

So Thomas had told his uncle about his discovery about his powers.

"So... You want me to train you then?"

"Y-yeah Uncle Kevin"

"Very Well I'll teach you what I know but keep in mind i'm not your father or Uncle Dan"

It's revealed that Thomas's father Hugo has two younger brothers Kevin the middle brother and Dan the youngest brother, that are 52, 42 and 40 respectively.

It was also revealed that members of the Lionheart are able to use fire based abilities and use magic not with spell circles but by channeling the magic through their hands.

Hugo's fighting style uses more hand to hand combat moves, Kevin's style was more so a long distance fighter, while Dan's was more blunt and in your face.

Thomas had picked up the style where he uses fire from a distance and learned how to do the lionheart roar a fire blast that comes from their mouth's basically.

Thomas had a long way to go before becoming a professional with his fire, but is taking it one step at a time.
