle’s tits grind his chest, the Minun kissing him on the cheek tenderly.

“In what way,”

“Would you like to,”

“Fuck us,”

“Rammy~?”

Vanessa and Michelle say in those exact orders, gazing with temptation. Rammy contemplates in thoughts, his snout inching close to Vanessa’s. He smiles.

“Hmm...~”

...

Rammy and Vanessa moan together: The Zorua carrying the Plusle while on his knees, groping her asscheeks. He rams into her pussy, Vanessa stroking his shoulders as if hanging on for her dear life. Michelle lies on her side, kissing and licking the kitsune’s fat balls. The red cheeks rodent squeals, her walls gripping the shaft.

“Ah! So big!” she exclaims, her tits bouncing up and down.

“And so tight, ngh!” Rammy states, his knot rushing in and out of her pussy. Vanessa curls her toes, her legs wrapping around the fox, locking him.

“Thanks, you hunk!” Vanessa wags her tail, giggling.

“Looking forward to when it’s my turn~” Michelle moans, kissing the constantly-smacking-against-her-face balls.

Rammy grunts, dumping pre-seeds into the Plusle. “Oh don’t worry: It *will*, pretty soon~”

Nancy and Rose watch on, the Pachirisu groping the Dedenne’s tits, grinding her own against her back. Rose shudders, biting her lower lip. “I look forward to ma turn, too!” Nancy exclaims, the Pachirisu wagging her tail while she grips and fondles Rose’s tits, giggling.

Rose yaps, giggling as well. (S-So rough, aren’t we?)

The fox keeps going, speeding up. Plopping in and out, in and out: Vanessa howling in pleasure at the kitsune’s penetrations. Her stomach bulges, her hand stroking the back of his head. “I-I’m going to cum, handsome!”

“Same here!”

And so Rammy dumps his jizz throughout the rodent, keeping his thrusts going while mewling. Vanessa moans loudly, coating the dick and balls with juices. Michelle pulls back, her tongue hanging loose, her eyes closing. She embraces the seeds and juices spraying all over her, leaving her hands out like the slut she is.

“Fuuuuck, I loooooove seeexxx~!” Rammy yells, thrusting more and more before eventually slamming his whole shaft into Vanessa, knot and all.

“**OH!**” Vanessa yaps, shuddering at her filled state. She leaves her tongue hanging, panting heavily.

As the trios switch positions, Nancy nibbles on the Dedenne’s neck, causing her to yap.

“He’s a keeper, ain’t he?” the squirrel says.

Rose twitches her ears, loud moans being exchanged from Michelle as she gazes at Nancy. “I-I suppose so, yeah.”

Michelle is seen being on topped of Rammy in reverse cowgirl: Her feet clinging onto his knees, the Zorua hammering into her like no tomorrow. Her pussy grips around his shaft, coating it in juices. Vanessa makes out with Rammy while he holds Michelle’s waist, his tongue pressing the Plusle’s.

“Mmf.” The Zorua deepens his thrusts, his knot sliding in and out of the rodent. Michelle’s eyes roll up, her tongue sticking out.

“Ngh! Ahgh!” Is all she can utter out, already resulting into a moaning horny mess.

Vanessa fingers her cum leaking pussy, borderline drooling in the kiss. The trio moans and groans, the fox spewing several pre-seeds into the Minun. Nancy finally frees Rose’s tits, swaying her hips.

“The anticipation is killin’ me!” Nancy shouts, sparks flying over her cheeks, squirming. “God, I wish it was ma turn right now.”

Tammy pouts at that statement, the Morpeko folding her arms while the other two rodents are hugging her. “Hmph. Now you know how I feel...”

Rammy speeds up: Michelle huffing and mewling left and right, her tail wagging nonstop. Soon, the Zorua cums passionately into her, filling her to the brim as she does a peace sign, her eyes rolling up.

“AAAH!!!”

Rammy slows his thrust, pulling away from the kiss as saliva trails. He takes his gaze towards Nancy, who simply lays on her back and spreads her legs: Beckoning the fox.

