

After a while I figured that it was time to do an update along with adding a few new characters to the group that already made their own appearances in the past few months.

Name- Duncan Lawrence Smith

Age- 23

Dob- November 1st 1999

Clan Affiliation- Spirit

Height/Weight- 6'3/190

Personality- He can be described to be confident, analytical and intelligent, with a laid back vibe he is known to be quiet at times but cares deeply about those he loves and wants to protect.

Appearance- He is a slim but toned Doberman with brown eyes, with darker colored fur on his body but with lighter colored fur on his lower face and stomach with an 8 pack. He wears a black crop top showing his navel, with dark blue jeans and black boots with the symbol of the spirit clan on the heels of it, he also wears plain black bracelets that allow him to use his powers.

-Trivia-

- He is Bisexual and has no preference for dating men or women
- He has earned the dragon scales of Normal and Spirit
- He is ambidextrous, but uses his right more than his left, his main weapon is a spear with a black handle and a gray blade that can shoot dark energy blasts from it, but also can use basic swords.
- Duncan can create dark energy blasts called his dark bolts, can move objects by using his magic to grab onto it, and can see in the dark. He also has any natural abilities a darkness dragon would have, and can see ghosts.
- He has a similar power to Theodore who can look into the future, but he has an anticipation ability that allows him to sense danger when it's about to happen, if someone was going to trip or get hurt.
- Duncan does possess a similar power to Steven's electro dash, but he uses his powers to zip by someone quickly to land a hit.
- He can not fly but can use shadows to create a platform under him to lift himself up, but if he is enraged he can become a modern version of a hell hound but will remain in control as he did struggle with his powers in the past before mastering them at a young age.
- He has 5 older siblings, he being the youngest, each one is married and has kids and beats Steven on the amount of in-laws and nieces and nephews he has.
- He has a Palisman named Nicholas a black crow, that helps assist him in dark spells while also being just like his owner
- His father is the second canine of the Spirit clan, and is the youngest of his family
- His IQ is 190, and graduated the top of his graduating class, and has a law enforcement degree.

Name- Xavier Justin Harris

Age- 22

Dob- April 20th 2001

Clan Affiliation- Normal

Height/Weight- 6'2/240

Personality- He is described to be stoic and determined, but is in reality a smart person and fairly quiet with a light hearted goofy side to him that is rarely seen. He does have a competitive spirit along with a fierce drive to protect those he cares about a trait he gets from his late father. Appearance- He is a 6 '2 Brown wolf, with a lighter colored chest/belly and lower face, he wears black glasses and has brown eyes, he has a chubby body type but has a muscle gut and defined muscles around his chest and arms. He wears black colored pants and brown boots with a sash with the Normal clan's emblem on it without a shirt.

-Trivia-

- He is skilled in hand to hand combat and does have brains as well, he is the type to outsmart a bigger opponent, which makes his choice in white gauntlets he can summon from the normal clan emblem on his chest more practical.
- He has befriended Steven becoming a brother like figure to him
- He majored in Psychology with a minor in sociology
- He has a palisman named Alec a normal colored bald eagle that helps him with his magic
- He lost his father at age 10, leaving him to watch over his mother and two younger sisters, who were 8 and 5 at the time.
- He has super strength fast reflexes
- In school he was 2 years behind from Prince Steven (who did know of each other)
- The reason he goes shirtless is because he has big shoulders
- He was able to train with Prince Quentin before he retired from the guard along with Duncan in his younger years, and sees prince Quentin like a role model.
- He has a habit on eating a lot, as he has a big and somewhat vocal belly
- He is openly Gay but is unsure if anywhere else is in the same boat as him
- He does know a fair bit of earth magic

Dob- 1/31/2004

Clan Affiliation- Emperor

Height/Weight- 5'9/180

Personality- He is described to be the creative and intelligent type, very mature compared to others his age, and is very passionate about his studies and always wanting to learn and is a workaholic by nature. Despite always being the top student he struggles in social situations and is a quiet introvert often shy about his nerdy likes or interests around others.

Appearance- He is a gold colored flying dragon (appearing like a much younger version of his grandfather) with short average black hair and green eyes with a chubby but muscular body type with a flat muscle gut not easily seen. He wears a white shirt and a bright red tie with a bright red-lined black blazer worn over, with black slacks and brown shoes.

-Trivia-

- He wears his old grade school outfit as that's the one outfit he feels more comfortable wearing than his other clothes.
- He has a palisman, an intelligent Raven named Edison that is a white bird with blue eyes, with the rest of the staff being white, he adopted Edison after he flew into his arms when he was 5.
- It is very likely he will earn all the dragon scales and would become a high ranking dragon in the world, but will remain the same size though.
- His powers are paternal
- If he somehow did grow to be as big as his two brothers he would have horns like a ram and would be a mix of Quentin's strength and Theodore's brains but will still be himself at heart.
- Before meeting Duncan he thought himself as aromantic asexual, but after meeting with him, he would still consider himself as Ace but adding Demisexual into the mix
- While not stated up front the reason why Steven is smaller than his two older brothers, is
- His weapon is an electric shield to match with his personality and the fact he does not look for a fight but knows how to if push came to shove.
- Steven would be on par to be just as Nerdy as Twilight Sparkle
- He has earned 4 College degrees and 12 Associate degrees in various majors, but never got a doctorate.
- He did toy with getting a masters but he had already earned so many college degrees before it would not make much of a difference.
- He also has a good singing voice but is very quiet about it
- He does hold a bachelors of Biology, History, English and Mathematics

- He holds associates in Philosophy, Sociology, Psychology, Art, Computer Science and Theater.
- The other associates he holds are, Theater, Music, Accounting, Science, Government and Communications
- He has an IQ of 207
- He did not eat much until Quentin helped him gain an appetite and has a vocal belly at times
- He is the shortest of his brothers that are both 6'3 as he gets his height from his mother.
- Despite that he can have anxiety at times, his blood pressure and pulse are slow and calm
- He did not experience what love was until he was 18 as the "void in his chest" was gone
- It's unlikely for he and his boyfriend Duncan to have kids as both are the youngest in their families
- His favorite color is green, often seen with his underwear as they have green piping
- It is very likely for him to marry Duncan one day, but they are taking the relationship slow.
- He has two older brothers Theodore and Quentin, who are married and have kids, he does have a few aunts and uncles his grandparents are the emperor and empress of alexandrite.
- It's likely if he does not move to the throne of alexandrite, he would become a well respected duke and would still keep his crown.
