

Somewhere On Mezzanine-

"WHAT DO YOU MEAN MY BASE WAS DESTROYED ?!"

"but s-sir it seems prince Joel and his team seem to be getting in our way"

"DESTROY THEM AT ALL COSTS AND TRACK THEM DOWN NOW"

It appears the leader of the Granate Organisation, later on Mafia, has noticed the actions of the Warrior's of Mezzanine.

However, by the viewer the face of this man is unknown, other than the shaky fox servant/assistant.