“Come here, sugar~”

“Heh.”

PLOP!

The Zorua’s dick pulls out of Michelle, Rammy setting her beside Vanessa before crawling over to Nancy. Vanessa and Michelle immediately kiss each other, their tits grinding and nudging one another, their pussy leaking fox seeds messily.

Rammy climbs on top of the Pachirisu, his dick nudging her pussy. He kisses her gently, Nancy embracing it while wrapping her arms around the fox’s neck. The fox then slams into her, pounding her away.

“Mmf~” Nancy exclaims, gazing into the fox’s blues. Her stomach bulges, her womb being smacked and hit by the shaft’s tip over and over. The duo’s tongues rattle one another, Rammy cupping up the Pachirisu’s tits.

Sarah shivers, the emolga biting her lower lip. The Pawmo eyes her, snorting.

“Looks like someone’s looking forward to her turn soon,” Amy says, grinning.

Sarah nods. “No kidding!” She snaps her fingers. “Look: Dick is dick, and I’d be down for it shoving into me. Especially in my pussy...” The Emolga sighs, gazing up the ceiling. “*Especially there, mmm~*”

“Oh really now?” Rammy says, catching the Emolga off-guard at his sudden voice. She takes her attention back towards him: The fox simply giving her bedroom eyes as he slams into Nancy, his climax nearing, several pres leaking. “If that’s the case, then—” he slams, ushering another crazy load of seeds throughout the Pachirisu.

"I look forward to fucking it right now~"

"Ooho!" Sarah perks up, giggling at the comment.

"AAAH!" Nancy mewls, stroking the fox's shoulders. "That's right: Cum so much into me! Just like that, mm!!" She caresses her belly, feeling it bloat. "So much batter, hehe."

Sarah looks at the Togedamaru, winking. "Looks like I'm up. Make sure Tammy doesn't go wild nor anything."

Janet salutes. "I will!"

Tammy grumbles something underneath her breathe before sighing. Once Rammy pulls out of Nancy—with many seeds spilling out of her wet pussy, Sarah leaps onto the fox, leading him to carry her.

"Whoa!"

Before the fox can say anything else, he's met with a kiss from the emolga, the zorua letting her take over. "Mmmf." He gripes her asscheeks, his dick hotdogging those buns.

Sarah giggles, wagging her tail while purring. Rammy slides his dick *right* into her pussy, lifting her up and down. Her ass quakes and shakes, the rodent mewling loudly. Her breasts rub his chest, the woman's eyes rolling up in bliss.

"Mmmf!!!"

She curls her toes, her legs wrapping around the fox. Rammy wags his tail, smiling while ramming deep into Sarah, his knot further stimulating her. Hannah bites her lower lip, the Pikachu eyeing the sex in intrigue.

"Dear *fuck*, this is quite hot~" she says, gazing upon the kitsune slamming the flying squirrel onto his messy, fluid-drenched dick. Hannah grins. "I may have another go at him once he's done with her~"

Tammy glares at the rat. "HEY! Don't you fucking *dare*! Rose, I, Cheryl, Amy, and Heather hasn't gotten a piece of him yet!"

The Togedamaru rests her arm over her breasts, snorting. "Forgetting about me, Tammy?" Janet says.

The Morpeko snarls, her dark fur slowly coming back. "You shut the hell up, Jan—Aaah!" She's kissed on the cheek by the steel rat: Her pussy being fingered, her tits fondled—her fur reverting back its split brown and black state. "H-Humph..."

"Patience, dude! Your turn is almost there!" Heather shouts, the Pawmot eyeing the duo. She pants, rubbing her pussy. "Oh it'll so be there, mmm..."

Rammy pulls from the kiss, saliva trailing. "My my, you ladies are certainly, mmm, eager for me."

"Why of course we are!" Sarah strokes Rammy's cheeks, grinning. "We are **dying** for dicks! And the fact

you haven't tapped out yet..." She licks his lips, causing him to moan as pre-seeds enter her. "Makes our sex so much better~"

"Ngh." Rammy speeds up, panting. "Lucky for you: I don't intend on tapping out anytime soon!"

