

A Giant Wolf God having his gentle, soft side and sweet spots is consider his secret

In Valor's room, Valor start doing his workout training everyday as his muscles gotten to hyper size. His pecs are very huge massive, abs is now very strong rock hard, arms are huge massive strong as well. Valor's hair grow longest as he look similar to his mother's but he confirm as son of wolf god who will swore to protect his brothers and world. Little brother Cade came to visit his big brother Valor as he did training several months as his body is muscular and grown his adult age since when they both met in the woods. As Valor finished his workout, he took his break then heads in his bed lie back down while Cade join with him as he lay between his pecs feeling how comfortable and warm for this giant wolf been working very hard then looks at his eyes.

Cade: Hey big brother.

Valor: Hello little brother.

Cade: You look so giant huge massive last time I saw you.

Valor: I been working out every day that's why.

Cade: Really? How did you get so giant with your muscles and everything?

Valor: It's a secret.

Cade: Aw you not going to tell me?

Valor: Eat healthy food, drink water and keep workout everyday.

Cade: Ah ok.

Valor: \*nods\*

Cade: Is my big bro the strongest?

Valor: You could say that.

Cade: \*wagging\* Hope someday I could be like you. Flex it for me?

Valor: You will someday just continue training with our brothers doing same too. Sorry I don't show off.

Cade: I will, big brother. Aww okay.

Valor: Mmhmm.

Cade: Your hair is beautiful.

Valor: Thanks for compliment.

Cade: You let it grow?

Valor: It's already reach to my length.

Cade: Really? Your hair probably the longest lik-

Valor: My mother? Then yes.

Cade: You have your mother? Is she like you?

Valor: Well... Basically yes. Her fur color is silver and white.

Cade: But you have some silver only to your muzzle, neck, pecs and abs belly.

Valor: I have.

Cade: What's your black fur related to?

Valor: My father.

Cade: So your fur color based off both your father and mother?

Valor: Mm-hmm.

Cade: Where they at?

Valor: I don't know.

Cade: Did you missed them?

Valor: I don't feeling emotionally sad even you asked how I missed my parents.

Cade: Oh ok then maybe I could cheer you up. \*give Valor's pecs a rubbing\*

Valor: \*murs as he breathing his pecs firmly and wags his tail\*

Cade: Aww you seem so gentle, big bro.

Valor: Oh?

Cade: Did anyone rub your pecs before?

Valor: I don't remember to be honest with...

Cade: Aww well I going to give you everything I can for my big brother. \*rubbing his pecs more\*

Valor: \*try not to blush but he murr as he seem to enjoy and wagging continues\*

Cade: \*continues then gives his pecs a kiss between them\*

Valor: \*blushes as he flexes pecs feeling the kiss from his little brother\* I don't want to sound rude. Are you gay/bi?

Cade: Bi.

Valor: So you like hang out with both males and females?

Cade: Well I'm shy to males and females...

Valor: Oh? Why being shyness?

Cade: It just who I am until I met you. I feel open.

Valor: You did?

Cade: Um yeah but I found it already.

Valor: Oh? Who is your lucky one?

Cade: \*buries his muzzle on Valor's pecs and mumbles\* Y-You...

Valor: \*ears perks up as he seems curious and serious\* Why me?

Cade: You're very kind and sweet for taking good care of me.

Valor: I see. So I'm your mate and why is that?

Cade: Yes... Are you bi too?

Valor: I dunno to myself if I'm bi/gay/straight so it's unknown... A lot people been asking me so I tend to keep it to myself without getting exposed and involved in the future...

Cade: I'm sorry to hear it big brother. Do you have your secret to share with me?

Valor: It's a long story so you might get bored.

Cade: I don't mind.

Valor: \*took a deep sighs\* I had a gentle and soft side when I start helping people then I was open to be friendly toward them but... They took advantage on me which got me very upset and pissed off how they treated me like I'm a sex toy and used me for their dirty work that's why I can't be mate with someone. They don't care nothing but themselves to show how selfish they are. I'm a fighter and a warrior not a lover. I don't give a damn with those people said as they do disrespect and disobedient whatever.

Cade: That's terrible... No wonder why they hurt you and treated you like that. It's wrong for them to do to you.

Valor: It is true. I'm going ask you. Are you sure you want me to be your mate? Be honest with me.

Cade: Umm... What you said is truth about your past then I won't.

Valor: What is it?

Cade: I won't be mate with you but you still my kind-hearted big brother.

Valor: We both are brothers... \*noses his nose\*

Cade: I love you, big brother. \*noses back\*

Valor: Love you too, little brother.

Cade: \*wagging\* Do you like rubbing your pecs?

Valor: It's actually one of my sweet spots...

Cade: Oh? Really? So rubbing your pecs make you feel relax?

