

Character Name: Felicia
Species: Cheetah
Gender: Female
Hair Color: Brown, shoulder length.
Eye Color: Bright Green with gold flecks.
Height: 5'7"
Weight: 130ish
Age: 31
Feet: Digitigrades
Build: Slim and athletic with some nice curves, C-cup breasts and a bit extra in the hips and the rear end to balance out her tail. 34C-30-36.

Distinguishing features:

Her tail is rather long, on the order of five feet. She's very comfortable with it and it moves naturally with her. She's made it part of how she dances.

Jewelry: Each ear is pierced twice, once with a simple silver hoop, and in front of that a stud with blue stone. She also wears two rings around her tail, one brass ring near the tip, and a silver ring half way down the length.

Clothing: Comfortable and loose clothing, t-shirts and shorts, or even long slinky dresses. She likes to dance, so as long as she can move, she is happy with anything stylish, though has a thing for hoodies, she finds them very comfortable. If she's show any hint of cleavage she will probably accent it with a push up bra.

Other Forms: While she doesn't change as often as Theo, sometimes she can be found as a Snivy pokmon-morph.

Personality: It can't be said often enough, but she loves to dance, movement is really the word that defines her, she's always moving. This isn't about being hyper, she's always focused on what she's doing and thinks fast, she's just always moving. She has a nervous habit of bouncing on the balls of her feet when waiting for something.

She's smart, creative, and a generally an upbeat person who doesn't dwell on the past, loves to try new thing and meet new people. Never afraid to talk with someone, doesn't deal with drama, and isn't willing to put up with people who cause it. Friends come easily to her and are important; she's willing to trust someone until she has a reason not to.

While she likes transformation she does prefer to be turned back after only a few hours, and she doesn't take to being mind controlled at all. She'll play at it, but will never accept the real thing. Otherwise she's open to most everything.