"Good." Sarah shoves Rammy's head between her tits, arching her head back. "Now keep fucking me like the beast you are, AAAH!"

The Emolga's juices spray over the Zorua's cock, the woman clenching her teeth. Rammy sighs, blushing. His dick plunges more and more, smacking the insides of the rodent's pussy. Eventually he pulls back before ramming into her deeply, pumping loads of cum.

"Nyaaah~!" the two moan, climaxing in ecstasies.

"Oooh fuck me, I can feel it filling my womb! AH!" Sarah mewls, her belly expanding.

Nancy watches on, scooping up the jizz from her pussy, licking it. "What a fine man he is for treating us~" She snorts, eyeing Rose. "Ain't that right?"

The Dedenne blushes, poking her fingers together. "Ehehe, y-yeah."

Sarah simply lifts Rammy's chin and kisses him deeply, both moaning passionately. Rose shudders, eyeing the two quietly. After what feels like hours, the Emolga withdraws, winking at the Zorua.

"Mmm..." She points at the Dedenne. "It's her turn, hun."

Rammy looks towards Rose, the Zorua giving her looks of seductiveness. Rose perks up, waving shyly.

"H-Hi."

"Hello."

Rammy withdraws his dick, rubbing his snout against Sarah's before laying her down. He heads over to Rose: His dick nudging her wet pussy, his chest touching her tits. The Dedenne yaps, their faces being close.

Vanessa rubs and gropes Michelle's tits as she says, "Try to go a little soft on her. She's the timid one here~"

Rose pouts softly. "Y-You didn't have to tell him so bluntly, Vanessa!" She sighs, smiling at the fox. "But yes, do...try to be a bit e-easy on me compared to the others."

Rammy nods, resting his hands on her ass. "Will do, beautiful."

Rose gasps, giggling softly. "Th-Thanks."

...

Rose moans and moans, her hand caressing the back of Rammy's head. She's being spooned by him, his dick sliding in and out of her pussy, juices leaking.

The Zorua gropes the rodent's left tit, fondling gently while he nibbles her neck. The Dedenne wags her tail, a faint blush painting her face.

(O-Oh crumbs! His cock is so...b-big!) she thinks, her belly bulging each time his tip hits it. Her behind jiggles with each hip thrust, the dedenne biting her lower lip. (It'll destroy me, hggnh!)

Ashley sighs while Tiffany sucks her tits, the Pichu's eyes closing. "Man, I miss his dick already," the Raichu says, folding her arms. "When will I get to joyride it again?"

Tammy snarls. "Not before I do, that's for sure!"

Ashley raises her hands. "Right, right! You still need to have your turn. My bad."

Rose's moans persist as Hannah says, "Let's calm down, Pikasluts. We're so pent up, but we must go along with the turns for convenience sake, alright?"

"Humph, fair enough!" Tammy and Ashley say.

The dedenne pants: Drooling and mewling like the subby slut she is. Her toes curl, her juices spraying over the cock further. "A-Aah!"

Rammy's dick twitches, his climax inching, purring. "Came already?"

"I-It was—" Rose blushes, stroking the fox's head. "Kiss me. Pl-Please."

Rammy smiles. "As you wish~" The Zorua brings her into a deep, passionate kiss: Slamming his whole dick into her, pumping her full of sweet fox batters. Rose yaps, moaning loudly into the kiss as her eyes close.

(S-So rough...yet so considerate!) Rose shudders. (He's an amazing Sex Helper, u-unlike the ones we were with b-before!) "Mmf...Mmm."

Some of the cum spills out and lands on the sheets in a waterfall manner, the two remaining in place, moaning. Janet blinks, realizing her turn is approaching. She then smacks Tammy's butt, causing it to wobble.

"Your turn is almost there," the togedamaru says, winking. "He just gotta take care of me now, hehe."

