

Having vacation and the lost wolf pup

Valor is by the waterfall as he consider to have relax moment there. He set up his relaxing chair, blanket and umbrella at the smooth rock to imagine as a beach. Valor doesn't seem to not going to the beach because he dislike crowds people and way too much attention as they going to take picture as his sexy muscle body even he wears sleeveless long black with silver lines trenchcoat with each belts and black and silver line pants. He stretches and lie on his blanket to relax his body and mind then closes his eyes. One of Valor's brothers came to check on him.

Cade: There you are. I was wonder where you went.

Valor: You done your training?

Cade: Yes I been training like you said to get myself stronger like you.

Valor: That's good.

Cade: May I take a break and join with you, big brother?

Valor: Sure why not.

Cade: *smiles as goes and sits by Valor* Thank you and you look se-

Valor: "Sexy" I know you going to say that.

Cade: Ah yeah... I didn't know you're so smart.

Valor: Wolves are consider to be very intelligent and have sense.

Cade: Ah. I not sure if I be as intelligent like you are...

Valor: Don't be like that. You shouldn't feel bad for yourself.

Cade: *nods* How long you been a leader? Did you train as well?

Valor: I been a leader much longer and yes I train every years and so on when I was around your age.

Cade: Wow. How old are you, big brother?

Valor: I can't tell you about my age so let just say I'm a grown adult and probably the oldest with my brothers.

Cade: Really? You don't look too old just the way how you are.

Valor: That's why I can't give out mine real age.

Cade: Aw okay. Well I'm 18.

Valor: You're mature now. Just continue your training in couple months and you will be stronger like me.

Cade: *wagging* Thanks for compliment, big brother.

Valor: You're welcome.

Cade: Can I lay on you like your comfort pecs?

Valor: Yes little brother.

Cade: *climbs on Valor then lie on his massive comfort warm pecs* Mmm my warm comfortable big brother...

Valor: I take it you enjoy spend time with me?

Cade: *blushes as he bury nose between Valor's pecs* Y-Y-Yes...

Valor: *blinks as his ears twitches* You okay? Why are you shy or something...?

Cade: *looks at Valor's face* I really do want to spend time with my big brother and yes I was very shy...

Valor: Oh. You shouldn't feel shy to yourself.

Cade: I'm trying to. What about you? Are you shy as well?

Valor: You don't see me blush so I not really a shy type to anyone. I just don't trust people who trying to take my brothers away.

Cade: Ah you must be a guardian or protector to help protect and save your brothers.

Valor: *looks at Cade* I am.

Cade: *smiles*"That's awesome, big brother!

Valor: *breathing his pecs firmly*

Cade: *murr's feeling Valor's pecs* Big brother do you smile before?

Valor: Hmm? Why you ask?

Cade: I haven't seen you smile. Is there a reason?

Valor: As a Wolf God I hardly smile. I don't smile to anyone who I met even I rarely smile of who am I.

Cade: Awww... I'm very sorry. I didn't know that... *eyes start to tear up*

Valor: *noses Cade's nose* Please don't cry my young blood little brother.

Cade: *sniffs as he holds close with Valor* I love you... big brother... wish to see you smile...

Valor: *holds Cade close his pecs so tight* Love you too, little brother and sorry I can't smile so it's hard for me but I will protect you. You're safe with me for now.

Cade: *huggles tight with Valor as he feel safe with him then softly kisses his nose*

Valor: *kisses back on his nose as well*

Cade wipes his tear off as he feeling better. Valor reaches his basket and grabs two water bottles then give one to his little brother as Cade takes it. They both drinking water and watches the waterfall as it make sound and river travel down with current. Cade looks and saw someone on fast current.

Cade: Big brother there's a lost wolf pup in the river and it washes him away! o.o

Valor gets up then he transforms into water elemental form as his furs turn blue, hair is calm and waving style with blue streak and eyes is red. Ride on the fast current with his water ability then rescue the wolf pup.

Cade: Whoa amazing for my big brother!

So he rescue the pup, Valor walks toward Cade and sets the wolf pup down as it stop breathing.

Cade: Oh no... Don't tell me he drowned... *looks sad*

Valor: Relax he's not going to die. *concentrates as he in water element form as he put his hand close to wolf pup as he absorbs most water out of him so he need oxygen lungs to breathe*

Cade: *gasps as he see the wolf pup breathing as he's alive*

The wolf pup slowly gets up as he looks at Valor and he appears to be afraid and shy of him as he whimpers. Valor give him a food meat so the wolf pup see it as he approaches the food and eats it.

Valor: **speaks softly** It's going to be all right, little one.

Cade: Aww that's very kind and sweet to help out the young pup, big brother.

The wolf pup finish eating then looks at Valor as he wagging his tail and seem to trust him for being very friendly and generous then he nuzzles Valor's hand while Valor pets the wolf pup.

Cade: Where you from, little fellow?

The pup look at Cade but he seem too shy.

Valor: Cade you know he still a baby pup. He is too shy and can't speak.

Cade: Oh? But how we know where he came from?

Valor: He's separate from his parent that's why.

Cade: Aww that poor little fellow he must be lost from them.

Valor: Guess my vacation have to wait... Might as take this pup to his parent.

Cade: You right I bet they worry about him.

Valor picks up the pup and hold him close to his pecs while Cade is on Valor's shoulder then they off finding wolf pup's parent and wanders in the woods. They found the wolf den and see two wolves as it happen to be father and mother with their wolf pups.

Cade: **points at them** Big brother is that his parent?

Valor: Yes.

Valor looks at wolf pup as he looks back at him as well as he noses his massive pecs. Valor sets the pup down as the young one looks at his father and mother then turns to Valor.

Valor: Go on now, little guy. Your parents missed and worried about you.

The pup nods as he turns and goes back to his father and mother to reunite with them while Valor and Cade watches them.

Cade: *eyes start to tear up and tries not to cry as he reminds them of his real parents and misses them*

Valor: You all right, little brother?

Cade: Yeah...

Valor: You misses your real parents too, huh...?

Cade: *nods as both his ears lower*

Valor: It's going to be okay.

Cade: May I stay and spend time with you for while...?

Valor: Sure little brother as much as you can.

Cade: Thank you big brother. *cuddles around his neck*

Until it's night time, they headed back to the waterfall as Valor relaxes while Cade lays on Valor's comfort massive pecs as he give them a rub which make the giant wolf murr and wagging his tail. Valor and Cade bond have grow strong to each other as big brother and little brother.

-The End-
