

This episode is a recap of the events of this season and last season.

The bad moments and the good moments as well, and a sort of last send off for the rebels of Gaia part of the story.

Kage can be seen singing, and putting on a show on Gaia with Dakota and Solaris and the other wolves joining in on it.

"And that's what happened today Amber..." Artemis can be seen recording a video to himself to send to her back on earth.

"hopefully things back here can be cleaned up and changes can be happening here with all that has happened... see you soon my little Lucy"

Artemis had ended the video.