Tammy shivers, growling with lust. "I **know**." She takes a deep breath, waving her hands at the Togedamaru. "Well what are you waiting for!? GO FUCK HIM!"

Janet wags her tail, giggling. "Hehehe."

Rammy and Rose's eyes close, embracing their kisses: Tails wagging, tongues connecting—overall giving into sweet tenderness. That is until something taps the fox's shoulder, leading him to pause the kiss.

“Mmm?” He looks behind him: Janet standing there on her knees, juices drizzling down her legs in such a downbad manner.

She waves. “Hiya: It’s my turn now.”

“Ah. Gotcha, then.” Rammy looks at Rose. “Apologies that I couldn’t extend that kiss further.”

Rose shakes her head. “No no. I-It’s...okay.” Nods. “I-I don’t want to take up more of the others’ time. Especially Tammy’s...she *really* wants you, so I get it.” She laughs softly. “P-Probably best to not prolong this further, haha.”

“YOU *THINK!*?” Tammy pouts, puffing up her cheeks. This causes the Pikasluts to laugh, the Morpeko groaning further. “JUST HURRY UP AND FUCK THE METAL RAT ALREADY!”

Rammy giggles softly, pulling his dick out. Rose grunts as the Zorua says, “Yeah. Gonna go ahead and take care of that asap, hehe.”

Janet sways her hips, her arm behind her lips. “Mmm, hehe~”

...

“AH! NYAH! AAAH!”

Janet screams and moans, Rammy stroking her ass while thrusting into her from behind. Her tits shift back and forth, the togedamaru being on all fours while her walls clench around the shaft, her folds shuddering from the knot.

“Oh goodness, yes! Fucking this pussy up amazingly, Rammy!” Janet shouts, gripping the sheets.

Rammy massages the togedamaru’s ass, giving those big buns a nice smack every now and then. Janet yaps, letting out soft giggles along the way. Her behind quakes and ripples, the rodent biting her lower lip.

“Mmf. Fuck, I swear you ladies’ pussies are just a neverending heaven,” Rammy’s balls slap against the folds, the fox purring.

Janet sparks electricity around her cheeks. “Glad that we could service ya.”

Tammy gnashes her teeth. “I HAVEN’T GOTTEN MY PUSSY PUMPED BY HIM YET! THE FUCK YOU MEAN!?”

Amy gets behind the Morpeko, massaging her shoulders and nibbling her neck. “Relax, horny bunch: You’ll get your chance.” Snorts. “You’re *literally* next in line.” The Pawmo groans at Cheryl suddenly eating her pussy out, wiggling her behind.

“Yeah, like, you’ll be stuffed silly, doll,” Michelle says, waving. “You’ll be fiiiiiiiine.”

Tammy grumbles, her eyes glancing intensely at the duo. Rammy and Janet groan: The zorua panting,

the togedamaru purring. Rammy wags his tail excitedly, his toes curling.

"Fuuuck, this hits really greatly." Rammy spews several pre-seeds into Janet, his climax inching, his cock twitching. "Ngh!"

Janet rolls her eyes up, her tongue hanging as she drools. "Hell yeah! Hammer this Pikaslut up real good, honey!" She then yaps to the fox suddenly groping her tail, the thrusts intensifying further and further. "OH!"

"Aah!" Rammy speeds up, jamming into the steel rodent's pussy. "Goodness, I'm going to cum real soon, beautiful. Hope you're ready, mmm!"

Janet giggles. "Oh I'm so ready for your batters! Let em' rip, stud!"

"Mmmm!" Rammy releases his lovely seeds throughout the rodent's pussy: Moaning loudly as he keeps going. A couple of jizz spill over Janet's asscheeks along with the bedsheets, the Togedamaru shivering.

She mewls, squirting juices all over the fox's dick. Janet curls her toes, forming an 'ahegao' look. "Fucking *immaculate*, dude! Hell yeah, ngggh!"

Rammy groans, pounding the togedamaru eagerly.

