

Kyle Roberts, the Leader of the Drama Club is the 16 year old dark brown coyote with brown eyes standing at 5'10 with a skinny but toned body type. He wears black glasses with normal length black hair.

He is very smart, observant and rather humble, and is rather outgoing and has a calm atmosphere around him. He also can sing and dance pretty well but he keeps that side hidden.

Kyle had taken the leader role of the club after the past leader had graduated 6 months earlier, and was known for their elaborate performances and plays.

The club under the leadership of Kyle is now doing more shows at least once per month, and Thomas not seeing theader before actually enjoyed the performances.

Meanwhile, Owen and Johnny dating and not really being a major secret about it, had a target painted on their backs.
