

## A Very Naughty Vixen proudly presents: “The innocent little vixen and the horny human beast.”

---

The innocent little red fox vixen had just taken a nude bath in a secluded lake, not far from her den. She was on her way home when she ran into a naked human on the beach. She froze stiff and just stood there and stared at the human beast.

Normally, she would have run away from the beast, but he was naked, and she had never seen a naked human before. The curious vixen moved closer to get a better look. Her wet auburn fur was clinging to her body and showed the curves of her foxy little body very nicely.

The human stared back at the naked vixen, and he seemed to like what he saw. His manly extension started to grow. The little vixen was half the size of the human beast and his rapidly growing erection was practically poking her on her nose! The rumors were true! Humans had huge penises! She couldn't take her eyes from his huge throbbing erection!

The human beast laughed,

“What’s the matter, fox-girl? Have you never seen a cock before? Don’t be afraid! It doesn’t bite!”

The vixen giggled nervously.

"I have experienced some vulpine ones, but never a human one!" she admitted.

“Well... have a good look then! Don’t be shy; you may even taste it if you like! Come on, I know you want to taste a real man! Just be careful with your sharp fangs!”

The vixen sniffed the human’s manly extension. She then licked length of the throbbing shaft, and kissed the bulbous head, causing the cock to grow even bigger.

“So that’s what a real man tastes like? You humans sure smell funny, but you taste great! That thing of yours is quite large, isn't it? Are all human... cocks that size?" she whispered.

"Mine's about average, but don't worry, I think it is small enough fit inside you. Do you want to give it a test ride and try it out for size?"

“What do you mean? Try it...? Inside of me...? You can’t be serious! That thing is HUGE! It won’t fit inside my little foxhole! I can't possibly take it. You'll rip me in two!”

The human had never had sex with a vixen before. It would be interesting though, to see if he could bring her to climax with his human cock.

“Don’t be afraid, I’m not going to hurt you! You are such a pretty little vixen. I’ll bet your fur is soft as silk. I hope you don’t mind...?”

He stretched out his arm and petted the pretty little vixen. She seemed to enjoy the attention, and purred with delight. She didn't seem to mind that his hand caressed the insides of her legs...

"You are dripping wet between your legs! I think your wet vulpine vagina needs some attention! Turn around, raise your tail and give me your pussy! I have never had a vulpine one before!"

The poor vixen was horrified. She had never even considered the possibility of having sex with someone of a different species. Especially not with a human furvert! To make matters worse, whether she wanted to or not, she was starting to get turned on.

"Now, be a good fox-girl and let me fuck that tight little pussy of yours! Don't worry, I'll be gentle..."

Her pussy was hot and wet from the way she had been treated earlier. She realized that her traitorous pussy was going to have that big human cock no matter how much her mouth protested. She was already dripping wet and ready for penetration.

The inexperienced vixen trembled with a mix of fear and anticipation. She wasn't a virgin; she had had sex a couple of times before, but always with fellow foxes, never with a human! She couldn't believe that she was about to let a dirty human beast have his way with her!

She was intimidated by his HUGE monster penis, but it was too late to have second thoughts! She could already feel his hardness pressing against her furry foxbutt and her vulpine vagina was wet and willing! She raised her trembling tail and felt him slowly thrust into her. She was scared stiff but she let it happen!

The sensation of having her vaginal walls stretched unnaturally caused the young vixen to tremble involuntarily. She screamed at the invasion. Hearing her horrified shriek as she realized what was happening, the horny human commenced to happily fuck the vixen, blithely assuming that her wriggling and screaming was due to her ecstatic emotions.

The human already knew that the vixen wasn't a virgin and had no hesitation in driving himself firmly into her reluctantly waiting passage. Even so, he was surprised that she was able to take the entire length of his thick throbbing shaft inside her little foxhole.

Worried that he might be hurting the cute little vixen, he stopped humping her. Still buried all the way inside her, he said,

"That's a good girl. Your pussy feels good filled with a human cock, doesn't it? I sure hope that I'm not hurting you."

The vixen looked back at him with a surprised look on her pretty little face,

"Aw... yes, YES! It does feel good! It doesn't hurt at all!"

"How does it feel to have a REAL cock inside your vulpine vagina, a HUGE HUMAN COCK, fucking your tight little foxhole deeper than it has ever been fucked before?"

The human flexed his dick, still buried all the way inside the vixen, making her moan.

"OH! Your cock feels so big! I have never felt so full! I expected to be in agony by now, but it feels surprisingly good! So good that I am about to... Oh, no! I am about to have an orgasm impaled on a human cock! Oh my GAWD! I feel so dirty!"

"Just relax and enjoy it! You have nothing to be ashamed of! I'm about to cum, too!"

"No! NOOOO! Not inside me! Please, don't cum inside me!"

"Don't worry, silly vixen! My human cum can't make you pregnant!"

"I knooooow! But it feels so DIRTY! Pleeeeease pull out of me! PLEEEASE?" she pleaded.

The human groaned as her tight vulpine vagina squeezed his dick like a tight glove.

"Too late! Here's my cum, bitch! I bet you and your vulpine family never thought you'd have HUMAN cum inside your womb, eh? Can you feel it flooding your ovaries, eh? Eeeehhhh!"

The vixen felt him climax, releasing his sperm deep into her unprotected pussy. She gasped loudly and froze stiff, followed by a scream as her own climax hit her like a ton of bricks.

Our quiet den suddenly echoed with primal cries of vulpine lust. I woke up, opened my eyes and saw my naked wife sitting in the bed next to me and asked her what the fox she was screaming about.

She blushed so hard that it was clearly visible through her lovely auburn fur.

"Nothing, I... I just had the most wonderful dream... about how we first met..."

"You have had the same re-occurring sex dream every night since then, haven't you?"

"Can you blame me? It was the best sex I've ever had. I can't believe that I actually went through with it, but I am ever so glad that I did! You are an AMAZING lover!"

She snuggled up beside me, kissed me and told me to go back to sleep.

"I'll tell you all about my dream in the morning. Sleep tight, my little beast!"