Tammy pounces up, growling. "Wait a second: HEY! **IT'S MY TURN TO GET FUCKED! WHAT ARE YOU DOING!?**" She makes a mad dash towards the fox, catching Amy off-guard.

"E-Eh!?"

Rammy quirks his brow. "Hmm?" He slows his thrust, turning to his side at a ragingly thirsty rodent. "Oh?"

He gets tackled, Janet flinching in response.

"What the hell?" she says.

...

Tammy strokes the fox's chest, bouncing on his cock with aggression. She slams and rams, her pussy clenching around the menacing big meat as she strokes the bedsheets with her feet, juices spraying over the shaft. Her tits bounce, her pants rushing out of her.

"Hghn! AGH!" Tammy rolls her eyes up, her tongue hanging loose as saliva drips.

Rammy groans, stroking the sheets. He smirks at the rodent. "So. Eager." He laughs, his tip hitting the rodent's womb. "Fuck, that's hot~"

Tammy huffs, her dark fur slowly taking over. "You'd better like it, mmm!" Her stomach bulges, her ass quaking at each ride she's giving the fox. "Because I'm going to **fucking milk your dick dry and then KEEP riding it!**"

“O h—“

Rammy blushes deeply, his dick jetting pre-seeds into her early. (Holy shit, she’s horny HORNY! She’s in heat!) His lips quiver, mewling. (Words can’t describe how damn hot that is, nggh.)

“Ggrrr!” Tammy snarls: Her teeth clenching, her tits jiggling as redness covers her eyes. “Cuuuum. CUUM ALREADY!” Her juices ooze out further, painting the fox’s crotch.

“AH!” Rammy’s dick twitches, his climax inching close. “Fuck, this is beyond hot! Holy shit, keep it up!”

“AAGH!!!” Tammy speeds up: Growling and mewling along the way, her asscheeks rumbling like a tremor.

Rose and Cheryl blush at the display, covering their lips. “O-Oh dear...” the two say: Stunned beyond belief.

Hannah laughs, covering her lips in a splendor manner. “My god, Tammy: You are fucking *thirsty*, might I say!”

“**SHUT THE FUCK UP, HANNAH! NO ONE ASKED!**” Tammy grips Rammy’s shoulders, leaning down close to his face, her tits nudging his chest. “**CUM, GOD DAMMIT! CUM, CUM—CUUUUUUUUUUM!!!!**”

“A-Ah!”

And cum he does: Spraying sweet, messy batters all throughout the Morpeko’s pussy. She keeps slamming as he moans, many jizz painting across the bedsheets along with the electric rodent’s pussy. She forces him into a kiss, her Hangry form fully taking over, red eyes and all.

Rammy mewls, letting the kiss persist. Amy flinches, seeing the Morpeko isn’t stopping her rides anytime soon.

“Uh...”

“H-Hey! It’s my turn now, Tammy!” Cheryl exclaims.

“Yeah, girl! Now you’re being the one hogging the fella from us!” Heather pouts playfully.

“SHUT!” Tammy exclaims between kisses, her tongue grinding the fox’s: Overpowering him. Rammy trembles in place, eyes rolling up.

(HEEEEEEEEEEEEEEEEEEEEEEEEEAVVVVVVVVEEEEEEEEEEEEEEEEEENN.) Is all the fox can think, the dark rodent taking full control of him as her belly fills up a bit. Amy and Heather eye each other, squinting before heading over to Tammy.

“Aight. Guessed we have to force ya off.” Amy grabs Tammy’s arm, Heather tugging the other. The hamster hisses, squirming.

“**NO! HE’S MINE! MINE, I SAY!!!**” Tammy shouts, struggling under the fighting type rodents as the dark fox’s dick plops out of her. “**AAAH!!!**”

...

Amy and Heather nudge Rammy's arms as the Zorua grinds his dick against Cheryl's pussy, rubbing her tits. The Pawmi shivers: Gazing upon the fluid-coated dick that's hungry for more holes. She blushes, biting her lower lip.

"O-Oh goodness me..."