Valor: Yes... Even my pecs getting them rub would make me feel relax and warm inside...

Cade: Aw so you really do have your soft side then. Do you have other sweet spots?

Valor: Besides my pecs then it would be my abs and biceps.

Cade: \*looks at Valor's biceps\* Your biceps look even huge massive and quite stronger. What is that things around your biceps, big brother?

Valor: Armbands.

Cade: Ohh. You wore it all the time? Does it hurt when it's too tight?

Valor: Yes, I wore it during my training. No, it doesn't hurt so I'm still a tougher warrior wolf.

Cade: \*rubbing his bicep\* That's awesome. I bet your biceps is biggest when you flexes it.

Valor: \*flexes\* It's possible.

Cade: So powerful and strong. \*gives it a kiss\*

Valor: \*flexes his bicep hardest\*

Cade: \*feels it\* Strongest big brother.

Valor: Right...

Cade: \*crawls down to his pecs to abs then looks at\*

Valor: What are you doing?

Cade: Such a real strong rock hard abs you have.

Valor: Getting six packs is consider difficult but with lots of crunches.

Cade: Ah yeah it is hard. I see you been doing abs workout. \*feel his abs\*

Valor: I have.

Cade: \*rubbing his abs\* How long?

Valor: \*murs softly\* Several months.

Cade: Wow no wonder you been busy workout everyday. \*continues rubbing\*

Valor: \*wags\* I always busy... So that's it of my sweet spots.

Cade: Wait. What about your musky scent you share with me before? \*blushes\*

Valor: Hmm? What are you talking about?

Cade: \*points at Valor's bellybutton\*

Valor: My bellybutton?

Cade: \*nods\*

Valor: You like my bellybutton's scent smell?

Cade: \*blushes\* Yes...

Valor: No need to feel shy. You have my permission to smell my bellybutton/navel if you want.

Cade: \*sniffs Valor's bellybutton as it smell very manly and strong musky scent inside\*

Valor: Well? You like it...?

Cade: I love it. \*give his bellybutton a deep kiss\*

Valor: \*blushes deeply feeling very warm inside from this little wolf kissing his bellybutton as he hold him close\*

Cade: \*enjoys smelling the giant muscled wolf's bellybutton\* You have the best bellybutton scent I ever smell, big brother.

Valor: \*blush\* I do? Nobody haven't say that to me or tell me to clean my bellybutton inside.

Cade: \*finger around Valor's bellybutton slowly\* Aww I wouldn't tell my big bro to clean it. I always remember your best manly musky ever.

Valor: Hmm... I see you have your fetish.

Cade: \*blush deeply\* Y-Yeah...

Valor: It's okay. Everybody has their own fetish/kinky but best to keep it yourself or they might think you're being too creepy and weird...

Cade: You're right I have to keep it to myself if that's ok to ask.

Valor: Well... Just between you and I as your big brother, Ok?

Cade: Yes, big brother. Do you have your fetish too?

Valor: Not much.

Cade: Aww really?

Valor: \*nods\*

Cade: Which is it?

Valor: Same sweet spots I have.

Cade: You mean biceps, pecs and abs?

Valor: That is that.

Cade: Bellybutton/navel too?

Valor: Sometimes... and that's it.

Cade: Oh ok. So you go crazy with their muscle body and navel play?

Valor: I not consider being addicted to see someone with their muscles. It is actually those fanboy of muscles/hyper muscles who are obsessed over my body. I don't go in public just because one person tell others to take a photo with me so I'm avoiding it away from people. And no I don't play anybody navel.

Cade: That's awful and okay. What will you do?

Valor: I just wipe their memory off and they go on with their lives.

Cade: Wait you can wipe people's memories but how?

Valor: I'm a Wolf God. I used mind power regardless if they nearby or faraway to take some their memories off about me then moving on.

Cade: Ahh that sounds scary... You not going to erase my memories are you, big brother?

Valor: It would make me feel lonely and have no one else to spend time with this giant wolf who always busy and such...

Cade: I don't want to make you feel lonely. Please don't erase my memories. I not be able to remember you as my big brother... \*hugs close\*

Valor: I know. I not going to wipe out your memories because I deeply care about you as my little brother. \*noses\*

Cade: Thank you and I promise to be with you. \*noses back\*

Valor: You will?

Cade: Of course. You just need someone to keep you company and that's me.

Valor: You not like other people who don't care but themselves and wasting my time...

Cade: I not. As you see I don't have my own friends to talk and they just avoid and ignore me for no reason...

Valor: \*looks down at Cade then gives it a gentle nuzzle on him\*

Cade: \*murs and nuzzles back at him then licks on his nose\* You're very kind and warmly my big brother.

Valor: \*licks his nose back\* You don't need a friend who always treated you with their selfish way. I your big brother will always be with you and always be the one as a protector.

