

Artemis Moonstone- he is the “Main Protagonist” of the group, he is a stocky wolf with a muscle gut he is 19, 6’3 and weighs around 250 pounds. He has brown eyes with his pupils being in the shape of diamonds he has very long hair but has it halfway braided into pigtails that fall onto his shoulders. His hair is naturally black but dyed it brown because he dislikes the color black in his hair. He Wears a dark brown headband to keep his hair back (as it goes down halfway down his back) a dark blue tank top, dark brown shorts and sandals.

Magma Igneous- He has red fur, Black messy hair, with yellow eyes who is 6ft 18 years old and weighs around 190 pounds. He has a Buff body type with really detailed muscles, and because he is heat proof and can control fire he can become “The Wolf” torch or his hair can flow like it’s on fire. He wears a black crop top, blue jean shorts and black sandals and his clothes are made to withstand the intense heat.

Colton Steelspike- He has dark grey fur with his hair being the same color, as it’s slicked back with grease. He is 6’2 has a very buff body type with a very big chest, he is 18 years old and weighs around 190 pounds he has blue triangle shaped pupils. He wears Dark Blue overalls with a black undershirt and black boots with black glasses. His clothes are made in a way so that he does not worry about ripping them when he uses his hardening power.

Victor Shield- he has ash brown colored fur, with a buff body type built big with abs, he has long black hair that is very long but keeps it in a downwards ponytail. He has normal green eyes as he is 18 years old he is 6’7 and weighs around 260 pounds as he wears an oversized white T-shirt black knee length shorts and no shoes.

Kage Darkhart- he has jet black fur, with a very toned but detailed body type, his hair is silver as it covers his left eye most of the time as it’s long enough to go to his waist as it’s combed down. He is 19 years old, is 6ft and weighs around 189 pounds, as his eyes are Dark brown and are club shaped. He has his left ear pierced with a silver ring, wears grey cargo pants with grey boots with no shirt but has a tattoo on the left side of his chest in the shape of a club as it’s white. He also wears silver bracelets with spikes on them with a choker around his neck with a skull attached to it.

Akira Mist- He has Light grey fur, with a very skinny build, he is 19 years old and is the shortest of the group at 5’10 and weighs around 120 pounds. He has hazel eyes with semi-circle pupils. He wears a white turtleneck with black pants and brown shoes with a necklace shaped like a moon around his neck. Because of how thin he is, he wears more winter-like clothes and gets cold easily. He does have the third eye ability but it does not physically give him the third eye only when he concentrates. His hair is the same color as his fur as it’s normally almost touching his neck in a shaggy loose style.

Storm Hurricane- He has dark blue fur, a buff build similar to Magma’s case, is 18 , 6’2 and weighs around 180 pounds, he has normal blue eyes, like Akira his hair is the same color as his fur but has his long hair braided into shoulder length braids with yellow hair ties on them. He just

wears light blue shorts and water shoes with a necklace in the shape of a sapphire. His outfit is made in a way so that he does not get slowed down when swimming through water, and also to show off his body in a subtle way.

Bodhi Frost- he has snow white fur with brown eyes, he has moderately long brown hair, he is 6ft tall with a very chubby body type, he does not have a lot of muscle like Artemis has, he weighs 195 pounds and is 18 years old. He wears a green hoodie with black shorts and green boots because of his ice powers he can wear very thin clothes in the cold without freezing.

Zephyr Albatross- He has light gold fur with hazel eyes, he is skinny but toned with some visible muscle and weighs around 150 pounds. He is 5'11 and 18 years old and wears a basic white shirt with black shorts and black shoes with a black lighting bolt shaped necklace. He can channel electricity without burning his clothes because they are made to withstand his powers