Tammy is seen shivering behind the trio: Vanessa and Michelle lying on top of her while sucking on her tits, fingering the Morpeko's cum leaking pussy. Tammy's back to her Full Belly form, calming down. Although, some horniness lingers within her as she moans.

Amy kisses the fox's neck, her tail wagging. "Treat her *real* good, Rammy."

Heather whispers, "Despite her timidity, she does like it real rough, hehe."

"I-I can hear you, you know." Cheryl covers her face slightly, her legs spreading to give the Zorua some room. "A-Anyways, please do your worst, Rammy...~"

Rammy licks his lips, lifting his hips and slamming into the submissive Pawmi. She mewls, her pussy clenching around the shaft as it slides in and out of her. The fox groans, shivering at the Pawmo and Pawmot nibbling his neck. Rammy sighs, the kitsune wagging his tail.

(Can't stress this enough: I am in *heaven*,) he thinks, his ass receiving a rub from Amy and Heather: Groped and squeezed. The fox purrs, going to town on the Pawmi's pussy.

"That's right, hun: Fuck that slutty, submissive mouse~" Amy whispers.

"Yes. Hammer her up like a screaming banshee!" Heather whispers as well, her tail wagging.

Amy quirks her brow. "'Banshee'? Really?"

The Pawmot giggles. "What? It's the best I can come up with, hehe~"

"Come up with a better dirty talk than that, sweetie! Shit's making me feel un-harden right now."

"'Un-Harden'?" Heather tilts her head. "Didn't know Harden had an alternate move."

Amy squints. "Not what I meant, jackass."

Rammy snorts at the ladies exchange while Cheryl mewls along the way. Her stomach bulges, her eyes gazing at it. Cheryl's tits bounce, her toes curling.

"O-Oh goodness, you're big! So, mmm, d-damn big!" Her teeth clenches, squirming. "Nyaah..."

"Mmf, thanks!" Rammy speeds up the pacing: His knot sliding in and out of Cheryl, twitching at its inevitable release. "Nghh!"

Amy purrs happily, her tail wagging. "Yes! Fuck this bitch up, Rammy!" She strokes his chest as Heather breathes on him, both moaning. "Make her scream as you cum so hard!" Amy grins.

Rammy closes his eyes: Groping and clenching the Pawmi's jiggling tits. "Nggh."

"Right—"

The Zorua slams.

"About—"

The Pawmi blushes.

"Now—"

Rammy rams into the rodent deeply, exploding another chunk of cum throughout her. "AAAH!"

Cheryl screams: Painting the rod with her juices, her belly bloating as many of those batters spill over the sheets.

"O-Oh god! S-So much is inside of me, nyaaah!!!" Her tongue hangs loose, having hearts for eyes.

Amy licks her lips: Staring in amazement. "*Perfection.*" Is all she utters. "I'm impressed that you've managed to cum into not one, not two, three is child's play—" her tongue hangs loose in lust. "**11** of us and still not get tired. Hell, you still cum as hard as you did to Hannah!"

"I know, right!?" Hannah exclaims. "This Sex Helper is a gift from life itself, ohohoho~"

"N-No kidding, a-aah..." Cheryl can barely speak: Panting heavily like the horny slut she is.

Rammy simply sway his hips, purring. "Thanks, beauties~"

Amy taps the fox's shoulder, his eyes turning to her. "But you ain't done yet: You still got Heather and I to take care of, teehee~"

The Zorua smirks. "Heh. You're right." He yanks his cock, cum splashing out of Cheryl like a water hose. She releases her moaning scream again, some of the seeds landing between her big tits. Cheryl lies there, panting while gazing at the ceiling.

(Fuck...) Is all she can think, smiling in satisfaction.

...

Amy clings to the anthro zorua: Her arms and legs wrapping around him, the rodent burying him into her breasts as she moans. Rammy thrusts and rams, resting on his behind as his legs spread: His arms wrapping around her, too.

"Mmmf!" As he carries the Pawmo, Heather rests on her elbow watching the two: Her legs lifting up and

down, a smile spreading across her.

