

So what happened to the guardians of magic? They all grew up to be successful in their own lives including Eve and Brian living together.

It's heavily implied that Brian had defended his title in Gaia in generations going into the future, and that other people outside of a Gaian wolf learned the ways of Gaian magic including those who did not live on Gaia.

And with this story, the stories on Gaia have come to an end both on Gaia 2020 and Gaia in 2030.
