

The Time of the Magic Fighters, or Just The Magic Fighters takes place in The Fall of 2016 with yet again another magic related story happening.

Thomas Lionheart the prince of the Lionheart isles 7 or so islands off the coast of madagascar, most of the world does not know about this kingdom.

Thomas with Hugo his Father and Janet his mother seemed to have life cut out pretty well for them However. Climate Change on earth caused the sea level to rise a bit causing flooding and other problems to the remote kingdom.

Thomas wanted to help but his powers were not developed enough to really help his father and Grandfather (his father's dad) to help.

King Hugo Made the difficult decision to evacuate everyone to Madagascar and other places where his people could stay. Thomas was then sent to his uncle and aunt in America specifically- The State of Oregon to Montgomroy city a rich small town where his uncle was.

Thomas knew about what was happening and was informed about everything, he said goodbye to his old way of life, packed up everything and moved away.

Thomas himself is a 6'3 Buff Muscle gutted lion with normal colored fur with Scarlet Red puffy hair for his mane, he also has blue eyes and is a 16 year old. So not a small person by modern standards, he is a shy but optimistic person who is known to be an upbeat kind of guy. He has a habit of eating a lot, but he has this determined and serious side to him once someone close to him is in trouble