The Pawmot sighs. "You look cute when you get fucked silly, you know?"

Amy huffs, smirking at Heather. "Fuck you too, Heathy~"

"The irony of that response right now~"

The two snort and giggle, Amy's belly getting poked each and every time by the fox's throbbing and raging wood. She bites her lower lip, her juices leaking.

"Man damn!" Amy pats his head. "Such a good little Sex Helper, huh? You have so much stamina and dexterity to continue fucking us, hehe."

Rammy motorboat the Pawmo's tits, eyeing her up. "What can I say? I've been born with it along with a rapidly producing cum that never ends~"

"Oh?" Amy tilts her head in intrigue, grinning. "I see, then. How fascinating~"

PLAP PLAP PLAP *PLAP!*

Rammy never ends with his thrust spree, even after the dumping several pre-cum into the Pawmo. Sounds emanate from it, further turning the pika-ladies on. The Zorua grits his teeth, speeding up.

Amy moans softly, nuzzling him. "That's it, love. Speed that thrust up." Pants. "Fuck me up so hard that I get knocked up in the past~!"

Heather blinks. "Don't you mean 'future'?"

Amy lays a finger against her lips. "Shhh, don't ruin the dirty talk analogy, mmm!"

The Pawmot giggles, continuing to watch her friend being pulverized by the sexy fox. Eventually, Rammy slams into the Pawmo: Dumping his massive flood of cum throughout her.

"O-Ooo!" Amy yaps, her pussy continuing to be pounded by the fox as she purrs: Her lips quivering, her eyes rolling up. "That's it, mmm! Fill this lady's pussy with your fox batters. This mouse's womb needs all the company she can get, mm~"

"Nyaah...~" Rammy mewls, curling his toes in delight.

Heather lifts a finger. "Hey now, try not to get *too* into fucking her: You still have me up next, handsome!" Her tail wags.

The fox slows down, groaning. "Haha...You're right, mmm." He then pulls his dick out: Many previous seeds jetting out of the mouse's pussy, spraying everywhere.

Amy murr. "Excellent job, Rammy. You've exceeded my expectation so much~" She pats his head. "Go fill her up next, tiger."

Rammy winks. "Will do."

After he sets Amy down, he heads over to Heather: Licking her lips before caressing her tits, purring. The Pawmot purrs back, winking.

"Looks like I'm the last one for you to fill, hun." Heather sway her hips. "Give it all you got!"

"Hehe, I intend to as always~"

The two then kiss each other, groping each other's asses along the way.

"Mmf," they say.

...

Rammy's feet grips the sheets: The Zorua ramming and slamming into the Pawmot's pussy, his back facing towards her. Heather is on her back, mewling while her lower body is lift, her legs spreading. The two are in a reverse amazon position as the marmot's legs quiver, her pussy spreading due to the knot plunging in and out. Heather curls her toes, eyeing at the bulging belly.

"H-Holy crap, Rammy!" Heather grips the sheets, huffing. "I don't know WHAT kind of idea of yours' this is, but I'm loving it right now!"

His ass hits the rodent's many times, both quaking in response. The Pikasluts stare in amazement, exchanging giggles.

"I concur, Heather," Hannah exclaims, grinning behind her hand. "Quite the enticing sex position you thought up there, Mr. Rammy!"

The Zorua purrs, his tip smacking against the Pawmot's womb over and over. He gazes ahead at the walls, his tongue hanging loose. "Ah, it's, mmm, nothing really. I do this a lot with some friends of mine~"

"Oooh? A Sex Helper that has friends?" Hannah tilts her head.

Rammy eyes her: Winking. "With benefits, of course." He pumps pre-seeds into the Pawmot as she lets out a soft moan, her tits jiggling back and forth.

Tiffany perks up. "That's pretty neat!" Her tail wags, the Pichu smiling with glee.

"Thanks. It indeed have its perks, and I'm pleased with them~" The kitsune quickens, ramming and slamming into Heather over and over. He moans, his cock twitches, his climax nearing.

