

A few months had passed from the last episode, and the guardians of magic had mastered their own elements, the beast fighting Tournament, a yearly occurrence on Gaia, had started yet again.

The Kings of Gaia with their own prodigies had entered with the title of beast fighting champion being on the line.

Because of how big the League is it's split between the major league and the minor league, the minor one being the newer kingdoms being a part of it, with the major one being the older kingdoms including Artemis's kingdom.

Major League-

Grass Element- Led by Artemis, the biggest stadium in a dark green hue, has more rows of seats.

Strength Element- Led by Victor, the stadium is an orange hue
