

After taking down the first boss, Nathan had noticed that he was a little rusty on fighting compared to Mike and Russell who had no fighting experience.

Meanwhile while training offhandedly there was a new guy who ended up getting involved.

Name: Brandon Thompson

Age: 16

Height: 5'10

Appearance: skinny tan colored Kangaroo, with brown hair and blue eyes.

Personality: is a shy person, that is very smart but is too much of an introvert to make many friends.

Shadow Tamer Appearance: Wears a white helmet with a visor on it with a white jumpsuit with outlines of a motherboard on them with white gloves.

So after having some more experience with their powers + the new guy things were looking up, now that Nathan was no longer rusty when it came to using his powers.