"Oh! Ah!" Heather gnashes her teeth, her eyes rolling up. "I think I'm going to—AAAH!!!" She splashes juices all over the fox's dick, some even landing onto her face. "Oh goodness fuck: YES!"

"Ngh!" Rammy unleashes his seeds throughout the Pawmot's pussy, pounding away as he mewls. "Holy shit, YES!!!" he exclaims, purring in delight. Many jizz spills out and coats the rodent's face and tits,

Heather mewling happily.

She licks those batters, shivering. "So sweet, mhmm!" Heather giggles, purring.

Eventually the Zorua slows down, moving his hips up before slamming one more good time.

"Aaah...~" He simply says: Tail wagging, staring up the ceiling in bliss. "That feels *just* right, mmm."

The fox lifts his ass: His dick plopping out of the Pawmot's hole, cum gushing out as her body falls completely.

"Mmm...Thanks, Rammy~" Heather says, waving.

Rammy smirks. "No problem, beautiful!" The kitsune hops off the bed, stretching. "Well since I've satisfied all 13 of you now," he grabs his shirt and shorts. "I'll be heading out no—"

A hand to his shoulder.

"Hmm?" The Zorua blinks, turning around.

"Oh Rammy, you poor, poor Helper..." Hannah grins, gazing into the fox's turquoise. "Don't you realize *who* you've had sex with?"

"Uh...My lovely customers in need for satisfaction?" His head tilts.

"Yes: We are *far* from satisfied."

The fox's brow quirks. "But didn't you all enjoyed my fucks like it's candy?"

"Yes, but..." Hannah gazes down at the fox's dick, twirling her finger around the tip. "That was merely the beginning: **We're *just* getting started.**"

"Oh?"

Rammy eyes the rest of the Pikasluts: Ashley winking, Tiffany waving, Vanessa and Michelle sliding their tongues between their fingers, Nancy swaying her tits, Sarah wiggling her ass, Rose holding her hands together with a smile, Janet swinging her hips while giggling, Tammy groping her own tits while snarling, Cheryl blushing behind her hands, Amy smirking, and Heather blowing kisses.

He turns back to Hannah: The Pikachu resting an arm over his shoulder, kissing his cheek. The fox purrs, shivering.

"Oh."

"Get ready, darling." The electric rodent's mouth widens, her grinning intensifies. "**Because you're going to be here for a long, *long* while.**" Her tongue hangs out.

Rammy blushes deeply, biting his lower lip. He has one more thing to say:

“Oh fuck.”

From there, all 14 of the anthro Pokemon go through many scenarios: Rammy sucking on Nancy's tits while pounding Amy, Hannah sitting on Rammy's face as Ashley rides him, Tiffany clinging onto the fox riding on him while Michelle eats his ass out, Cheryl and Rose making out with each other as Rammy laps up Rose's pussy, Rammy making out and fucking Tammy while Sarah massages his ass, Vanessa and Heather tongue kissing each other as Rammy pounds the Plusle's ass, Rammy mating pressing Janet as the Pikasluts watch on, etc.

Just when Rammy thinks he's done, the Pikasluts all jump on him: Showering him with tits before going through the sexual stuff again.

. . .

“Mmm. MMMMM!”

The room is a cum-coated *mess*: Seeds and juices littering over the walls and dressers, including the bed itself. All of the Pikasluts stare at Rammy having Tammy in a lotus position: His toes curling, his hand stroking the back of her head as he thrusts roughly into her, panting between her tits.

Sounds emanate from the dick pulverizing the pussy: Cum splashing and splashing out, spilling over the sheets further. Tammy's in her Hangry form, her red eyes glancing down at the fox. She growls.

“Fuck me just like that, you cum giving slut!” she exclaims, her legs trapping the fox. **“Keep it up! Hgggh!!!”**

Rammy blushes in delight, caressing the rodent's back. All he can think of while the sluts fingering themselves is this:

(This will forever be my life~)