Cade: \*smiles and wagging to have big brother as a protector\*

Valor: \*eyes seems calm\*

Cade: \*still fingering Valor's bellybutton\* Big brother is your bellybutton that big?

Valor: Well I been doing abs exercise and strikes such as elbow blow and punches for my core to get it firm and tighten inside.

Cade: Oh? I bet your bellybutton is very manly, musky and strong. It could make anything fit inside like having one gem or wear bellybutton ring.

Valor: Now you're being silly.

Cade: \*chuckles\* I know X3

Valor: No wonder you have navel fetish. So you like big muscled men with navel?

Cade: \*blushes\*

Valor: I could tell for your blush so it's yes then?

Cade: Yes...

Valor: You done it to anyone before?

Cade: No I haven't. Just only you.

Valor: So I the only one then?

Cade: Yes please I don't want to get you upset...

Valor: I not upset. You just need to control yourself, ok?

Cade: Ok big brother.

Valor: I know you like fingering and kissing my bellybutton but ask me for permission before you do anything else.

Cade: Yes big brother and I'm sorry. I'll start asking you.

Valor: Thanks I'm sure you understand.

Cade: \*nods\*

Valor: \*fingering in his own bellybutton then smears around Cade's nose\*

Cade: \*inhales deeply smelling manly scent from his bellybutton\* Mmmmm~

Valor: \*looks down at Cade\*

Cade: You want to do yours too, big brother?

Valor: You going to do it?

Cade: Sure \*fingering in Valor's bellybutton then reaches to smears around his nose for him\*

Valor: \*sniffing his own strong bellybutton musky scent smell\*

Cade: You like it?

Valor: Mmhmm.

Cade: So you done it before by yourself?

Valor: Sometimes.

Cade: Your nose got a scent to it. ;3

Valor: That's because I have a super smell.

Cade: Really? You can smell it good?

Valor: Strong smell.

Cade: Even far away distance?

Valor: I can but right now I smelling my own bellybutton scent...

Cade: \*giggles\* I have yours too so that make both of us then.

Valor: \*lay his head on pillow as he sniffs nose and wiggles softly\*

Cade: \*lie on his massive pecs\* Big brother, you wear some kind of jacket?

Valor: It's a trenchcoat.

Cade: Where you got it from?

Valor: I made it. You won't find it any stores.

Cade: How you be able make such your outfits so amazing? You look so badass on you like you're a brawler or something.

Valor: Well... I customize and modify like added weights inside and straps on each of this coat. Badass yes but I more as a "Wolf God Lord" so yeah I'm a fighter and a warrior.

Cade: That sounds awesome and cool on you, big brother.

Valor: I know.

Cade: So the weights inside your coat. Is it too heavy on you? What does the straps do?

Valor: Not really it does felt good during my training and it weigh 500lbs. The straps across my pecs is use for tighten it which make my pecs firmly and toughen it up while the rest are for my abs and lower body.

Cade,: Whoa no wonder you gotten even stronger and tougher.

Valor: Like I said I like wearing sleeveless modify coat.

Cade: \*wagging\* I love having my strongest leader big brother.

Valor: Hmpf.

Cade: Do you think people will know and remember you?

Valor: Hardly.

Cade: How come?

Valor: I wasn't present even I haven't met them and it's a waste of my time...

Cade: Aww don't be like that I'm sure you have friends.

Valor: I don't have friends.

Cade: You don't?

Valor: Why would I...?

Cade: What about your members? Are they your friends?

Valor: They are my brothers as wolverine clans which make me the only leader to help and support them.

Cade: Oh okay. That's very nice, big bro.

Valor: I dislike having friends because they don't act like a real true friends and will take advantages on like for example used me for their selfish ways...

Cade: I'm sorry to hear it. I guess it's my fault...

Valor: \*looks at Cade with look on his face\* Why you think it's your fault?

Cade: For asking you that you don't have friends. I shouldn't get involved or forced you this.

Valor: Well you called me to be your "big brother" not as a friend or stranger. I can't turn away on you as it's my duty is to protect you then have to train you.

Cade: You don't look like stranger as I can tell you got a gentle kind-hearted inside of you and I understand and thank you my big brother. Thanks for sharing with me. What are you going to now?

Valor: As a leader I'll continue to recruiting wolves rather they're warriors or not but it will get better the more I recruiting and might have the biggest family members that you will meet and have something to get along like brothers.

Cade: \*nods\* That's a good idea, big brother!

Valor and Cade start chatting each other for while then showing affection each other like big brother and little brother. Cade yawns as he stretches then lay his head on Valor's pecs to feel comfortable. Both wolves noses each other and fallen asleep as Valor gently cuddles with his little brother Cade which shows he cares deeply toward him and his members as a strong leadership.

-The End-
