

Nathan had spent the past few days searching for Shade, as clearly he was not his own shadow and was beginning to get worried.

It was not until Shade had showed up again by chance back at the Nightwing House.

Name: Shane "Shade" Nightwing

Age: 17

Height: 5'7

Appearance: Appears like a twin brother to Nate, only wearing normal sports clothes and has the same body type and eyes as him.

Personality: He was the shadow of Nate for some time but after awakening to his powers, he was his normal extroverted and upbeat self, hyper and optimistic.

Shadow Tamer Appearance: He wears a gray vigilante like outfit, uses the ghost element and uses knives to fight with.

Once Shade now Shane explained what had happened, he woke up one day in this body with his own shadow not being alive like he was to Nathan for 17 years.

Shane and Nathan then hugged, and then started to form a bond almost like brothers.
